**ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

On March 16, 2009, Glowpoint, Inc. ( Glowpoint or the Company ) entered into a series of transactions that resulted in the Company raising additional working capital, exchanging or repaying all of its outstanding senior secured convertible promissory notes, and exchanging all of its Series A Convertible Preferred Stock for a newly-created Series A-1 Convertible Preferred Stock. As a result of these transactions, the Company is debt-free (other than normal course trade payables and existing capital lease obligations) and has a single class of preferred stock outstanding.

Pursuant to a Series A-1 Convertible Preferred Stock Purchase Agreement, dated March 16, 2009 (the Purchase Agreement ), the Company received approximately \$1.8 million of gross proceeds on March 18, 2009 in an initial closing (the Initial Closing ) of a private placement of approximately 450 shares of its newly-created Series A-1 Convertible Preferred Stock ( Series A-1 Preferred Stock ) and issued Series A-3 Warrants, dated March 18, 2009, having an exercise price of \$0.40 per share (the Series A-3 Warrants ) to acquire an aggregate of approximately 2,250,000 shares of common stock. Pursuant to the Purchase Agreement, the Company may sell additional shares of Series A-1 Preferred Stock and Series A-3 Warrants in one or more subsequent closings that may occur during the 90-day period following the Initial Closing, up to a maximum offering amount of \$5 million. There can be no assurance, however, that the Company will raise any additional funds following the Initial Closing. The disclosures contained in this Current Report on Form 8-K do not constitute an offer to sell or a solicitation of an offer to buy any securities of the Company described herein.

Each share of Series A-1 Preferred Stock has a stated value of \$7,500 per share (the Stated Value ), a liquidation preference equal to the Stated Value, and is convertible at the holder s election into common stock at a conversion price per share of \$0.75. Therefore, each share of Series A-1 Preferred Stock is convertible into 10,000 shares of common stock. The Series A-1 Preferred Stock is senior to all other classes of equity, has weighted average anti-dilution protection and, after the first anniversary of the Issuance Date (the Dividend Grace Period ), is entitled to dividends at a rate of 5% per annum, payable quarterly, based on the Stated Value. After the Dividend Grace Period, all dividends shall be payable (i) if on or before September 30, 2010, at the Company s option in cash or through the issuance of a number of additional shares of Series A-1 Preferred Stock with an aggregate liquidation preference equal to the dividend amount payable on the applicable dividend payment date and (ii) if after September 30, 2010, at the option of the holder in cash or through the issuance of a number of additional shares of Series A-1 Preferred Stock with an aggregate liquidation preference equal to the dividend amount payable on the applicable dividend payment date. The Issuance Date is defined as the original issuance date of the Series A-1 Preferred Stock, except for shares of Series A-1 Preferred Stock issued upon the exchange of Series A Preferred Stock pursuant to the Series A Preferred Consent and Exchange Agreement (discussed below), in which case the Issuance Date is the date of issuance of the Series A Convertible Preferred Stock (i.e., either November 25, 2008 or December 31, 2008). Except for when dividends are payable, the Series A-1 Preferred Stock is the same as the Series A Convertible Preferred Stock created in November 2008.

The Series A-3 Warrants are exercisable for a period of five years and have weighted average anti-dilution protection. We are also obligated to file a registration statement to register for resale the shares of common stock issuable upon exercise of the Series A-3 Warrants by the date that is 90 days following the date the Company receives the written request for registration from the holders of 2/3 of the shares of common stock underlying the Series A-3 Warrants, all in accordance with the terms of a Registration Rights Agreement dated November 25, 2008, as amended by Amendment No. 1 dated February 19, 2009.

The foregoing description of the private placement of the Series A-1 Preferred Stock and Series A-3 Warrants and the specific terms of the Series A-1 Preferred Stock, the Series A-3 Warrants and the registration rights is qualified in its entirety by reference to the provisions of the form of Purchase Agreement, the form of Certificate of Designations, Preferences and Rights of Series A-1 Preferred Stock, the form of amended Series A-3 Warrant, the Registration Rights Agreement, and the Amendment No. 1 to Registration Rights Agreement attached to this report as Exhibits 10.1, 4.1, 4.2, 10.2, and 10.3, respectively.

Pursuant to that certain Note Exchange Agreement, dated March 16, 2009, approximately 268,907 shares of Series A-1 Preferred Stock and Series A-3 Warrants to acquire approximately 594,536 shares of common stock were issued on March 18, 2009 in exchange for approximately \$1.1 million of the Company's senior secured convertible promissory notes ( Notes ), which represents all but approximately \$0.72 million of the Company's outstanding Notes (the Remaining Notes ). The Remaining Notes were purchased and retired by the Company pursuant to that certain Securities Purchase Agreement, dated March 16, 2009, which prepayment closed on March 18, 2009 and was funded from the sale of securities pursuant to the Purchase Agreement. As a result, there are no Notes outstanding. The foregoing description of the issuance of the Series A-1 shares in exchange for the Notes and repayment of the Remaining Notes is qualified in its entirety by reference to the provisions of the form of Note Exchange Agreement and Securities Purchase Agreement attached to this report as Exhibits 10.4 and 10.5.

Pursuant to that certain Series A Preferred Consent and Exchange Agreement, dated March 16, 2009, the holders of the Company's Series A Convertible Preferred Stock (i) consented to the creation of the Series A-1 Preferred Stock and (ii) were issued an aggregate of approximately 3,789,782 shares of Series A-1 Preferred Stock in exchange for an aggregate of

approximately 3,789,782 shares of the Company's Series A Convertible Preferred Stock on March 18, 2009. The foregoing description of the exchange of the Series A Preferred Stock is qualified in its entirety by reference to the provisions of the form of Series A Preferred Consent and Exchange Agreement attached to this report as Exhibit 10.6.

Burnham Hill Partners LLC ( BHP ) acted as placement agent and financial advisor and was paid a fee of \$126,000 at the closing, which equaled seven (7%) percent of the gross proceeds received by the Company in the closing. Glowpoint also issued advisory warrants to BHP and/or its designees and assignees to purchase 500,000 shares of common stock at an exercise price of \$0.40 per share. The advisory warrants are substantially similar to the form of amended Series A-3 Warrant attached hereto as Exhibit 4.2. Glowpoint also paid an additional \$75,000 to BHP in connection with fees earned in an earlier transaction that were deferred until this closing.

A copy of the press release announcing the foregoing transactions is attached to this Form 8-K as Exhibit 99.1.

### **ITEM 3.02. UNREGISTERED SALES OF EQUITY SECURITIES.**

Each investor is an accredited investor as defined in Rule 501 of Regulation D.
