Plan Administrator
Danaher Corporation & Subsidiaries Savings Plan

We have audited the accompanying statements of net assets available for benefits and the supplemental schedule of the Danaher Corporation & Subsidiaries Savings Plan as of December 26, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 26, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

Except as explained in the following paragraph, we conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and supplemental schedule are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, investment assets held by Fidelity Management Trust Company, the trustee of the Plan, and transactions in those assets were excluded from the scope of our audit of the Plan's 2002 financial statements, except for comparing the information provided by the trustee, which is summarized in Note 4, with the related information included in the financial statements.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the Plan's financial statements as of December 26, 2002. The form and content of the information included in the 2002 financial statements, other than that derived from the information certified by the trustee have been audited by us and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 26, 2003, and changes in its net assets available for benefits for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit of the Plan's financial statements as of and for the year ended December 26, 2003, was made for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 26, 2003 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the financial statements for the year ended December 26, 2003, and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

Danaher Corporation & Subsidiaries Savings Plan

Notes to Financial Statements

December 26, 2003

1. Description of the Plan

The Danaher Corporation & Subsidiaries Savings Plan (the Plan) was established for certain employees, effective November 30, 2002. Prior to November 30, 2002, these employees participated in the Danaher Corporation and Subsidiaries Retirement and Savings Plan. Plan participants should refer to the formal legal documents of the Plan and Summary Plan Description for full explanation of all limitations, adjustments and special cases in the Plan. The Plan is administered through the trustee and record-keeper, Fidelity Management Trust Company.

On December 20, 2002, the GLI International, Inc. 401(k) Plan was merged into the Plan. On December 26, 2002, the Reliable Power Meters, Inc. 401(k) Profit Sharing Plan and the Hydrolab Corporation 401(k) Plan were merged into the Plan. These plan mergers occurred subsequent to and as a result of Danaher Corporation's (hereafter, the Company) acquisition of the above mentioned companies.

On July 1, 2003, the Orbisphere Laboratories Overseas 401(k) Plan and the Environmental Test Systems, Inc. 401(k) Plan were merged into the Plan. On September 30, 2003, the Willett America, Inc. 401(k) Savings Plan and the Raytek, Inc. 401(k) Plan were merged into the Plan.

Contributions

Eligible employees may contribute up to 20% of their compensation (subject to annual maximums), and the Company matches contributions equal to 50% of the first 6% of the compensation contributed by the employee. Employees are eligible for Company match contributions upon completion of 13 months of service.

Employees become fully vested with respect to the employer contributions upon completion of three years of service. Employee contributions and the earnings or losses thereon are fully vested at all times.

Distributions

Edgar Filing: DANAHER CORP /DE/ - Form 11-K

A participant who attains normal retirement age shall be entitled to payment of the balance in their accounts. A participant who remains employed after attainment of normal retirement age shall continue to participate under the same terms and conditions as applied prior to reaching normal retirement age. A participant must begin receiving distributions upon reaching the age of 70 ½.

A participant who has become totally and permanently disabled shall be entitled to payment of the balance in their account within a reasonable period of time after termination of employment.

The beneficiary or beneficiaries of a deceased participant shall be entitled to payment of the participant's account within a reasonable period of time after their death.

Upon a participant's termination of employment for reasons other than as specified above, a participant is entitled to payment of their vested accounts.

Withdrawals

The plan administrator may permit a participant to make a withdrawal from his account in the event of a hardship. A hardship withdrawal shall not exceed the amount required to meet the immediate financial need created by the hardship or the amount unavailable from resources of the participant. Participants may also make in-service withdrawals generally from contributions transferred or rolled over into the Plan from other plans.

Participant Loans

A participant may receive a loan from the Plan in accordance with policy established by the Plan administrator. Any such loan or loans shall not exceed the lesser of an amount equal to a percentage of the participant's vested account balance or \$50,000. Participants will not be entitled to receive a loan more frequently than annually. The plan administrator shall establish the maximum period that will be permitted to prevent the loan from being treated as a distribution. Current procedures require that all loans must be paid back within 54 months. The plan administrator may require loan payments to be made on a payroll deduction basis.

Participant Accounts

Each participant account is credited with the participant's contributions, any employer discretionary contributions and an allocation of Plan earnings or losses, and is charged with an allocation of administrative expenses, if any, incurred by the Plan. Allocations are based on account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Forfeited Accounts

At December 26, 2003 and 2002, forfeited nonvested accounts totaled \$1,516,907 and \$140,004, respectively. These amounts will be used to reduce future employer matching contributions.

Termination of the Plan

Although the Company, as the Plan's sponsor, has not expressed an intention to do so, the Plan may be terminated at any time. In the event of termination of the Plan, the accounts of participants as of the date of termination shall immediately become non-forfeitable.

