**Anglo Swiss Resources Receives Final Permits for Phase 2 Drill Program  
on the Nelson Mining Camp**

IMMEDIATE RELEASE

Vancouver, British Columbia.

September 15, 2010

TSX Venture: ASW

OTCBB: ASWRF

Frankfurt: AMO

Anglo Swiss Resources Inc. reports that it has received the final three drill permits filed earlier this year for the Nelson Mining Camp located in southern British Columbia. In total approximately 5,000 metres of diamond drilling and 24 line kilometers of IP surveys on the Nelson Camp have been permitted amongst the four approved mineral exploration permits.

The Company also has underground and surface drill programs open on the Kenville Gold Mine property; results will be detailed in future news releases.

**Presently, and concurrent with the diamond drilling program a comprehensive program of prospecting, surface geochemistry and geological mapping is on-going to further refine drill targets throughout the Nelson Mining Camp and within the Kenville Gold Mine property.**

**About Anglo Swiss**

Anglo Swiss Resources Inc. is a mineral exploration company with its current focus on gold, silver and base metals at its 160 square kilometer Nelson Mining Camp located to the south west of Nelson, British Columbia and Anglo Swiss

100% owned Kenville Gold Mine. Please visit the Company's website at [www.anglo-swiss.com](http://www.anglo-swiss.com) for more information on the Company and its projects.

*Cautionary Statement on Forward-Looking Information:*

*This release contains certain "forward-looking statements" including, without limitation, expectations, beliefs, plans and objectives regarding the potential transactions and ventures discussed in this release. Among the important factors that could cause actual results to differ materially from those indicated by such forward-looking statements are the risks inherent in mineral exploration, the need to obtain additional financing, the availability of needed personnel and equipment for exploration and development, fluctuations in the price of minerals, and general economic conditions.*
