**Item 1.01**

**Entry into a Material Definitive Agreement.**

**Agreement and Plan of Reorganization**

*Overview.* On August 16, 2005, Creative Computer Applications, Inc. ( CCA ) and Xymed.com, Inc., a Delaware corporation and wholly owned subsidiary of CCA ( Merger Sub ) entered into a Agreement and Plan of Reorganization (the Merger Agreement ) with StorCOMM, Inc., a Delaware corporation ( StorCOMM ). Pursuant to the Merger Agreement, the Merger Sub will merge with and into StorCOMM, with StorCOMM being the surviving entity and a wholly owned subsidiary of CCA. Holders of StorCOMM common stock, options and warrants will become holders of CCA common stock, options and warrants following the merger. The parties had previously announced a letter of intent to implement the merger. The Merger Agreement is subject to a number of conditions described below, including approval of the respective shareholders of CCA and StorCOMM.

*Merger Consideration.* Upon completion of the merger, StorCOMM stockholders will be entitled to receive .02447 shares of CCA common stock for each share of StorCOMM common stock they own at the completion of the merger (the Exchange Rate ). StorCOMM stockholders will receive cash instead of fractional shares of CCA common stock. Each outstanding share of CCA common stock will remain unchanged in the merger. Assuming the merger had been completed as of August 15, 2005, CCA would have issued approximately 3,703,900 shares of common stock, on a fully diluted basis. The existing CCA shareholders will own the same number of shares as issued to the StorCOMM stockholders.

*Treatment of Stock Options and Warrants.* At the effective time of the merger, each outstanding option and warrant to purchase shares of StorCOMM s common stock will be assumed by CCA and converted into an option or warrant to purchase shares of CCA s common stock. The number of shares of CCA common stock subject to each assumed option and warrant will be determined on the same basis as the Exchange Rate applicable to all outstanding shares of StorCOMM common stock, and rounded down to the nearest whole number (with no cash being payable for any fractional share eliminated by such rounding). The exercise price of the new option or warrant will be equal to the exercise price per share under the original option or warrant divided by the Exchange Rate applicable to all outstanding shares of StorCOMM common stock, and rounded to the nearest whole cent. After adjusting the assumed options and warrants to reflect the application of the Exchange Rate and the assumptions by CCA, all other terms of the assumed options and warrants will remain unchanged.

*Representations, Warranties and Covenants.* CCA and StorCOMM have made customary representations, warranties and covenants in the Agreement, including, among others, covenants (i) not to (A) solicit proposals relating to alternative business combination transactions or (B) subject to certain exceptions, enter into discussions concerning or provide information in connection with alternative business combination transactions, (ii) to cause stockholder meetings to be held to consider approval of the Merger Agreement (in the case of StorCOMM and CCA) and approval of the stock issuance in connection with the merger (in the case of CCA), and (iii) subject to certain exceptions, for the board of directors of StorCOMM to recommend adoption by its stockholders of the Merger Agreement and for the board of directors of CCA to recommend adoption by its shareholders of the Merger Agreement and the stock issuance.

## Edgar Filing: CREATIVE COMPUTER APPLICATIONS INC - Form 8-K

*Conditions to Closing.* Consummation of the merger is subject to certain closing conditions, including, among others, stockholder approvals, absence of governmental restraints, effectiveness of a Form S-4 registration statement, accuracy of representations, approval for listing on the American Stock Exchange of the shares issued in the merger, the simultaneous closing of the Private Placement transaction, the conversion of StorCOMM's preferred stock and certain of its debt into common stock on terms satisfactory to CCA, and an increase in StorCOMM's authorized common stock on terms satisfactory to CCA. The Agreement contains certain termination rights for both CCA and StorCOMM, and further provides that, upon termination of the Agreement under specified circumstances, the terminating party must pay a termination fee not to exceed \$250,000.

Following the effective time of the merger, CCA will have a six-member board of directors, which will include a total of four current CCA directors and two current StorCOMM directors. Following the merger, Samuel G. Elliott

and William W. Peterson, who are currently members of the StorCOMM management, will become the chief international officer and the chief sales, marketing and product management officer, respectively, of CCA.

A copy of the Merger Agreement is attached hereto as Exhibit 2.01 and is incorporated herein by reference. The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement.
