**PROXY STATEMENT AND
MANAGEMENT INFORMATION CIRCULAR**

**Annual Meeting of Shareholders
To be Held on June 1, 2006**

GENERAL PROXY INFORMATION

SOLICITATION OF PROXIES

This Proxy Statement and Management Information Circular (the **Circular**) is furnished in connection with the solicitation of proxies by the management of MDC Partners Inc. (**MDC Partners**) for use at the annual meeting of shareholders of MDC Partners to be held at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders, and any adjournments thereof. Such meeting is hereinafter referred to as the **Meeting**. The information contained in this Circular is given as of the date hereof, except as otherwise noted herein. The address of the registered and principal executive office of MDC Partners is 45 Hazelton Avenue, Toronto, Ontario M5R 2E3. This Circular, the accompanying notice and the enclosed form of proxy are expected to first be mailed to shareholders on or about Monday, May 1, 2006.

Management expects that proxies will be solicited primarily by mail. Employees of MDC Partners or persons retained by MDC Partners for that purpose may also solicit proxies personally or by telephone. In addition to solicitation by mail, certain officers, directors and employees of MDC Partners may solicit proxies by telephone, telegraph or personally.

If a holder holds its shares in the name of a bank, broker or other nominee, see **Beneficial Owners** below.

MANNER IN WHICH PROXIES WILL BE VOTED

The shares represented by the accompanying form of proxy, if the same is properly executed in favor of Messrs. Nadal and Berns, the management nominees, and received at the offices of CIBC Mellon Trust Company, Attn: Proxy Department, 200 Queen's Quay East, Unit 6, Toronto, Ontario M5A 4K9 (the **Transfer Agent**) not later than 4:30 p.m. (Eastern Daylight Time) on Tuesday, May 30, 2006 (or, if the Meeting is adjourned, not later than 48 hours, excluding Saturdays, Sundays and holidays, preceding the time of such adjourned Meeting), will be voted or withheld from voting at the Meeting and, subject to Section 152 of the *Canada Business Corporations Act*, where a choice is specified in respect of any matter to be acted upon, will be voted in accordance with the specifications made. **In the absence of such a specification, such shares will be voted FOR the election of all ten nominees for the Board of Directors, and FOR the appointment of BDO Seidman, LLP as auditors of MDC Partners and to authorize the directors to fix their remuneration.**

The accompanying form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the accompanying Notice of Annual Meeting of Shareholders, and with respect to other matters which may properly come before the Meeting. At the date hereof, management knows of no such amendments, variations or other matters.

At any meeting of shareholders, two persons present in person, each entitled to vote at such meeting, constitute a quorum. Only a shareholder of record at the close of business on April 24, 2006 (the **record**

date) will be entitled to vote, or grant proxies to vote, such Class A Subordinate Voting Shares or Class B Shares at the Meeting (subject, in the case of voting by proxy, to the timely deposit of his or her executed form of proxy as described herein).

All matters are ordinary resolutions that must be passed by at least a majority of the votes cast by shareholders present in person or represented by proxy who voted in respect of the ordinary resolution at the Meeting. An automated system administered by the Transfer Agent tabulates the votes.

ALTERNATE PROXY

Each shareholder has the right to appoint a person other than the persons named in the accompanying form of proxy, who need not be a shareholder, to attend and act for him or her and on his or her behalf at the Meeting. Any shareholder wishing to exercise such right may do so by inserting in the blank space provided in the accompanying form of proxy the name of the person whom such shareholder wishes to appoint as proxy and by duly depositing such proxy, or by duly completing and depositing another proper form of proxy and depositing the same with the Transfer Agent at the address and within the time specified under **Manner In Which Proxies Will Be Voted** above.

REVOCABILITY OF PROXY

A shareholder giving a proxy has the power to revoke it. Such revocation may be made by the shareholder by duly executing another form of proxy bearing a later date and duly depositing the same before the specified time, or may be made by written instrument revoking such proxy executed by the shareholder or by his or her attorney authorized in writing or, if the shareholder is a body corporate, by an officer or attorney thereof duly authorized, and deposited either at the head office of MDC Partners, 45 Hazelton Avenue, Toronto, Ontario M5R 2E3 at any time up to and including 4:30 p.m. (Eastern Daylight Time) on the last business day preceding the date of the Meeting or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting or any adjournment thereof. If such written instrument is deposited with the chairman of the Meeting on the day of the Meeting or any adjournment thereof, such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

BENEFICIAL OWNERS

Most shareholders are **beneficial owners** who are non-registered shareholders. Their shares are registered in the name of an intermediary, such as a securities broker, financial institution, trustee, custodian or other nominee who holds the shares on their behalf, or in the name of a clearing agency in which the intermediary is a participant (such as The Canadian Depository for Securities Limited). Intermediaries have obligations to forward meeting materials to the non-registered holders, unless otherwise instructed by the holder (and as required by regulation in some cases, despite such instructions).

Only registered shareholders or their duly appointed proxyholders are permitted to vote at the Meeting. Non-registered holders should follow the directions of their intermediaries with respect to the procedures to be followed for voting. Generally, intermediaries will provide non-registered holders with either: (a) a voting instruction form for completion and execution by the non-registered holder, or (b) a proxy form, executed by the intermediary and restricted to the number of shares owned by the non-registered holder, but otherwise uncompleted. These are procedures to permit the non-registered holders to direct the voting of the shares that they beneficially own.

If the non-registered holder wishes to attend and vote in person at the meeting, they must insert their own name in the space provided for the appointment of a proxyholder on the voting instruction form or proxy form provided by the intermediary and carefully follow the intermediary's instructions for return of the executed form or other method of response.

