Indenture

On April 26, 2012, Ameristar Casinos, Inc. (the Company) completed a private placement of \$240 million aggregate principal amount of 7.50% Senior Notes due 2021 (the Additional Notes). The Additional Notes were issued as additional notes under an existing indenture, dated as of April 14, 2011 (the Base Indenture), among the Company, the guarantors named therein and Wilmington Trust, National Association, as successor by merger to Wilmington Trust FSB, as Trustee, as supplemented by a Supplemental Indenture dated as of February 23, 2012 (the First Supplemental Indenture) and as further supplemented by the Second Supplemental Indenture dated as of April 26, 2012 (the Second Supplemental Indenture) and, together with the Base Indenture and the First Supplemental Indenture, the Indenture), under which the Company previously issued \$800 million aggregate principal amount of its 7.50% Senior Notes due 2021 (the Existing Notes) and, collectively with the Additional Notes, the Notes). The Additional Notes were issued in a private offering exempt from the registration requirements of the Securities Act of 1933 (the Securities Act) to qualified institutional buyers in accordance with Rule 144A and to persons outside of the United States pursuant to Regulation S under the Securities Act.

The Additional Notes have identical terms, other than the issue date and the issue price, and will constitute part of the same series as the Existing Notes. Before consummation of the Exchange Offer (as defined below) that the Company anticipates making as further described below, the Additional Notes will be subject to transfer restrictions and will not have the same CUSIP number as the Existing Notes, and consequently will not initially be fungible with the Existing Notes. The Notes bear interest at a rate of 7.50% per annum, payable semiannually in arrears on April 15 and October 15 of each year. Interest on the Additional Notes will accrue from April 15, 2012, with the first interest payment on the Additional Notes being made on October 15, 2012. The Notes will mature on April 15, 2021, subject to earlier repurchase or redemption in accordance with the terms of the Indenture.

The Notes are the Company's senior unsecured obligations and are guaranteed on a senior unsecured basis by the Company's material subsidiaries (the Guarantors). The Company may redeem the Notes, in whole or in part, at any time prior to April 15, 2015 at a price equal to 100% of the principal amount of the Notes redeemed plus accrued and unpaid interest to the redemption date and a make-whole premium. Thereafter, the Company may redeem the Notes, in whole or in part, at the redemption prices of (i) 105.625% of the principal amount thereof if the redemption occurs during the 12-month period beginning on April 15, 2015, (ii) 103.750% of the principal amount thereof if the redemption occurs during the 12-month period beginning on April 15, 2016, (iii) 101.875% of the principal amount thereof if the redemption occurs during the 12-month period beginning on April 15, 2017 and (iv) 100% of the principal amount thereof on and after April 15, 2018, in each case, plus accrued and unpaid interest to the redemption date. In addition, at any time prior to April 15, 2014, the Company may redeem up to 35% of the outstanding aggregate principal amount of the Notes with the net cash proceeds of one or more equity offerings by the Company at a redemption price of 107.50% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest to the redemption date. The Notes are also subject to redemption requirements that may be imposed by gaming laws and regulations of gaming authorities in the jurisdictions in which the Company or its subsidiaries conducts gaming operations.

The Indenture contains covenants that limit the Company's and its Restricted Subsidiaries (as defined in the Indenture) ability to, among other things, (i) pay dividends or make distributions, repurchase equity securities, prepay subordinated debt or make certain investments, (ii) incur additional debt or issue certain disqualified stock or preferred stock, (iii) create liens on assets, (iv) merge or consolidate with another company or sell all or substantially all assets and (v) enter into transactions with

affiliates. In addition, if the Company experiences certain changes of control, each holder of the Notes can require the Company to repurchase all or a portion of such holder's Notes at a price of 101% of the principal amount thereof, plus accrued and unpaid interest to the repurchase date.

A copy of the Base Indenture was previously filed as Exhibit 4.1 to the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission (the "SEC") on April 19, 2011 and a copy of the Second Supplemental Indenture is filed herewith as Exhibit 4.1, and each is incorporated herein by reference. The foregoing description of the Indenture is qualified in its entirety by reference to the Base Indenture and the Second Supplemental Indenture.

#### Registration Rights Agreement

In connection with the issuance of the Additional Notes, the Company, the Guarantors and the initial purchasers of the Additional Notes entered into a Registration Rights Agreement, dated as of April 26, 2012 (the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement, the Company and the Guarantors, among other things, have agreed to use their reasonable best efforts to file with the SEC and cause to become effective an exchange offer registration statement with respect to a registered offer (the "Exchange Offer") to exchange the Additional Notes for substantially identical debt securities of the Company that are registered under the Securities Act. Under certain circumstances, in lieu of an exchange offer registration statement, the Company and the Guarantors have agreed to file a shelf registration statement with the SEC covering resale of the Additional Notes. In the event that an exchange offer registration statement or shelf registration statement is not filed or does not become effective, or the Exchange Offer is not consummated, by the required times set forth in the Registration Rights Agreement, the Company will pay as liquidated damages to each holder of the applicable Additional Notes, with respect to the first 90-day period from and including the date of the default, additional interest at the rate of 0.25% per annum. The amount of additional interest will increase by an additional 0.25% per annum with respect to each subsequent 90-day period until the default has been cured, up to a maximum amount of additional interest of 1.0% per annum.

The foregoing description is not complete and is qualified in its entirety by reference to the Registration Rights Agreement, which is filed herewith as Exhibit 10.1 and incorporated herein by reference.
