Item 1.01 Entry into a Material Definitive Agreement.

On August 14, 2018, Genco Shipping & Trading Limited (the “Company”) entered into a new five-year senior secured credit facility (the “New Credit Facility”) with Crédit Agricole Corporate & Investment Bank (“CACIB”), as Structurer and Bookrunner, CACIB and Skandinaviska Enskilda Banken AB (Publ) as Mandated Lead Arrangers, CACIB, as Administrative Agent and as Security Agent, and the other lenders party thereto from time to time. The Company intends to use proceeds from the New Credit Facility to finance a portion of the purchase price for the four Capesize and two Ultramax vessels (each, a “Vessel”) which the Company has agreed to acquire pursuant to the vessel purchase agreements described in the Company’s Current Reports on Form 8-K filed on June 14, 2018 and July 18, 2018, which Vessels are to serve as collateral under the New Credit Facility. The Company has taken delivery of one of the Ultramax Vessels and two of the Capesize Vessels, and the remaining three Vessels are expected to be delivered to the Company during the third quarter of 2018. The aggregate amount of the commitments under the New Credit Facility is \$108,000,000, provided that each borrowing of a loan in respect of a Vessel shall not exceed 45% of the appraised value of such Vessel. Such amount may be drawn down in up to six borrowings. The New Credit Facility provides for the following additional key terms:

· The final maturity date of the New Credit Facility is August 14, 2023.

Borrowings under the New Credit Facility will bear interest at LIBOR plus 250 basis points through September 30, 2019 and LIBOR plus a range of 225 to 275 basis points thereafter, dependent upon the Company’s ratio of total net indebtedness to the last twelve months EBITDA.

Scheduled amortization payments under the New Credit Facility are to reflect a repayment profile whereby the facility shall have been repaid to nil when the average age of the collateral Vessels reaches 20 years. Assuming borrowing of the full amount estimated above under the New Credit Facility within the third quarter of 2018, such payments are anticipated to be approximately \$1,600,000 per quarter commencing on December 31, 2018, with a final balloon payment on the maturity date.

Mandatory prepayments are to be applied to remaining amortization payments pro rata, while voluntary prepayments are to be applied to remaining amortization payments in order of maturity.

Dividends may be paid subject to customary conditions and a limitation of 50% of consolidated net income for the quarter preceding such dividend payment if the collateral maintenance test ratio is 200% or less for such quarter.

Acquisitions and additional indebtedness are allowed subject to compliance with financial covenants (including a collateral maintenance test) and other customary conditions.

Key financial covenants are substantially similar to those under the Company’s \$460 Million Credit Facility and include:

· minimum liquidity, with unrestricted cash and cash equivalents to equal or exceed the greater of \$30 million and 7.5% of total indebtedness;

· minimum working capital, with consolidated current assets (excluding restricted cash) minus consolidated current liabilities (excluding the current portion of long-term indebtedness) to be not less than zero;

debt to capitalization, with the ratio of total indebtedness to total capitalization to be not more than 70%; and collateral maintenance, with the aggregate appraised value of collateral Vessels to be at least 135% of the principal amount of the loan outstanding under the New Credit Facility.

The foregoing description of the New Credit Facility does not purport to be complete and is qualified in its entirety by reference to the New Credit Facility, which is filed as Exhibit 10.1 hereto and is incorporated into this Item 1.01 by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 of this Current Report on Form 8-K is incorporated by reference into this Item 2.03 in its entirety.