CURRENCY

Unless otherwise stated, all amounts reported in this Proxy Statement and Management Information Circular are in U.S. dollars. Canadian dollar amounts have been translated to U.S. dollars at the following rates:

AUTHORIZED CAPITAL AND VOTING SHARES

The authorized capital of MDC Partners consists of an unlimited number of Class A Subordinate Voting Shares (the **Class A Subordinate Voting Shares**); an unlimited number of Class B Shares (the **Class B Shares**) (the Class A Subordinate Voting Shares and the Class B Shares are herein referred to collectively as the **shares**); and an unlimited number of non-voting Preference Shares, issuable in series, in an unlimited number of which 5,000 Series 1 Preference Shares, 700,000 Series 2 Preference Shares and an unlimited number of Series 3 Preference Shares have been designated.

At the date hereof, MDC Partners has outstanding 24,118,876 Class A Subordinate Voting Shares, 2,502 Class B Shares, no Series 1 Preference Shares, no Series 2 Preference Shares and no Series 3 Preference Shares. The holders of the Class A Subordinate Voting Shares are entitled to one vote in respect of each Class A Subordinate Voting Share held in connection with each matter to be acted upon at the Meeting and the holders of the Class B Shares are entitled to twenty votes in respect of each Class B Share held in connection with each matter to be acted upon at the Meeting. Approximately 99.8% of the aggregate voting rights attached to the issued and outstanding shares of MDC Partners are represented by the Class A Subordinate Voting Shares.

The articles of MDC Partners contain provisions that provide that, in the event that an offer is made to purchase Class B Shares which must, by reason of applicable securities legislation or the requirements of a stock exchange on which the Class B Shares are listed, be made to all or substantially all of the Class B Shares, and which offer is not made on identical terms, as to price per share and percentage of outstanding shares, to purchase the Class A Subordinate Voting Shares, the holders of Class A Subordinate Voting Shares shall have the right to convert such shares into Class B Shares in certain specified instances.

To the knowledge of the directors and officers of MDC Partners, no person (or group of persons) beneficially owns, directly or indirectly, or exercises control or direction over, voting securities of MDC Partners representing more than 5% of the voting rights attached to any class of voting securities of MDC Partners other than Mr. Nadal, (Chairman and CEO of MDC Partners); Cardinal Capital Management, LLC; Goldman Capital Management Inc., Gruber and McBaine Capital Management, LLC; Porter Orlin Inc. (A. Alex Porter, Paul Orlin, Geoffrey Hulme, and Jonathan W. Freidland); Weiss Peck & Greer Investments, a division of Robeco USA, L.L.C.; and Wellington Management Company, LLP. See Security Ownership of Management and Certain Beneficial Owners below for details of shares beneficially owned by these persons and entities.

EXPENSES

MDC Partners will pay all of the expenses of soliciting proxies for management. In addition to the mailing of the proxy material, such solicitation may be made in person or by telephone by directors, officers and employees of MDC Partners. Those directors, officers and employees will receive no compensation for such solicitation other than their regular salaries or fees. MDC Partners has retained CIBC Mellon Trust Company to aid in the solicitation of proxies. MDC Partners expects the additional

expense of that assistance to be approximately \$15,000. MDC Partners also will make arrangements with brokerage houses and other custodians, nominees and fiduciaries to send proxy materials to beneficial owners. MDC Partners will, upon request, reimburse these institutions for their reasonable charges and expenses incurred in forwarding this proxy material to beneficial owners of shares.

PARTICULARS OF MATTERS TO BE ACTED UPON

ITEM 1 ELECTION OF DIRECTORS

Ten directors are to be elected to the Board of Directors (the **Board**) at the Meeting. Each director elected will hold office until the next annual meeting of shareholders or until his successor is duly elected or appointed, unless his office is earlier vacated in accordance with the by-laws of MDC Partners. Management does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons named in the accompanying proxy reserve the right to vote for another nominee in their discretion.

Unless otherwise instructed, the persons named in the accompanying proxy (provided the same is duly executed in their favor and is duly deposited) intend to vote FOR the election of the nominees whose names are set forth below.

With the exception of Mr. Nadal, Mr. Berns and Mr. Pustil, the Board has determined that all of the nominees are independent under applicable Nasdaq rules and the Board's governance principles, and are independent under applicable Canadian laws within the meaning of National Instrument 58-101 Disclosure of Corporate Governance Practices. Information about the Board and Corporate Governance

The Board oversees the management of the business and affairs of MDC Partners as provided by Canadian law. The Board conducts its business through meetings of the Board and three standing committees: the Audit Committee, the Human Resources & Compensation Committee and the Nominating and Corporate Governance Committee. In addition, from time to time, special committees may be established under the direction of the Board when necessary to address specific issues.

The Board has established guidelines for determining director independence, and all current directors, with the exception of Messrs. Nadal, Berns and Pustil, have been determined by the Board to be independent.

MDC Partners has also adopted a written **Code of Conduct** in order to help directors, officers and employees resolve ethical issues in an increasingly complex business environment. The Code applies to all directors, officers and employees, including the Chief Executive Officer, the President and Chief Financial Officer, the Chief Accounting Officer and any other employee with any responsibility for the preparation and filing of documents with the Securities and Exchange Commission. The Code covers topics including, but not limited to, conflicts of interest, confidentiality of information and compliance with laws. In addition, the Board of MDC Partners recently adopted a set of **Corporate Governance Guidelines** as a framework within which the Board and its Committee will conduct its business.

The Company's Corporate Governance Guidelines contain a majority vote provision, which requires that a director nominee who receives, in an uncontested election, a number of votes withheld that is greater than the number of votes cast for his or her election to offer to resign from the Board, with such resignation to become effective if the Board does not reject it within 60 days after the date of the election.

