Item 6. Indemnification of Directors and Officers.

In 1986, various Sections of Article 7 of the Business Corporation Law of New York (the “BCL”) were amended to broaden the indemnification rights of directors, officers and employees. In 1987, BCL Section 402(b) was further amended to permit a provision to be included in a certificate of incorporation shielding directors from personal liability for breach of their duties as directors. In order to protect our directors, officers and employees, as applicable, to the fullest extent permitted by these statutory amendments, we amended and restated our By-laws (the “By-laws”) and restated our Certificate of Incorporation, as amended (the “Certificate of Incorporation”).

In general, the By-laws and Certificate of Incorporation provide that we shall, to the fullest extent permitted by Article 7 of the BCL, indemnify each person made or threatened to be made a party to, or called as a witness in, or asked to submit information in, any action or proceeding by reason of the fact that such person is or was a director or officer of us, or serves or served, at our request, any other corporation in any capacity, against judgments, fines, penalties, amounts paid in settlement and reasonable expenses, including attorneys’ fees, incurred in connection with such action or proceeding, or any appeal therein. This indemnification requirement covers any pending or threatened action, proceeding, hearing or investigation, whether civil or criminal, whether judicial, administrative or legislative in nature, and whether or not in the nature of a direct or shareholders’ derivative action brought by us or on our behalf or any other corporation or enterprise which the director or officer of us serves or has served at our request. The By-laws prohibit indemnification if a judgment or other final adjudication adverse to such person establishes that his or her acts were committed in bad faith or were the result of active or deliberate dishonesty and were material to the cause of action so adjudicated, or that he or she personally gained in fact a financial profit or other advantage to which he or she was not legally entitled. The By-laws further provide that no indemnification shall be required with respect to any settlement or other non-adjudicated disposition of any threatened or pending action or proceeding unless we have given our prior consent to such settlement or other disposition. The By-laws require us to advance or promptly reimburse upon request any person entitled to indemnification for all expenses, including attorneys’ fees, reasonably incurred in defending any action or proceeding in advance of the final disposition thereof upon receipt of an undertaking by such person to repay such amount if such person is ultimately not to be entitled to indemnification; provided, however, that such person cooperates with any request by us that counsel be utilized by the parties to an action or proceeding similarly situated unless to do so would be inappropriate due to actual or potential conflicts of interest.

The Certificate of Incorporation provides that the personal liability of our directors be eliminated to the fullest extent permitted by the provisions of BCL Section 402(b). It also provides that we shall, to the fullest extent permitted by Article 7 of the BCL, indemnify under that statute from and against any and all of the expenses, liabilities or other matters covered by the statute. The By-laws, summarized above, contain the detailed terms and conditions under which this indemnification requirement of the Certificate of Incorporation is to be effected.

Edgar Filing: STANDARD MOTOR PRODUCTS INC - Form S-8

We maintain an officers' and directors' liability insurance policy insuring our officers and directors against certain liabilities and expenses incurred by them in their capacities as such. The policy does not reimburse us for indemnification obligations to our officers and directors.

Item 9. Undertakings.

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) of the Securities Act if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; or

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (i) and (ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment (2) shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the Delaware General Corporation Law, the Articles of Incorporation of the registrant, the Bylaws of the registrant, indemnification agreements entered into between the registrant and its officers and directors or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant in successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered hereunder, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Long Island City, State of New York on this 19th day of May, 2016.
