The Notes are governed by the Indenture, dated as of November 5, 1999 (the Indenture), between the Company and U.S. Bank Trust National Association, as successor in interest to State Street Bank and Trust Company, as trustee.

The Notes mature on June 15, 2045. Interest on the Notes is payable on June 15 and December 15, of each year commencing December 15, 2015. The Company may redeem the Notes, in whole or in part, at its option at any time prior to, December 15, 2044 (six months prior to the maturity date of the Notes) by paying a make-whole premium, plus accrued and unpaid interest, if any, to, but excluding, the date of redemption. In addition, the Company may redeem the Notes, in whole or in part, at its option at any time on or after December 15, 2044 (six months prior to the maturity date of the Notes) at 100% of the aggregate principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon to, but excluding, the date of redemption. The Notes are senior unsecured obligations of the Company and rank equally with all of its other senior unsecured indebtedness.

The Notes are subject to certain customary covenants, including limitations on the Company's ability to merge, consolidate or sell assets; limitations on the ability of the Company and certain of its subsidiaries to secure indebtedness with liens; and limitations on sale and leaseback transactions by the Company and certain of its subsidiaries. In addition, upon the occurrence of a Change of Control Repurchase Event (as described in the officers' certificates setting forth the terms of the Notes (the Officers' Certificate)), the Company will be required to make an offer to repurchase the Notes at 101% of the aggregate principal amount.