Copies of the charters of the Audit Committee, the Human Resources & Compensation Committee and the Nominating and Corporate Governance Committee, as well the Code of Conduct and Corporate Governance Guidelines, are available free of charge at MDC Partners website located at <http://www.mdc-partners.com/ir/governance.asp>. Copies of these documents are also available in print to any shareholder upon written request to 950 Third Avenue, New York, NY 10022, Attention: Investor Relations.

Meetings

The Board held thirteen (13) meetings in 2005. The various Board committees met the number of times shown in parentheses: Audit (19), Compensation (6) and Nominating and Corporate Governance (2). Each incumbent director attended 75% or more of the aggregate of (i) meetings of the Board held during the period of the year for which he served as a director and (ii) meetings of all Board committees held during such period. MDC has a formal policy regarding attendance by directors at its annual general meetings of shareholders which states that all directors are expected to attend, provided that a director who is unable to attend such a meeting is expected to notify the Chairman of the Board in advance of any such meeting. All of the then current members of the Board attended the 2005 annual meeting of shareholders.

Committees of the Board

The Board has three committees: the Audit Committee, the Human Resources & Compensation Committee and the Nominating and Corporate Governance Committee. The terms of reference and mandate for each committee is outlined in the respective Charter of each committee, and is summarized below.

In addition, the Board may refer to the Audit Committee on other matters and questions relating to the financial position of MDC Partners and its affiliates. The Audit Committee is also responsible for overseeing and reviewing with management and the independent auditor the adequacy and effectiveness of the Company's accounting and internal control policies and procedures; reviewing with management its compliance with prescribed policies, procedures and internal control; and reviewing with management and the independent auditor any reportable conditions and material weaknesses affecting internal control, as more fully disclosed in Item 9A (Controls and Procedures) of the Company's Annual Report on Form 10-K for the year ended December 31, 2005. While the Audit Committee has the duties and responsibilities set forth above, the Audit Committee is not responsible for planning or conducting the audit or for determining whether the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management has the responsibility for preparing the financial statements and implementing internal controls and the independent auditor have the responsibility of auditing the financial statements.

The current members of the Audit Committee are Messrs. Thomas N. Davidson (Chairman), Richard R. Hylland and François R. Roy. The Board has determined that Mr. François R. The Human Resources & Compensation Committee makes recommendations to the Board on, among other things, the compensation of senior executives. The Human Resources & Compensation Committee discusses personnel and human resources matters including recruitment and development, management succession and benefits plans and grants awards under the SAR Plan and the 2005 Stock Incentive Plan (each as defined below). Salary, bonus or other payments for the benefit of senior management are reviewed and approved by the Human Resources & Compensation Committee. In 2005 and 2006, the Compensation Committee engaged Mercer Human Resource Consulting LLC to review and evaluate the Company's executive compensation levels, and to make recommendations for compensation of the Company's executive officers based on comparable industry levels, which recommendations have been implemented by the Committee. The current members of the Human Resources & Compensation Committee are Messrs. Richard R. Hylland (Chairman), Thomas N. Davidson, Robert J. Kamerschen, Scott Kauffman (effective as of April 28, 2006), Senator Michael J.L. Kirby and Thomas E. Weigman. MDC pays its directors who are not employees of MDC or any of its subsidiaries a \$20,000 annual retainer. It also pays a fee of \$2,000 for attendance at any Board or Committee meeting (but no director may receive more than two meeting fees per day). MDC pays an additional retainer for certain positions held by a director: \$10,000 for the Presiding Director, \$20,000 for the Audit Committee Chair, \$5,000 for the Audit Committee financial expert, and \$15,000 for other Committee Chairs. During the year ended December 31, 2005, MDC paid to such directors, in their capacity as directors, aggregate fees equal to \$580,000.

During the first quarter of 2006, the Company granted 4,000 Class A subordinated shares of restricted stock (or restricted stock units) to each of the Company's six non-employee members of the Board of Directors. These shares of restricted stock or restricted stock units will vest on March 5, 2009 (the third anniversary of the grant date).

During the first quarter of 2004, the Company completed a private placement of Class A subordinate voting shares at an average price of \$11.65 per share and issued warrants to acquire Class A subordinate voting shares with an exercise price equal to \$15.91, expiring in March 2009. Executive Sessions and Communications with the Board

Non-employee directors frequently meet in executive sessions without management in conjunction with each regularly scheduled Board meeting. A non-executive Presiding Director has the primary responsibility to preside over these sessions of the Board. The current non-executive Presiding Director is Robert J. Kamerschen. Shareholders or others who wish to communicate with the non-executive Presiding Director or any other member of the Board may do so by mail or courier, to MDC Partners Inc., c/o Steven Berns, President and Chief Financial Officer, 950 Third Avenue, New York, New York 10022. To facilitate a response, in appropriate circumstances, shareholders are asked to provide the following information: (i) their name; (ii) an address, telephone number, fax number and e-mail address at which they can be reached; and (iii) the number of shares or aggregate principal amount of debt that they hold, and the date those securities were acquired.

Director Nominations

The Nominating and Corporate Governance Committee identifies, selects and recommends to the Board individuals qualified to serve both on the Board and on Board committees, including persons suggested by shareholders and others. The Nominating and Corporate Governance Committee reviews the background and qualifications of those individuals who are chosen for consideration, including the following attributes and criteria of candidates: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and any other relevant factors deemed appropriate. Following that review, the Nominating and Corporate Governance Committee then selects nominees and recommends them to the Board for election by the shareholders or appointment by the Board, as the case may be. The Nominating and Corporate Governance Committee also reviews the suitability of each Board member for continued service as a director when that member's term expires or that member experiences a significant change in status (for example, a change in employment). The Nominating and Corporate Governance Committee has not implemented any particular additional policies or procedures with respect to suggestions received from shareholders with respect to Board or committee nominees.

