Shares of common stock subject to options or warrants currently exercisable or convertible, or exercisable or convertible within 60 days of March 31, 2006 are deemed outstanding for computing the percentage of the person holding such option or warrant but are not deemed outstanding for computing the percentage of any other person.

AGENDA ITEM 1 ELECTION OF DIRECTORS

Five directors are to be elected to hold office for approximately one year until the next Annual Meeting and until their successors have been duly elected and qualified. All nominees are presently members of the Board of Directors. The five present directors were elected before our initial public offering in June of 2005. Frederick S. Pierce, who was also elected at that time, has declined to run for reelection and will be leaving the Board of Directors as of May first. We have no reason to believe that any of the nominees will not serve if elected. If any of the nominees becomes unavailable for election, which we do not expect, the proxies will cast their votes for the substitute nominees as may be designated by our Board of Directors, unless the Board reduces the number of directors as it did when Mr. Pierce resigned.

Board vacancies and newly created directorships resulting from any increase in the authorized number of directors may be filled by a majority vote of the directors then in office, even if less than a quorum, or by a sole remaining director. The executive officers are appointed by the Board and serve at its pleasure.

The five directors receiving the highest number of votes will be elected. When voting on the election of directors, each share of Common Stock casts one vote.

Our Board recommends a vote FOR each of the nominees to the Board of Directors.

The salaries and bonus reflected in the above table include accrued salaries that were paid in stock for the period January 2003 through May 2005. In 2003, the Named Officers accepted shares of common stock at \$11 per share in payment of one-half of the salary owed to them for the months of February through July 2003 as follows: Mr. Kundrat was issued 3,955 shares for \$43,750 of salary, Mr. Young was issued 3,410 shares for \$37,500 of salary and Mr. Sullivan was issued 3,410 shares for \$37,500 of salary. In November 2004, we issued shares of our common stock to each of the Named Officers in payment of the remaining deferred salaries and bonus through December 31, 2003. Mr. Kundrat was issued 77,271 shares for \$298,500 of accrued salaries and bonus, Mr. Young was issued 30,949 shares for \$162,500 of accrued salary and Mr. Sullivan was issued 39,646 shares for \$162,500 of accrued salary. In April 2005, the Named Officers agreed to take additional shares of common stock in payment of additional accrued salary owed to them through February 2005. These shares, which are part of a restructuring plan in which our executive officers, the bridge lenders and certain creditors participated, will be issued concurrently with the closing of the offering, at a price of \$3.00 per share. The shares to be issued to the Named Officers are as follows: 63,195 shares for \$189,584 of accrued salary to Mr. Kundrat and 54,167 shares for \$162,500 of accrued salary owed to each of Messrs. Sullivan and Young. In addition, in June 2005, the Named Officers agreed to take additional shares of common stock in payment of additional accrued salary owed to them through May of 2005. These shares, were issued concurrently with the closing of the offering, at a price of \$1.00 per share, and were included in a registration statement declared effective June 21, 2005. The shares to be issued to the Named Officers are as follows: 29,167 shares for \$29,167 of accrued salary to Mr. Kundrat and 25,000 shares for \$25,000 of accrued salary owed to each of Messrs. Sullivan and Young. Because no public market existed for our common stock during at the time of the issuances of these shares, all of the shares issued to the Named Officers in lieu of cash salaries or bonuses were valued based upon the good faith determination of the Board of Directors of the then fair market value of our common stock, taking into account such factors as the price at which

Edgar Filing: NUVIM INC - Form PRE 14A

unrelated third parties had purchased our securities, our revenues and net losses and the relative strength of our balance sheet.

11

During 2004 the Company incurred \$30,650 in consulting fees to Mr. Vesey prior to his employment.

The Company did not adopt a cash bonus plan in 2005. In March of 2006, the Board of Directors granted an aggregate of 831,500 shares of unregistered stock to four executives as an incentive and in lieu of a 2005 bonus plan as follows; Mr. Kundrat 346,500 shares, Mr. Sullivan 210,000 shares, Mr. Young 105,000 shares and Mr. Vesey 170,000 shares.

