### ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

The following discussion and analysis should be read in conjunction with the Financial Statements and Notes thereto appearing elsewhere in this Quarterly Report. Certain statements in this Quarterly Report, which are not statements of historical fact, are forward-looking statements. See "Special Note Regarding Forward-Looking Information" on Page 2.

#### Introduction

The character and holdings of the Company has changed substantially

## Edgar Filing: AMERICAN LEISURE HOLDINGS INC - Form 10QSB

since the preceding fiscal year as set forth below. During the second quarter of the Companies' current fiscal year it acquired certain companies to enter into the travel and tourism industry. The readers of the current unaudited statements are referred to the Company's last Form 10Q-SB as filed and any subsequent Form 8-K(s) for a more in-depth view of the Company's financial position, Results of operations and changes in cash flows. Accordingly, management's discussion as set forth below focuses primarily on the period from June 14, 2002 to September 30, 2002.

### General

The Company has been designed and structured to own, control and direct a series of companies in the travel and tourism industries so that it can achieve significant vertical and horizontal integration in the sourcing of, and the delivery of, corporate and vacation travel services. Our mission is to:

- o own and operate vacation hotel/resort properties,
- o build large travel club membership bases through various travel club programs,
- o build a large membership base in our vacation and travel clubs, and
- o promote our resort assets and sell travel services and vacation ownership to those club members and other corporate and vacation travelers.

8

### Acquisitions

In June 2002, we acquired control of several travel related companies, described below:

#### American Leisure, Inc. ("ALI")

ALI will be the holding company for all of our Leisure Travel divisions. It will also package holidays and vacations and sell these within the trade and through its own tour operations.

#### Sunstone Golf Resort, Inc. ("SGR")

SGR is currently in the planning stage as a 799 unit vacation destination resort in Orlando, Florida proposed for the commencement of development in 2003. We intend to provide development and financing support for the development of the resort.

#### American Travel & Marketing Group, Inc. ("ATMG")

We believe that ATMG will generate significant travel business through the creation of clubs comprised of affinity based travelers. ATMG has developed a travel club system and travel incentive strategy that creates and fulfills the travel and incentive needs of corporations, organizations and associations with significant member databases.

Once the infrastructure has been finalized to communicate and sell to its affinity-based club databases, we anticipate that ATMG will derive substantial revenue from annual membership fees and commissions earned on the sale of travel services.

## Edgar Filing: AMERICAN LEISURE HOLDINGS INC - Form 10QSB

Leisureshare International, Ltd ("LIP")

LIP, and its subsidiary, Leisureshare International, Inc., a vacation marketing company, will be dedicated to sales of vacation properties and vacation club memberships.

In July 2002, we entered into a contract to acquire a controlling interest of HTS Holdings, Inc., the parent to, among other companies, Hickory Travel Services, In, which will focus on the fulfillment of all of our companies' travel needs. We anticipate completing the acquisition in the Fall of 2002.

9

### Strategy

Our business model is based on four basic premises:

- o Club Creation and Administration. We intend to promote and service both travel clubs and vacation clubs to derive membership dues revenue, travel commissions revenue and prospects for conversion of travel club members to vacation club members. To enhance membership benefits, we intend to affiliate with vacation exchange programs and provide finance to members.
- o Resort Real Estate. In addition to our current vacation resort assets, we intend to purchase additional vacation resort assets, particularly in the Caribbean and Florida resort areas where the demand for vacation property is strong the majority of the year. Such resorts assets will likely include the following:
  - o properties suitable for convergent use for vacation club, such as suites, one bedroom and two bedroom units;
  - o properties with contiguous vacant land suitable for further expansion;
  - o properties that have consistently sustained at least break-even occupancy;
  - o for developable land, acreage suitable for hotel, vacation resort and/or vacation club development in prime locations with room for a substantial amenity packages; and
  - o locations that have appeal throughout the year rather than limited "seasonal" attraction.
- o Vacation Ownership. We intend to market vacation assets and vacation club memberships to the general public. The membership bases of our vacation and travel clubs and guests staying at our resort assets will likely provide an ongoing source of prospects for our vacation assets and vacation club membership sales. Revenues from the sale of vacation assets and vacation club memberships is expected to be a substantial component in our ability to capitalize the front end of developments and the equity requirement for resort acquisitions.

10

## Edgar Filing: AMERICAN LEISURE HOLDINGS INC - Form 10QSB

- o Travel Services. We intend to capitalize on the travel requirements of servicing the travel clubs and vacation clubs to garner significant group purchasing, branding and third party branding power. By actively focusing on the demand side coupled with having the structure to fulfill the travel requirements both at our resort assets and at other venues, we will seek to obtain seamless vertical and horizontal integration of services such that the traveler's entire range of needs can be fulfilled or provided by us.

### Cash Flow Requirements

We will require substantial capital to adequately finance our proposed acquisitions, meet our obligations under our business model, and provide for our working capital. We anticipate that we will require approximately \$22.5 million over the next twelve months to fully implement our business model. We anticipate that we will use such funds as follows:

Program Development and Implementation Costs	\$16,500,000
Payoff Debt	\$ 3,000,000
Acquisition Costs	\$ 1,000,000
Working Capital	\$ 2,000,000

### LIQUIDITY

During the three months ended September 30, 2002, the Company's working Capital decreased. This was due to administrative and financing costs incurred as carrying costs of the Company's assets and to maintain its operations. The Company does not currently have sufficient capital in its accounts, nor sufficient firm commitments for capital to assure its ability to meet its current obligations or to continue its planned operations. The Company is continuing to pursue working capital and additional revenue through the seeking of the capital it needs to carry on its planned operations. There is no assurance that any of the planned activities will be successful.