Pursuant to its charter, the Nominating and Corporate Governance Committee may conduct or authorize investigations or studies into matters with its scope of responsibilities and may retain, at the Company's expense, such independent counsel or other consultants or advisers at it may deem necessary from time to time. The Nominating and Corporate Governance Committee has the sole authority to retain or terminate any search firm to be used to identify director candidates, including the sole authority to approve its fees and retention terms, with the Company bearing the cost of such fees.

Report of the Audit Committee of the Board

The following Report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing by MDC Partners under the Securities Act of 1933, as amended or the Securities Exchange Act of 1934, as amended, except to the extent MDC Partners specifically incorporates this Report by reference therein.

The Audit Committee is responsible for assisting the Board in serving as an oversight to MDC Partners' accounting, auditing, financial reporting, internal control and legal compliance functions. The Audit Committee has implemented procedures to ensure that during the course of each fiscal year, it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under its charter including, whenever appropriate, meeting in executive sessions with MDC Partners' independent auditors without the presence of MDC Partners management.

Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with U.S. generally accepted accounting principles (GAAP) and for the report on the Company's internal control over financial reporting. The Company's independent auditors are responsible for auditing those financial statements and expressing an opinion as to their conformity with GAAP and for attesting to management's report, when completed, on the Company's internal control over financial reporting. The Audit Committee's responsibility is to oversee and review the financial reporting process and to review and discuss the status and completed copy of management's report on the Company's internal control over financial reporting.

The Audit Committee reviewed and discussed with management and KPMG management's assessment of the Company's internal controls over financial reporting in accordance with Section 404 of the Sarbanes-Oxley Act of 2002, including the material weaknesses identified and more fully disclosed in Item 9A (Controls and Procedures) of the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

In overseeing the preparation of MDC Partners' financial statements, the Audit Committee met with both management and MDC Partners' outside auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that all financial statements were prepared in accordance with GAAP, and the Audit Committee discussed the statements with both management and the outside auditors. The Audit Committee's review included discussion with the outside auditors of matters required to be discussed pursuant to *Statement on Auditing Standards No. 61 (Communication with Audit Committees)*.

With respect to MDC Partners' outside auditors, the Audit Committee, among other things, discussed with KPMG LLP matters relating to its independence, and received from KPMG LLP written disclosures and a letter from KPMG LLP as required by the *Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees)*.

On the basis of their reviews and discussions, the Committee recommended to the Board that the Board approve (and the Board has approved) the inclusion of MDC Partners' audited financial statements in MDC Partners' Annual Report on Form 10-K for the fiscal year ended December 31, 2005, for filing with the Securities and Exchange Commission and the Canadian Securities Administrators.

Effective March 31, 2006, the Board resolved not to propose the re-appointment of MDC Partners' previous principal accountants, KPMG LLP, as auditors for MDC Partners at the 2006 Annual Meeting of Shareholders, and requested the resignation of KPMG LLP as auditors. KPMG LLP resigned effective March 31, 2006. There were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, or reportable events, except that

KPMG had, as part of its 2004 and 2005 audits of the Company's internal controls over financial reporting, previously advised the Company that it did not maintain effective internal controls over financial reporting due to identified material weaknesses. KPMG LLP served as MDC Partners' auditors from April 2004 to March 31, 2006.

Effective April 1, 2006 the Company engaged BDO Seidman, LLP ("BDO Seidman") as its independent registered public accounting firm. The decision to engage BDO Seidman was made by the Audit Committee of the Board of Directors and the Board of Directors of the Company. The Committee and the Board have also approved, and are submitting for shareholder approval, the selection of BDO Seidman, LLP as MDC Partners' independent auditors for the fiscal year ending December 31, 2006.

The Audit Committee's current charter is appended to this Circular as Exhibit A.

Management Agreement

The Board has approved and ratified the terms of an agreement (the **Management Agreement**) effective as of November 1, 1997 between MDC Partners and Nadal Financial Corporation (**NFC**), a management corporation wholly-owned by Miles S. Nadal, the Chairman and Chief Executive Officer of MDC Partners. NFC has subsequently assigned its rights and obligations under the Management Agreement to Amadeus Capital Corporation (**ACC**), which in turn has assigned a portion to Stallion Investments Ltd. (**Stallion**). ACC and Stallion are indirectly wholly-owned by Miles S. Nadal. Effective January 2004, ACC assigned its remaining rights and obligations under the Management Agreement back to NFC. Pursuant to the terms of the Management Agreement, MDC Partners retained NFC and its successors to provide MDC Partners with certain management and financial advisory services, as well as general advice of a strategic nature, including the personal services of MDC Partners' Chief Executive Officer. In consideration for these services, MDC Partners has agreed to: (i) pay an annual retainer fee of \$950,000, subject to adjustment annually by the Board, (ii) reimburse NFC for all of their expenses incurred in the performance of their services, (iii) grant options to NFC or Mr. Nadal, and (iv) provide NFC's officers, who provide services to the Company under the Management Agreement, with those employment benefits usually provided to employees of MDC Partners. In 2005 and in prior years, the Compensation Committee determined to pay NFC an incentive bonus in respect of services provided by the CEO.

