In addition, the Transition Agreement Amendment amends the original agreement by providing that (i) the individual and Company performance objectives applicable to Dr. Lyttle's 2012 bonus are (A) the re-establishment of the Company's Scientific Advisory Board by June 1, 2012

and (B) Dr. Lyttle's assistance in the closing by the Company of a financing transaction in 2012; (ii) in the event Dr. Lyttle's employment is terminated for any reason after March 1, 2012 (other than due to an automatic termination on June 1, 2012 or for cause) then, in addition to the payments and benefits to which he would have become entitled under the original agreement, Dr. Lyttle will be entitled to receive a lump sum payment equal to the base salary he would have received from the termination date through June 1, 2012; and (iii) in the event Dr. Lyttle's employment is terminated due to an automatic termination on June 1, 2012 then, in addition to the payments and benefits to which he would have become entitled under the original agreement, Dr. Lyttle's stock options would be subject to the terms and conditions of the Consulting Agreement.
