MERITAGE HOMES CORPORATION

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

We are a leading designer and builder of single-family attached and detached homes in the historically high-growth southern and western United States, based on the number of home closings. We offer a variety of homes that are designed to appeal to a wide range of homebuyers, including first-time, move-up, luxury and active adult buyers. We have operations in three regions: West, Central and East, which are comprised of 12 metropolitan areas in six states. These three regions are our principal business segments. Our homebuilding and marketing activities are conducted under the names Meritage Homes, Monterey Homes and Legacy Homes.

At December 31, 2007, we were actively selling homes in 220 communities, with base prices ranging from approximately \$100,000 to over \$1,000,000. We develop a design and marketing concept tailored to each community, which includes determination of the size, style and price range of homes, street layout, size and layout of individual lots and overall community design. The home designs offered in a particular community also depend upon factors such as the housing generally available in the area, the consumer demands of a particular market and our lot costs for the project.

DESCRIPTION OF DEBT SECURITIES

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

This prospectus describes certain general terms and provisions of our debt securities. When we offer to sell a particular series of debt securities, we will describe the specific terms of the series in a supplement to this prospectus. We will also indicate in the applicable prospectus supplement whether the general terms and provisions described in this prospectus apply to a particular series of debt securities.

The debt securities will be issued under an indenture between us and HSBC Bank USA, National Association, as trustee, or another trustee chosen by us, qualified to act as such under the Trust Indenture Act and appointed in a supplemental indenture with respect to a particular series. The indenture is governed by the Trust Indenture Act. We have summarized select portions of the indenture below. This summary is not complete. The form of the indenture has been filed as an exhibit to the registration statement and we urge you to read the indenture. Capitalized terms used in the summary have the meaning specified in the indenture.

When we refer to we, our and us in this section, we mean Meritage Homes Corporation unless the context otherwise requires or as otherwise expressly stated.

General

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

The terms of each series of debt securities will be established by or pursuant to a resolution of our board of directors and set forth or determined in the manner provided in an officers' certificate or by a supplemental indenture. The particular terms of each series of debt securities will be described in a prospectus supplement relating to that series.

Unless otherwise specified in a supplement to this prospectus, the debt securities will be the direct, unsecured obligations of Meritage Homes Corporation and will rank equally with all of its other unsecured and unsubordinated indebtedness. Meritage Homes Corporation's payment obligations under any series of debt securities may be guaranteed by one or more co-registrants.

We may issue an unlimited amount of debt securities under the indenture that may be in one or more series with the same or various maturities, at par, at a premium or at a discount. We will set forth in a prospectus supplement, relating to any series of debt securities being offered, the aggregate principal amount and the following terms of the debt securities:

- the title of the debt securities, whether the debt securities rank as senior debt securities, senior subordinated debt securities or subordinated debt securities, or any combination thereof;
- the price or prices (expressed as a percentage of the principal amount) at which we will sell the debt securities;
- the aggregate principal amount of the debt securities and any limit on the aggregate principal amount of the debt securities;
- the date or dates on which we will pay the principal on the debt securities and the amount of principal that will be payable;
- the rate or rates (which may be fixed or variable) at which the debt securities will bear interest, if any, as well as the dates from which interest will accrue, the dates on which interest will be payable and the record date for the interest payable on any payment date;
- the form and terms of any guarantee, including the terms of subordination, if any, of any debt securities;
- any depositories, interest rate calculation agents or other agents with respect to the debt securities;
- the right, if any, of holders of the debt securities to convert them into our common stock or other securities, including any provisions intended to prevent dilution of the conversion rights;
- the place or places where principal, premium, if any, and interest, if any, on the debt securities will be payable and where debt securities which are in registered form can be presented for registration of transfer or exchange and the identification of any depository or depositories for any global debt securities;

Table of Contents

- any provisions regarding our right to redeem or purchase debt securities or the right of holders to require us to redeem or purchase debt securities;
- any provision requiring or permitting us to make payments to a sinking fund to be used to redeem debt securities or a purchase fund to be used to purchase debt securities;
- the denominations in which the debt securities will be issued, if other than denominations of \$1,000 and any integral multiple thereof;
- the percentage of the principal amount at which debt securities will be issued and, if other than the full principal amount thereof, the percentage of the principal amount of the debt securities which is payable if maturity of the debt securities is accelerated because of a default;

- if payments of principal of, premium or interest on the debt securities will be made in one or more currencies other than that or those in which the debt securities are denominated, the manner in which the exchange rate with respect to these payments will be determined;
- the manner in which the amounts of payment of principal of, or premium or interest on the debt securities will be determined, if these amounts may be determined by reference to an index based on a currency or currencies other than that in which the debt securities are denominated or designated to be payable;
- any provisions relating to any security provided for the debt securities;
- any addition to or change in the events of default described in this prospectus or in the indenture with respect to the debt securities and any change in the acceleration provisions described in this prospectus or in the indenture with respect to the debt securities;
- any addition to, change in or deletion from, the covenants described in this prospectus or in the indenture with respect to the debt securities; and
- any other material terms of the debt securities, which may modify, supplement or delete any provision of the indenture as it applies to that series.