A loan that was made to NFC pursuant to the Management Agreement is described under **Indebtedness of Directors, Executive Officers and Senior Officers**. Upon early termination of the Management Agreement by the Company for any reason other than for cause, NFC shall receive a payment equal to three times the amount of the highest aggregate of the annual retainer fee and any additional fees paid in any one of the three most recently completed full calendar years under the Management Agreement (the **Termination Payment**). NFC will be deemed to have been terminated without cause in the event of certain fundamental changes relating to reorganization, change of control or disposition of all or substantially all of the assets of MDC Partners. The Management Agreement has a term ending on October 31, 2007 unless sooner terminated pursuant to the provisions thereof. If the Company does not renew the Management Agreement upon expiration of the term, the Company must pay NFC an amount equal to the aggregate annual retainer amount for the two most recently completed calendar years of the term.

In 2000, MDC Partners agreed to provide Mr. Nadal a bonus of Cdn\$10,000,000 in the event that the average market price of MDC Partners Class A Subordinate Voting Shares is Cdn\$30 per share or more for more than 20 consecutive trading days (measured as of the close of trading on each applicable date). This bonus is payable until the date that is three years after the date on which Mr. Nadal is no longer employed (directly or through a management services agreement) by MDC Partners for any reason. The after-tax proceeds of such bonus are to be applied first as repayment of any outstanding loans due to MDC Partners from this officer and his related companies in the amount of Cdn\$6,800,000 and Cdn\$3,000,000, respectively, as at December 31, 2005, both of which have been fully provided for in MDC Partners' accounts.

Employment and Change of Control Agreements

MDC Partners has an employment agreement with Mr. Berns, President and Chief Financial Officer, made as of August 25, 2004 and amended on March 9, 2006. Mr. Berns' initial term of employment expires August 25, 2007, subject to automatic renewal. Under the amended agreement, Mr. Berns is entitled to receive an annualized base salary of \$550,000, and he is eligible to receive an annual discretionary cash bonus in an amount up to 150% of his base salary. The agreement provides that upon the termination by MDC Partners of his employment other than for cause or for good reason by Mr. Berns, then Mr. Berns shall be entitled to his base salary and benefits for a period of twenty-four months. The agreement further

provides that, upon a change of control transaction, Mr. Berns is entitled to terminate his employment agreement during the twenty day period following such change of control, in which case Mr. Berns would be entitled to payments equal to 18 months base salary and perquisite allowance, plus a pro-rata portion of his bonus with respect to the year in which termination occurred.

MDC Partners has an employment agreement with Mr. Dickson, a Managing Director, made as of June 26, 2002. The agreement is for an indefinite term and provides for an annual base salary of Cdn\$300,000, a guaranteed bonus of Cdn\$150,000 per annum, together with the right to earn a cash bonus based upon achieving performance objectives established by the Compensation Committee of up to 60% of the base salary. Pursuant to the terms of the employment agreement, Mr. Dickson's employment may be terminated by MDC Partners at any time without cause upon payment of 18 months base salary plus the product of 1.5 multiplied by the average of the prior two years' bonuses. In the event of a change of control transaction, during the sixty day period following the six-month anniversary of a change of control transaction, Mr. Dickson may terminate his employment with the Company, in which case he would be entitled to a payment in an amount equal to 18 months base salary plus the product of 1.5 multiplied by the average of the prior two years' bonuses.

MDC Partners has a new employment agreement with Mr. Rosenberg, a Managing Director, made as of December 26, 2005. The initial term of employment under the amended agreement expires on June 30, 2007, subject to automatic renewal. Under the amended agreement, Mr. Rosenberg is entitled to receive an annualized base salary of Cdn\$400,000, and he is eligible to receive an annual discretionary cash bonus in an amount up to 100% of his base salary. The agreement further provides that upon the termination by MDC Partners of his employment other than for cause or for good reason by Mr. Rosenberg, then Mr. Rosenberg will be entitled to a payment equal to the product of 1.5 multiplied by the sum (Total Remuneration) of his base salary, perquisite allowance and highest annual bonus earned by Mr. Rosenberg in the three years prior to the date of termination. In the event of a change of control transaction, if Mr. Rosenberg's employment is terminated within one year of the closing date of such transaction, then Mr. Rosenberg will be entitled to a payment equal to the product of two (2) multiplied by his Total Remuneration.

Report of the Human Resources & Compensation Committee

Composition of the Human Resources & Compensation Committee

The Human Resources & Compensation Committee of the Board (the **Compensation Committee**) is composed of five independent, non-employee directors. The Compensation Committee oversees the Company's executive compensation and benefit plans and practices, including its incentive-compensation and equity-based plans, and reviews and approves the Company's management succession plans. Specifically, the Compensation Committee determines the salaries and the performance and awards under the annual bonus incentive program for the Chief Executive Officer and other executive officers. The Compensation Committee also provides long-term incentives by granting options or other interests, including shares of restricted stock or restricted stock units, under the 2005 Stock Incentive Plan and SARs under the SARs Plan.

Overview and Compensation Philosophy

MDC Partners has used a number of elements in compensating its executives: base salary; annual bonus incentives; incentives in form of SARs granted under the SARs Plan; and most recently (in 2006) in the form of financial performance-based restricted stock and restricted stock units under the 2005 Stock Incentive Plan.

In 2005 and 2006, the Compensation Committee engaged Mercer Human Resource Consulting LLC (**Mercer**) to review and evaluate the Company's executive compensation levels, and to make recommendations for compensation of the Company's executive officers based on comparable industry levels, which recommendations have been implemented by the Compensation Committee. In particular, the Compensation Committee worked with Mercer to structure performance-based annual and long-term incentive programs designed to retain the Company's executive management team and to motivate them to achieve goals that increase stockholder value. The Compensation Committee sought to ensure that its incentive plans properly align management incentive compensation targets with the performance targets relevant to stockholders. The Compensation Committee also considered recent trends in executive compensation.

