PROXY STATEMENT

FOR ANNUAL MEETING OF STOCKHOLDERS

To Be Held December 9, 2009

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

This Proxy Statement accompanies the Notice (the "Notice") of the Annual Meeting of Stockholders (the "Annual Meeting") of Evolution Petroleum Corporation, a Nevada corporation (hereinafter, "us", "we", "our" or the "Company"), in connection with the solicitation of proxies by and on behalf of our Board of Directors for use at our Annual Meeting to be held at 10 a.m., Central Time, at our Company's principal executive offices at 2500 CityWest Boulevard, Suite 1300, Houston, Texas 77042, on December 9, 2009, and at any postponement(s) or adjournment(s) thereof.

The Company's Annual Report for the fiscal year ended June 30, 2009 is being mailed to stockholders with the mailing of the Notice of Meeting and Proxy Statement. This Proxy Statement and the accompanying proxy card are first being sent to our stockholders on or about November 2, 2009.

The solicitation of proxies by the Board of Directors will be conducted primarily by mail. The Company has retained Continental Stock Transfer & Trust Company ("CST") to assist in the solicitation of proxies in connection with the Annual Meeting, as part of CST's services as the Company's transfer agent. In addition, officers, directors and employees of the Company may solicit proxies personally or by telephone, email, or facsimile communication. These officers, directors and employees will not receive any compensation for these services. The Company will reimburse brokers, custodians, nominees, and fiduciaries for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of common stock of the Company. The costs of solicitation will be borne by the Company.

What is the purpose of the 2009 Annual Meeting?

At the 2009 Annual Meeting, stockholders will act upon the matters outlined in the attached Notice of Meeting and described in detail in this Proxy Statement, which are: (1) the election of six directors to the Board of Directors of the Company; (2) the ratification of the appointment of Hein & Associates LLP as our independent auditors for the fiscal year ending June 30, 2010; and (3) to transact such other business as may properly come before the Annual Meeting or any postponement(s) or adjournment(s) thereof. In addition, Company management will report on our performance during the fiscal year ended June 30, 2009, which we refer to as fiscal 2009, and respond to questions from stockholders.

Although the Board does not anticipate that any other matters will come before the 2009 Annual Meeting, your executed proxy gives the official proxies the right to vote your shares at their discretion on any other matter properly brought before the Annual Meeting.

Who is entitled to vote at the 2009 Annual Meeting?

Only stockholders of record at the close of business on October 23, 2009 (the Record Date) will be entitled to notice of, and to vote at, the Annual Meeting or any adjournment(s) or postponement(s) thereof.

What are the voting rights of the holders of our common stock?

Holders of our common stock are entitled to one vote per share with respect to each of the matters to be presented at the Annual Meeting. With regard to the election of directors, the six nominees receiving the greatest number of votes cast will be elected provided a quorum is present. On each other matter to be presented, the affirmative vote of a majority of the shares represented at the Annual Meeting and entitled to vote will be necessary to approve the matter.

Abstentions will be counted towards the tabulation of votes cast on matters properly presented to the stockholders (except the election of directors) and will have the same effect as negative votes. Broker non-votes will not be counted as votes cast and, therefore, will have no effect on the outcome of the matters presented at the Annual Meeting.

What constitutes a quorum?

Our Bylaws provide that the presence, in person or by proxy, of the holders of a majority of outstanding shares of our common stock at our Annual Meeting shall constitute a quorum.

For the purpose of determining the presence of a quorum, proxies marked `withhold authority` or `abstain` will be counted as present. Shares represented by proxies that include broker non-votes will also be counted as shares present for purposes of establishing a quorum. On the Record Date there were 26,993,138 shares of our common stock (including restricted shares) issued and outstanding and such shares are the only shares entitled to vote at the Annual Meeting.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board of Directors. The Board's recommendations are set forth together with the description of the Proposals in this Proxy Statement. In summary, the Board recommends a vote **FOR** election of each of the six directors named in this Proxy Statement to the Board of Directors (see Proposal I) and a vote **FOR** the ratification of the appointment of Hein & Associates LLP as our independent auditors for the year ending June 30, 2010 (See Proposal II).

The proxy holders will vote in their discretion with respect to any other matter that may properly come before the Annual Meeting.