In addition, the indenture does not limit our ability to issue subordinated debt securities. Any subordination provisions of a particular series of debt securities will be set forth in the officers' certificate or supplemental indenture related to that series of debt securities and will be described in the relevant prospectus supplement.

We will provide you with information on the federal income tax considerations and other special considerations applicable to any of these debt securities in the applicable prospectus supplement.

Transfer and Exchange

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

A holder will be able to transfer or exchange debt securities only in accordance with the indenture. The registrar may require a holder, among other things, to furnish appropriate endorsements and transfer documents and to pay taxes and fees required by law or permitted by the indenture.

Change of Control

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

Unless we state otherwise in the applicable prospectus supplement, the debt securities will not contain any provisions that may afford holders of the debt securities protection in the event we undergo a change in control or in the event of a highly leveraged transaction (whether or not such transaction results in a change in control) that could adversely affect holders of debt securities.

Covenants

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

We will set forth in the applicable prospectus supplement any restrictive covenants applicable to any issue of debt securities.

Table of Contents

Consolidation, Merger and Sale of Assets

We may not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of our properties and assets to, any person, which we refer to as a successor person, unless:

- we are the surviving corporation or the successor person (if other than Meritage Homes Corporation) expressly assumes our obligations on the debt securities and under the indenture;
- immediately after giving effect to the transaction, no event of default, and no event which, after notice or lapse of time, or both, would become an event of default, shall have occurred and be continuing under the indenture; and
- certain other conditions that may be set forth in the applicable prospectus supplement are met.

Events of Default

Unless otherwise stated in the prospectus supplement, an event of default with respect to any series of debt securities will be defined in the indenture or applicable supplemental indenture as being:

- our default in the payment of principal of or premium, if any, on any of the debt securities of such series when due and payable at maturity, upon redemption or otherwise;
- our default in the payment of any interest upon any debt security of such series when it becomes due and payable, and continuance of that default for a period of 30 days;
- an event of default as defined in the debt securities of that series or our failure to comply with any of our other agreements in the debt securities of such series or the indenture with respect to such series, which default continues uncured for a period of 60 days after we receive written notice from the trustee or we and the trustee receive written notice from the holders of not less than a majority in principal amount of the outstanding debt securities of that series as provided in the indenture;
- bankruptcy, insolvency or reorganization of our company or our significant grantor subsidiaries; and
- any other event of default provided with respect to debt securities of that series which is described in the applicable prospectus supplement.

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

No event of default with respect to a particular series of debt securities (except as to certain events of bankruptcy, insolvency or reorganization) necessarily constitutes an event of default with respect to any other series of debt securities.

If an event of default with respect to debt securities of any series at the time outstanding occurs and is continuing, then the trustee or the holders of not less than a majority in principal amount of the outstanding debt securities of that series may, by a notice in writing to us (and to the trustee if given by the holders), declare to be due and payable immediately the principal of and accrued and unpaid interest, if any, on all debt securities of that series. In the case of an event of default resulting from certain events of bankruptcy, insolvency or reorganization, the principal (or such specified amount) of and accrued and unpaid interest, if any, on all outstanding debt securities will become and be immediately due and payable without any declaration or other act on the part of the trustee or any holder of outstanding debt securities. At any time after a declaration of acceleration with respect to debt securities of any series has been made, but before a judgment or decree for payment of the money due has been obtained by the trustee, the holders of a majority in principal amount of the outstanding debt securities of that series may rescind and annul the acceleration if all events of default, other than the non-payment of accelerated principal and interest, if any, with respect to debt securities of that series, have been cured or waived as provided in the indenture.

The indenture provides that the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any holder of outstanding debt securities, unless the trustee receives indemnity satisfactory to it against any loss, liability or expense. Subject to certain rights of the trustee, the holders of a majority in principal amount of the outstanding debt securities of any series will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the trustee or exercising any trust or power conferred on the trustee with respect to the debt securities of that series.

Table of Contents

Unless stated otherwise in the applicable prospectus supplement, no holder of any debt security of any series will have any right to institute any proceeding, judicial or otherwise, with respect to the indenture or for the appointment of a receiver or trustee, or for any remedy under the indenture, unless:

- that holder has previously given to the trustee written notice of a continuing event of default with respect to debt securities of that series; and
- the holders of at least 25% in principal amount of the outstanding debt securities of that series have made written request, and offered reasonable indemnity, to the trustee to institute the proceeding as trustee, and the trustee has not received from the holders of a majority in principal amount of the outstanding debt securities of that series a direction inconsistent with that request and has failed to institute the proceeding within 60 days.

Notwithstanding the foregoing, the holder of any debt security will have an absolute and unconditional right to receive payment of the principal of, premium and any interest on that debt security on or after the due dates expressed in that debt security and to institute suit for the enforcement of payment.