To that end, the Compensation Committee re-examined and reaffirmed its compensation strategy to:

- appropriately link compensation levels with the creation of stockholder value;
- provide total compensation capable of attracting, motivating and retaining executives of outstanding talent; and
- emphasize at risk pay tied to performance as a meaningful component of total compensation potential.

The Compensation Committee believes that this strategy results in a substantial portion of total compensation being at risk and appropriately relates to the achievement of increased shareholder value through profitable growth.

Base Salary

The base salary of each particular executive officer is determined by an assessment by the Board of such executive's performance, a consideration of competitive compensation levels in companies similar to MDC Partners, and a review of the performance of MDC Partners as a whole and the role such executive officer played in such corporate performance. For certain executives, the base salary is set forth in their respective employment agreements. See [Employment Agreements](#) and [Management Agreement](#).

Annual Cash Bonus

Annual cash bonus incentive awards are based upon achieving profitability criteria which are established by the Compensation Committee, as well as certain of the individual performance criteria used to calculate base salary. This establishes a direct link between executive compensation and MDC Partners' operating performance. For certain executives, the target amount of the bonus, or a formula to be used to determine the amount of bonus, is contained in their respective employment agreements. See Employment Agreements.

Long-Term Incentive Awards

In 2004 and 2005, the Compensation Committee did not grant or make any long term incentive awards to its existing executive officers.

In 2006, the Compensation Committee worked with Mercer to structure financial performance-based long-term incentive awards designed to retain the Company's executive management team and to motivate them to achieve goals that drive stockholder value. Based in part on recommendations made by Mercer, the Compensation Committee made grants to its executive officers in February 2006 of restricted stock and restricted stock units. These awards will not vest unless (i) the executive is an employee of the Company on the applicable vesting date and (ii) the Company achieves the specified financial performance criteria in fiscal years 2006, 2007 and/or 2008. These financial performance criteria include 15% EBITDA growth in 2006 as compared to 2005; cumulative EBITDA growth in 2006 and 2007 of 15%, as compared to 2005; and cumulative EBITDA growth in 2006, 2007 and 2008 of 10%, as compared to the 2006/2007 cumulative growth target.

Compensation of the Chief Executive Officer

The compensation of Miles Nadal is based upon the same criteria as that used in determining the compensation payable to MDC Partners executive officers. He is compensated by Nadal Financial Corporation (NFC), which is paid management fees by MDC Partners pursuant to the Management Agreement. See Management Agreement. The compensation listed in the summary compensation table reflects the fees paid to NFC pursuant to the terms of the Management Agreement. In determining the annual incentive bonus amount paid to NFC during the past fiscal year, an amount equal to 75% of the incentive amount was based upon the achievement by the Company of specified financial criteria, and 25% of the incentive amount was based upon individual performance criteria established by the Compensation Committee. The Compensation Committee specifically noted the following in evaluating Mr. Nadal's performance as Chairman and Chief Executive Officer:

- (a) financial performance that met performance targets for operating income;
- (b) assisted in identifying and closing Zyman acquisition, without an agent;
- (c) improved the organizational structure of the Company; and
- (d) instrumental in winning new business for certain agencies, and instrumental in promoting cross-selling efforts which led to significant new client accounts.

Stock Ownership Requirements

The Compensation Committee believes that stock ownership by senior managers strengthens their commitment to the future of the Company and further aligns their interests with shareholders. Effective March 2006, the Board adopted the following stock ownership guidelines for all officers commensurate with their level of seniority and base salary:

Position	Base Salary Multiple	Time to Attain
CEO	5x	4 Years
President and CFO	4x	4 Years
Managing Directors, General Counsel and Chief Accounting Officer	3x	4 Years
Vice Presidents	2x	4 Years

Mr. Nadal currently owns 1.86 million shares of MDC Partners Class A stock, more than satisfying his stock ownership requirement.

Conclusion

Through the programs described above, a very significant portion of MDC Partners executive compensation is linked directly to achievement of financial performance targets and stock price appreciation. The Compensation Committee intends to continue the policy of linking executive compensation to corporate performance and returns to shareholders, recognizing that the ups and downs of the business cycle from time to time may result in an imbalance for a particular period.

ITEM 2 APPOINTMENT OF AUDITORS

Subject to the action of the shareholders, upon recommendation of the Audit Committee, the Board has recommended to the shareholders the appointment of BDO Seidman, LLP, independent registered public accountants, to audit and report on the consolidated financial statements of MDC Partners for the fiscal year ending December 31, 2006 and to perform such other services as may be required of them. BDO Seidman, LLP has served as independent public accountants for MDC Partners since April 1, 2006. The Board has directed that management submit the appointment of the auditors for approval by the shareholders at the Meeting. Representatives of BDO Seidman, LLP are expected to be present at the meeting, will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate shareholder questions.

Unless otherwise instructed, the persons named in the accompanying proxy (provided the same is duly executed in their favor and is duly deposited) intend to vote FOR the appointment of BDO Seidman, LLP, independent registered public accountants, as auditors of MDC Partners, to hold office until the close of the next annual meeting of shareholders of MDC Partners, at a remuneration to be fixed by the directors of MDC Partners.

Effective March 31, 2006, the Board resolved not to propose the re-appointment of MDC Partners' previous principal accountants, KPMG LLP, as auditors for MDC Partners at the 2006 Annual Meeting of Shareholders, and requested the resignation of KPMG LLP as auditors. KPMG LLP resigned effective March 31, 2006. There were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, or reportable events, except that KPMG advised the Company that it did not maintain effective internal controls over financial reporting due to identified material weaknesses (as more fully disclosed in Item 9A (Controls and Procedures) of the Company's Annual Report on Form 10-K for the year ended December 31, 2005). KPMG LLP served as MDC Partners auditors from June 2004 to March 31, 2006.

