### PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Data Systems & Software Inc., a Delaware corporation (the "Company" or "DSSI"), to be voted at the Annual Meeting of Stockholders of the Company (the "Annual Meeting") to be held at the DoubleTree Hotel, 180 Route 17 South, Mahwah, New Jersey, on Monday, December 8, 2003, at 9:30 a.m., and any postponements or adjournments thereof. This Proxy Statement and the accompanying materials are being mailed on or about November 14, 2003, to holders of record of the Common Stock, par value \$.01 per share, of the Company (the "Common Stock") as of the record date.

The record date (the "Record Date") for determining stockholders entitled to notice of, and to vote at, the Annual Meeting has been established as the close of business on November 7, 2003. On that date, 7,902,025 shares of Common Stock of the Company were outstanding and entitled to vote. Holders of record of Common Stock on the Record Date will be entitled to one vote for each share held on all matters properly brought before the Annual Meeting.

The presence at the Annual Meeting, in person or represented by proxy, of a majority of the outstanding shares of Common Stock entitled to vote thereat will constitute a quorum for the transaction of business. If a share is deemed present at the Annual Meeting for any one matter, it will be deemed present for purposes of determining the presence of a quorum for all other matters presented to the meeting. Votes withheld from any nominee for election as a director, abstentions, and shares held by a nominee for a beneficial owner that are voted on any matter which may come before the meeting will be deemed present for purposes of determining the presence of a quorum.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting in accordance with the directions given. With respect to the election of directors, stockholders may vote in favor of all nominees, withhold their votes as to all nominees or withhold their votes as to specific nominees. Stockholders should specify their choices on the accompanying proxy card. If no specific instructions are given, the shares represented by a signed proxy will be voted FOR the election of all management nominees for election as directors, except as otherwise required by law. Directors will be elected at the Annual Meeting by a plurality of the votes cast. Any stockholder of record returning the accompanying proxy card may revoke such proxy at any time prior to its exercise by (i) giving written notice to the Company of such revocation, (ii) voting in person at the Annual Meeting or (iii) executing and delivering to the Company a later-dated proxy. Written revocations and later-dated proxies should be sent to Data Systems & Software Inc., 200 Route 17, Mahwah, New Jersey 07430, Attention: Secretary.

A beneficial owner of Common Stock who hold his shares through a broker or other nominee in "street name" who wishes to vote his shares at the Annual Meeting must contact his broker or nominee and obtain a legal proxy to vote such shares at the Annual Meeting. This legal proxy must be presented to the Inspector of Voting at the Annual Meeting. A beneficial owner who does not hold a legal proxy will not be permitted to vote his shares at the Annual Meeting.

Commencing ten days before the date of the Annual Meeting, an alphabetical list of the names and addresses of the stockholders of record of the Company as of the Record Date will be available at the principal executive offices of the Company, 200 Route 17, Mahwah, New Jersey 07430, for inspection by any stockholder during normal business hours for any purpose germane to the

If no specific instructions are given, the shares represented by a signed proxy will be voted FOR the election of all four management nominees. If any nominee becomes unavailable for any reason to serve as a director at the time of the Annual Meeting (which event is not anticipated), proxies will be voted in the discretion of the persons acting pursuant to the proxy for any nominee who shall be designated by the current Board of Directors as a substitute nominee. Only persons nominated in accordance with the notice requirements of the Company's By-laws are eligible for election as directors of the Company. All nominations for director that are not timely delivered to the Company or that fail to comply with the requirements set forth in the Company's By-laws will be excluded from the Annual Meeting, as provided in the By-laws. ### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

All matters related to the compensation of executive officers, including the Chief Executive Officer, are acted upon by the full Board of Directors. The mandate of our Compensation Committee of the Board of Directors, which has been inactive since 2002, encompasses all matters related to compensation, including determination of stock option and other stock-based compensation and review of employment terms and compensation of executive officers.

