PLAN OF DISTRIBUTION

Each selling shareholder of the securities and any of their pledgees, assignees and successors-in-interest may, from time to time, sell any or all of their securities covered hereby on the principal trading market or any other stock exchange, market or trading facility on which the securities are traded or in private transactions. These sales may be at fixed or negotiated prices. A selling shareholder may use any one or more of the following methods when selling securities:

- ordinary brokerage transactions and transactions in which the broker dealer solicits purchasers;
- block trades in which the broker dealer will attempt to sell the securities as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker dealer as principal and resale by the broker dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales, subject to compliance with other applicable legal requirements;
- in transactions through broker dealers that agree with the selling shareholders to sell a specified number of such securities at a stipulated price per security;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law.

The selling shareholders may also sell securities under Rule 144 or any other applicable exemption from registration under the Securities Act, if available, rather than under this prospectus.

In connection with the sale of the securities or interests therein, the selling shareholders may enter into derivative or other hedging transactions with broker-dealers or other financial institutions. These financial institutions may in turn engage in short sales of the securities in the course of hedging the positions they assume, deliver this prospectus in connection with some or all of those sales and use the shares covered by this prospectus to close out any short position created in connection with those sales. The selling shareholders may also sell securities short and deliver these securities to close out their short positions or pledge or grant a security interest in some or all of our common stock covered by this prospectus to support a derivative or hedging position or other obligation and, if the selling shareholders default in the performance of their obligations, the pledgees or secured parties may offer and sell our common stock from time to time pursuant to this

prospectus.

The selling shareholders and any broker-dealers or agents that are involved in selling the securities may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such event, any commissions received by such broker-dealers or agents and any profit on the resale of the securities purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Each selling shareholder has informed the Company that it does not have any written or oral agreement or understanding, directly or indirectly, with any person to distribute the securities.

In addition to the foregoing, the selling shareholders may also, from time to time, authorize dealers, acting as our agents, to offer and sell securities. At the time a particular offering of securities is made, a prospectus supplement, if required, will be distributed, which will set forth the aggregate amount of shares of common stock being offered and the terms of the offering, including the name or names of any underwriters, dealers, brokers or agents, if any. In connection with the sale of securities, or the purchasers of securities for whom the underwriters may act as agents, may compensate underwriters in the form of underwriting discounts or commissions. If underwriters or dealers are used in the sale, the securities will be acquired by the underwriters or dealers for their own account and may be resold from time to time in one or more transactions, at a fixed price or prices, which may be changed, or at market prices prevailing at the time of the sale, or at prices related to such prevailing market prices, or at negotiated prices. The securities may be offered to the public either through underwriting syndicates represented by one or more managing underwriters or directly by one or more of such firms. Unless otherwise set forth in the applicable prospectus supplement, if any, the obligations of underwriters or dealers to purchase the securities offered will be subject to certain conditions precedent and the underwriters or dealers will be obligated to purchase all of the offered securities if any are purchased. Any public offering price and any discounts or concessions allowed or reallocated or paid by underwriters or dealers to other dealers may be changed from time to time.

We will describe in any applicable prospectus supplement any compensation the selling shareholders pay to underwriters or agents in connection with the offering of securities, and any discounts, concessions or commissions allowed by underwriters to participating dealers. Dealers and agents participating in the distribution of securities may be deemed to be underwriters, and any discounts and commissions received by them and any profit realized by them on resale of the securities may be deemed to be underwriting discounts and commissions. The Initial Investors may enter into agreements to indemnify underwriters, dealers and agents against certain civil liabilities, including liabilities under the Securities Act, and to reimburse these persons for certain expenses.

