II. DESCRIPTION OF SECURITIES.

The following description of the deferred compensation obligations of the Company under the Compass Minerals International, Inc. Directors Deferred Compensation Plan, as amended (the Directors Plan) is qualified by reference to the Directors Plan. Capitalized terms used in this Item 4 and not otherwise defined in this Registration Statement shall have the respective meanings attributed to such terms in the Directors Plan.

The deferred compensation obligations incurred by the Company under the Directors Plan are unsecured general obligations of the Company, and will rank equally with other unsecured and unsubordinated indebtedness of the Company, from time to time outstanding, payable from the general assets of the Company. Because the Company has subsidiaries, the right of the Company, and hence the right of creditors of the Company (including Participants in the Directors Plan), to participate in a distribution of the assets of a subsidiary upon its liquidation or reorganization or otherwise, necessarily is subject to the prior claims of creditors of the subsidiary, except to the extent that claims of the Company itself as a creditor may be recognized.

Under the Directors Plan, the Company provides its non-employee directors with deferred compensation benefits through the deferral of amounts earned (the Fees) for service as a member of the Board of Directors of the Company (the Board) (including amounts earned for service as a member of a committee of the Board). The Directors Plan provides eligible directors with the opportunity in each election period to elect to defer up to 100% of his Fees. The portion of the directors Fees that are deferred depends on the director's election in effect with respect to elective contributions under the Directors Plan. The Company maintains separate book-keeping accounts for each participant (Deferred Compensation Accounts).

The amount in each director's Deferred Compensation Account represents the Company's obligation to pay the director at some time in the future. The amount that the Company is required to pay under the terms of the Directors Plan is equal to the deferrals made by the participant, as adjusted for hypothetical gains or losses attributable to the deemed investment in Common Stock, which are reflected in the participant's Deferred Compensation Account. A director is immediately vested in his or her deferrals and the income and gain attributable thereto.

The amounts payable to participants under the Directors Plan are distributed in accordance with the distribution provisions of the Directors Plan. Generally, such distributions are made at the director's election as of the earlier of the first January 1 to occur following the date the director ceases to be a member of the Board or any specified January 1 at least three years from the date the deferral is made. Distributions are payable in whole shares of Common Stock in a lump sum or in such number of annual installments as the director chooses. Any fractional shares are paid in cash.

The Company reserves the right to amend or partially or completely terminate the Directors' Plan, except that no such amendment or termination shall apply to the payment to any director or beneficiary of a deceased director of any amounts previously credited to a director's deferred Compensation Account.

III. INTERESTS OF NAMED EXPERTS AND COUNSEL.

Not Applicable.

IV. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Article Sixth of the Company's amended and restated certificate of incorporation eliminates the personal liability of directors to the Company or its stockholders, to the fullest extent permitted under the General Corporation Law of the State of Delaware (the "DGCL"). Section 102(b)(7) of the DGCL provides that a corporation may eliminate or limit the personal liability of a director (or certain persons who, pursuant to the provisions of the certificate of incorporation, exercise or perform duties conferred or imposed upon directors by the DGCL) to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director:

for any breach of the director's duty of loyalty to the corporation or its stockholders;

for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law;

under Section 174 of the DGCL (providing for liability of directors for unlawful payment of dividends or unlawful stock purchases or redemptions); or

for any transaction from which the director derived an improper personal benefit.

The amended and restated certificate of incorporation and by-laws of the Company provide for the indemnification of all officers or directors to the fullest extent permitted by the DGCL and the Company's amended and restated certificate of incorporation. Section 145 of the DGCL provides, in substance, that a Delaware corporation has the power, under specified circumstances, to indemnify their directors, officers, employees and agents in connection with actions, suits or proceedings brought against them by a third party or in the right of the corporation, by reason of the fact that they were or are such directors, officers, employees or agents, against expenses incurred in any such action, suit or proceeding. The DGCL also provides that Delaware corporations may purchase insurance on behalf of any such director, officer, employee or agent. Compass Minerals International, Inc. has purchased and maintains insurance on behalf of the Company's directors and officers.

VI. EXHIBITS

A list of exhibits included as part of this Registration Statement is set forth on the Exhibit Index appearing elsewhere herein and is incorporated herein by reference.

VII. UNDERTAKINGS

1. The undersigned Registrant hereby undertakes:

a. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(1) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(2) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;

(3) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1) and (a)(2) shall not apply to information contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

b. That, for the purpose of determining any liability under the Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

c. To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

2. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's Annual Report pursuant to section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