EMPLOYMENT AGREEMENTS

Each of our officers serves at the discretion of our Board of Directors. In September 2004, we entered into employment agreements with Richard P. Kundrat, our Chairman of the Board and Chief Executive Officer, John L. Sullivan, our Vice President of Sales and Paul Young, our Vice President of Operations. These have a three year term and became effective upon our initial public offering on June 21, 2005. Mr. Kundrat's base salary is \$225,000 per year; Messrs. Sullivan and Young are entitled to receive \$175,000 in base salary annually. These base salaries are subject to increase at the discretion of the Board. Under each employment agreement, the executive is entitled to participate in an annual bonus program, if and when such program is adopted by the Board. Each executive's receipt of bonus compensation is within the sole discretion of the Board of Directors, and the Board has the right to alter, amend or eliminate all or any part of any bonus at any time, without compensation. Each executive also is entitled to participate in all of our employee benefit plans, including any stock plan adopted by the Board that permits participation by executive officers. The executive officers currently do not receive company-provided health insurance or any similar benefits under their respective agreements. The Board may terminate each agreement at any time for "cause" or in the event of the executive's disability or death. If the agreement is terminated without "cause," the executive is entitled to one year's base salary, in addition to any other accrued benefits which have been earned or become payable as of the date of the termination. In the event that the agreement is terminated because of death or disability, we will continue to pay the executive's full salary through the end of the month in which his period of employment ends, together with any benefits which have been earned or become payable as of the termination date. As part of each agreement, the executive has signed a nondisclosure, developments and nonsolicitation agreement, in which he agrees, among other things, to protect our confidential information, not to solicit our employees, and not to breach any agreements with third parties.

In December 2004, we entered into an employment agreement with Michael Vesey, our Chief Financial Officer. The agreement provides for an initial \$150,000 annual base salary, subject to periodic increases as may be determined by the Compensation Committee, the possibility of bonuses and stock option grants, in the discretion of the Compensation Committee, reimbursement of expenses and health insurance. The agreement has no specific termination date. The Board may terminate the agreement at any time for "cause" or in the event of disability or death. If the agreement is terminated without "cause," Mr. Vesey is entitled to one year's base salary, in addition to any other accrued benefits which have been earned or become payable as of the date of the termination. As

part of the agreement, Mr. Vesey signed a nondisclosure and nonsolicitation agreement, in which he agreed, among other things, to protect our confidential information, not to solicit our employees and not to breach any agreements with third parties.

Securities authorized for issuance under equity compensation plans

The equity compensation reported in this section has been and will be issued pursuant to individual compensation contracts and arrangements with employees, directors, consultants, advisors, vendors, suppliers, lenders and service providers. The equity is reported on an aggregate basis as of December 31, 2005. Our security holders have not approved the compensation contracts and arrangements underlying the equity reported.

Directors' Compensation

Prior to our initial public offering in June of 2005 we have never paid cash compensation to our directors, but directors have, from time to time, received shares of common stock and option grants. Under the 2005 Directors Stock Option Plan, which becomes effective upon the closing of the initial public offering, each director received an option to purchase 10,000 shares of common stock, which vests and becomes exercisable over three years in equal installments. Each director also received 7,500 for their first year of service, and is eligible to receive an option to purchase an additional 7,500 shares in each year of service thereafter. Each director also receives an option to purchase an additional 500 shares for each committee on which that director serves, except that each year the chairman of the Audit Committee receive an option to purchase 4,000 shares and the chairmen of the Compensation Committee and the Corporate Governance and Nominating Committee each receive an annual option to purchase 2,000 shares as compensation for their services as chairman of the committees. The annual options become immediately vested and exercisable.

Non-employee directors are reimbursed for their reasonable out-of-pocket expenses incurred in attending meetings of the Board of Directors.

INDEPENDENT PUBLIC ACCOUNTANTS

Withum Smith & Brown, P.C. of Bridgewater, New Jersey, have served as auditors during 2005. The Audit Committee and the Board have selected them to act as our auditor for 2006, but knows no final agreement has been reached. They are not expected to attend the Annual Meeting, and have not asked for an opportunity to address the shareholders.

