Item 1.01 Entry into a Material Definitive Agreement.

On August 29, 2013, Extra Space Storage Inc. (the Company) announced that its operating partnership subsidiary, Extra Space Storage LP (the Operating Partnership), closed the previously announced acquisition of 19 self-storage facilities, with the acquisition of one remaining property expected to close by the end of the fourth quarter of 2013 (the Properties), from various entities affiliated with All Aboard Mini Storage. The Properties are located in California and include approximately 1.5 million square feet of net rentable space in approximately 14,800 self-storage units. The Operating Partnership issued a total of 1,257,519 newly designated Series B Redeemable Preferred Units (Series B Preferred Units) of the Operating Partnership, valued at approximately \$31.4 million, and 1,356,209 common units (Common Units) of the Operating Partnership, valued at approximately \$58.4 million, to the contributors as part of the consideration for the Properties.

In connection with this acquisition, on August 29, 2013, the Operating Partnership entered into a Third Amended and Restated Agreement of Limited Partnership (the Partnership Agreement) which provides for the designation and issuance of the Series B Preferred Units. The Series B Preferred Units rank junior to the Operating Partnership's Series A Participating Redeemable Preferred Units and senior to all other partnership interests with respect to distributions and liquidation. The Series B Preferred Units have a fixed priority return of 6.0% and a liquidation value of \$25.00 per Series B Preferred Unit. The Series B Preferred Units will be redeemable for the liquidation value per unit at the option of the holders after a period of one year following the closing, which redemption obligation may be satisfied, at the option of the Company, in cash or shares of its common stock, \$0.01 par value per share (Common Stock). The Common Units will be redeemable at the option of the holders after a period of one year following the closing for cash or, at the option of the Company, an equivalent number of shares of Common Stock.

The foregoing description of the Partnership Agreement does not purport to be complete and is qualified in its entirety by reference to the complete text of the Partnership Agreement, which is filed as Exhibit 10.1 to this current report and incorporated herein by reference.

Item 3.02 Unregistered Sales of Equity Securities.

The information required by this Item 3.02 with respect to the issuance of the Series B Preferred Units and Common Units is incorporated by reference from Item 1.01 of this current report. The Series B Preferred Units and Common Units were issued in private placements in reliance on Section 4(a)(2) of the Securities Act of 1933, as amended, and the rules and regulations promulgated thereunder.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On August 26, 2013, Karl Haas, the Company's Executive Vice President and Chief Operating Officer, announced his retirement, effective December 31, 2013. The Company's Board of Directors intends to appoint Mr. Haas to the Board following his retirement.

Edgar Filing: Extra Space Storage Inc. - Form 8-K

The Company intends to appoint Samrat Sondhi as Senior Vice President Operations upon Mr. Haas' retirement on December 31, 2013. Mr. Sondhi, 38, has been a member of the Company's senior management team for eight years, operating in various roles including Divisional Vice President, covering core markets across the United States, and Senior Vice President Revenue Management, playing a key role in the evolution of pricing strategy. Prior to joining the Company, Mr. Sondhi served for two years as Vice President Revenue Management for Storage USA, which was purchased by the Company in July 2005. Prior to joining Storage USA, Mr. Sondhi worked as a consultant with Deloitte Consulting. Mr. Sondhi holds a Master's degree in Business Administration from Carnegie Mellon University and a Bachelor's degree in Electronics from Pune University, India. Mr. Sondhi's annual base salary is \$275,000. He is also eligible for an annual bonus and will participate in employee benefit plans made available to the Company's executives.

On August 29, 2013, Hugh W. Horne announced his decision to resign, effective December 31, 2013, from the Board of Directors of the Company to pursue other interests. Mr. Horne's decision to resign from the Board did not result from any disagreement with the Company concerning any matter relating to its operations, policies or practices. Concurrently with his resignation from the Board, Mr. Horne is resigning from the Compensation, Nominating and Governance Committee of the Board.

Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On August 29, 2013, the Company amended its charter in order to effect certain administrative changes relating to the non-voting stock, \$0.01 par value per share, of the Company (Contingent Conversion Shares). No Contingent Conversion Shares remain outstanding, so the amendment reduced the number of authorized Contingent Conversion Shares from 211,157 to zero. In addition, pursuant to the Company's charter, upon the previous conversion of 3,888,843 Contingent Conversion Shares, the authorized but unissued shares of Common Stock had been increased by 3,888,843; accordingly, the charter amendment also returned the authorized number of shares of Common Stock to 300,000,000.

The foregoing description of the Articles of Amendment does not purport to be complete and is qualified in its entirety by reference to the complete text of the Articles of Amendment, which are filed as Exhibit 3.1 to this current report and incorporated herein by reference.

Independent Auditor's Report

To the Board of Directors of

Extra Space Storage Inc.

We have audited the accompanying statement of revenues and certain operating expenses of the properties owned by the All Aboard Mini Storage Portfolio (the Properties), for the year ended December 31, 2012, and the related notes to the statement of revenues and certain operating expenses (the Statement).

Management's Responsibility for the Statement

Management is responsible for the preparation and fair presentation of the Statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of the Statement that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the Statement referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 1 of the Properties for the year ended December 31, 2012, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As described in Note 1, the Statement was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and is not intended to be a complete presentation of the Properties' revenues and expenses. Our opinion is not modified with respect to this matter.

1. ACQUISITION, ORGANIZATION AND BASIS OF PRESENTATION

Acquisition of properties

The accompanying statements of revenues and certain operating expenses relates to the operation of 20 properties owned by different entities affiliated with All Aboard Mini Storage (the Properties). Nineteen of the twenty properties were acquired by Extra Space Storage Inc. (Extra Space) on August 29, 2013 with the remaining property expected to close during the fourth quarter of 2013. Extra Space did not hold any ownership interests in the Properties prior to the acquisition. The Properties consist of land and self-storage facilities located in California.

Basis of presentation

The accompanying statement of revenues and certain operating expenses for the year ended December 31, 2012 was prepared for the purpose of complying with the Securities and Exchange Commission Regulation S-X, Rule 3-14. The statement is not representative of the actual operations of the Properties for the year ended December 31, 2012 as certain expenses, which may not be comparable to the expenses expected to be incurred by the Properties in future operations, have been excluded as discussed below. The management of the Properties is not aware of any material factors that would cause the reported financial information not to be indicative of future operating results.

Certain operating expenses include real estate taxes and certain other operating expenses related to the operations of the Properties. Excluded expenses include mortgage interest, depreciation and amortization and certain other costs not directly related to the future operations of the property.

The statements of revenues and certain operating expenses for the six months ended June 30, 2013 and 2012 are unaudited. In the opinion of management, these interim financial statements reflect all necessary adjustments for a fair presentation of the revenues and certain operating expenses of the respective periods. All such adjustments are of a normal recurring nature.

2. REVENUE RECOGNITION

Revenue is principally obtained from tenant rentals under month-to-month operating leases. The Properties recognize rental revenue daily on a straight line basis over the terms of the leases. Tenants move in and out throughout the month and revenue is recognized on a pro-rata basis for the days each unit is occupied during the month. Revenue is recognized for past due tenants until the unit is vacated through either payment or auction.

The Properties recognize revenue for merchandise sales as the sales occur. Revenue for late fees and other miscellaneous items are included in other revenue as they are earned under the terms of the rental contracts.

3. EXPENSE RECOGNITION

Property expenses, including utilities, repairs and maintenance and other costs to manage the facilities are recognized as incurred. Expenses such as property taxes and property insurance are recognized

over their respective assessment or coverage periods. The Properties recognize bad debt expense based upon the Properties' historical collection experience and current economic trends.

4. USE OF ESTIMATES

The preparation of the statement of revenues and certain operating expenses, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates.

5. COMMITMENTS AND CONTINGENCIES

The Properties are not presently involved in any material litigation nor, to management's knowledge, is any material litigation threatened against the Properties, other than routine legal matters arising in the ordinary course of business. Management believes the costs, if any, incurred by the Properties related to this litigation will not materially affect the operating results of the Properties.
