(d) On January 30, 2014, our board of directors, upon the recommendation of our nominating and corporate governance committee, appointed Stephen Scully to our board of directors. The board of directors has determined that Mr. Scully qualifies as independent under the independence standards set forth in Nasdaq Marketplace Rule 5605(a)(2). At this time, Mr. Scully has not been named to any committee of the Board of Directors.

Mr. Scully, 54, was founder and president of the Scully Companies, a California based truck leasing and specialized contract carriage provider. He started the company immediately after graduating from college in 1981 and subsequently sold it to Ryder System in 2011. The Scully Companies was the largest independent asset based logistics provider in the western U.S. Mr. Scully is a past chairman and director of the National Truck Leasing System, board member of the Truck Rental and Leasing Association, board member of Ameritrust Transportation and Logistics Resources and member of the California Trucking Association.

Mr. Scully's compensation for his services as a director will be consistent with that of our other non-employee directors, as described in our definitive proxy statement filed on March 28, 2013. Other than the standard compensation arrangements, there are no arrangements or understandings between Mr. Scully and any other persons pursuant to which Mr. Scully was selected as a director. Mr. Scully is not a party to any transaction that would require disclosure under Item 404(a) of Regulation S-K.

On January 31, 2014, we issued a press release announcing the appointment of Mr. Scully to our board of directors. A copy of the press release is attached as Exhibit 99.1 hereto and incorporated herein by reference.