The following table sets forth fees billed to the Company by the Company's independent auditors for the year ended December 31, 2005 and December 31, 2004 for (i) services rendered for the audit of the Company's annual financial

statements and the review of the Company's quarterly financial statements, (ii) services rendered that are reasonably related to the performance of the audit or review of the Company's financial statements that are not reported as Audit Fees, and (iii) services rendered in connection with tax preparation, compliance, advice and assistance. The Board pre-approved all services rendered by the Company's independent auditors.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Following is a description of our current relationships with SMBI and Spencer Trask or those transactions or series of transactions with them that have occurred during the past fiscal year where the amount involved was at least \$60,000. There were other transactions with affiliates of Spencer Trask prior to the last fiscal year. SMBI is the provider of the whey protein concentrate for which we have exclusive distribution rights under a License and Supply Agreement. SMBI is controlled by Spencer Trask, a beneficial owner of more than 5% of our common stock.

Transactions with SMBI

In March of 2005 we entered into a Modification and Extension Agreement with SMBI Providing for the payment of past due accounts payable, royalties and interest payable in two installments aggregating \$452, 278. We made a payment of \$250,000 in July 2005, and \$202, 277 in January 2006 under the agreement. Upon payment of the final installment in January 2006, SMBI assigned us the NuVim trademark.

SMBI whey protein concentrate ("WPC"), which contains SMBI's patented micronutrients, LactoMune and LactoActin, is the key ingredient in our products. In January 2000, we had entered into the Supply Agreement with SMBI, which also was amended and restated in May 2004.

15

Under the Supply Agreement, SMBI agrees to use commercially reasonable efforts to supply us with our full requirement of WPC upon which our product depends. The current agreement expires in 2014, with automatic renewals for two two-year terms unless either party gives notice, six months prior to the end of any term, of intent not to renew. Under the Supply Agreement, SMBI will not give such notice if we demonstrate, to its satisfaction, that we have used our best reasonable commercial efforts to meet the established minimum purchase requirements.

Under the supply agreement we are required to make minimum purchases to maintain exclusive distribution rights. For 2005 the minimum purchase quantity under the Supply Agreement will be three metric tons.

Edgar Filing: NUVIM INC - Form PRE 14A

In 2005, we purchased \$88,000 of product under the Supply Agreement.

Transactions with Spencer Trask

Spencer Trask had guaranteed our obligations under a \$2,500,000 line of credit from Bank of Wachovia pursuant to which we have borrowed the full amount. Additionally we issued Spencer Trask Secured Convertible Promissory notes in the principal amount of \$2,480,000. In May of 2005 Spencer Trask was assigned our notes payable with the Bank of Wachovia.

In June, 2005, upon effectiveness of our initial public offering, Spencer Trask accepted a total of 461,700 shares of our common stock as payment in full for the notes assigned from the Bank of Wachovia, the Secured Convertible notes, and all accrued interest thereon. The number of shares was negotiated between the parties did not necessarily bear any relationship to any recognized criterion of value. This agreement was conditioned upon the closing of the initial public offering.

16

AGENDA ITEM 2 APPROVAL OF THE 2006 EMPLOYEE STOCK OPTION PLAN

Prior to our initial public offering of common stock and warrants, we had adopted several stock option plans to encourage the NuVim's employees and key consultants to perform better by linking their interests to those of the stockholders through equity based incentives. Almost all the shares available for issuance under those plans have been committed. Stock Options are a key aspect of the NuVim's compensation program is designed to attract, retain, and motivate the highly qualified individuals required by our business plan. The 2006 Employee Stock Option Plan (the "2006 Plan") meets both needs. All of the Company's employees are eligible to participate in the plan.

The affirmative votes of a majority of the common shares that are voted are necessary to approve these changes.

Our Board recommends a vote FOR the adoption of the 2006 Employee Stock Option Plan

At its March 2006 meeting, the Directors proposed to adopt the 2006 Plan to make common stock options available to executives, employees, advisors, and consultants and continue provide automatic grants to each outside director and each chair and member of a Board committee.

The number of shares subject to the plan shall be 2,000,000 shares. In addition to authorizing grants to employees and consultants, the 2006 Plan provides automatic annual grants to our Outside Directors of options to purchase 50,000 shares and, to each Independent Directors who is a chair or member of a Board Committee, of options to purchase 10,000 shares for each committee on which they serve.

The only aspect of the 2006 Plan which affects the Company's directors and executive officers is the provision relating to the automatic grants. The following table shows the number of common shares which would be granted to or confirmed for each executive officer, the non-executive directors, and the Non-Executive Officer Employee Group on the date of each annual meeting.