The following persons served both as members of our Board of Directors and as our officers or employees in 2002: George Morgenstern (Chairman of the Board, President and Chief Executive Officer), Mr. Sheldon Krause (Secretary) and Mr. Shlomie Morgenstern (Vice President-Operations). Both Mr. Krause and Mr. Shlomie Morgenstern served as directors until our annual meeting on December 3, 2002. Dr. Kuhn, who resigned as director on January 21, 2003, also served as our Vice Chairman of the Board. During 2002, no member of the Board of Directors who was also one of our officers participated in any deliberations of the Board of Directors or any committee thereof relating to his own compensation or to the compensation of any person to whom he is related. Except as described above, each member of the Board of Directors participated in 2002 in deliberations of the Board of Directors concerning executive officer compensation. During 2002, Mr. George Morgenstern, Dr. Malley and Mr. Krause engaged in transactions with us in which they were deemed to have an interest. For further information, see "Certain Related Party Transactions" below.

### EMPLOYMENT ARRANGEMENTS

George Morgenstern serves as our Chairman of the Board, President and Chief Executive Officer pursuant to an employment agreement that commenced on January 1, 1997 and was amended in March 2002 to extend through December 31, 2003 (the "Employment Agreement"). The Employment Agreement provides for a base salary of \$420,000 per annum (currently \$470,000 due to cost of living adjustments), subject to annual review by the Board and an annual cost of living adjustment, plus contributions to a nonqualified retirement fund equal to 25% of his base salary. Mr. Morgenstern's compensation pursuant to the Employment Agreement also includes the use of two company automobiles, premium payments on

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

a life insurance policy owned by Mr. Morgenstern and other fringe benefits.

Pursuant to the Employment Agreement, Mr. Morgenstern may at any time prior to December 31, 2003, elect to terminate his employment with us and thereafter to continue to serve us as a consultant for a period (the "Consulting Period") ending on December 31 of the seventh year following the year in which he first commences to serve as a consultant. During the Consulting Period, Mr. Morgenstern would be entitled to receive an annual consulting fee plus contributions to a nonqualified retirement fund and fringe benefits on the same basis as during the term of his employment as described above. Mr. Morgenstern's annual consulting fee during the Consulting Period would be equal to 50% of his annual salary in effect immediately prior to the Consulting Period through the end of the fourth full calendar year of the Consulting Period, and 25% of such annual salary for the remainder of the Consulting Period (subject in all cases to an annual cost of living adjustment). However, if Mr. Morgenstern elects to become a consultant following a breach by the Company of its obligations under the Employment Agreement or following a change in control of the Company (as defined in the Employment Agreement), Mr. Morgenstern would be entitled to receive his full annual salary until December 31, 2003, and thereafter to receive an annual consulting fee as described above for the balance of the Consulting Period. We are obligated under the Employment Agreement to fund at the beginning of the Consulting Period all amounts to become payable to Mr. Morgenstern for consulting services and to fund upon his death all amounts payable to his estate. During the term of the Employment Agreement (including any Consulting Period), Mr. Morgenstern may not engage in a business that is in substantial and direct competition with our business or any of our subsidiaries.

-7-

In addition to the compensation provided for under the Employment Agreement, in January 2000 the Board approved a bonus of \$150,000 if Mr. Morgenstern remained employed full-time as President and Chief Executive Officer of the Company through December 31, 2001, which bonus was paid in 2001, and a \$150,000 bonus if an equity financing of Comverge of at least \$10 million was completed by December 31, 2000, which bonus was not paid as no qualifying equity financing was completed by the end of 2000.

Yacov Kaufman serves as Vice President and Chief Financial Officer of the Company and as Executive Vice President and Chief Financial Officer of dsIT pursuant to an employment agreement entered into with the Company on January 1, 1999, and amended in June 2002. The amendment to Mr. Kaufman's employment agreement provides for an increase in Mr. Kaufman's salary to \$200,000 retroactive to January 1, 2002.

We make certain payments to fund in part our future severance obligations to Mr. Kaufman. If Mr. Kaufman's employment is voluntarily terminated or is terminated by us for reasons other than for cause, we must pay him an amount equal to 150% of his last month's salary multiplied by the number of years (including partial years) that Mr. Kaufman worked for us. This severance obligation, which is customary for executives of Israeli companies, would be reduced by the amount contributed by us to certain Israeli pension and severance funds pursuant to Mr. Kaufman's employment agreement. As of December 31, 2002, the unfunded portion of our severance obligation was \$71,000. In addition, the agreement with Mr. Kaufman provides for an additional payment equal to six times his last month's total compensation, payable at the end of his employment with us, unless he is terminated by us for cause.

