(the "Company") for use at the 2006 Annual Meeting of Shareholders (the "Meeting") to be held on September 20, 2006, at the time and place set forth in the accompanying notice of the Meeting, and at any adjournments or postponements thereof. The approximate date on which this Proxy Statement and form of proxy are first being sent to shareholders is on or about August 25, 2006.

The Company's principal executive offices are located at 110 East 59th Street, 25th Floor, New York, New York 10022, telephone number (212) 557-9000.

VOTING AND REVOCABILITY OF PROXIES

If the enclosed proxy is properly executed and is received prior to the meeting, it will be voted in the manner directed by the shareholder. If no instructions are specified with respect to any particular matter to be acted upon, properly executed proxies will be voted:

1. FOR the election of our Class I nominee to the Board of Directors;

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

2. FOR the election of our Class II nominee to the Board of Directors;
3. FOR the election of our Class III nominee to the Board of Directors;
4. FOR the amendment to the Company's Articles of Incorporation increasing the number of authorized shares of Common Stock from 200,000,000 to 440,000,000;
5. FOR the authorization of the Board of Directors of the Company, in its discretion, to amend the Company's Articles of Incorporation to eliminate the class of Preferred Stock and all authorized shares of Preferred Stock;

Any person giving the enclosed form of proxy has the power to revoke it by voting in person at the Meeting, by giving a duly executed proxy bearing a later date or by giving written notice of revocation to the Secretary of the Company any time before the proxy is exercised. A shareholder of record attending the Meeting may vote in person whether or not a proxy has been previously given, but the presence, without further action, of a shareholder at the Meeting will not constitute revocation of a previously given proxy.

QUORUM AND REQUIRED VOTE

1

The holders of one-third of all shares of Common Stock issued, outstanding and entitled to vote are required to be present in person or to be represented by proxy at the Meeting in order to constitute a quorum for the transaction of business. Votes withheld, abstentions and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter ("broker non-votes") shall be counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Meeting.

The affirmative vote of the holders of a plurality of the issued and outstanding shares of the Company's Common Stock voting in person or by proxy and entitled to vote is required for the election of directors (Proposal No. 1). The affirmative vote of the holders of a majority of the shares entitled to vote is required to amend the Company's Articles of Incorporation (Proposal No. 2). The affirmative vote of the holders of a majority of the shares entitled to vote is required to authorize the Board of Directors to amend the Company's Articles of Incorporation to eliminate the class of Preferred Stock and all authorized shares of Preferred Stock (Proposal No. 3). The affirmative vote of the holders of a majority of the votes cast in person or by proxy of the shares entitled to vote is required to ratify the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the Company's independent registered public accounting firm for the current fiscal year (Proposal No. 4).

Shares which abstain from voting on a particular matter and broker non-votes will not be counted as votes in favor of such matter and will also not

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

be counted as votes cast or shares voting on such matter, except for the proposal to amend and restate the Articles of Incorporation and the proposal to authorize the Board of Directors to amend the Articles of Incorporation to eliminate the class of Preferred Stock and all authorized shares of Preferred Stock. Abstentions and broker non-votes will have the same effect as a vote against Proposal No. 2 and Proposal No. 3.

RECORD DATE AND VOTING SECURITIES

Only shareholders of record at the close of business on July 21, 2006 (the "Record Date") are entitled to notice of and to vote at the Meeting. At the close of business on that date, there were 23,429,961 shares of Common Stock outstanding and entitled to vote. Each outstanding share of the Company's Common Stock entitles the record holder to cast one (1) vote for each matter to be voted upon.

EXPENSES AND SOLICITATION

The cost of this solicitation of proxies will be borne by the Company. In addition to soliciting shareholders by mail through its regular employees, the Company may request banks, brokers, and other custodians, nominees and fiduciaries to solicit their customers who have stock of the Company registered in the names of a nominee, and, if so, will reimburse such banks, brokers and other custodians, nominees and fiduciaries for their reasonable out-of-pocket costs. Solicitation by officers and employees of the Company may also be made of some shareholders in person or by mail, telephone or facsimile following the original solicitation. Such officers and directors will receive no compensation in connection with any such solicitations, other than compensation paid pursuant to their duties described elsewhere in this proxy statement.