- (1) The dollar value of the option grants will only be known on the date of each annual meeting.
- (2) Assuming there are four outside directors and they chair and are members of the Audit, Compensation, and Corporate Governance and Nominations Committees.
- (3) Depends on action by the Compensation and Designated Option Committees after the approval of the plan amendments.

Approval of the Plan requires the affirmative vote of the holders of a majority of the shares of common stock, casting one vote each,

A copy of the 2006 Plan, with these amendments indicated therein, is included in this Information Statement as Exhibit H and the description below is qualified in its entirety by reference to the 2006 Plan.

Number of Options Authorized - The Amendment to the 2006 Plan reserves 2,000,000 shares of the Company's Common Stock for the issuance of options under the 2006 Plan.

The 2006 Plan Administration - The Compensation Committee of the Board of Directors will administer the 2006 Plan. If no Compensation Committee is designated, the Board of Directors shall administer the Plan.

Term and Amendment of the 2006 Plan - The 2006 Plan was effective as of March 9, 2006, but is subject to approval by the Stockholders the 2006 Annual Meeting. No Options may be granted on or after March 9, 2016. The Board of Directors may suspend or terminate the 2006 Plan at any time and it shall terminate when all the shares reserved for options have been purchased. The Board may amend the Plan as it deems necessary and intends to make any amendments necessary to comply with changes in the Income Tax or Securities Laws of the United States or the State of its incorporation.

Stock Option Award - Stock options awarded may be either Qualified under Section 442 of the Internal Revenue Code or are Non-Qualified because they fall outside Section 442's requirements. The options generally expire 10 years after the date of grant and are not all available for exercise immediately upon grant. The exercise price of the options may not be less than the fair market value on the date of grant. The 2006 Plan provides that the Committee for any reason, including complying with state and Federal securities laws, may restrict the transfer of Stock Options. The Stock Option Certificate utilized by the Committee restricts transfer of the Option and allows exercise after termination under limited circumstances.

Adjustments - After the common stock consolidation proposed at this 2006 Annual Meeting, the number of shares reserved for the exercise of Options and, at all times, the number of shares for which an Option is outstanding shall be adjusted by the Board in an equitable manner to reflect any change in the capitalization of the Company, including, among other things, stock dividends

Edgar Filing: NUVIM INC - Form PRE 14A

and stock splits.

Federal Income Tax Consequences - The granting of Qualified Stock Options or Nonqualified Stock Options does not result in immediate taxable income to the optionee.

The exercise of a Qualified Stock Option will not result in taxable income to the optionee if the optionee does not dispose of the stock within two years of the date the option was granted and one year after the option is exercised. If these requirements are met, any gain realized by the optionee will be taxed as a long-term capital gain. The Company will not receive a tax deduction for the resulting gain. If these holding periods are not met, the option will be treated generally as a nonqualified Stock Option for tax purposes.

18

The exercise of a Nonqualified Stock Option award will result in taxable income to the optionee. The amount by which the market price exceeds the exercise price would be taxable as ordinary income. Income tax obligations may be met either through cash payments at the time of exercise or through share withholding. At the discretion of the Committee, options may be allowed to elect to defer the receipt of the taxable shares resulting from the exercise. If this election is made, the optionee will be liable for the taxes on the full value of the shares plus any accumulated dividends at their value upon distribution. The Company will receive a tax deduction for the compensation that corresponds to the compensation gain.

19

AGENDA ITEM 3 OTHER MATTERS

Your Board of Directors knows of no other matters to be brought before the Annual Meeting, but if other matters properly come before the meeting, the votes cast Messrs. Kundrat, Vesey, and Moger as proxies will probably constitute a majority of the votes that may be cast by the common stock and thus determine the outcome of any vote on a new matter.

STOCKHOLDER PROPOSALS FOR THE 2007 ANNUAL MEETING

Nominations for director and Stockholder proposals relating to the Company's 2007 Annual Meeting must be received by the Company at its principal executive offices, 12 North State Route 17, Paramus New Jersey 07652, Attention: CEO, no later than February 24th, 2007.

