### **Item 4. Description of Securities.**

Not applicable.

### **Item 5. Interests of Named Experts and Counsel.**

Not applicable.

### **Item 6. Indemnification of Directors and Officers.**

Section 18-108 of the Delaware Limited Liability Company Act empowers a Delaware limited liability company to indemnify and hold harmless any member or manager or other person from and against all claims and demands whatsoever. Section 7.7(a) of our limited liability company agreement (the "LLC Agreement") provides that to the fullest extent permitted by law as it currently exists and to such greater extent as applicable law hereafter may permit, but subject to the limitations expressly provided in the LLC Agreement, Linn Energy shall indemnify any person who was or is a party or is threatened to be made a party to, or otherwise requires representation of counsel in connection with, any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of Linn Energy) by reason of the fact that such person is or was a director or officer of Linn Energy, or, while serving as a

director or officer of Linn Energy, is or was serving as a tax matters partner or, at the request of Linn Energy, as a director, officer, tax matters partner, employee, partner, manager, fiduciary or trustee of Linn Energy or any of its subsidiaries or any other person (each an Indemnitee ) or by reason of any action alleged to have been taken or omitted in such capacity, against losses, expenses (including attorneys' fees), judgments, fines, damages, penalties, interest, liabilities and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Linn Energy, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such person's conduct was unlawful.

Section 7.7(b) of our LLC Agreement provides that to the fullest extent permitted by law, but subject to the limitations expressly provided in the LLC Agreement, Linn Energy shall indemnify any person who was or is a party or is threatened to be made a party to, or otherwise requires representation of counsel in connection with, any threatened, pending or completed action, suit or proceeding, by or in the right of Linn Energy to procure a judgment in its favor by reason of the fact that such person was serving as an Indemnitee, or by reason of any action alleged to have been taken or omitted in such capacity, against losses, expenses (including attorneys' fees), judgments, fines, damages, penalties, interest, liabilities and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of Linn Energy and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to Linn Energy unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper.

Any indemnification pursuant to Section 7.7 of the LLC Agreement shall be made only out of the assets of Linn Energy, it being agreed that the members of Linn Energy shall not be personally liable for such indemnification and shall have no obligation to contribute or loan any monies or property to Linn Energy to enable it to effectuate such indemnification.

Section 7.7 further provides that expenses (including attorneys' fees) incurred by an Indemnitee in defending any action, suit or proceeding referred to in Section 7.7(a) or (b) shall be paid by Linn Energy in advance of the final disposition of such action, suit or proceeding and in advance of any determination that such Indemnitee is not entitled to be indemnified, upon receipt of an undertaking by or on behalf of such Indemnitee to repay such amount if it shall ultimately be determined by final judicial decision from which there is no further right to appeal that such person is not entitled to be indemnified by Linn Energy as authorized in Section 7.7.

Section 7.8 of the LLC Agreement provides that no director shall be liable for monetary damages to Linn Energy or the members of Linn Energy for breach of fiduciary duty as a director except (i) for a breach of the director's duty of loyalty to Linn Energy or the members of Linn Energy; (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law; or (iii) for any transaction from which the director derived an improper personal benefit. Furthermore, the board of directors is not responsible for any misconduct or negligence on the part of any agent appointed by the board of directors in good faith.

In addition, the LLC Agreement provides that Linn Energy may purchase and maintain insurance, on behalf of its directors and officers, and such other persons as the board of directors shall determine, against any liability that may be asserted against or expense that may be incurred by such person in connection with Linn Energy's activities or such person's activities on behalf of Linn Energy, regardless of whether Linn Energy would have the power to indemnify such person against such liability under the provisions of the LLC Agreement.

Reference is made to Item 9 for Linn Energy's undertakings with respect to indemnification for liabilities arising under the Securities Act.

### Item 9. Undertakings.

- (a) The undersigned registrant hereby undertakes:
  - (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided, however,* That paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such

securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described under Item 6 above, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment of the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
