### ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 145 of the Delaware General Corporation Law makes provision for the indemnification of officers and directors of corporations in terms sufficiently broad to indemnify our officers and directors under certain circumstances from liabilities, including reimbursement of expenses incurred arising under the Securities Act.

As permitted by Delaware law, our certificate of incorporation provides that, to the fullest extent permitted by Delaware law, no director shall be liable to us or to our stockholders for monetary damages for breach of his fiduciary duty as a director. Delaware law does not permit the elimination of liability (i) for any breach of the director's duty of loyalty to us or our stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) in respect of certain unlawful dividend payments or stock redemptions or repurchases or (iv) for any transaction from which the director derives an improper personal benefit. The effect of this provision in our certificate of incorporation is to eliminate the rights of the Company and its stockholders, through stockholders' derivative suits on behalf of the Company, to recover monetary damages against a director for breach of fiduciary duty as a director thereof, including breaches resulting from negligent or grossly negligent behavior, except in the situations described in clauses (i) - (iv), inclusive, above. These provisions will not

alter the liability of directors under federal securities laws.

Our Amended and Restated Bylaws provide that we shall indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, other than an action by or in the right of the Company by reason of the fact that such person is or was a director, officer, employee or agent of the Company or is or was serving at our request as a director, officer, employee or agent of another corporation or enterprise, against expenses, including attorneys' fees, judgments, decrees, fines, penalties and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to our best interests, and, with respect to any criminal action or proceeding, had no reasonable cause to believe such person's conduct was unlawful. Our bylaws further provide that we will be required to indemnify our officers or directors in connection with an action, suit or proceeding initiated by such person only if such action, suit or proceeding was authorized by the Board of Directors.

Our bylaws also provide that we may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or contemplated action or suit by or in the right of the Company to procure a judgment in our favor by reason of the fact that such person acted in any of the capacities set forth above, against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to our best interests, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been finally adjudged to be liable to us for gross negligence or willful conduct in the performance of such person's duty to us, and only to the extent that the presiding court shall determine upon application that despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as such court shall deem proper.

3

Our bylaws further provide that to the extent that one of our directors, officers, employees or agents has been successful in the defense of any action, suit or proceeding referred to in the previous paragraphs or in the defense of any claim, issue, or matter therein, such person shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection therewith; that indemnification provided for in our certificate of incorporation and bylaws shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and that we may purchase and maintain insurance on behalf of any of our directors, officers, employees or agents against any liability asserted against any such person incurred by such person in any such capacity or arising out of such person's status as such whether or not we would have the power to indemnify such person against such liabilities under the provisions of Section 145 of the Delaware General Corporation Law.

ITEM 9. UNDERTAKINGS.

1. The Company hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

## Edgar Filing: NUWAY MEDICAL INC - Form S-8

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

provided, however, that paragraphs (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

5

(3) To remove from registration by means of a post-effective amendment any of the securities being registered hereunder which remain unsold at the termination of the offering.

2. The Company hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
