National Australia Bank appoints Group Executive General Manager Development and New Business

National Australia Bank Group Chief Executive Officer, John Stewart, today announced the appointment of Mark Joiner to the new role of Group Executive General Manager Development and New Business.

Mr Joiner will report to John Stewart as part of the National Bank's Group Executive Committee. The areas of group development and group strategic investments will report to Mr Joiner.

Mark has experience in identifying and developing new business opportunities.

Following the appointment of the former EGM Group Development, Cameron Clyne as Chief Executive Officer Bank of New Zealand it is important to focus on developing new opportunities.

Mark will continue the work commenced by Cameron and build on the Group's portfolio of businesses, Mr Stewart said.

Mark Joiner was previously chief financial officer and head of strategy and mergers and acquisitions for Citigroup's Global Wealth Management business.

He joined National Australia Bank last year as part of the Australian Executive Committee as Executive General Manager Office of the Chief Executive Officer Australia.

National Australia Bank 1H07 reporting template

National Australia Bank today released its proposed format of certain disclosures for the 31 March 2007 results announcement.

The following is a summary of the main changes to the disclosures made at the 30 September 2006 results announcement:

- The Divisional Performance Summary and Divisional Cash Earnings pages will disclose cash earnings on a pre and post IoRE (ie Investment earnings on shareholders retained profits and capital from life businesses net of capital funding costs) basis (refer pages 1 - 3).
- Australia region cash earnings disclosures have been expanded to disclose cash earnings on a pre and post IoRE basis (refer page 4).
- Wealth Management Australia disclosures have been expanded to provide additional information for the Investments and Insurance businesses (refer pages 6 - 8).
- UK region net interest spreads have been restated to reflect a change to the treatment of intracompany liabilities. There has been no impact to Group net interest spreads (refer page 9).
- New Zealand region cash earnings disclosures have been expanded to disclose cash earnings on a pre and post IoRE basis (refer page 11).
- Note 3 Gains less losses on financial instruments at fair value disclosures have been expanded to provide greater granularity. Assets and liabilities designated at fair value and the derivatives matched against these assets and liabilities, plus the impact of hedge ineffectiveness of designated hedging relationships, have been disclosed (refer page 16).
- Net tangible assets per ordinary share have been restated to reflect the full impact of all intangibles and to exclude all non ordinary share equity items (refer page 16). This will be disclosed as a new note 7 in the 31 March 2007 results announcement. Updated calculations are available on www.nabgroup.com.
- Sources of operating profit have been disclosed for Australia. This will appear as supplementary note 10 in the 31 March 2007 results announcement (refer page 17).

The 31 March 2007 results announcement will be made on Thursday 10 May 2007.