The indenture requires us, within 90 days after the end of our fiscal year, to furnish to the trustee a statement as to compliance with the indenture. The indenture provides that the trustee may withhold notice to the holders of debt securities of any series of any default or event of default (except in payment on any debt securities of that series) with respect to debt securities of that series if it in good faith determines that withholding notice is in the interest of the holders of those debt securities.

Modification and Waiver

We may modify and amend the indenture without notice to or the consent of the holders to:

- create a series and establish its terms;
- cure any ambiguity, defect or inconsistency;
- evidence the assumption of a successor corporation of our obligations under the indenture;
- comply with any requirements of the SEC or the Trust Indenture Act;
- provide for uncertificated securities in addition to or in place of certificated securities;
- add, change or eliminate any other provisions of the indenture so long as that change does not apply to any then existing series of debt securities or modify the rights of the holder of any such security with respect to that

provision; and

- make any change that does not adversely affect in any material respect the interests of the securityholders of any series.

Subject to certain exceptions, we may amend the indenture with the consent (which may include consents obtained in connection with a tender offer or exchange offer for that series of securities) of the holders of at least a majority in principal amount of the series of the securities then outstanding, and any existing default under, or compliance with any provision of, the indenture may be waived (other than any continuing default in the payment of the principal or interest on the securities) with the consent (which may include consents obtained in connection with a tender offer or exchange offer for that series of securities) of the holders of a majority in principal amount of the securities of that series then outstanding; provided that without the consent of each holder affected, we and the trustee may not:

- (1) change the maturity of any security;
- (2) reduce the amount, extend the due date or otherwise affect the terms of any scheduled payment of interest on or principal of the securities;
- (3) reduce any premium payable upon optional redemption of the securities, change the date on which any securities are subject to redemption or otherwise alter the provisions with respect to the redemption of the securities;

Table of Contents

- (4) make any security payable in money or currency other than that stated in the securities;

- (5) modify or change any provision of the indenture or the related definitions to affect the ranking of the securities or any security guarantee in a manner that adversely affects the holders;

- (6) reduce the percentage of holders necessary to consent to an amendment or waiver to the indenture or the securities;

- (7) impair the rights of holders to receive payments of principal of or interest on the securities;

- (8) release any guarantor from any of its obligations under its security guarantee or the indenture, except as permitted by the indenture; or

- (9) make any change in these amendment and waiver provisions.

Except for certain specified provisions, the holders of at least a majority in principal amount of the outstanding debt securities of any series may on behalf of the holders of all debt securities of that series waive our compliance with provisions of the indenture. The holders of a majority in principal amount of the outstanding debt securities of any series may on behalf of the holders of all the debt securities of such series waive any past default under the indenture with respect to that series and its consequences, except a default in the payment of the principal of or any interest on any debt security of that series or in respect of a covenant or provision which cannot be modified or amended without the consent of the holder of each outstanding debt security of the series affected; provided, however, that the holders of a majority in principal amount of the outstanding debt securities of any series may rescind an acceleration and its consequences, including any related payment default that resulted from the acceleration.

Defeasance of Debt Securities and Certain Covenants in Certain Circumstances Legal Defeasance

Legal Defeasance. The indenture provides that, unless otherwise provided by the terms of the applicable series of debt securities, we may be discharged from any and all obligations in respect of the debt securities of any series (except for certain obligations to register the transfer or exchange of debt securities of such series, to replace stolen, lost or mutilated debt securities of such series, and to maintain paying agencies and certain provisions relating to the treatment of funds held by paying agents). We will be so discharged upon the deposit with the trustee, in trust, of money and/or U.S. government obligations or, in the case of debt securities denominated in a single currency other than U.S. dollars, foreign government obligations, that, through the payment of interest and principal in accordance with their terms, will provide money in an amount sufficient in the opinion of a nationally recognized firm of independent public accountants to pay and discharge each installment of principal, premium and interest on and any

mandatory sinking fund payments in respect of the debt securities of that series on the stated maturity of those payments in accordance with the terms of the indenture and those debt securities.

This discharge may occur only if, among other things, we have delivered to the trustee an opinion of counsel stating that we have received from, or there has been published by, the United States Internal Revenue Service a ruling or, since the date of execution of the indenture, there has been a change in the applicable United States federal income tax law, in either case to the effect that, and based thereon such opinion shall confirm that, the holders of the debt securities of that series will not recognize income, gain or loss for United States federal income tax purposes as a result of the deposit, defeasance and discharge and will be subject to United States federal income tax on the same amounts and in the same manner and at the same times as would have been the case if the deposit, defeasance and discharge had not occurred.

Defeasance of Certain Covenants. The indenture provides that, unless otherwise provided by the terms of the applicable series of debt securities, upon compliance with certain conditions:

- we may omit to comply with the covenant described under the heading Consolidation, Merger and Sale of Assets and certain other covenants set forth in the indenture, as well as any additional covenants which may be set forth in the applicable prospectus supplement; and

Table of Contents

- any omission to comply with those covenants will not constitute a default or an event of default with respect to the debt securities of that series, or covenant defeasance.

