WESTPAC BANKING CORP
 Form 424B3
 August 29, 2012

This preliminary pricing supplement has been filed to replace the preliminary pricing supplement No. 46 filed with the SEC on August 24, 2012. This preliminary pricing supplement changes the coupon frequency to monthly (the first Coupon Date scheduled to fall on October [13], 2012) and the dates of early redemption to quarterly (such dates of early redemption commencing on the Interest Payment Date scheduled to fall in September 2017). Other than changes consequent upon these two changes, no other changes to the originally filed preliminary pricing supplement are reflected in this filing.

Filed under Rule 424(b)(3), Registration Statement No. 333-172579

Investing in the Notes involves risks. See Risk Factors beginning on page 9 of the prospectus. You should carefully consider the risks and the other information contained or incorporated by reference in the prospectus dated May 10, 2012, as filed with the Securities and Exchange Commission (SEC), before investing in the Notes. You can access a copy of the prospectus free of charge on the SEC's website at www.sec.gov or by calling the Agent toll free at 1-866-500-5408. **Any payments due on the Notes, including any repayment of principal, will be subject to our credit risk.**

Neither the SEC nor any state securities commission has approved or disapproved of the Notes or determined if this preliminary pricing supplement or the prospectus is truthful or complete. Any representation to the contrary is a criminal offense.

In the ordinary course of its business activities, the Agent and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. These investments and securities activities may involve securities and/or instruments of ours or our affiliates. The Agent has informed us that it or its affiliates that have a lending relationship with us routinely hedge their credit exposure to us consistent with their customary risk management policies. The Agent has also informed us that it and its affiliates would typically hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the Notes offered hereby. Any such short positions could adversely affect the future market value of the

Notes offered hereby. The Agent may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments. In addition, the business, hedging and trading activities of the Agent and its affiliates, and any hedging and trading activities the Agent or its affiliates engage in for its clients' accounts may negatively affect the market value and return of the Notes and may create conflicts of interest with you.