EXPENSES OF MEETING

The Company will bear the expenses in preparing, printing, and mailing the Information Statement and Annual Reports for FY 2004 and FY 2005 on Form 10-KSB to the stockholders. The cost of soliciting the proxies on behalf of our Board in connection with this meeting is estimated to be about \$10,000. Our employees, officers, and directors may also solicit proxies. We will reimburse brokerage houses and other custodians, nominees, and fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy and solicitation materials to the owners of common stock.

Your Board of Directors is asking you for a proxy and urging you to vote FOR the election of all five nominees directors and FOR the adoption of the 2006 Employee Stock Option Plan.

SECTION 5. COMMITTEE

(a) The Compensation Committee, consisting solely of not less than two (2) Non-Employee Directors, shall administer this Plan. The members of the Committee shall be appointed by, and serve at, the pleasure of the Board. To the extent required for transactions under the Plan to qualify for the exemptions available under Rule 16b-3 promulgated under the Exchange Act, all actions relating to awards to persons subject to section 16 of the Exchange

A-6

Act shall be taken by the Committee (as defined below). In addition, to the extent required for compensation realized from awards under the Plan to be deductible by the Company pursuant to section 162(m) of the Code, all actions relating to awards to persons subject to section 162(m) of the Code shall be taken by the Committee (as defined below).

(b) The Committee acting in its absolute discretion shall exercise all powers and take any action as expressly called for under this Plan. Furthermore, the Committee shall have the power to interpret this Plan and to take any other action in the administration and operation of this Plan as the Committee deems equitable under the circumstances, which action shall be binding on the Company, on each affected Key Employee, Key Consultant, Independent Advisor, or Outside Director and on each other person directly or indirectly affected by that action.

SECTION 6. ELIGIBILITY

Only Key Employees, Key Consultants, Independent Advisors, and Non-Employee Directors shall be eligible for the grant of Options under this Plan.

SECTION 7. GRANT OF OPTIONS

7.1 Committee Action. The Committee, acting in its absolute discretion, shall grant Options to Key Employees and Key Consultants under this Plan from time to time to purchase shares of Stock. The Committee shall determine the number of shares subject to Options granted to each Independent Advisor. In addition, the Committee shall have the right to grant new Options in exchange for outstanding Options. Options shall be granted to Outside Directors as provided in section 7.3 of this Plan. Each grant of an Option shall be evidenced by an Option Certificate, and each Option Certificate shall:

Edgar Filing: NUVIM INC - Form PRE 14A

(a) specify whether the Option is an ISO or Non-ISO; and

(b) incorporate such other terms and conditions as the Committee, acting in its absolute discretion deems consistent with the terms of this Plan, including, without limitation, a limitation on the number of shares subject to the Option which first became exercisable or subject to surrender during any particular period.

If the Committee grants an ISO and a Non-ISO to a Key Employee on the same date, the right of the Key Employee to exercise or surrender one of these Options shall not be conditioned on his or her failure to exercise or surrender the other Option. In connection with the termination for any reason of employment by or service to the Company or any Subsidiary of any

A-7

particular holder of any Option, the Committee may, in its discretion, determine to accelerate the time that Option first becomes exercisable during any particular period as provided in the related Option Certificate; provided, however, that the Committee may not extend any period with respect to any shares of Stock subject to that Option. The Committee may also, in its discretion, condition the grant of an ISO or a Non-ISO upon the acceptance by a Key Employee, Independent Advisor, or Key Consultant of one or more modifications to outstanding options, including but not limited to, forfeiture of all profits if the Key Employee provides services to a competitor within a reasonable time as determined in the discretion of the Committee or the improper disclosure of the Company's confidential or proprietary information.

7.2 \$100,000 Limitation. To the extent that the aggregate Fair Market Value of the stock with respect to which ISOs and other incentive stock options satisfying the requirements of section 422 of the Code granted to a Key Employee under this Plan and under any other stock option plan adopted by the Company, a Subsidiary, or a Parent Corporation first become exercisable in any calendar year exceeds \$100,000 (based upon the Fair Market Value on the date of the grant), such Options shall be treated as Non-ISOs.

7.3 Annual Issue for Directors and Committee Chairs

(a) Each Outside Director shall, effective upon election or appointment at the annual meeting any time on or after May 1, 2006, but not more often than once a calendar year, shall be granted an option to purchase 50,000 shares.