2

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information as of March 31, 2006 with respect to the beneficial ownership of Common Stock of the Company by the following: (i) each of the Company's current directors; (ii) each of the Named Executive Officers; (iii) the former Chief Executive Officer of the Company; (iv) all of the current executive officers and directors as a group; and (v) each person known by the Company to own beneficially more than five percent (5%) of the outstanding shares of the Company's Common Stock.

For purposes of the following table, beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission (the "SEC") and the information is not necessarily indicative of beneficial ownership for any other purpose. Except as otherwise noted in the footnotes to the table, the Company believes that each person or entity named in the table has sole voting and investment power with respect to all shares of Brainstorm Common Stock shown as beneficially owned by that person or entity (or shares such power with his or her spouse). Under the SEC's rules, shares of Brainstorm Common Stock issuable upon exercise of options that are exercisable on or within 60 days after March 31, 2006 ("Presently Exercisable Options") or under warrants that are exercisable on or within 60 days after March 31, 2006 ("Presently Exercisable Warrants") are deemed outstanding and therefore included in the number of shares reported as beneficially owned by a person or entity named in the table and are used to compute the percentage of the Common Stock beneficially owned by that person or entity. These shares are not, however, deemed outstanding for computing the percentage of the Common Stock beneficially owned by any other person or entity. Unless otherwise indicated, the address of each person listed

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

in the table is c/o Brainstorm Cell Therapeutics Inc., 110 East 59th Street, 25th Floor, New York, NY 10022.

The percentage of the Common Stock beneficially owned by each person or entity named in the following table is based on 22,854,587 shares of Common Stock outstanding as of March 31, 2006 plus any shares issuable upon exercise of Presently Exercisable Options and Presently Exercisable Warrants held by such person or entity.

PROPOSAL NO. 1 ELECTION OF DIRECTORS

Our Articles of Incorporation authorize no less than one and no more than six directors. Our Board of Directors is currently comprised of three directors. Our Articles of Incorporation divide the Board of Directors into three classes--Class I, Class II and Class III. Each class of directors will normally be elected for a three-year term. However, in order to stagger the election of the three classes in the future, this year the Class I director will have a one-year term and will be up for re-election at the 2007 Annual Meeting of Shareholders for a three-year term, and the Class II director will have a two-year term and will be up for re-election at the 2008 Annual Meeting of Shareholders for a three-year term. The affirmative vote of the holders of a plurality of the votes cast in person or by proxy at an annual meeting of shareholders by the shares entitled to vote is required for the election by shareholders of directors to the Board of Directors.

The Board of Directors recommends that the three nominees named below be elected to serve on the Board of Directors, each of whom is presently serving as a director. Shares of Common Stock represented by all proxies received and not marked so as to withhold authority to vote for any individual nominee or for all nominees will be voted for the election of the three nominees named below. Each nominee has consented to being named in this Proxy Statement and has indicated his willingness to serve if elected. If for any reason any nominee should become unable or unwilling to serve, the persons named as proxies may vote the proxy for the election of a substitute nominee selected by the Board of Directors. The Board of Directors has no reason to believe that any nominee will be unable to serve. Shareholders may vote for no more than three nominees for director.

Biographical and certain other information concerning the Company's nominees for election to the Board of Directors is set forth below. Information with respect to the number of shares of the Company's Common Stock beneficially owned by each director as of March 31, 2006 appears above under "Security Ownership of Certain Beneficial Owners and Management." No director or executive officer is related by blood, marriage or adoption to any other director or executive officer.

PROPOSAL NO. 2 AMENDMENT OF ARTICLES OF INCORPORATION

This proposal would approve an amendment to the Company's Articles of Incorporation, as described below. The amendment to the Articles of Incorporation that you are being asked to approve pursuant to this Proposal No. 2 will be substantially in the form of Appendix A attached to this Proxy

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

Statement.

The Company's Articles of Incorporation, as currently in effect, authorize the Company to issue up to 200,000,000 shares of Common Stock, par value \$0.00005 per share, and 40,000,000 shares of Preferred Stock, par value \$0.00005 per share. The Board is proposing to amend and restate the Company's Articles of Incorporation to increase the authorized shares of Common Stock from 200,000,000 to 440,000,000.

On the Record Date, the Company had 23,429,961 shares of Common Stock outstanding. The Board is proposing the increase of the Common Stock to provide the Company with greater flexibility in its financing options. The Company is currently contemplating various financings. The additional Common Stock would be available for issuance from time to time as determined by the Board for any proper corporate purpose. The increase in the number of authorized shares of Common Stock would enable the Company to promptly take advantage of market conditions and the availability of favorable opportunities without the delay and expense associated with holding a special meeting of shareholders at that time. Any future issuances will remain subject to separate shareholder approval if required under Washington law.

