Item 1.01 Entry into a Material Definitive Agreement.

On December 18, 2014, athenahealth, Inc. (“athenahealth”) entered into the First Amendment to Credit Agreement (the “Amendment”) that modifies the Credit Agreement, dated as of May 10, 2013 (the “Agreement”), with Bank of America, N.A., as administrative agent for itself and the other lenders and as swingline lender and the L/C issuer. Under the Agreement, athenahealth is required to maintain compliance with a consolidated fixed charge coverage ratio, and this Amendment provides that “Growth Capital Expenditures” are excluded from the calculation of that ratio. The Amendment adds a new definition for “Growth Capital Expenditures,” which includes capital expenditures for: (i) the construction, acquisition or opening of new facilities; (ii) the creation of expanded capacity of an existing line of business of athenahealth and its subsidiaries or any substantially related or complementary line of business; and (iii) other growth and expansion initiatives of athenahealth’ or its subsidiaries’ then-existing business as the administrative agent reasonably agrees to constitute Growth Capital Expenditures.

The foregoing is a summary description of certain terms of the Amendment and is qualified in its entirety by reference to the full text of the Amendment, a copy of which is filed with this Current Report on Form 8-K as Exhibit 10.1 and incorporated herein by reference.
