**Item 8.01 OTHER EVENTS**

Hercules held an Investor and Analyst Day on September 14, 2005 which focused on technology and innovation. The Investor and Analyst Day was webcast live and is available for replay on Hercules' website at [www.herc.com](http://www.herc.com).

During the discussions, Craig A. Rogerson, President and Chief Executive Officer, also commented on the impact of Hurricane Katrina. While the full impacts of Hurricane Katrina are not fully known at this time, the Company believes that it will impact earnings per share by at least five cents for the balance of the year.

Mr. Rogerson also commented on the increased raw material, utility and transportation costs being experienced by the Company unrelated to the hurricane and on actions being taken to help offset the impact of increased costs.

A copy of the news release related to the Investor and Analyst Day, which was issued concurrently with Mr. Rogerson's comments, is attached as an Exhibit to this Form 8-K and incorporated by reference herein.