The conditions include:

- depositing with the trustee money and/or U.S. government obligations or, in the case of debt securities denominated in a single currency other than U.S. dollars, foreign government obligations, that, through the payment of interest and principal in accordance with their terms, will provide money in an amount sufficient in the opinion of a nationally recognized firm of independent public accountants to pay and discharge each installment of principal of, premium and interest on and any mandatory sinking fund payments in respect of the debt securities of that series on the stated maturity of those payments in accordance with the terms of the indenture and those debt securities; and
- delivering to the trustee an opinion of counsel to the effect that the holders of the debt securities of that series will not recognize income, gain or loss for United States federal income tax purposes as a result of the deposit and related covenant defeasance and will be subject to United States federal income tax on the same amounts and in the same manner and at the same times as would have been the case if the deposit and related covenant defeasance had not occurred.

Covenant Defeasance and Events of Default. In the event we exercise our option to effect covenant defeasance with respect to any series of debt securities and the debt securities of that series are declared due and payable because of the occurrence of any event of default, the amount of money and/or U.S. government obligations or foreign government obligations on deposit with the trustee will be sufficient to pay amounts due on the debt securities of that series at the time of their stated maturity but may not be sufficient to pay amounts due on the debt securities of that series at the time of the acceleration resulting from the event of default. However, we shall remain liable for those payments.

Guarantees

Our payment obligations under any series of debt securities may be guaranteed by one or more of the co-registrants. The terms of any such guarantee will be set forth in the applicable prospectus supplement.

Concerning the Trustee

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

In the ordinary course of its business, HSBC Bank USA, National Association, the trustee, provides, and may continue to provide, service to us as trustee under indentures relating to our 9¾% Senior Notes due 2011, 7% Senior Notes due 2014 and 6¼% Senior Notes due 2015. The indenture contains, or will contain, limitations on the right of the trustee, should it become our creditor, to obtain payment of claims in specified cases or to realize on property received in respect of any such claim as security or otherwise. The indenture permits, or will permit, the trustee to engage in other transactions; however, if it acquires any conflicting interest, it must eliminate such conflict or resign.

The indenture provides, or will provide, that in case an event of default occurs and is not cured, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in similar circumstances in the conduct of such person's own affairs. The trustee may refuse to perform any duty or exercise any right or power under the indenture, unless it receives indemnity satisfactory to it against any loss, liability or expense.

Governing Law

The laws of the State of New York govern, or will govern, the indenture, the debt securities and the guarantees of debt securities.

DESCRIPTION OF CAPITAL STOCK

Common Stock

We are authorized to issue up to 125,000,000 shares of common stock, \$0.01 par value per share, of which 30,689,856 shares were outstanding as of August 15, 2008.

Holders of shares of common stock are entitled to participate equally and ratably in dividends and in distributions available for the common stock on liquidation. We do not intend to declare cash dividends in the foreseeable future. Earnings are expected to be retained to finance the continuing development of the business. Future cash dividends, if any, will depend upon our financial condition, results of operations, capital requirements, compliance with debt covenants of existing indebtedness and credit facilities, as well as other factors considered relevant by our board of directors. Each share is entitled to one vote for the election of directors and upon all other matters on which the common stockholders vote. Holders of common stock do not have preemptive rights and are not entitled to cumulative votes in the election of directors.

The transfer agent and registrar for our common stock is BNY Mellon Shareowner Services.

Preferred Stock

We are authorized to issue up to 10,000,000 shares of preferred stock, \$0.01 par value per share, of which no shares were outstanding as of August 15, 2008. The board of directors has the authority to determine the terms of our preferred stock without further stockholder approval. The preferred stock may be issued in one or more series with the designations, rights, preferences and limitations determined by our board of directors, including the consideration to be received for the preferred stock, the number of shares comprising each series, dividend rates, redemption provisions, liquidation preferences, mandatory retirement provisions, conversion rights and voting rights.

If we issue preferred stock with voting rights, it could make it more difficult for a third party to acquire control of Meritage and could adversely affect the rights of holders of common stock. Preferred stockholders typically are entitled to satisfaction in full of specified dividend and liquidation rights before any payment of dividends or distribution of assets on liquidation can be made to holders of common stock. Also, any voting rights granted to our preferred stock may dilute the voting rights of our common stock. Under some circumstances, control of Meritage would shift from the holders of common stock to the holders of preferred stock with voting rights. Certain fundamental matters requiring stockholder approval (such as mergers, sale of assets and certain amendments to our articles of incorporation) may require approval by the separate vote of the holders of preferred stock in addition to any required vote of the common stock.

There will be a prospectus supplement relating to any offering of common stock or preferred stock offered by this prospectus.

Certain Provisions of Maryland Law

We are incorporated in Maryland and are subject to the provisions of the Maryland General Corporation Law (the "MGCL"), certain of which provisions are discussed below.