In addition to the compensation provided for by Mr. Kaufman's employment agreement, in November 2001, the Board approved a \$50,000 bonus and

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

the grant of options to purchase 15,000 shares of our common stock to Mr. Kaufman in connection with his efforts with respect to the acquisition by our Israeli subsidiary, dsIT, of Endan IT Solutions Ltd. The payment of the bonus and the grant of the options were both contingent upon the closing of the Endan acquisition, which occurred in December 2001.

Robert Chiste serves as Chief Executive Officer of Comverge pursuant to an employment agreement that commenced on September 1, 2001. Under a voting agreement entered into by us and other investors in Comverge, Mr. Chiste serves as a director of Comverge. Mr. Chiste's employment agreement provides for a base salary of \$250,000 per annum, plus an annual bonus of up to 75% of his base salary contingent upon achieving performance objectives established each year by the Board of Directors of Comverge.

In connection with the signing of his employment agreement, Mr. Chiste also received an option to purchase shares of Comverge common stock, representing 6% of the outstanding Comverge shares (on a fully diluted basis), at an exercise price of \$1.20 per share. The exercise price was determined based upon a valuation of Comverge as of July 31, 2001, performed by an independent appraiser. Mr. Chiste's Comverge option will be adjusted to protect against dilution from issuances of common stock until Comverge's paid in capital is at least \$15 million. Under the agreement, Mr. Chiste also received a grant under our 1994 Stock Incentive Plan of a stock option to purchase 75,000 shares of our common stock at an exercise price of \$5.95. In addition to the options, pursuant to his employment agreement, Mr. Chiste entered into an agreement with us for the purchase of 50,000 shares of our common stock at a price of \$5.95 per share. Mr. Chiste paid for the common stock by assigning and endorsing to us a 6% subordinated note of a publicly traded company, due April 2010, in the principal amount of \$297,500. The subordinated note, which is assignable, is due April 2010; pays interest semi-annually (in cash or by an additional promissory note); and is subject to repayment in four annual payments beginning in April 2006. The issuer of the note subsequently declared bankruptcy and the Company has written off the recorded value of the note.

Mr. Chiste will receive retirement payments from Comverge if, after his 60th birthday, his employment agreement is terminated without cause or because of Mr. Chiste's death or disability. Mr. Chiste will not receive any retirement payment if his employment is terminated prior to his 60th birthday. Mr. Chiste's retirement payments will be made over seven years commencing on the date of termination. Mr. Chiste may in certain circumstances receive severance payments from Comverge. Under his employment agreement, if Mr. Chiste's employment is terminated without cause, Comverge would have to pay Mr. Chiste one year of base salary, or if there has been an IPO for Comverge, three years of base salary plus up to 15% of any excess parachute payment, plus, if such termination is before December 31, 2002, his base salary through December 31. Jacob Neuwirth serves as President and Chief Executive Officer of dsIT pursuant to an employment agreement that commenced on December 16, 2001. Mr. Neuwirth's employment agreement provides for a base salary which is denominated in linked NIS equivalent to \$165,000 per annum, linked to the Israeli Consumer Price Index, plus an annual bonus of 10%, should dsIT's annual net profit exceed the NIS equivalent of \$317,000 and a 20% bonus should it exceed the NIS equivalent of \$633,000. In addition, the agreement with Mr. Neuwirth provides for six months advance notice of termination of employment by either side, and an additional payment equal to six times his last month's total compensation, payable upon any termination of his employment.

Under his employment agreement, Mr. Neuwirth is entitled to a loan of up to \$100,000 from dsIT. As of December 31, 2002 the loan, which is denominated in linked NIS, bears interest at 4% and has no fixed maturity date, had an outstanding balance of \$48,000. No amounts have been drawn upon under this loan during the last two fiscal years, and variations in the outstanding principal amount between periods have solely been due to currency exchange rate fluctuations.

CERTAIN RELATED PARTY TRANSACTIONS

During 2002, we paid approximately \$630,000 for legal services rendered and reimbursement of out-of-pocket expenses to Ehrenreich Eilenberg & Krause LLP, a law firm in which Sheldon Krause, a former director and our Secretary, is a member. Such fees related to services rendered by Mr. Krause and other members and employees of his firm, as well as certain special and local counsel retained and supervised by his firm who performed services on our behalf. Mr. Krause is the son-in-law of George Morgenstern, our Chairman, President and Chief Executive Officer.