11

### CAPITAL RESOURCES

As a result of its limited liquidity, the Company has limited access to additional capital resources. The Company does not have the capital to totally fund the obligations that have matured or debts that remain currently payable or other debts incurred during the most recent fiscal quarter.

The Company has received additional capital through the expansion of vendor financing and loans from its directors during the most recent quarter.

Though the obtaining of the additional capital is not guaranteed, the management of the Company believes it will be able to obtain the capital required to meet its current obligations and actively pursue its planned business activities.

### OPERATIONS

The previous operations of the Company were ceased. On June 14, 2002 the Company

## Edgar Filing: AMERICAN LEISURE HOLDINGS INC - Form 10QSB

acquired American Leisure Holdings, Inc. (hereafter Corporation) and its subsidiaries. Until the Company obtains the capital required to develop its properties and businesses and obtain the revenues needed from its operations to meet its obligations, the Company will be dependent upon sources other than operating revenues to meet its operating and capital needs. Operating revenues may never satisfy these needs.

Until the capital is obtained to enter into its planned operations discussed above, the Company will need additional capital other than that provided through its operations.

### ITEM 3. CONTROLS AND PROCEDURES

Based on the evaluation by Mr. Wright, the chief accounting officer of the company, of the effectiveness of the company's disclosure controls and procedures conducted as of a date within 90 days of the filing date of this quarterly report, Mr. Wright concluded that, as of the evaluation date, (i) there were no significant deficiencies or material weaknesses of the company's disclosure controls and procedures, (ii) there were no significant changes in the internal controls or in other factors that could significantly affect internal controls subsequent to the evaluation date, and (iii) no corrective actions were required to be taken.

12

## PART II - OTHER INFORMATION

### ITEM 1. LEGAL PROCEEDINGS

In June, 2001, Rock Investment Trust, P.L.C., a British limited liability company, and RIT, L.C., a related Florida limited liability company, filed suit against Malcolm J. Wright, American Vacation Resorts, Inc., American Leisure, Inc., Inversora Tetuan, S.A., Sunstone Golf Resort, Inc., and SunGate Resort Villas, Inc., seeking either the return of an alleged \$500,000 investment or ownership interest in one or more of the defendant entities equivalent to the alleged investment amount. Defendants have denied all claims and Mr. Wright, American Vacation Resorts, Inc., American Leisure, Inc., Inversora Tetuan, S.A., Sunstone Golf Resort, Inc., and SunGate Resort Villas, Inc. have counterclaimed against Rock Investment Trust and its principal, Roger Smee, seeking damages in excess of \$10 million, assuming success on all aspects of the litigation. The litigation is in the discovery phase and is not currently set for trial. While many depositions and other discovery of facts remains to be done, based on the status of the record developed thus far, counsel believes that Rock Investment Trust's and RIT's claims are without merit and that the counterclaim will be successful. The amount of damages which may be recovered on the counterclaim is subject to a variety of factors and considerations.

### ITEM 2. CHANGES IN SECURITIES AND USE OF PROCEEDS

#### Issuance of Senior Securities

On June 14, 2002, in connection with the closing of the acquisition of American Leisure Corporation (formerly American Leisure Holdings, Inc.) ("ALC"), we authorized the issuance of up to 1,000,000 shares of Series A Preferred Stock, of which 880,000 were issued to certain debt holders of ALC. Our Series A Preferred Stock has the following rights, privileges and preferences:

Our Series B Preferred Stock has the following rights, privileges and preferences:

- o The Series B Preferred Stock has a liquidation value of \$100.00 per share;
- o The holders of Series B Preferred Stock are entitled to cumulative dividends at the rate of \$12.00 per share per year;
- o The liquidation rights of the holders of Series B Preferred Stock are senior to the holders of Common Stock but junior to the Series A Preferred Stock;

14

- o Each share of Series B Preferred Stock shall be convertible, at the option of the holder thereof, at one time, into such number of paid and nonassessable shares of Common Stock (the "Conversion Rate") calculated by dividing the Liquidation Value by the Market Price (as defined herein) but such Conversion Rate shall not be greater than twenty (20) (the "High Conversion Rate") and not less than twelve and one-half (12.5) (the Low Conversion rate)". Such initial High and Low Conversion Rates shall be subject to adjustment as provided. Each share of Series B Preferred Stock shall be automatically converted into such number of paid and nonassessable shares of Common Stock on the date six (6) months after the Company has listed its Common Stock for trading on the American Stock Exchange (the "Automatic Conversion Date") at the Conversion Rate determined on the Automatic Conversion Date.
- o The holders of Series B Preferred Stock have voting rights with

## Edgar Filing: AMERICAN LEISURE HOLDINGS INC - Form 10QSB

- the holders of Common Stock as a single class based on the conversion rate.
- o The Registrant may redeem all of the Series B Preferred stock outstanding, if any, in August 2007, equal to the liquidation value plus any accrued and unpaid dividends.

Osborn, P.C. who was dismissed as the principal independent accountants effective with such appointment. The decision to change the principal independent accountants was not approved by our Board of Directors. In November, we appointed Malone & Bailey, PLLC to be our principal auditors for the quarter ended September 30, 2002, to restate the June 30, 2002 financials and for the fiscal year ended December 31, 2002.

During the two most recent fiscal years and interim period subsequent through the quarter ended March 31, 2002, there have been no disagreements with J.S. Osborn, P.C. or Marc Lumer & Company, on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure or any other reportable events.

J.S. Osborn, P.C.'s report on the financial statements for each of the past two years contained a qualification about our ability to continue as a going concern.
