Incorporation by reference

The information contained in this Report on Form 6-K, including the information set forth in Exhibit No. 1 but excluding the information set forth in Exhibit No. 2, shall be incorporated by reference in the prospectus relating to the Registrant's debt securities contained in the Registrant's Registration Statement on Form F-3 (File No. 333-207931), as such prospectus may be amended or supplemented from time to time.

On August 11, 2016, Westpac announced that the following key items impacted non-interest income in the quarter ended June 30, 2016 (3Q16):

- institutional activity remained subdued, which led to lower markets related income and a decline in fees from debt markets activities; and
- insurance claims in 3Q16 were higher relative to the quarterly average for the half year ended March 31, 2016 (1H16), which included the impact of severe storms and higher life claims.

These contributed to 3Q16 non-interest income being around 5% below the 1H16 quarterly average.
