(a) The Registrant hereby undertakes all of the following:

(1) During any period in which offers or sales are being made, the Registrant will file a post-effective amendment to the Registration Statement to:

(i) include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or together, represent a fundamental change in the information in the Registration Statement; and

(iii) include any material information with respect to the Plan of distribution not previously disclosed in the registration statement or any material change to any information in the registration statement.

Provided, however, that the information required by paragraphs (a)(1)(i) and (a)(1)(ii) shall not be supplied by post-effective amendment if the information required to be included by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended that are incorporated by reference into this Registration Statement.

(2) For the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new Registration Statement to the securities offered therein, and the offering of such securities offered at that time shall be deemed to be the initial bona fide offering thereof.