Business Combinations. Under the Maryland Business Combinations Act, business combinations between a Maryland corporation and an interested stockholder or an affiliate of an interested stockholder are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder. These business combinations include certain mergers, asset transfers, loans and other transactions or issuances, transfers or reclassifications of equity securities. An interested stockholder is defined as:

- any person who beneficially owns ten percent or more of the voting power of the corporation's shares; or

Table of Contents

- an affiliate or associate of the corporation who, at any time within the two-year period prior to the date in question, was the beneficial owner of 10% or more of the voting power of the then outstanding voting stock of the corporation.

A person is not an interested stockholder under the statute if the board of directors approved in advance the transaction by which the stockholder otherwise would have become an interested stockholder.

After the five-year prohibition, any business combination between the Maryland corporation and an interested stockholder generally must be recommended by the board of directors of the corporation and approved by the affirmative vote of at least:

- 80% of the votes entitled to be cast by the outstanding shares of voting stock of the corporation voting together as a single voting group; and
- two-thirds of the votes entitled to be cast by the holders of voting stock of the corporation other than shares held by the interested stockholder with whom or with whose affiliate the business combination is to be effected or held by an affiliate or associate of the interested stockholder voting together as a single voting group.

These super-majority vote requirements do not apply to certain business combinations if the corporation's stockholders receive a minimum price, as defined under Maryland law, for their shares in the form of cash or other consideration in the same form as previously paid by the interested stockholder for its shares and the corporation and interested stockholder meet certain other requirements.

The statute provides for various exemptions from its provisions, including business combinations that are exempted by the board of directors prior to the time that the interested stockholder becomes an interested stockholder.

The business combination statute could have the effect of delaying, deferring or preventing a transaction or a change in control that might involve a premium price for holders of our common stock or otherwise be in their best interest.

A Maryland corporation may adopt an amendment to its charter electing not to be subject to the Maryland Business Combinations Act. No such amendment to our charter has been adopted.

Control Share Acquisitions. Maryland's Control Share Acquisition Act provides that control shares of a Maryland corporation acquired in a control share acquisition have no voting rights, except to the extent approved by a vote of two-thirds of the votes entitled to be cast on the matter. Our bylaws contain a provision exempting from the control share acquisition statute any and all acquisitions by any person of our shares of common stock. We cannot give any

assurance that such provision will not be amended or eliminated at any time in the future.

Certain Provisions of our Articles of Incorporation and Bylaws

Our articles of incorporation and bylaws include provisions that could have an anti-takeover effect. These provisions are intended to preserve the continuity and stability of our board of directors and the policies formulated by our board of directors. The following is a summary of the provisions of our articles of incorporation and bylaws that we consider material, but does not purport to be complete and is subject to, and qualified in its entirety by reference to, the provisions of our articles of incorporation and bylaws.

Amendments of Bylaws. Our bylaws provide that only our board of directors may amend our bylaws.

Stockholder Meeting Procedures. Our bylaws provide that a special meeting may be called by stockholders holding at least 50% of the votes entitled to be cast. In addition, our bylaws limit the matters that can be acted upon at a stockholders meeting to those included in the notice for such meeting.

Table of Contents

Advance Notice Procedures. Our bylaws establish an advance notice procedure for stockholders to make nominations of candidates for election as directors or to bring other business before an annual meeting. These stockholder notice procedures provide that only persons that are nominated by the board of directors, or by a stockholder who was a stockholder at the time of giving notice and has given timely written notice to our secretary before the meeting at which directors are to be elected, will be eligible for election as directors. These stockholder notice procedures also provide that at an annual meeting only the business as has been brought before the meeting by our board of directors, or by a stockholder who has given timely written notice to our secretary of the stockholder's intention to bring the business before the meeting, may be conducted. To be timely, a stockholder's nomination or notice must be received by our secretary not earlier than the 150th day nor later than 5:00 p.m., Eastern time, on the 120th day prior to the first anniversary date of mailing of the notice for the preceding year's annual meeting (or, with respect to a proposal required to be included in the our proxy statement pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, or its successor provision, the earlier date such proposal was received), provided that in the event the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, notice by the stockholder to be timely must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the date on which public announcement of the date of such meeting is first made.

In addition, under these stockholder notice procedures, a stockholder's notice to us proposing to nominate a person for election as a director or relating to the conduct of business other than the nomination of directors will be required to contain specified information. If the chairman of a meeting determines that an individual was not nominated, or other business was not brought before the meeting, in accordance with our stockholder notice procedure, the individual will not be eligible for election as a director, or the business will not be conducted at the meeting, as the case may be.

We may issue warrants for the purchase of common stock, preferred stock or debt securities or two or more of these types of securities. Warrants may be issued independently or together with our common stock, preferred stock or debt securities and may be attached to or separate from any offered securities. Each series of warrants will be issued under a separate warrant agreement to be entered into between us and a bank or trust company, as warrant agent. The warrant agent will act solely as our agent in connection with the warrants and will not have any obligation or relationship of agency or trust for or with any holders or beneficial owners of warrants. A copy of the warrant agreement will be filed with the SEC in connection with any offering of warrants.