Proxies

If the enclosed proxy card is executed, returned in time and not revoked, the shares represented thereby will be voted at the Annual Meeting and at any postponement(s) or adjournment(s) thereof in accordance with the instructions indicated on such proxy. **IF NO INSTRUCTIONS ARE INDICATED ON THE PROXY CARD, THE OFFICIAL PROXIES WILL VOTE (1) FOR THE PROPOSALS DESCRIBED IN THIS PROXY STATEMENT AND (2) AS TO ANY OTHER MATTERS PROPERLY BROUGHT BEFORE THE ANNUAL MEETING OR ANY POSTPONEMENT OR ADJOURNMENT THEREOF, IN THE SOLE DISCRETION OF THE PROXY HOLDERS.**

A stockholder who has returned a proxy card may revoke it at any time prior to its exercise at the Annual Meeting by (i) giving written notice of revocation to our Corporate Secretary, (ii) properly submitting to Evolution Petroleum Corporation a duly executed proxy bearing a later date, or (iii) appearing at the Annual Meeting and voting in person. All written notices of revocation of proxies should be addressed as follows: Evolution Petroleum Corporation, 2500 CityWest Boulevard, Suite 1300 Houston, Texas 77042, Attention: Corporate Secretary.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE STOCKHOLDERS VOTE FOR THE ELECTION OF EACH OF THE DIRECTOR NOMINEES LISTED ABOVE.

PROPOSAL II**PROPOSAL TO RATIFY THE APPOINTMENT OF****HEIN & ASSOCIATES LLP AS OUR COMPANY'S AUDITORS**

The Audit Committee of our Board of Directors has appointed the firm of Hein & Associates LLP as our company's independent auditors to audit our consolidated financial statements for the fiscal year ending June 30, 2010. From June 30, 2004 through June 30, 2009, Hein & Associates LLP served as our independent auditors.

We are not required to seek stockholder approval for the appointment of our independent auditors; however, the Audit Committee and the full Board of Directors believe it to be sound corporate practice to seek such approval. If the appointment is not ratified, the Audit Committee will investigate the reasons for stockholder rejection and will re-consider the appointment. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if it determines that such a change would be in the best interests of our company and our stockholders.

Independent Public Auditors

Aggregate fees billed to us for professional services by Hein & Associates LLP during the fiscal years ended June 30, 2009 and 2008 were as follows:

	2009		2008
Audit Fees	\$ 86,355	\$	101,255
Audit-Related Fees	\$ 2,500	\$	1,255
Tax Fees	\$ 5,882	\$	85,204

In the above table, in accordance with the SEC's definitions and rules, "audit fees" are fees we paid Hein & Associates LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K, the review of financial statements included in our Form 10-Q's and for services that are normally provided by the auditors in connection with statutory and regulatory filings or engagements.

"Audit-related fees" are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. "Tax fees" are fees primarily for assistance with an IRS field audit and subsequent revised tax filings associated with prior year tax returns prepared by Hein before fiscal 2008. With this exception, Hein has not provided us with tax compliance, tax advice or tax planning services since fiscal year 2007.

All audit related services and tax fees were pre-approved by our Audit Committee Chairman.

The Audit Committee has considered the compatibility of the non-audit services provided by Hein & Associates LLP, to Hein & Associates continued independence and has concluded that its independence is not compromised. In order to strengthen Hein's independence, and to streamline the approval process for non-audit services, we have retained Grant Thornton LLP to replace Hein & Associate's tax compliance, tax advice and tax planning services starting in fiscal 2008.

Pre-Approval of Services by External Auditor

The Audit Committee has adopted policies and procedures for the pre-approval of the audit and non-audit services performed by the independent auditors in order to ensure that the provision of such services does not impair the auditors' independence. The Audit Committee approves all audit fees and terms for all services provided by the independent auditors and consider whether these services are compatible with the auditors' independence. The Chairman of the Audit Committee may approve additional proposed services that arise between Committee meetings provided that the decision to approve the service is presented at the next scheduled Committee meeting. All non-audit services provided by the independent auditors must be pre-approved by the Audit Committee Chairman prior to the engagement. The Audit Committee pre-approved all audit and permitted non-audit services by Hein & Associates LLP in fiscal 2009.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF HEIN & ASSOCIATES LLP AS OUR INDEPENDENT AUDITORS FOR FISCAL YEAR 2010.