As reported on the Summary Compensation Table above, Shlomie Morgenstern, the son of George Morgenstern, our Chairman, President and Chief Executive Officer, received compensation during 2002 in connection with his position as Vice President-Operations.

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

In March 2001, we retained Malley Associates Capital Management, an asset management firm that is controlled by Susan L. Malley, then one of our directors, to provide discretionary asset management services to us with respect to \$2 million of our funds. The agreement provided for a management fee of 1% per annum of the amount under management. In September 2002, the arrangement was terminated. Malley Associates no longer provides any asset management or other services to us. The aggregate fees paid to Malley Associates from March 2001 through September 2002 were \$25,407. Dr. Malley resigned as a director on April 29, 2003.

In July 2001, we entered in an arrangement with a corporation wholly-owned by George Morgenstern, our Chairman, President and Chief Executive Officer, for use by such corporation of approximately 400 of the approximately 4,650 square feet leased by us in New York City. Based on our lease for our New York City premises, the pro rata full rental cost (including electricity) of the portion of the premises utilized by the corporation was approximately \$1,450 per month. In October 2002, we entered into a written agreement for the corporation's use of its portion of the premises. The agreement provided for the payment to us of \$2,000 per month and was terminable by either party on 60 days written notice to the other. As of February 2002, the corporation gave us notice of its intent to vacate the space in April 2002. During 2002 we received \$35,000 of rent from this corporation.

In January 2000, our Comverge subsidiary extended loans of \$9,925 each evidenced by a promissory note to both our Chief Executive Officer and Chief Financial Officer to finance the purchase of Comverge common stock. The loans had an initial maturity date of January 3, 2002 and were extended at that time to mature on January 3, 2004. The loans bear interest at 4.25% per annum, payable at maturity.

### COMPENSATION REPORT OF THE BOARD OF DIRECTORS

#### COMPENSATION POLICIES FOR EXECUTIVE OFFICERS

The Company's compensation package for its executive officers consists of three components: (i) base salary; (ii) cash bonus; and (iii) options and/or stock grants. Under guidelines previously adopted by the Compensation Committee, the compensation decisions with respect to the Company's executive officers are generally to be made at the first regularly scheduled Board or Committee meeting (which ever is earlier) in each fiscal year. Prior to that Board meeting, the chief executive officer of the Company is to submit to the Board or Committee recommendations for the compensation package of executive officers. The chief executive officer's recommendations are to include bonus recommendations for the preceding fiscal year. The independent directors evaluate the chief executive officer's recommendations, considering the following factors: (i) stock price performance over the previous 12 months; (ii) corporate performance as measured primarily by cash flow from operations; and (iii) the extent to which the executive officer has achieved performance goals established for that year (whether established by an employment agreement or by the Board). The Committee has established a target cap on the annual grant

-12-

of options and/or restricted stock grants to executive officers of 2% of the then outstanding Common Stock. During 2002, the role of the Committee was performed by the full Board of Directors.

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

In July 2002 the Board extended to July 31, 2007 the expiration date of options to purchase 25,000 shares of Common Stock that had previously been granted to Mr. Kaufman in July 1997 pursuant to the Company's 1994 Stock Incentive Plan. All other terms of the option, including the original exercise price of \$5.25 per share, remained the same. The extension was made in recognition of Mr. Kaufman's dedication and efforts on behalf of the Company. Mr. Kaufman's base salary continued at the prior year's level of \$160,000.

In 2002, the Company raised Mr. Shlomie Morgenstern's base salary from \$195,000 to \$205,000, in recognition of his services and as an incentive for continued employment. In April 2003 the Company granted a \$50,000 bonus to Mr. Morgenstern to recognize Mr. Morgenstern's management of the Company's Databit subsidiary and the performance of his duties at Comverge during 2002 and to that date in 2003, and as an incentive for his continued employment with the Company.

In September 2001, the Company's Comverge subsidiary entered into an employment agreement with Robert Chiste. Mr. Chiste's employment agreement provides for a base salary of \$250,000, an annual bonus of up to 75% of his base salary based upon achieving performance goals set each year by the Comverge Board, severance payments upon certain termination events, and reimbursement through March 1, 2003, of up to \$3,500 per month for auto, living and personal travel expenses. The employment agreement was entered into after an extensive search for a CEO for Comverge to build Comverge's business, benefiting the Company and its stockholders. In December 2002, the Company authorized a grant of 50,000 shares of Common Stock to Mr. Chiste, to reward him for his efforts on behalf of Comverge, particularly its fundraising activities, and to align his interests with those of the Company's shareholders. No bonus was awarded to Mr. Chiste for 2002.

