**Item 8.01 Other Events**

On January 10, 2005, Liberate Technologies (the Registrant ) reached agreement to sell substantially all of the assets of its North American business to Double C Technologies, LLC ( Purchaser ), a joint venture majority owned and controlled by Comcast Corporation with a minority investment by Cox Communications, Inc.

Under the terms of the agreement, Purchaser will receive substantially all of the assets, including patents and other intellectual property, and will assume certain liabilities related to Registrant s North American business. Registrant will receive cash consideration of approximately \$82 million. The parties will cross-license technology and intellectual property to one another following the closing for purposes of the continued conduct of their respective business. The agreement will not become effective until the dismissal of Registrant s bankruptcy appeal, which Registrant has agreed to actively pursue. To that end, today Registrant is filing a motion in the U.S. District Court for the Northern District of California to dismiss its appeal from the United States Bankruptcy Court for the Northern District of California (docketed as Case No. 04-31394-TEC). The agreement will be subject to approval by Registrant s shareholders, Hart-Scott-Rodino antitrust approval, and other customary closing conditions.

The Registrant will file a proxy statement and other relevant documents concerning the proposed transaction with the Securities and Exchange Commission. Investors are urged to read the proxy statement when it becomes available and any other relevant documents filed with the SEC because they will contain important information on the proposed transaction. Investors and security holders will be able to obtain the documents filed with the SEC free of charge at the Web site maintained by the SEC at [www.sec.gov](http://www.sec.gov). In addition, investors and security holders may obtain documents filed with the SEC by the Registrant free of charge by requesting them in writing from Liberate Technologies, 2655 Campus Drive, Suite 250, San Mateo, CA 04403, Attention: Investor Relations, or by telephone at (650) 645-4000. The Registrant and its directors and executive officers may be deemed to be participants in the solicitation of proxies from the Registrant s stockholders. A list of the names of those directors and executive officers and descriptions of their interests in the Registrant is contained in the Registrant s proxy statement dated September 13, 2004, which is filed with the SEC. Stockholders may obtain additional information about the interests of the directors and executive officers in this transaction by reading the proxy statement when it becomes available.

A copy of the press release announcing the agreement is attached hereto as Exhibit 99.01 and is incorporated herein by reference.