(b) In addition to the foregoing, each Chair of a Regular Board Committee shall, effective on election or appointment at the annual meeting in each year commencing in 2006, but not more often than once a calendar year, shall be granted an option to purchase 10,000 shares.

(c) In addition to both of the foregoing, each member of a Regular Board Committee shall, effective on election or appointment at the annual meeting in each year commencing in 2006, but not more often than once a calendar year, shall be granted an option to purchase 10,000 shares.

(d) If a person becomes an Outside Director, Regular Committee Chair, or Regular Committee Member, after the annual meeting in any year, they shall immediately, but not more often than once in a calendar year be granted the applicable options described in 7.3 (a), (b), and (c).

(e) All of the Option granted to each individual shall be exercisable immediately.

(f) The Option Price for each share of stock subject to an options granted

Edgar Filing: NUVIM INC - Form PRE 14A

under this section shall be the Fair Market Value of a share of Stock on the date the Option is granted.

A-8

(g) Each Option granted pursuant to this section shall be an ISO to the maximum extent possible.

SECTION 8. OPTION PRICE

The Option Price for each share of Stock subject to an ISO shall not be less than the Fair Market Value of a share of Stock on the date the Option is granted. If the Option is an ISO and the Key Employee is a Ten Percent Shareholder, the Option Price for each share of Stock subject to that Option shall not be less than 110% of the Fair Market Value of a share of Stock on the date the Option is granted. The Option Price shall be payable in full upon the exercise of any Option, and an Option Certificate at the discretion of the Committee (except for an Option granted to a Non-Employee Director) may provide for the payment of the Option Price either in cash or in Stock acceptable to the Committee or in any combination of cash and Stock acceptable to the Committee. Any payment made in Stock shall be treated as equal to the Fair Market Value of that Stock on the date the properly endorsed certificate for such Stock is delivered to the Committee.

SECTION 9. EXERCISE PERIOD

(a) Each Option granted under this Plan shall be exercisable in whole or in part at such time or times as set forth in the related Option Certificate, but no Option Certificate shall provide that:

- (1) an Option is exercisable before the date such Option is granted, or
- (2) an Option is exercisable after the date which is the tenth anniversary of the date such Option is granted.

If an option that is an ISO is granted to a Key Employee who is a Ten Percent Shareholder, the Option Certificate shall provide that the Option is not exercisable after the expiration of five years from the date the Option is granted. An Option Certificate may provide for the exercise of an Option after the employment of a Key Employee or service by an Independent Advisor or Key Consultant has terminated for any reason whatsoever, including death or disability. In connection with the termination for any reason of employment by or service to the Company or any Subsidiary of any particular holder of any Option, the Committee may, in its discretion, determine to extend the period during which that Option may be exercised as provided in the related Option Certificate; provided, however, that no extension shall permit an Option to be exercised beyond the date specified in paragraph (b) of this section or the date applicable to Options granted to a Ten Percent Shareholder, as the case may be.

A-9

(b) Notwithstanding any other provision of this section, upon a Change of Control each Option granted under this Plan prior to that Change of Control shall immediately become exercisable to the full extent of the original grant and, in the case an Option held by a Key Employee shall remain exercisable for three months (or such longer period as specified in the particular Option with regard to all or any shares of Stock covered by such Option) after any termination of employment of that Key Employee.

Edgar Filing: NUVIM INC - Form PRE 14A

SECTION 10. TRANSFERABILITY

The Committee shall impose any restrictions on the transfer of options granted under the Plan as it may deem advisable, including, without limitation, restrictions deemed necessary or advisable under applicable federal securities laws, under the requirements of any stock exchange or market upon which Stock is then listed in or traded, and under any Blue Sky or state securities laws applicable to such Stock. Upon request of any person receiving an award of an Option under the Plan, the Committee may, in its sole and absolute discretion, determine to remove any transfer restriction originally imposed and may, in connection with the removal of such transfer restriction, impose such conditions (including restrictions on further transfers of the Option or upon transfers of the Stock upon exercise of the Option) as the Committee, in its discretion, may deem advisable, including, without limitation, restrictions deemed by the Committee to be necessary or advisable in order to comply with applicable federal and state securities laws or the requirements of any stock exchange or market upon which the Stock is then listed or traded. Subject to its authority to impose any conditions on further transfers, the Committee shall authorize the transfer of Options for bona fide estate planning purposes or for contributions to qualified charities or charitable trusts.

