Section 8 Other Events

Item 8.01. Other Events

We have reclassified the operations of certain properties sold or identified as held for sale that occurred subsequent to December 31, 2005 into discontinued operations within our consolidated financial statements and notes to consolidated financial statements that were previously filed in the our Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

Statement of Financial Accounting Standards (SFAS) No. 144, *Accounting for the Impairment or Disposal of Long-Lived Assets*, requires us to report in discontinued operations the results of operations of a property that has either been disposed of or is classified as held for sale, unless certain conditions are met. SFAS No. 144 further requires us to reclassify results of operations from a property disposed or held for sale as income from discontinued operations during all reported periods. The purpose of this Current Report on Form 8-K is to set forth audited consolidated financial statements for the years ended December 31, 2005, 2004 and 2003, including revised notes thereto, which reflect the impact of reclassifying results of operations from properties identified as held for sale subsequent to December 31, 2005 in accordance with SFAS No. 144.

During the nine-month period ended September 30, 2006, we sold or held for sale 20 properties that were owned and not classified as assets held for sale as of December 31, 2005. The results of operations from such properties have been reclassified as income from discontinued operations for the years ended December 31, 2005, 2004 and 2003 in the accompanying consolidated financial statements and notes to consolidated financial statements. There is no effect on the previously reported net income available for common shareholders.

Management does not believe that this reclassification in accordance with SFAS No. 144 has a material effect on our selected consolidated financial data or Management's Discussion and Analysis of Financial Condition and Results of Operations (MD&A) for the fiscal years ended December 31, 2005, 2004 and 2003 as previously reported in our Annual Report on Form 10-K for the fiscal year ended December 31, 2005. We are not revising MD&A included in its 2005 Annual Report on Form 10-K given the insignificance of the reclassified amounts.
