**Item 2.02. Results of Operations and Financial Condition.**

On April 24, 2006, the company issued a press release announcing financial results for the quarter ended March 31, 2006. Attached hereto as Exhibit 99.1 is a copy of the company's press release dated April 24, 2006 announcing the company's financial results for this period.

The press release includes a discussion of revenue, before fuel surcharge and non-freight revenue, or freight revenue, in addition to operating revenue. The company provided this additional disclosure because management believes removing these sources of revenue provides a more consistent basis for comparing results of operations from period to period. This financial measure in the press release has not been determined in accordance with generally accepted accounting principles (GAAP). Pursuant to Regulation G, the company has included a reconciliation of these non-GAAP financial measures to most directly comparable GAAP financial measures.

The information contained in this report and the exhibit hereto shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