In addition to retaining KPMG LLP to audit MDC Partners' consolidated financial statements for 2005, the company retained KPMG LLP and other accounting and consulting firms to provide advisory, auditing and consulting services in 2005. These services included audit services, audit-related services, tax services and other services. - (3) Includes fees for services rendered in connection with the Company's issuance of its 8% Convertible Unsecured Subordinated Debentures due June 2010.

All fees listed above have been pre-approved by the Audit Committee. The Audit Committee has, however, delegated to the Chairman of the Audit Committee the authority to pre-approve permitted non-audit services (as such services are defined by the Sarbanes-Oxley Act of 2002) provided that (i) the aggregate estimated amount of such fees will not exceed Cdn \$25,000 and (ii) the Chairman of the Audit Committee reports any pre-approval so granted at the next scheduled meeting of the Audit Committee.

The Audit Committee Charter provides for the Audit Committee to establish the auditors' fees. Such fees have been based upon the complexity of the matters in question and the time incurred by the auditors.

In carrying out its duties and responsibilities, the Committee's policies and procedures should remain flexible, so that it may be in a position to best react or respond to changing circumstances or conditions. While there is no blueprint to be followed by the Committee in carrying out its duties and responsibilities, the following should be considered within the authority of the Committee (it being understood that the Committee may diverge from such matters as considered appropriate given the circumstances):

Selection and Evaluation of Auditors

- (a) Select the firm of independent public accountants to audit the books and accounts of the Corporation and its subsidiaries for each fiscal year;
- (b) Annually Review and approve the terms of engagement and determine the remuneration of Corporation's independent auditor; and
- (c) Review the performance of the Corporation's independent auditor and terminate or replace the independent auditor when circumstances warrant.

Independence of Auditors

- (a) Ensure that the Corporation's independent auditor is independent and capable of exercising impartial judgment on all issues encompassed within its engagement. Regard shall be had to all applicable rules and regulations relating to

independence, including those with respect to

**CORPORATE GOVERNANCE
DISCLOSURE OF CORPORATE GOVERNANCE PRACTICES
(CANADIAN NATIONAL INSTRUMENT 58-101)**

The directors MDC Partners Inc. consider good corporate governance to be central to the effective and efficient operation of the Corporation. The business of the Corporation is supervised by its board of directors, directly and through its committees. The Canadian Securities Administrators require disclosure on an annual basis of the Corporation's corporate governance practices in accordance with Form 58-101 *Disclosure of Corporate Governance Practices*. The Corporation's corporate governance practices are set out below.

The Board of Directors

In determining whether a particular director is independent, the Board examines the factual circumstances in the context of that particular year. From and after November 3, 2005, the Board was comprised of ten members, seven of whom were independent directors. The Board proposed for election in this Circular is composed of ten members, all of whom are considered to be independent directors with the exception of Messrs. Nadal, Berns and Pustil who are members of management, Mr. Pustil having assumed additional responsibilities in the affairs of MDC Partners since 2001. The following directors of MDC Partners also serve as a director of any other issuer that is a reporting issuer (or the equivalent) in a jurisdiction or a foreign jurisdiction:

Thomas N. Davidson: serves as Chairman of NuTech Precision Metals, Inc.; serves on the Board of Directors of TLC Vision Corporation and on the Board of Occulogix, Inc., and is the non-executive Chairman of Azure Dynamics Corporation.

Steven Berns: serves on the Board of Directors of LivePerson, Inc. and LQ Corporation, Inc..

Richard R. Hylland: serves on the Board of Directors of LodgeNet Entertainment Corporation (LNET).

Robert J. Kamerschen: serves on the board of directors of Radio Shack Corporation, IMS Health Inc., R.H. Donnelley Corporation and Vertrue, Inc.

Senator Michael J.L. Kirby: serves as a director of The Bank of Nova Scotia, Extendicare, Ontario Energy Savings Corporation, Indigo, CPI Plastics and Brainhunter, Inc.

Stephen M. Pustil: serves as Chairman and Director of Custom Direct Income Fund.

François R. Roy: serves on the board of directors of the following Canadian companies: Macquarie Power Income Fund, and SFK Pulp Fund.

All independent directors frequently meet at the beginning or end of each regularly scheduled quarterly Board or Committee meeting without management present. The Board has access to information independent of management through MDC Partners' auditor who reports to the Audit Committee. The specific responsibilities of the Board include reviewing and approving all major strategic decisions, including any change in the strategic direction of MDC Partners and acquisitions and/or divestitures and other matters (such as guarantees) in excess of Cdn\$5 million; reviewing and approving annual budgets, including capital expenditure plans; reviewing and approving operating results for each quarter and year to date. As part of its ongoing activities, the Board regularly receives and comments upon reports of management as to the performance of MDC Partners' business and management's expectations. The

Board is therefore of the view that the appropriate structures and procedures are in place to ensure that it can function independent of management.

The Board has selected Mr. Robert Kamerschen as the Presiding Director of the Board. Mr. Kamerschen is independent.

Board Mandate

The Board of Directors recently adopted a set of Corporate Governance Guidelines as a framework within which the Board and its Committees will conduct its business. A copy of the Guidelines is available free of charge at MDC Partners' website at <http://www.mdc-partners.com/ir/governance.asp>.

