**Item 1.01. Entry into a Material Definitive Agreement.**

On March 9, 2007, a subsidiary of Beacon Roofing Supply, Inc. (the Company) entered into a Securities Purchase Agreement (the Agreement) with the stockholders of privately-held North Coast Commercial Roofing Systems, Inc. and certain of its subsidiaries and affiliates (together North Coast) to acquire all of North Coast's stock. North Coast is a leading Midwest distributor of commercial roofing and related accessories headquartered in Twinsburg, Ohio. A copy of the Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference.

The following summary description of the Agreement is qualified in its entirety by reference to Exhibit 2.1. The purchase price is approximately \$119.8 million in cash, payable at closing and subject to an adjustment for working capital and other items. The transaction is structured as a purchase of the stock of North Coast and the agreement contains customary representations, warranties, covenants and conditions, as well as indemnification provisions subject to specified limitations. The transaction is subject to regulatory and other customary approvals and is expected to close in early April.

The Agreement contains representations and warranties that the Company and North Coast made to each other as of the date of the Agreement or other specific dates, and such representations and warranties should not be relied upon by any other person. The assertions embodied in those representations and warranties were made solely for purposes of the contract between North Coast and the Company and are subject to important limitations and qualifications agreed to by the Company and North Coast in connection with negotiating the Agreement. Accordingly, you should not rely on the representations and warranties as accurate or complete or characterizations of the actual state of facts as of any specified date since they are modified in important part by the underlying disclosure schedules and are subject to a contractual standard of materiality different from that generally applicable to stockholders and were used for the purpose of allocating risk between the Company and North Coast rather than establishing matters of fact.

**Item 7.01 Regulation FD Disclosure**

A copy of the Company's press release announcing the agreement to acquire North Coast is attached as Exhibit 99.1 to this Report and incorporated by reference into this Item 7.01.

**Item 9.01 Financial Statements and Exhibits.**