The prospectus supplement relating to a particular issue of warrants to purchase common stock, preferred stock or debt securities will describe the terms of those warrants, including the following:

Agents, underwriters or broker-dealers may be paid compensation for offering and selling the securities. The compensation received may be in excess of customary discounts, concessions or commissions. Any underwriters, dealers, agents or other investors participating in the distribution of the securities may be deemed to be underwriters, as that term is defined in the Securities Act, and compensation and profits received by them on sale of the securities may be deemed to be underwriting commissions, as that term is defined in the rules promulgated under the Securities Act.

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

Each time the securities are offered by this prospectus, the prospectus supplement, if required, will set forth:

- the name of any underwriter, dealer or agent involved in the offer and sale of the securities;

Table of Contents

If underwriters are used in a sale, securities will be acquired by the underwriters for their own account and may be resold from time to time in one or more transactions. Securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more firms acting as underwriters. If an underwriter or underwriters are used in the sale of securities, an underwriting agreement will be executed with the underwriter or underwriters at the time an agreement for the sale is reached. This prospectus and the prospectus supplement will be used by the underwriters to resell the securities.

To comply with the securities laws of certain states, if applicable, the securities offered by this prospectus will be offered and sold in those states only through registered or licensed brokers or dealers.

Agents, underwriters and dealers may be entitled under agreements entered into with us to indemnification by us against specified liabilities, including liabilities incurred under the Securities Act, or to contribution by us to payments they may be required to make in respect of such liabilities. The prospectus supplement will describe the terms and conditions of such indemnification or contribution. Some of the agents, underwriters or dealers, or their respective affiliates may be customers of, engage in transactions with or perform services for us in the ordinary course of business. We will describe in the prospectus supplement naming the underwriter the nature of any such relationship.

Our common stock is listed on the New York Stock Exchange. Unless otherwise specified in the applicable prospectus supplement, each other class or series of securities issued will be a new issue with no established trading market. We may elect to list any other class or series of securities on any exchange, but we are not currently obligated to do so. It is possible that one or more underwriters, if any, may make a market in a class or series of securities, but the underwriters will not be obligated to do so and may discontinue any market making at any time without notice. We cannot give any assurance as to the liquidity of the trading market for any of the securities.

Certain persons participating in the offering may engage in over-allotment, stabilizing transactions, short-covering transactions and penalty bids in accordance with Regulation M under the Exchange Act. We make no representation or prediction as to the direction or magnitude of any effect that such transactions may have on the price of the securities. For a description of these activities, see the information under the heading "Underwriting" in the applicable prospectus supplement.

Concurrently with any offering of debt securities that are convertible into or exercisable or exchangeable for our common stock, we may offer from time to time our common stock by means of a separate prospectus supplement. In addition, we may agree to loan common stock to affiliates of the underwriters, dealers or agents for such debt securities or common stock, which affiliates we refer to as the share borrowers, pursuant to a share lending agreement to be described in the applicable prospectus supplement. Such share borrowers may use the borrowed shares or the proceeds therefrom to facilitate transactions by which investors in the debt securities may hedge their investments in such debt securities. In connection with facilitating those transactions, the share borrowers and their affiliates may receive customary, negotiated fees from investors.

In connection with any offering of debt securities that are convertible into or exercisable or exchangeable for our common stock, we may enter into convertible debt security hedge transactions with affiliates of the underwriters. Such convertible debt security hedge transactions may reduce the potential dilution to us upon conversion of such debt securities. We may apply a portion of the net proceeds from the sale of the debt securities to pay the cost of such convertible debt security hedge transactions.

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

In connection with establishing an initial hedge of these transactions, the hedge counterparty or its affiliates may enter into various derivative transactions with respect to our common stock, concurrently with or shortly after the pricing of such debt securities. These activities could have the effect of increasing or preventing a decline in the price of our common stock concurrently with or shortly after the pricing of such debt securities.

In addition, the hedge counterparty or its affiliates will likely modify its hedge position following the pricing of such debt securities from time to time by entering into or unwinding various derivative transactions and/or purchasing or selling our common stock in secondary market transactions prior to the maturity of such debt securities (including during any settlement period in respect of any conversion of such debt securities). The effect, if any, of any of these transactions and activities on the market price of our common stock or such debt securities will

Table of Contents

depend in part on market conditions and cannot be ascertained at this time. Any of these activities could impact the price of our common stock and the value of such debt securities and, as a result, the value of the consideration and the number of shares, if any, that an investor would receive upon conversion of such debt securities and, under certain circumstances, such investor's ability to convert such debt securities.