To the extent that the selling shareholders make sales to or through one or more underwriters or agents in at-the-market offerings, they may do so pursuant to the terms of a distribution agreement between the Initial Investors and the underwriters or agents. If the selling shareholders engage in at-the-market sales pursuant to a distribution agreement, they will sell shares of our common stock to or through one or more underwriters or agents, which may act on an agency basis or on a principal basis. During the term of any such agreement, the selling shareholders may sell shares on a daily basis in exchange transactions or otherwise as they may agree with the underwriters or agents. The distribution agreement will provide that any shares of our common stock sold will be sold at prices related to the then prevailing market prices for our common stock. Therefore, exact figures regarding proceeds that will be raised or commissions to be paid cannot be determined at this time and will be described in the applicable prospectus supplement, if any. Pursuant to the terms of the distribution agreement, the selling shareholders also may agree to sell, and the relevant underwriters or agents may agree to solicit offers to purchase, blocks of our common stock or other securities. The terms of each such distribution agreement will be set forth in more detail in the applicable prospectus supplement, if any. In the event that any underwriter or agent acts as principal, or broker-dealer acts as underwriter, it may engage in certain transactions that stabilize, maintain or otherwise affect the price of our securities. We will describe any such activities in any prospectus supplement relating to the transaction.

If indicated in the applicable prospectus supplement, if any, the selling shareholders may authorize underwriters or other persons acting as their agents to solicit offers by institutions or other suitable purchasers to purchase the securities from the Initial Investors at the public offering price set forth in such prospectus supplement, pursuant to delayed delivery contracts providing for payment and delivery on the date or dates stated in such prospectus supplement. These purchasers may include, among others, commercial and savings banks, insurance companies, pension funds, investment companies and educational and charitable institutions. Delayed delivery contracts will be subject to the condition that the purchase of the securities covered by the delayed delivery contracts will not at the time of delivery be prohibited under the laws of any jurisdiction in the United States to which the purchaser is subject. The underwriters and agents will not have any responsibility with respect to the validity or performance of these contracts.

Table of Contents

To facilitate the offering of securities, certain persons participating in the offering may engage in transactions that stabilize, maintain, or otherwise affect the price of the securities. This may include over-allotments or short sales of the securities, which involve the sale by persons participating in the offering of more securities than we sold to them. In these circumstances, these persons would cover such over-allotments or short positions by making purchases in the open market or by exercising their over-allotment option, if any. In addition, these persons may stabilize or maintain the price of the securities by bidding for or purchasing securities in the open market or by imposing penalty bids, whereby selling concessions allowed to dealers participating in the offering may be reclaimed if securities sold by them are repurchased in connection with stabilization transactions. The effect of these transactions may be to stabilize or maintain the market price of the securities at a level above that which might otherwise prevail in the open market. These transactions may be discontinued at any time.

Certain of the underwriters, dealers or agents and their associates may engage in transactions with and perform services for us in the ordinary course of our business for which they receive compensation.

We are required to pay certain fees and expenses incurred by us incident to the registration of the securities. We have agreed to indemnify the selling shareholders against certain losses, claims, damages and liabilities, including liabilities under the Securities Act.

We agreed to keep the registration statement to which this prospectus supplement relates effective until the earlier of (i) the date on which the securities may be resold by the selling shareholders without registration and without regard to any volume or manner-of-sale limitations by reason of Rule 144, without the requirement for the Company to be in compliance with the current public information under Rule 144 under the Securities Act or any other rule of similar effect or (ii) all of the securities have been sold pursuant to this prospectus or Rule 144 under the Securities Act or any other rule of similar effect. The resale securities will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale securities covered hereby may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

We have informed the selling shareholders that the anti-manipulation provisions of Regulation M under the Exchange Act may apply to their sales of common stock. In addition, to the extent applicable, we will make copies of this prospectus supplement (as it may be supplemented or amended from time to time) available to the selling shareholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act.