2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Administrative Expenses

Expenses pertaining to the administration of the Plan are paid by the Plan.

Benefits Paid to Participants

Benefits payments are recorded when paid by the Plan. Upon termination of service, a participant is entitled to receive a lump sum amount equal to the vested value of his or her account.

Investments

Investments are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The income of each fund is reinvested in that fund.

The Fidelity MIP II Fund (MIP II), has underlying investments in guaranteed investment contracts (GICs), investment contracts issued by commercial banks, synthetic GICs and cash equivalents. The MIP II Fund is recorded at market value, as determined by the trustee.

Participant loans are valued at their outstanding balances, which approximate fair value.

3. Tax Status of the Plan

The Plan has received a determination letter from the Internal Revenue Service dated October 29, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

4. Investments

The fair value of investments representing 5% or more of the Plan's net assets as of December 26, 2003 and 2002 is as follows:

	2003	2002
Danaher Corporation Stock Fund	\$ 122,004,218	\$ 93,688,937
Fidelity Asset Manager Fund	60,511,621	53,062,192
Fidelity Equity Income Fund	63,493,040	47,675,936
Fidelity Low-Priced Stock Fund	47,356,482	<i>(less than 5%)</i>

Fidelity MIP II Fund	147,055,581	144,223,715
Fidelity Retirement Money Market Fund	47,135,906	46,210,796

For the year ended December 26, 2003, the Plan's investments (including gains and losses on investments bought and sold as well as held during the year) appreciated in fair value by \$102,815,533 as follows:

	Net Realized and Unrealized Appreciation in Fair Value of Investments

Spartan U.S. Equity Index Fund	2,438,312
	\$ 102,815,533

5. Party-in-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company (Fidelity). Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Additionally, as of December 26, 2003 and 2002, the Plan was invested in 1.5 million and 1.4 million shares, respectively, of Danaher Corporation common stock as part of the Danaher Corporation Stock Fund. During the year ended December 26, 2003, the Plan received \$142,054 of dividends on shares of Danaher Corporation common stock. Therefore, these transactions qualify as party-in-interest.

Danaher Corporation & Subsidiaries
Retirement and Savings Plan

We have audited the accompanying statements of net assets available for benefits and the supplemental schedules of the Danaher Corporation & Subsidiaries Retirement and Savings Plan as of December 26, 2003 and 2002, and the related statement of changes in net assets available for benefits for the year ended December 26, 2003. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

Except as explained in the following paragraph, we conducted our audit in accordance with standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements and supplemental schedules are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, investment assets held by Fidelity Management Trust Company, the trustee of the Plan, and transactions in those assets were excluded from the scope of our audit of the Plan's 2002 financial statements, except for comparing the information provided by the trustee, which is summarized in Note 4, with the related information included in the financial statements.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the Plan's financial statements as of December 26, 2002. The form and content of the information included in the 2002 financial statements, other than that derived from the information certified by the trustee have been audited by us and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan at December 26, 2003, and changes in its net assets available for benefits for the year then ended in conformity with U.S. generally accepted accounting principles.

Our audit of the Plan's financial statements as of and for the year ended December 26, 2003, was made for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule of assets (held at end of year) as of December 26, 2003 and the schedule of non-exempt transactions for the year ended December 26, 2003 are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the financial statements for the year ended December 26, 2003, and, in our opinion, are fairly stated in all material respects in relation to the financial statements taken as a whole.

Each participant account is credited with the participant's contributions, any employer discretionary contributions and an allocation of Plan earnings and losses, and is charged with an allocation of administrative expenses, if any, incurred by the Plan. 2. Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Administrative Expenses

Expenses pertaining to the administration of the Plan are paid by the Plan.

Benefits Paid to Participants

Benefits payments are recorded when paid by the Plan. Upon termination, a participant is entitled to receive a lump-sum amount equal to the vested value of his or her account.

Investments

Edgar Filing: DANAHER CORP /DE/ - Form 11-K

Investments are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. The income of each fund is reinvested in that fund.

The Fidelity MIP II Fund (MIP II), has underlying investments in guaranteed investment contracts (GICs), investment contracts issued by commercial banks, synthetic GICs and cash equivalents. The MIP II Fund is recorded at market value, as determined by the trustee.

Participant loans are valued at their outstanding balances, which approximate fair value.

3. Tax Status of the Plan

The Plan has received a determination letter from the Internal Revenue Service dated January 14, 2003, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is exempt from taxation. Subsequent to this issuance of the determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

4. Investments

The fair value of investments representing 5% or more of the Plan's net assets is as follows:

	December 26	
	2003	2002
Danaher Corporation Stock Fund	\$ 7,457,035	\$ 5,899,968
Fidelity Asset Manager Fund	2,524,974	2,266,727