SECTION 11. SECURITIES REGISTRATION AND RESTRICTIONS

Each Option Certificate shall provide that, upon the receipt of shares of Stock as a result of the exercise or surrender of an Option, the Key Employee, Key Consultant, Independent Advisor, or Outside Director shall, if so requested by the Company, hold those shares of Stock for investment and not with a view toward resale or distribution to the public and, if so requested by the Company, shall deliver to the Company a written statement to that effect satisfactory to the Company. Each Option Certificate shall also provide that, if so requested by the Company, the Key Employee, Key Consultant, Independent Advisor, or Outside Director shall represent in writing to the Company that he or she will not sell or offer to sell any of these shares of Stock unless a registration statement shall be in effect with respect to that Stock under the Securities Act and any applicable state securities law or

A-10

unless he or she shall have furnished to the Company an opinion, in form and substance satisfactory to the Company, of legal counsel acceptable to the Company, that registration is not required. Certificates representing the Stock transferred upon the exercise or surrender of an Option granted under this Plan may, at the discretion of the Company, bear a legend to the effect that this Stock has not been registered under the Securities Act or any applicable state securities law and that this Stock may not be sold or offered for sale in the absence of (i) an effective registration statement as to this Stock under the Securities Act and any applicable state securities law or (ii) an opinion, in form and substance satisfactory to the Company, of legal counsel acceptable to the Company, that registration is not required. Furthermore, the Company shall have the right to require a Key Employee, Key Consultant, Independent Advisor, or Outside Director to enter into any stockholder or other related agreements as the Company deems necessary or appropriate under the circumstances as a condition to the issuance of any Stock under this Plan to a Key Employee, Key Consultant, Independent Advisor, or Outside Director.

SECTION 12. LIFE OF PLAN

No Option shall be granted under this Plan on or after the earlier of

(a) the tenth anniversary of the original effective date of this Plan as determined under section 4; provided, however, that after that

Edgar Filing: NUVIM INC - Form PRE 14A

anniversary this Plan otherwise shall continue in effect until all outstanding Options have been exercised in full or no longer are exercisable, or

(b) the date on which all of the Stock reserved under section 3 of this Plan has, as a result of the exercise of Options granted under this Plan, been issued or no longer is available for use under this Plan, in which event this Plan also shall terminate on that date.

SECTION 13. ADJUSTMENT

The number of shares of Stock reserved under section 3 of this Plan, the number of shares of Stock to be granted from time to time pursuant to section 7.3 of this Plan (if permitted by the exemption in Rule 16b-3 under the Exchange Act or any successor rule), the number of shares of Stock that may be granted pursuant to section 5 of this Plan by the Committee to any single Key Employee or Key Consultant, and the number of shares of Stock subject to Options granted under this Plan and the Option Price of such Options shall be adjusted by the Board in an equitable manner to reflect any change in the capitalization of the Company, including, but not limited to, stock dividends, stock consolidations, or stock splits. Furthermore, the Board

A-11

shall have the right to adjust in a manner which satisfies the requirements of section 424(a) of the Code the number of shares of Stock reserved under section 3 of this Plan and the number of shares subject to Options granted under this Plan and the Option Price of such Options in the event of any corporate transaction described in section 424(a) of the Code that provides for the substitution or assumption of these Options. If any adjustment under this section 13 would create a fractional share of Stock or a right to acquire a fractional share of Stock, any fractional share shall be disregarded and the number of shares of Stock reserved under this Plan and the number subject to any Options granted under this Plan shall be the next lower number of shares of Stock, rounding all fractions downward. An adjustment made under this section 13 by the Board shall be conclusive and binding on all affected persons and, further, shall not constitute an increase in "the number of shares reserved under section 3" within the meaning of section 15(a) of this Plan.

SECTION 14. SALE OR MERGER OF THE COMPANY

If the Company agrees to sell all or substantially all of its assets for cash or property or for a combination of cash and property or agrees to any merger, consolidation, reorganization, division, or other corporate transaction in which Stock is converted into another security or into the right to receive securities or property and the agreement governing the transaction does not provide for the assumption or substitution of the Options granted under this Plan, each then outstanding Option, at the direction of the Board, may be canceled unilaterally by the Company as of the effective date of that transaction in exchange for a payment in cash or Stock, or in a combination of cash and Stock, equal in amount to the excess of the Fair Market Value on that date of the shares represented by the canceled Options over the Option Price for such shares.