In addition to the corporate purposes discussed above, the authorization of additional shares of Common Stock, under certain circumstances, may have an anti-takeover effect, although this is not the intent of the Board. For example, it may be possible for the Board to delay or impede a takeover or transfer of control of the Company by causing the additional authorized shares of Common Stock to be issued to holders who might side with the Board in opposing a takeover bid that the Board determines is not in the best interests of the Company and our shareholders. However, the Board is not aware of any attempt to take control of the Company, and the Board did not propose the increase in the Company's authorized capital stock with the intent that it be used as an anti-takeover device.

The relative voting and other rights of holders of the Common Stock will not be altered by the authorization of additional shares of Common Stock. Each share of Common Stock will continue to entitle its owner to one vote. As a result of the increase in the authorized number of shares of Common Stock, the potential number of shares of Common Stock outstanding will be increased.

If the proposal is approved, the Company will file the amendment to the Articles of Incorporation with the Washington Secretary of State, which will become effective on the date the filing is accepted by the Secretary of State.

The Board of Directors recommends a vote FOR the amendment to the Company's Articles of Incorporation.

8

PROPOSAL NO. 3 AUTHORIZATION OF BOARD OF DIRECTORS TO AMEND THE ARTICLES OF INCORPORATION TO ELIMINATE THE PREFERRED STOCK

This proposal would authorize the Board of Directors, in its discretion, should it deem it to be appropriate and in the best interests of the Company and its shareholders, to amend the Company's Articles of Incorporation to eliminate the class of Preferred Stock and all authorized shares of Preferred Stock. The amendment to the Articles of Incorporation that you are being asked to approve pursuant to this Proposal No. 3 will be substantially in the form of Appendix B attached to this Proxy Statement.

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

The Company's Articles of Incorporation, as currently in effect, authorize the Company to issue up to 40,000,000 shares of Preferred Stock, par value \$0.00005 per share. There are no shares of Preferred Stock issued or outstanding. The Company is currently contemplating various financings. Certain of these financings may require that the Company only have one class of equity securities outstanding. If the Board of Directors has the authority to eliminate the Preferred Stock, it will enable the Company to promptly take advantage of market conditions and the availability of favorable financing opportunities without the delay and expense associated with holding a special meeting of shareholders at that time. Any contemplated financing will remain subject to separate shareholder approval if required under Washington law.

If the proposal is approved, and the Board of Directors determines that the elimination of the Preferred Stock is appropriate and in the best interests of the Company and its shareholders, the Company will file the amendment to the Articles of Incorporation eliminating the Preferred Stock with the Washington Secretary of State, which will become effective on the date the filing is accepted by the Secretary of State.

The Board of Directors recommends a vote FOR the proposal to authorize the Board of Directors, in its discretion, should it deem it to be appropriate and in the best interests of the Company and its shareholders, to amend the Articles of Incorporation to eliminate the class of Preferred Stock and all authorized shares of Preferred Stock.

9

PROPOSAL NO. 4 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board of Directors has appointed Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, ("Kost") as the Company's independent registered public accounting firm to audit the Company's financial statements for the current fiscal year. Kost has audited the financial statements of the Company for the fiscal years ending March 31, 2006 and March 31, 2005. The Board of Directors is asking the Company's shareholders to ratify the appointment of Kost as the Company's independent registered public accounting firm. Although ratification is not required by the Company's Bylaws or otherwise, the Board is submitting the appointment of Kost to the shareholders for ratification as a matter of good corporate practice. If the shareholders do not ratify the selection of Kost as the Company's independent registered public accounting firm, the Board will reconsider its selection. Even if the appointment is ratified, the Board, in its discretion, may direct the appointment of a different independent registered public accounting firm at any time during the year if the Board determines that such a change would be in the Company's and its shareholders' best interests. A representative of Kost is not expected to be present at the Meeting and will not have the opportunity to make a statement or be available to respond to appropriate questions from shareholders.

The Board of Directors recommends a vote FOR ratification of the appointment of Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, as the Company's independent registered public accounting firm for the current fiscal year.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board Meetings

The Board of Directors held nine meetings during the fiscal year ended March 31, 2006. Each incumbent director attended at least 75% of the aggregate number of meetings of the Board of Directors during the fiscal year ended March 31, 2006.