### BASIS FOR CHIEF EXECUTIVE OFFICER'S COMPENSATION

During 2002, George Morgenstern, Chairman, President and Chief Executive Officer of the Company, had no increase in salary, receiving \$465,700 pursuant to an employment agreement previously entered into with the Company, which was extended by the Board in May 2001 and again in March 2002 and now runs through December 31, 2003. Effective August 2002, Mr. Morgenstern, along with other senior management, voluntarily reduced his base salary by 10% as part of cost-cutting measures. His compensation for 2002 also included payments totaling \$21,200 for prior year cost of living adjustments that he had not taken. Mr. Morgenstern received no bonus for 2002.

### AUDIT COMMITTEE REPORT

The Audit Committee is composed of three directors, each of whom

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

qualifies as an "independent director" as such term is defined in Rule 4200(a)(14) of the National Association of Securities Dealers. The Audit Committee operates under a written charter adopted by the Board.

Management is responsible for the Company's internal controls and financial reporting process. The external auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has met and held discussions with management and KPMG LLP ("KPMG"), the external auditors for the year ended December 31, 2002. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee reviewed and discussed the consolidated financial statements with management and KPMG prior to their issuance. The Audit Committee discussed with KPMG matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

KPMG also provided to the Audit Committee the disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with KPMG that firm's independence.

Based on the Audit Committee's discussion with management and KPMG and the Audit Committee's review of the representation of management and KPMG to the Audit Committee, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2002. In October 2003, KPMG resigned as the Company's auditors and, as of November 12, 2003, the Company had not retained new auditors for the year ending December 31, 2003.

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission ("SEC"). These persons are also required by SEC regulation to furnish us with copies of all Section 16(a) forms they file. INDEPENDENT PUBLIC ACCOUNTANTS AND AUDITORS

CHANGE IN ACCOUNTANT

On October 9, 2003, KPMG LLP ("KPMG") notified us that as of that date it had resigned as our independent accountant.

KPMG audited the Company's financial statements for the years ended December 31, 2000, December 31, 2001 and December 31, 2002, and provided reviews relating to the Company's quarterly reports on Form 10-Q for the first two quarters of 2003. The audit reports of KPMG on the Company's consolidated financial statements for the past two fiscal years did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles, except the reports of KPMG refer to the Company's adoption of Statements of Financial Accounting Standards No. 141, "Business Combinations", for purchase method business combinations completed after June 30, 2001, No. 142, "Goodwill and Other Intangible Assets", effective January 1, 2002, and No. 145, "Rescission of FASB Statements No. 4, 44

## Edgar Filing: DATA SYSTEMS & SOFTWARE INC - Form DEF 14A

and 64, Amendment of FASB Statement No. 13, and Technical Corrections," in 2002.

During the two most recent fiscal years and through October 9, 2003, there were no disagreements between the Company and KPMG as to any matter of accounting principles or practices, financial statement disclosure, or audit scope or procedure, which disagreement, if not resolved to the satisfaction of KPMG, would have caused it to make reference to the subject matter of the disagreement in its reports on the financial statements for such periods within the meaning of Item 304(a)(1)(iv) of Regulation S-K.

As a result of its resignation, we do not anticipate that a KPMG representative will attend the meeting. Should the Company engage independent accountants for the current fiscal year prior to the date of the Annual Meeting, the new accountants will be invited to attend the Annual Meeting.

### AUDIT FEES

The aggregate fees billed by KPMG for professional services rendered for the audit of the Company's annual financial statements for the years ended December 31, 2001 and 2002 and the reviews of the Company's quarterly financial statements for those fiscal years, as well as for any other services normally provided by the principal accountant in connection with statutory or regulatory filings or engagements for those years (primarily relating to fees in connection with SEC filings), totaled \$228,900 and \$207,900, respectively.

### AUDIT-RELATED FEES

No fees were billed in 2001 or 2002 for assurance and related services by KPMG that were reasonably related to the performance of its audit or review of the Company's financial statements.

### TAX FEES
