**Item 1.01 Entry into a Material Definitive Agreement**

On September 29, 2008, KEMET Corporation (the Company) entered into a new medium-term credit facility in the principal amount of EUR 60.0 million ( Facility A ) and received a commitment for a EUR 35.0 million credit facility ( Facility B ) with UniCredit Corporate Banking S.p.A., formerly UniCredit Banca d Impresa S.p.A. ( UniCredit ), a financial institution headquartered in Italy and part of the Milan-based UniCredit Group. These two facilities replace a EUR 95.0 million credit facility with UniCredit that the Company previously announced on July 30, 2008.

Under the terms of Facility A, KEMET will repay the principal amount in nine equal, semi-annual installments during the four and one-half year term with the first payment due in April 2009. The credit facility will be priced at EURIBOR plus 1.7 percent, and will be secured with land and real estate in Italy, certain accounts receivable in Europe, and a pledge of the shares of Arcotronics Italia S.p.A. and Arcotronics Industries S.r.l., two of KEMET's subsidiaries in Italy. Facility B will be a factoring arrangement priced at EURIBOR plus 1.7 percent with repayment at maturity in December 2013. The use of proceeds from the new credit facilities will be to refinance two existing short-term credit facilities with UniCredit totaling EUR 96.8 million and currently scheduled to mature in December 2008 and April 2009.

Closing on Facility A is expected to occur in mid-October, 2008. Closing on Facility B is expected to occur as soon as factoring mechanisms are put in place, but in any event no later than April 2009.

A copy of the press release announcing the new credit facility is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
