Item 2.02 Results of Operations and Financial Condition.

On January 9, 2019, Ashford Inc. (the "Company") announced that the incentive fee it will receive for 2018 from Braemar Hotels & Resorts Inc. ("Braemar") will be approximately \$2.0 million and that no incentive fee for 2018 was earned with respect to Ashford Hospitality Trust, Inc. ("Ashford Trust").

The incentive fee from Braemar is payable pursuant to the Fifth Amended and Restated Advisory Agreement of Braemar Hotels & Resorts Inc., dated as of April 23, 2018, among Braemar Hotels & Resorts Inc., Braemar Hospitality Limited Partnership, Braemar TRS Corporation, Ashford Hospitality Advisors LLC and Ashford Inc. ("Braemar Advisory Agreement"). The incentive fee from Braemar is payable over three years, and Braemar will recognize this expense in its financial statements as of and for the year ended December 31, 2018.

As set forth in the Braemar Advisory Agreement, Braemar must pay Ashford Hospitality Advisors LLC (the "advisor") an incentive fee that is measured annually. The annual incentive fee is calculated as (i) 5% of the amount (expressed as a percentage but in no event greater than 25%) by which Braemar's annual TSR exceeds the average TSR for Braemar's peer group, multiplied by (ii) the fully diluted equity value of Braemar at December 31 of the applicable year, subject to the FCCR Condition, as defined in the Braemar Advisory Agreement, which relates to the ratio of adjusted EBITDA to fixed charges. To determine the fully diluted equity value, Braemar will assume that all units in its operating partnership, including long-term incentive plan units that have achieved economic parity with the common units, if any, are redeemed for its common stock and that the per share value of each share of its common stock is equal to the closing price of its stock on the last trading day of the year. For purposes of this calculation, TSR means the sum, expressed as a percentage, of (i) the change in Braemar's common stock price during the applicable period, plus (ii) the dividend yield paid during the applicable period (determined by dividing dividends paid during the applicable period by Braemar's common stock price at the beginning of the applicable period and including the value of any dividends or distributions with respect to common stock not paid in cash valued in the reasonable discretion of the Braemar's advisor). For additional details regarding the calculation of the incentive fee, see the full text of the Braemar Advisory Agreement, a copy of which is filed as Exhibit 10.1 to Braemar's Current Report on Form 8-K filed on April 23, 2018, and incorporated herein by reference.

The incentive fee from Ashford Trust (when earned) is payable pursuant to the Amended and Restated Advisory Agreement, dated as of June 10, 2015, by and between Ashford Hospitality Trust, Inc., Ashford Hospitality Limited Partnership, Ashford TRS Corporation, Ashford Inc. and Ashford Hospitality Advisors LLC (the "Ashford Trust Advisory Agreement"), as amended.

As set forth in the Ashford Trust Advisory Agreement, Ashford Trust must pay the advisor an incentive fee that is measured annually. Each year that Ashford Trust's annual total stockholder return exceeds the average annual total stockholder return for Ashford Trust's peer group, Ashford Trust will pay the advisor an incentive fee over the following three years, subject to the FCCR Condition, as defined in the Ashford Trust Advisory Agreement, which relates to the ratio of adjusted EBITDA to fixed charges. For additional details regarding the calculation of the incentive fee, see the full text of the Ashford Trust Advisory Agreement, a copy of which is filed as Exhibit 10.1 to the Company's Current Report on Form 8-K dated June 12, 2015, and the Enhanced Return Funding Program Agreement and Amendment No. 1 to the Amended and Restated Advisory Agreement, dated June 26, 2018, a copy of which is filed as Exhibit 10.1 to the Company's Current