ABOUT GENCO

We are a New York City-based company, incorporated in the Marshall Islands in 2004. We transport iron ore, coal, grain, steel products and other drybulk cargoes along worldwide shipping routes through the ownership and operation of drybulk carrier vessels. Our fleet consists of 70 drybulk carriers, including thirteen Capesize, eight Panamax, four Ultramax, 21 Supramax, six Handymax and 18 Handysize drybulk carriers with an aggregate

Table of Contents

carrying capacity of approximately 5,158,000 deadweight tons (“dwt”). The average age of our fleet is approximately 9.0 years. All of the vessels in our fleet were built in shipyards with reputations for constructing high quality vessels. Thirty-eight of the vessels in our fleet are currently on spot market-related time charters, and 13 are on fixed rate time charter contracts. Additionally, 19 of the vessels in our fleet are operating in vessel pools. Under a pool arrangement, the vessels operate under a time charter agreement whereby the cost of bunkers and port expenses are borne by the pool and operating costs including crews, maintenance and insurance are typically paid by the owner of the vessel. Since the members of the pool share in the revenue generated by the entire group of vessels in the pool, and the pool operates in the spot market, the revenue earned by vessels in vessel pools are subject to the fluctuations of the spot market. Most of our vessels are chartered to well-known charterers, including Cargill International S.A. and its subsidiaries (“Cargill”), Pioneer Navigation Ltd. (“Pioneer”), Swissmarine Services S.A. and its subsidiaries (“Swissmarine”) and the Clipper Logger Pool, in which Clipper Group acts as the pool manager. Our common stock has traded on the NYSE under the trading symbol “GNK” since July 20, 2015, prior to which it traded on the OTC Bulletin Board, the NYSE, the OTCQB marketplace, and the OTC Pink marketplace. As of September 30, 2015, we had approximately \$1.6 billion in total assets.

Baltic Trading, which was initially our wholly-owned subsidiary, completed its initial public offering on March 15, 2010. On July 17, 2015, we, Baltic Trading, and Poseidon Merger Sub Limited, a Marshall Islands corporation and our indirect wholly owned subsidiary (“Merger Sub”), completed the merger (the “Merger”) contemplated by the Agreement and Plan of Merger by and among Baltic Trading, Genco and Merger Sub, dated as of April 7, 2015, as amended from time to time (the “Merger Agreement”). Pursuant to the terms of the Merger Agreement, Merger Sub merged with and into Baltic Trading, with Baltic Trading continuing as the surviving corporation and our indirect wholly owned subsidiary.

Subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger, each share of common stock, par value \$0.01 per share, of Baltic Trading issued and outstanding immediately prior to the Merger was converted into the right to receive 0.216 shares of common stock (“Common Stock”), par value \$0.01 per share, of Genco (the “Exchange Ratio”). Shares of Baltic Trading’s Class B Stock (all of which were owned by a subsidiary of Genco) were canceled in the Merger. Holders of restricted stock awards issued under Baltic Trading’s 2010 Equity Incentive Plan received the same consideration in the Merger as holders of Baltic Trading’s common stock. Immediately following the Merger, pre-merger shareholders of Genco owned approximately 84.5 percent of the combined company, and former Baltic Trading shareholders (not including us or our subsidiaries) owned approximately 15.5 percent of the combined company.

Our principal executive offices are located at 299 Park Avenue, 12th Floor, New York, New York 10171, and our telephone number is (646) 443-8550.

Limitations on Liability and Indemnification of Officers and Directors

The BCA authorizes corporations to limit or eliminate the personal liability of directors and officers to corporations and their shareholders for monetary damages for breaches of directors' fiduciary duties. Our second amended and restated articles of incorporation include a provision that eliminates the personal liability of directors for monetary damages for actions taken as a director to the fullest extent permitted by applicable law.

Our second amended and restated articles of incorporation and our amended and restated bylaws provide that we must indemnify our directors and officers to the fullest extent authorized by applicable law. We are also expressly authorized, under our amended and restated bylaws, to advance certain expenses (including attorneys' fees and disbursements and court costs) to our directors and officers and carry directors' and officers' insurance providing indemnification for our directors, officers and certain employees for some liabilities. We believe that these indemnification provisions and insurance are useful to attract and retain qualified directors and executive officers.