Representatives of Hein & Associates LLP will be present at the Annual Meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

Herlin (Chairman of the Board, President and Chief Executive Officer), Sterling H. McDonald (Vice President, Chief Financial Officer and Treasurer) and Daryl V. (1) For fiscal year 2009, the company significantly reduced bonus awards to all employees as compared to prior years, and all executive officers were awarded unrestricted stock in lieu of cash bonuses. In fiscal year 2008, all employees were given the opportunity to take up to one-third of their annual cash bonuses in common stock. Mr. Herlin, Mr. McDonald and Mr. Mazzanti each elected to receive 15,958, 5,000 and 9,475 shares of common stock, respectively, based on a \$3.60 share price, in lieu of cash for the fiscal year ended June 30, 2008.

(2) As prescribed by the SEC, stock and option award amounts represent the annual expense recorded in the company's financial statements under GAAP and likely do not reflect compensation actually gained or lost by any Named Executive during the years presented. Under rules for stock-based compensation awards classified as equity, company expense is determined by the fair value of the awards as of the actual date of their grant and, therefore, compensation shown reflects static historical estimates of the potential future value of stock and option awards. Since such calculated compensation does not include any change in the value of previous awards of stock, options or warrants due to subsequent changes in stock price, we believe that the amounts recognized in the financial statements may not reflect the amount actually earned or lost by the Named Executive for the years presented. For additional information regarding the company's expense recognition under stock-based compensation awards, see Note 8 to our Notes to Consolidated Financial Statements in Form 10-K for the year ended June 30, 2009, as filed with the SEC.

(3) Includes healthcare subsidy, life insurance, long-term disability and 401(k) matching contributions by the Company, all on terms offered to all employees.

The compensation plan for our outside directors (other than for Mr. Loyd) constitutes a cash retainer of \$24,000 per year, or the equivalent cash value issued in common stock at the election of each director, plus meeting fees of \$1,000 per

These shares of restricted stock vest over one year from the date of grant. We also reimburse our non-employee directors for any direct expenses they incur in their capacity as directors, generally limited to travel costs related to board or committee meetings.

Mr. Cagan may earn compensation from our company through his relationship with our financial advisor, CMCP and placement agent (Colorado Financial Services, Inc.). Mr. Cagan, as a registered representative of Colorado Financial Services and as a partner of CMCP, could serve as our placement agent in private equity financings, whereby CMCP could earn (i) cash fees equal to 8% of gross equity proceeds, declining to 4%, subject to the amount of equity raised through CMCP, plus (ii) a fixed fee equal to 4% of shares offered, payable in warrants. Neither Mr. Cagan nor CMCP have received any compensation pursuant to this arrangement over the past two fiscal years. In addition, in the past we have reimbursed CMCP for the costs of legal services performed by staff members of CMCP under the direction of our previous general

counsel. We ceased obtaining such legal services from CMCP at the end of calendar year 2006. We also reimburse Mr. Cagan for documented travel expenses he incurs from time to time directly on our behalf.

Board of Directors

The property, affairs and business of our company are under the general management of our Board of Directors as provided by the laws of the State of Nevada and our Bylaws. We have standing Audit, Compensation and Nominating Committees of the Board of Directors. The Audit Committee was established in accordance with section 3(a)(58)(A) of The Securities Exchange Act of 1934, as amended (the Exchange Act). The Board of Directors held six meetings during fiscal 2009. Each director attended at least 75% of the aggregate of the total meetings of the Board and the total number of meetings held by all committees of the Board on which such director served during fiscal 2009. The Board of Directors affirmatively determines the independence of each director in accordance with the NYSE Amex rules and listing standards. The Board has determined that Messrs. Laird Q. Cagan, William E. Dozier, Edward J. DiPaolo, Gene G. Stoever and Kelly W. Loyd each qualify as independent non-employee directors with no relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

Audit Committee

The Board of Directors has instructed the Audit Committee to meet periodically with our management and independent auditors to, among other things, review the results of the annual audit and quarterly reviews and discuss our financial statements, recommend to our board the independent auditors to be retained, and receive and consider the auditors' comments as to controls, adequacy of staff and management performance and procedures in connection with audit and financial controls. The Audit Committee is also authorized to review related party transactions for potential conflicts of interest. The Audit Committee's functions are further described under the heading Audit Committee Report. The Audit Committee has received the written disclosures and the letter from the independent accountants required by Independence Standards Board Standard No. 1, as adopted by the Public Company Accounting Oversight Board in Rule 3600T, and has discussed with the independent accountant the independent accountant's independence. Based on its review and discussions with the independent auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's annual report on Form 10-K for the last fiscal year for filing with the Securities and Exchange Commission.