Item 15. Indemnification of Directors and Officers.**Meritage Homes Corporation**

Under the provisions of the MGCL, a corporation's articles may, with certain exceptions, include any provision expanding or limiting the liability of its directors and officers to the corporation or its stockholders for money damages, but may not include any provision that restricts or limits the liability of its directors or officers to the corporation or its stockholders to the extent that (1) it is proved that the person actually received an improper benefit or profit in money, property, or services for the amount of the benefit or profit in money, property, or services actually received or (2) a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. Meritage's charter contains a provision limiting the personal liability of officers and directors to Meritage and its stockholders to the fullest extent permitted under Maryland law.

In addition, the provisions of the MGCL permit a corporation to indemnify its present and former directors and officers, among others, against liability incurred, unless it is established that (1) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, or (2) the director or officer actually received an improper personal benefit in money, property, or services, or (3) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. Meritage's charter provides that it will indemnify its directors, officers and others so designated by the board of directors to the full extent permitted under Maryland law.

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

Meritage Homes Corporation also maintains, for the benefit of its and its subsidiaries directors and officers, insurance against certain asserted or incurred liabilities, including certain liabilities under the Securities Act.

Subsidiary Guarantors

Arizona Corporate Guarantors

Arizona Revised Statutes (ARS) § 10-851 allows a corporation, in certain circumstances, to indemnify its directors against costs and expenses (including attorneys fees) reasonably incurred in connection with threatened, pending or completed civil, criminal, administrative or investigative actions, suits or proceedings, in which such persons were or are parties, or are threatened to be made parties, by reason of the fact that they were or are directors of the corporation, if such persons acted in good faith and either (1) in a manner they reasonably believed to be in the best interests of the corporation (if acting in a official capacity), or (2) in a manner they reasonably believed was at least not opposed to the corporation s best interests (in all other cases). A corporation may indemnify its directors

Table of Contents

with respect to any criminal action or proceeding if, in addition to the above conditions being met, the individual had no reasonable cause to believe his or her conduct was unlawful. Directors may not be indemnified under ARS § 10-851 in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation or in connection with any other proceeding charging improper financial benefit to the director in which the director was adjudged liable on the basis that financial benefit was improperly received by the director. In addition, under ARS § 10-202, a corporation's articles of incorporation may indemnify a director for conduct for which broader indemnification has been made permissible or mandatory under other ARS provisions.

ARS § 10-202 provides that the articles of incorporation may set forth a provision eliminating or limiting the liability of a director to the corporation or its shareholders for money damages, and permitting or making obligatory indemnification of a director, for liability for any action taken or any failure to take any action as a director, except liability for any of the following: (1) the amount of a financial benefit received by a director to which the director is not entitled, (2) an intentional infliction of harm on the corporation or the shareholders, (3) unlawful distributions and (4) an intentional violation of criminal law.

ARS § 10-852 provides for mandatory indemnification in certain situations such that, unless limited by its articles of incorporation, a corporation shall indemnify a director who was the prevailing party, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director is or was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

ARS § 10-856 provides that a corporation may indemnify its officers against costs and expenses (including attorneys' fees) reasonably incurred in connection with threatened, pending or completed civil, criminal, administrative or investigative actions, suits or proceedings, in which such persons were or are parties, or are threatened to be made parties because the individual is or was an officer of the corporation to the same extent as a director. If the individual is an officer but not a director (or is both but is made a party to the proceeding solely because of an act or omission as an officer), a corporation may indemnify and advance expenses to the further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors or contract except for (1) liability in connection with a proceeding by or in the right of the corporation other than for reasonable expenses incurred in connection with the proceeding or (2) liability arising out of conduct that constitutes (a) receipt by the officer of a financial benefit to which the officer is not entitled, (b) an intentional infliction of harm on the corporation or the shareholders or (c) an intentional violation of criminal law. An officer of a corporation who is not a director is entitled to mandatory indemnification as a prevailing party under ARS § 10-852.

ARS § 10-857 provides that a corporation may purchase and maintain insurance, including retrospectively rated and self-insured programs, on behalf of an individual who is or was a director or officer of the corporation or who, while a director or officer of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan or other entity, against liability asserted against or incurred by the individual in that capacity or arising from the individual's status as a director or officer, whether or not the corporation would have power to indemnify or advance expenses to the individual against the same liability under Arizona law.

ARS § 10-850 defines a director as including an individual who is or was a director of a corporation or an individual while a director of a corporation is or was serving at the corporation's request as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture, trust, employee benefit plan or other entity.

California Corporate Guarantors

Section 317 of the California General Corporation Law (the "CGCL") allows a corporation, in certain circumstances, to indemnify its directors and officers against certain expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with threatened, pending or completed civil, criminal, administrative or investigative actions, suits or proceedings (other than an action by or in the right of the corporation), in which such persons were or are parties, or are threatened to be made parties, by reason of the fact that they were or are directors or officers of the corporation, if such persons acted in good faith and in a manner they reasonably believed to be in the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. In addition, a corporation is, in certain circumstances, permitted to indemnify its directors and officers against certain expenses incurred in connection with the defense or settlement of a threatened, pending or completed action by or in the right of the corporation, and against amounts paid in settlement of any such action, if such persons acted in good faith and in a manner they believed to be in the best interests of the corporation and its shareholders, provided that the specified court approval is obtained. Furthermore, a corporation may purchase and maintain insurance on behalf of any agent of the corporation against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not the corporation would have the power to indemnify the agent against such liability under California law.