The limitation of liability and indemnification provisions in our second amended and restated articles of incorporation and our amended and restated bylaws may discourage shareholders from bringing a lawsuit against directors for breach of their fiduciary duties. These provisions may also have the effect of reducing the likelihood of derivative litigation against directors and officers, even though such an action, if successful, might otherwise benefit us and our shareholders. In addition, your investment may be adversely affected to the extent we pay the costs of settlement and damage awards against directors and officers pursuant to these indemnification provisions.

Anti takeover Effects of Certain Provisions of Our Second Amended and Restated Articles of Incorporation and Amended and Restated Bylaws

Several provisions of our second amended and restated articles of incorporation and amended and restated bylaws, which are summarized below, may have anti takeover effects. These provisions are intended to avoid costly takeover battles, lessen our vulnerability to a hostile change of control and enhance the ability of our board of directors to maximize shareholder value in connection with any unsolicited offer to acquire us. However, these anti takeover provisions, which are summarized below, could also discourage, delay or prevent (1) the merger or acquisition of us by means of a tender offer, a proxy contest or otherwise that a shareholder may consider in its best interest and (2) the removal of incumbent officers and directors.

Election and Removal of Directors

Our second amended and restated articles of incorporation prohibit cumulative voting in the election of directors. Our amended and restated bylaws require parties other than our board of directors to give advance written notice of nominations for the election of directors. Our second amended and restated articles of incorporation also provide that our directors may be removed only for cause and only upon the affirmative vote of a majority of the outstanding shares of our capital stock entitled to vote for those directors or by a majority of the members of the board of directors then in office prior to the conclusion of the 2016 annual meeting of shareholders. Thereafter, directors may be removed with or without cause by the affirmative vote of the holders of a majority of the outstanding shares of common stock entitled to vote generally in the election of directors cast at a meeting of the shareholders called for that purpose. These provisions may discourage, delay or prevent the removal of incumbent officers and directors.

Limited Actions by Shareholders

Our second amended and restated articles of incorporation and our amended and restated bylaws provide that any action required or permitted to be taken by our shareholders must be effected at an annual or special meeting of shareholders or by the unanimous written consent of our shareholders. Our second amended and restated articles of incorporation and our amended and restated bylaws provide that, subject to certain exceptions, our Chairman, President, or Secretary at the direction of the board of directors or our Secretary at the request in writing by any one or more shareholders that hold, in the aggregate, at least a majority of the outstanding registered shares of the Corporation entitled to vote may call special meetings of our shareholders. The business transacted at the special meeting is limited to the purposes stated in the notice.

Advance Notice Requirements for Shareholder Proposals and Director Nominations

Our amended and restated bylaws provide that shareholders seeking to nominate candidates for election as directors or to bring business before an annual meeting of shareholders must provide timely notice of their proposal in writing to the corporate secretary. Generally, to be timely, a shareholder's notice must be received at our principal executive offices not less than 120 days nor more than 150 days prior to the anniversary date of the immediately preceding annual meeting of shareholders. Our amended and restated bylaws also specify requirements as to the form and content of a shareholder's notice. These provisions may impede shareholder's ability to bring matters before an annual meeting of shareholders or make nominations for directors at an annual meeting of shareholders.

SELLING SHAREHOLDERS

We are registering shares of common stock covered by this prospectus for re-offers and resales by certain selling shareholders to be named in a prospectus supplement. We are registering these shares to permit selling shareholders to resell their shares when they deem appropriate. A selling shareholder may resell all, a portion or none of such shareholder's shares at any time and from time to time. Selling shareholders may also sell, transfer or otherwise dispose of some or all of their shares of our common stock in transactions exempt from the registration requirements of the Securities Act. We do not know when or in what amounts the selling shareholders may offer shares for sale under this prospectus and any prospectus supplement. We may pay all expenses incurred with respect to the registration of the shares of common stock owned by the selling shareholders, other than underwriting fees, discounts or commissions, which will be borne by the selling shareholders. We will provide you with a prospectus supplement which shall, among other things, name the selling shareholders, the amount of shares to be sold and any other material terms of the sale of shares of common stock being sold by each selling shareholder.