Committees of the Board

The Board of Directors does not have an audit committee, and therefore does not have an audit committee financial expert. The Board of Directors does not currently have a compensation committee or a nominating committee. Two "independent" directors (as the term is defined in Nasdaq Rule 4200(a)(15)) were elected to our Board in December 2004 and March 2005, and we intend to create an audit committee as well as a compensation committee and a nominating committee consisting of such independent directors in the future. Until then, however, our Board of Directors performs these functions.

Each member of the Board of Directors participates in the consideration of director nominees. Executive Employment Agreements

Yoram Drucker. Pursuant to his employment agreement dated November 16, 2004 (the "Drucker Effective Date"), Mr. Drucker is entitled to an initial base salary of \$4,000 per month, which was increased six (6) months subsequent to the Drucker Effective Date to \$6,000 per month. Mr. Drucker is eligible to receive an annual bonus in connection with the achievement of milestones and/or objectives, in each case as determined by the Board of Directors.

Mr. Drucker is entitled to coverage under our Directors' and Officers' liability insurance policy and to a written undertaking from the Company and its subsidiary to indemnify and release him to the full extent possible in accordance with the Israeli Companies Law 5759-1999 and the applicable laws of the State of Washington.

14

Pursuant to his employment agreement and the Company's Global Plan, Mr. Drucker was granted options to purchase 685,760 shares of our Common Stock at a price per share of \$0.15, which options vest and become exercisable in thirty-six equal monthly installments from the Drucker Effective Date. These options are exercisable by Mr. Drucker for a ten (10) year period following the Drucker Effective Date, but in any case not later than four (4) years after termination of his employment agreement.

Mr. Drucker's employment agreement has no stated term and is terminable by either party upon 90 days prior notice or by the Company with 30 days prior notice in the event of a termination for cause (including a 15 day opportunity to cure). Mr. Drucker is prohibited, during the term of his employment and for a period of 12 months thereafter, from competing with the Company or its subsidiary or soliciting any of the Company's or its subsidiary's customers or employees. Mr. Drucker's employment agreement also provides that if Mr. Drucker's employment is terminated by the Company without cause, by Mr. Drucker as a result of a constructive discharge or as a result of Mr. Drucker's disability or death, all of the remaining unvested options granted to Mr. Drucker shall vest immediately as of the notice of termination, and Mr. Drucker or his successor shall be entitled to exercise the vested options from the date of such termination until the earlier of four (4) years thereafter or their expiration date. If Mr. Drucker's employment is terminated as a result of his disability or death, or within two (2) years of the Drucker Effective Date, only 67% of the remaining unvested options shall vest immediately as of the date of the notice of termination. If the Company terminates Mr. Drucker's employment with cause, he shall be entitled to exercise the options vested as of the date of the notice of termination until 12 months following such date.

David Stolick. Pursuant to his employment agreement effective as of February 13, 2005 (the Stolick Effective Date), Mr. Stolick is entitled to an initial base salary of 20,000 New Israeli Shekel (NIS) per month (approximately \$4,470), which was increased six (6) months subsequent to the Stolick Effective Date, to NIS 28,000 per month. Mr. Stolick was granted, pursuant to the Company's Global Plan, options to purchase 400,000 shares of the Company's Common Stock at a price per share of \$0.75 each, which options vest and become exercisable in thirty-six equal monthly installments from the Stolick Effective Date. Mr. Stolick's stock options are exercisable by Mr. Stolick for a ten (10) year period following the Stolick Effective Date, but in any case not later than two (2) years after termination of his employment agreement. On February 6, 2006, in light of the significant decline in the Company's share price in the last fiscal year, our Board of Directors approved the repricing of Mr. Stolick's

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

400,000 options such that the options are currently exercisable at an exercise price of \$0.15 per share. Mr. Stolick is entitled to coverage under the Company's Directors' and Officers' liability insurance policy and to a written undertaking from the Company and its subsidiary to indemnify and release him to the full extent possible in accordance with the Israeli Companies Law 5759-1999 and the applicable laws of the State of Washington.