Section 204(a)(10) of the CGCL allows a corporation to include a provision in its articles of incorporation eliminating or limiting the personal liability of a director for monetary damages in an action brought by or in the right of the corporation for breach of the director's duty to the corporation, except for the liability of a director resulting from (1) acts or omissions involving intentional misconduct or a knowing and culpable violation of law, (2) any transaction from which a director derived an improper personal benefit, (3) acts or omissions that a director believes to be contrary to the best interests of the corporation or its shareholders or that involve the absence of good faith, (4) acts or omissions showing a reckless disregard for the director's duty to the corporation or its shareholders, (5) acts or omissions constituting an unexcused pattern of inattention to the director's duty, (6) liability under California law relating to transactions between corporations and directors or corporations having interrelated directors or (7) the making of an illegal distribution or loan to shareholders.

Edgar Filing: Meritage Homes Operating Company, LLC - Form S-3

The bylaws of Meritage Homes of California, Inc. and California Urban Builders, Inc. provide that the corporation shall indemnify each of its directors and officers to the maximum extent and in the manner permitted by the CGCL.

For the purposes of Section 101.402 of the TBOC, a person includes a member, manager, or officer of a limited liability company or an assignee of a membership interest in the company. Article 2.20(A) of the Texas Limited Liability Company Act provides that subject to such standards and restrictions, if any, as are set forth in its articles of organization or in its regulations, a Texas limited liability company shall have power to indemnify members and managers, officers, and other persons and purchase and maintain liability insurance for such persons.

Florida Corporate Guarantor

Section 607.0850 of the Florida Business Corporation Act (FBCA) permits, and in some cases requires, a corporation to indemnify its directors, officers, employees, or agents, or any person serving at its request in any such capacity, against certain expenses and liabilities incurred as a party to any proceeding brought against such person by reason of the fact that such person is or was a director, officer, employee, or agent of a corporation or is or was serving in such capacity at the request of the corporation. With respect to actions, other than in the right of a corporation, such indemnification is permitted if such person acted in good faith and in a manner such person reasonably believed to be in, or not opposed to, the best interests of the corporation, and with respect to any criminal action or proceeding, if such person had no reasonable cause to believe his or her conduct was unlawful.

With respect to any action threatened, pending or completed in the right of a corporation to procure a judgment in its favor against any such person, a corporation may indemnify any such person against expenses actually and reasonably incurred by him or her in connection with the defense or settlement of such action or suit, including the appeal thereof, if he or she acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which any such person shall have been adjudged to be liable unless, and only to the extent that, the court in which the action was brought, or any other court of competent jurisdiction, determines that despite the adjudication of liability, but in view of all the circumstances in the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

Section 607.0850 of the FBCA also provides that if any such person has been successful on the merits or otherwise in defense of any action, suit or proceeding, whether brought in the right of a corporation or otherwise, such person shall be indemnified against expenses actually and reasonably incurred by him or her in connection therewith. If any director or officer does not succeed upon the merits or otherwise in defense of an action, suit or proceeding, then unless pursuant to a determination made by a court, indemnification by a corporation shall be made only as authorized in the specific case upon a determination in the manner set forth in the FBCA that indemnification of the director or officer is proper because he or she has met the applicable standard of conduct.

Section 607.0850 of the FBCA also contains a provision authorizing corporations to purchase and maintain liability insurance on behalf of its directors and officers.

The bylaws of Greater Homes, Inc., which is a Florida corporation, provide that the corporation is authorized to provide indemnification of its directors, officers, employees, or agents, or any person serving at its request in any such capacity to the maximum extent permitted by the FBCA.

Commission Position on Indemnification for Securities Act Liabilities

Insofar as indemnification for liability arising under the Securities Act may be permitted to directors, officers or persons controlling Meritage pursuant to the foregoing provisions, Meritage has been informed that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities

offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (i), (ii) and (iii) do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof;

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities

in the registration statement to which the prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. *Provided, however*, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; and

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

Table of Contents

- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of an undersigned registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.
- (6) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (7) The undersigned registrant hereby undertakes to supplement the prospectus, after the expiration of the subscription period, to set forth the results of the subscription offer, the transactions by the underwriters during the subscription period, the amount of unsubscribed securities to be purchased by the underwriters, and the terms of any subsequent reoffering thereof. If any public offering by the underwriters is to be made on terms differing from those set forth on the cover page of the prospectus, a post-effective amendment will be filed to set forth the terms of such offering.
- (8) To file an application for the purpose of determining the eligibility of the trustee to act under subsection (a) of Section 310 of the Trust Indenture Act in accordance with the rules and regulations prescribed by the Commission under Section 305(b)(2) of the Act.
- (9) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in this registration statement, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being

registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