Position Descriptions

The Company's bylaws and the Charters of each Board committee provide a detailed description of the roles and responsibilities of the Board, management and committees of the Board. The Human Resources & Compensation Committee (described below) is responsible for establishing, monitoring and evaluating objectives and standards of performance for the Chief Executive Officer and other executive officers on an annual basis. Salary, bonus, loans or other payments for the benefit of the Chief Executive Officer must be reviewed and approved by the Human Resources & Compensation Committee. Related party expenses for services rendered and in the nature of expense reimbursement must also be approved by the Human Resources & Compensation Committee.

Orientation and Continuing Education

New directors to MDC Partners have generally been executives with extensive business experience and directorship responsibilities on the boards of other public and private institutions. Orientation for these individuals is provided through a review of past Board materials and other private and public documents concerning MDC Partners. In addition, Board members are encouraged to attend (at the cost and expense of the Company) continuing education programs identified by the Nominating and Corporate Governance Committee each year to ensure that they maintain the skills necessary for them to meet their obligations as directors.

Ethical Business Conduct

The Company has adopted a Code of Conduct, which applies to all directors, officers (including the Company's Chief Executive Officer and Chief Financial Officer) and employees of the Company and its subsidiaries. The Code of Conduct was adopted in order to help directors, officers and employees resolve ethical issues. The Code of Conduct covers topics including, but not limited to, conflicts of interest, confidentiality of information and compliance with laws. The Company's policy is to not permit any waiver of the Code of Conduct for any director or executive officer, except in extremely limited circumstances. Any waiver of this Code of Conduct for directors or officers of the Company must be approved by the Company's Board of Directors. Amendments to and waivers of the Code of Conduct will be publicly disclosed as required by applicable laws, rules and regulations. The Code of Conduct is available free of charge on the Company's website at <http://www.mdc-partners.com>, or by writing to MDC Partners Inc., 950 Third Avenue, New York, NY, 10022, Attention: Investor Relations.

Nomination of Directors

The Nominating and Corporate Governance Committee is composed of five members, all of whom are considered to be independent. The Nominating and Corporate Governance Committee is responsible for reviewing and making recommendations to the full Board with respect to developments in the area of corporate governance and the practices of the Board. The Nominating and Corporate Governance

Committee is also responsible for evaluating the performance of the Board as a whole as well as individual board members and for reporting to the Board with respect to appropriate candidates for nominations to the Board. The current members of the Nominating and Corporate Governance Committee are Messrs. Robert J. Kamerschen (Chairman), Thomas N. Davidson, Michael Kirby, François R. Roy and Thomas E. Weigman. The Nominating and Corporate Governance Committee's current charter is available at www.mdc-partners.com/ir/governance.asp.

The Nominating and Corporate Governance Committee identifies, selects and recommends to the Board individuals qualified to serve both on the Board and on Board committees, including persons suggested by shareholders and others. The Nominating and Corporate Governance Committee reviews the background and qualifications of those individuals who are chosen for consideration, including the following attributes and criteria of candidates: experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and any other relevant factors deemed appropriate. Following that review, the Nominating and Corporate Governance Committee then selects nominees and recommends them to the Board for election by the shareholders or appointment by the Board, as the case may be. The Nominating and Corporate Governance Committee also reviews the suitability of each Board member for continued service as a director when that member's term expires or that member experiences a significant change in status (for example, a change in employment). The Nominating and Corporate Governance Committee has not implemented any particular additional policies or procedures with respect to suggestions received from shareholders with respect to Board or committee nominees.

Pursuant to its charter, the Nominating and Corporate Governance Committee may conduct or authorize investigations or studies into matters within its scope of responsibilities and may retain, at the Company's expense, such independent counsel or other consultants or advisers at it may deem necessary from time to time. The Nominating and Corporate Governance Committee has the sole authority to retain or terminate any search firm to be used to identify director candidates, including the sole authority to approve its fees and retention terms, with the Company bearing the cost of such fees.

Compensation

The Human Resources & Compensation Committee is composed of five members, all of whom are considered to be independent. The Human Resources & Compensation Committee makes recommendations to the Board on, among other things, the compensation of senior executives. The Human Resources & Compensation Committee discusses personnel and human resources matters including recruitment and development, management succession and benefits plans and grants awards under the 2005 Stock Incentive Plan and the SARs Plan. Salary, bonus or other payments for the benefit of senior management are reviewed and approved by the Human Resources & Compensation Committee. The Human Resources & Compensation Committee reviews the compensation of members of the Board on an annual basis and makes recommendations to the Board. The Board considers their remuneration appropriate given the time commitment, risk and responsibilities associated with the position. The current members of the Human Resources & Compensation Committee are Messrs. Richard R. Hylland (Chairman), Thomas N. Davidson, Robert J. Kamerschen, Scott L. Kauffman, Senator Michael J.L. Kirby and Thomas E. Weigman. The Human Resources & Compensation Committee's current charter is available at www.mdc-partners.com/ir/governance.asp.

Other Board Committees

The Board conducts its business through meetings of the Board and three standing committees: the Audit Committee, the Human Resources & Compensation Committee and the Nominating and Corporate Governance Committee. Copies of the charters of these committees are available, free of charge at MDC Partners' website located at <http://www.mdc-partners.com/ir/governance.asp>.

In addition, from time to time, special committees may be established under the direction of the Board when necessary to address specific issues.

Assessments

The Nominating and Corporate Governance Committee is responsible for developing and recommending standards of performance of the Board, its committees and the individual directors through administration of an annual questionnaire. It is the responsibility of the Nominating and Corporate Governance Committee to assess the effectiveness of the Board as a whole and the committees of the Board. Participation of directors is expected at all Board and committee meetings. Directors are asked to notify MDC Partners if they are unable to attend, and attendance at meetings is duly recorded.
