**Item 1.01 Entry into a Material Definitive Agreement**

**Purchase and Assumption Agreement**

On June 11, 2010, East West Bancorp, Inc. issued a press release announcing that its wholly-owned subsidiary, East West Bank (the Bank) acquired substantially all of the assets and assumed substantially all of the liabilities of Washington First International Bank, a Washington state-chartered bank based in the Seattle, Washington area, in a transaction with the Federal Deposit Insurance Corporation, as receiver of Washington First International Bank (the Acquisition). A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.

The Acquisition was made pursuant to the terms of a purchase and assumption agreement entered into by the Bank and the FDIC on June 11, 2010. East West will receive approximately \$504 million in assets, including \$403 million in loans, and assume approximately \$478 million in liabilities, including \$415 million in deposits. These foregoing amounts represent Washington First International Bank's book value for these assets and liabilities and do not necessarily reflect fair value. These amounts are estimates and, accordingly, are subject to adjustment based upon final settlement with the FDIC. The Bank agreed to purchase substantially all of the assets at a discount of 15.9% and paid the FDIC a 0.50% deposit premium.

In connection with the Acquisition, the Bank entered into a loss-sharing arrangement with the FDIC that covers approximately \$403 million in loans and \$24 million in real estate owned. Pursuant to the terms of the loss-sharing arrangement, the FDIC is obligated to reimburse the Bank for 80% of all eligible losses on covered assets. The loss-sharing agreement commences immediately and there is no first loss tranche for the Bank. The Bank has a corresponding obligation to reimburse the FDIC for 80% of all eligible recoveries on covered assets.

East West currently estimates that the acquisition will result in an after-tax bargain purchase gain of approximately \$10 million to \$15 million. After the completion of integration, East West expects cost savings of 40% from the current operating expense levels at Washington First International Bank. Further, East West estimates that the accretion to earnings will be approximately \$0.04 to \$0.05 per share on an annual basis.

**ITEM 2.01 Completion of Acquisition or Disposition of Assets**

The information set forth under Item 1.01 Entry into a Material Definitive Agreement is incorporated by reference into this Item 2.01.