It is not the duty of the Audit Committee to plan or conduct audits or to determine that Evolution Petroleum Corporation's financial statements are complete and accurate and in accordance with accounting principles generally

accepted in the United States. That is the responsibility of management and our independent auditors. In giving our recommendation to the Board of Directors to file our annual report on Form 10-K with the SEC, we have relied on (i) management's representation that such financial statements have been prepared with integrity and objectivity and in conformity with accounting principles generally accepted in the United States and (ii) the report of our independent auditors with respect to such financial statements.

In addition, the Compensation Committee recommends to the full Board the compensation of our Chief Executive Officer. In fulfilling its responsibilities, the Compensation Committee has the authority to engage independent compensation consultants or legal advisers when determined by the Committee to be necessary or appropriate. The Compensation Committee met seven times during fiscal year 2009.

Nomination of Directors

The Nominating Committee, the members of which are currently Mr. DiPaolo, who serves as Chairman, and Messrs. Stoever, Dozier and Loyd, is responsible for identifying, screening, and recommending qualified candidates to serve on our Board of Directors. A copy of the written charter adopted by the Board of Directors for the Nominating Committee and as currently in effect is included on our website, www.evolutionpetroleum.com. Pursuant to its charter, the Nominating Committee is directed, among other things, to: develop and recommend to the Board specific guidelines and criteria for selecting nominees to the Board; formulate a process to identify and evaluate candidates to be recommended; review periodically compensation programs for non-employee directors and make recommendations for changes when appropriate; and evaluate the performance of incumbent members of the Board to determine whether to recommend such persons for re-election. All four members of the nominating committee are independent as defined in the listing standards for companies listed on the NYSE Amex.

It is our policy that the Nominating Committee consider recommendations for the nomination of directors submitted by our significant, long-term stockholders (generally, stockholders that have beneficially owned more than 5% of our outstanding shares for at least two years). The Nominating Committee will give consideration to such recommendations that have been submitted in accordance with procedural requirements adopted by the Nominating Committee. All such stockholder nominating recommendations must be in writing, addressed to the Nominating Committee, care of the Corporate Secretary at Evolution Petroleum Corporation, 2500 CityWest Boulevard, Suite 1300, Houston, Texas 77042. Submissions must be made by mail, courier or personal delivery. E-mailed submissions will not be considered. Stockholders wishing to recommend nominees for election as directors at an annual meeting should submit such recommendation, together with any relevant information that they wish the Nominating Committee to consider, to the Corporate Secretary no later than 120 days prior to the date of the notice of annual meeting released to stockholders in connection with the current year's annual meeting.

Edgar Filing: EVOLUTION PETROLEUM CORP - Form DEF 14A

The Committee has determined that, at the minimum, nominees for directorship should possess the highest personal and professional ethics, integrity and values, and be committed to representing the long-term interests of the Company's stockholders. They must also have an inquisitive and objective perspective, practical wisdom and mature judgment. The Company endeavors to have a board representing diverse experience in areas that are relevant to the Company's business activities. Directors must be willing to devote sufficient time to carrying out their duties and responsibilities efficiently, and should be committed to serve on the Board for an extended period of time.

Prior to nominating a candidate for election to the Board, the Committee will review the qualifications of each candidate. Final candidates may be interviewed by the Company's Chairman of the Board and one or more other Board members. The Committee will then make a recommendation to the Board based on its review, the results of interviews with the candidate and all other available information.

In determining whether to nominate an incumbent director for reelection, the Committee will evaluate each incumbent's continued service, in light of the Board's collective requirements, at the time such Director comes up for reelection.

In determining whether to include a stockholder nominee in the Board's slate of nominees, the Committee will consider all information relevant in their business judgment to the decision of whether to nominate the particular candidate for a Board seat, taking into account the current composition of the Company's Board.

In addition to the foregoing, stockholders may nominate directors for election without consideration by the Nominating Committee so long as we are provided with proper notice of such nomination, which notice includes all the information required pursuant to Regulation 14A under the Exchange Act including the consent to serve as a director.