SECTION 15. AMENDMENT OR TERMINATION

This Plan may be amended by the Board from time to time to the extent that the Board deems necessary or appropriate; provided, however, that no such amendment shall be made absent the approval of the stockholders of the Company (a) to increase the aggregate number of shares reserved under section 3, (b) to change the class of persons eligible for Options under section 6 or (c) to

Edgar Filing: NUVIM INC - Form PRE 14A

materially modify the requirements as to eligibility for participation in this Plan, (d) to otherwise materially increase the benefits accruing under this Plan to Plan participants if such approval would be required in order for the Company to comply with applicable law or the rules or regulations of any stock exchange or market on which the Stock is traded or listed. The Board also may suspend the granting of Options under this Plan at any time and may terminate this Plan at any time; provided, however, that the Company shall not have the right to unilaterally cancel or, in a manner

A-12

which would materially adversely affect the holder, amend or modify any Option granted before such suspension or termination unless (i) the Key Employee, Key Consultant, Independent Advisor, or Outside Director previously consents in writing to that modification, amendment, or cancellation or (ii) there is a dissolution or liquidation of the Company or a transaction described in section 13 or section 14 of this Plan.

It is the intention of the Company that the Plan shall comply with the conditions of Rule 16b-3 of the Exchange Act, as that Rule may from time to time be amended. The Board shall have the authority, without the approval of the stockholders, to amend the Plan from time to time to include any conditions, terms or other provisions which may be required to be set forth in a plan in order for transactions by directors or officers to be exempt under Rule 16b-3 of the Exchange Act or any successor exemption.

SECTION 16. CHANGE OF CONTROL

Notwithstanding any other provision of the Plan, upon a Change of Control each Option granted under this Plan prior to that Change of Control shall immediately become exercisable to the full extent of the original grant and shall remain exercisable for three months (or such longer period as specified in the particular Option with regard to all or any shares of Stock covered by such Option) after (i) any termination of employment of any Key Employee; or (ii) resignation or removal of any Outside Director from the Company's Board of Directors.

SECTION 17. MISCELLANEOUS

17.1 No Stockholder Rights. No Key Employee, Key Consultant, Independent Advisor, or Outside Director shall have any rights as a stockholder of the Company as a result of the grant of an Option to him or to her under this Plan or his or her exercise or surrender of that Option pending the actual delivery of Stock subject to that Option to any Key Employee, Key Consultant, Independent Advisor, or Non-Employee Director.

17.2 No Contract of Employment. The grant of an Option to a Key Employee, Key Consultant, Independent Advisor, or Outside Director under this Plan shall not constitute a contract of employment or consulting or right to continue to serve on the Company's Board of Directors and shall not confer on a Key Employee, Key Consultant, Independent Advisor, or Outside Director any rights upon his or her termination of employment or service in addition to those rights, if any, expressly set forth in the Option Certificate which evidences his or her Option.

A-13

17.3 Withholding. The exercise or surrender of any Option granted under this Plan shall constitute a Key Employee's full and complete consent to whatever action the Committee elects to satisfy the federal and state tax

Edgar Filing: NUVIM INC - Form PRE 14A

withholding requirements, if any, which the Committee in its discretion deems applicable to that exercise or surrender.

17.4 Governing Law and Construction. All rights and obligations under this Plan and the Option Certificates shall be construed and interpreted with the laws of the State of New York, without giving effect to the principles of conflict of laws.

17.5 Indemnification. In addition to any other rights of indemnification as they may have as directors or as members of the Committee, the members of the Committee shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and reasonably incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal therein, to which they or any of them may be a party by reason of any action taken by them as directors or members of the Committee and against all amounts paid by them in settlement thereof (provided such settlement is approved by the Board) or paid by them in satisfaction of a judgment in any action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that the director or Committee member is liable for gross negligence or willful misconduct in the performance of his or her duties. To receive this indemnification, a director or Committee member must first offer in writing to the Company the opportunity, at its own expense, to defend that action, suit or proceeding.

The Company, the Board, and the Committee shall not be required to give any security or bond for the performance of any obligation that may be created by the Plan.