Mr. Stolick's employment agreement has no stated term and is terminable by either party upon 90 days prior notice or by the Company without prior notice upon a termination for cause. If Mr. Stolick resigns as a result of a constructive discharge, or if his employment is terminated as a result of Mr. Stolick's disability or death, 67% of the remaining unvested options granted to Mr. Stolick will vest immediately as of the date of the notice of termination, and Mr. Stolick or his successor will be entitled to exercise the vested options from the date of such termination until the earlier of two (2) years thereafter or their expiration date. Mr. Stolick is prohibited, during the term of his employment and for a period of 12 months thereafter, from competing with the Company or its subsidiary or soliciting any of the Company's or its subsidiary's customers or employees.

Dr. Yaffa Beck. On March 20, 2006, in connection with Dr. Beck's resignation from her positions as officer and director of the Company, the Company and its subsidiary entered into a Termination Agreement and General Release with Dr. Beck. Under the termination agreement, the Company and Dr. Beck agreed to terminate their employment relationship effective February 9, 2006. Pursuant to the termination agreement, the Company will pay in 10 monthly installments beginning on March 1, 2006, a total of \$47,355 to Dr. Beck. If the Company raises an aggregate of \$1,000,000 through equity financings after February 9, 2006, the Company will pay the then total outstanding amount to Dr. Beck in one lump-sum payment. In addition, if the Company is granted certain EC research and development grants as detailed in the termination agreement, it will pay Dr. Beck a bonus of \$30,000 upon the earlier of (i) 15 days after the Company receives an initial payment of such EC grant of at least \$50,000 or (ii) 15 days after the receipt of aggregate proceeds of \$1,000,000 from equity financings. Under the termination agreement, options granted to Dr. Beck to acquire 800,000 shares of the Company's Common Stock at an exercise price of \$0.15 per share are fully vested and are exercisable until February 9, 2010. All other options previously granted to Dr. Beck were forfeited to the Company. The Company was recently notified that its applications for the EC research and development grants were declined; therefore, Dr. Beck is not entitled to receive the \$30,000 bonus described above.

15

In addition, under the termination agreement, Dr. Beck released the Company from any and all claims arising out of or related to her employment or termination from employment with the Company, except for (i) claims based on the enforcement of the termination agreement, (ii) claims for unemployment payment, (iii) claims based on events occurring after the date of the termination agreement and (iv) any right of Dr. Beck under the Company's 2004 Global Share Option Plan with respect to the 800,000 vested stock options granted to Dr. Beck. The Company released Dr. Beck from any and all claims arising from or related to Dr. Beck's employment or termination from employment with the Company, except for (i) claims based on the enforcement of the termination agreement, and (ii) claims based on events occurring after the date of the termination agreement.

Lock-up Agreements

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

On March 21, 2005, we entered into lock-up agreements with (i) 29 shareholders with respect to 15,290,000 shares of our Common Stock, and (ii) holders of warrants to purchase 12,800,844 shares of our Common Stock. Under the lock-up agreements, the security holders may not transfer the shares of Common Stock and warrants to anyone other than permitted transferees without the prior consent of our Board of Directors, for the period of time as follows: (1) eighty-five percent (85%) of the securities are restricted from transfer for the twenty-four (24) month period following July 8, 2004 (the date of our original research and license agreement with Ramot at Tel Aviv University Ltd.) and (2) fifteen percent (15%) of the securities are restricted from transfer for the twelve (12) month period following July 8, 2004. On July 8, 2005, the lock-up agreements expired with respect to fifteen percent (15%) of the securities that were subject to the lock-up agreements, and on July 8, 2006 the lock-up agreements expired with respect to eighty-five percent (85%) of the securities that were subject to the lock-up agreements.

On March 26, 2006, we entered into new lock-up agreements (the "New-Lock Up Agreements") with each of Zegal & Ross Capital LLC, Ms. Irit Arbel, Based Holdings Ltd., Ofilam LLC, and Yoram Drucker, with respect to 7,810,000 shares of our Common Stock held by them. These lock-up agreements amend and restate the previous lock-up agreements described above. Under the New Lock-Up Agreements, these shareholders may not sell or otherwise transfer their shares to anyone other than permitted transferees without the prior written consent of the Company's Board of Directors, as follows: (i) eighty-five percent (85%) of the shares will be restricted from transfer until December 31, 2006, and (ii) fifteen percent (15%) of the shares will be free from the transfer restrictions. All of the restrictions under the New Lock-Up Agreements will automatically terminate upon the effectiveness of any registration statement filed by the Company for the benefit of Ramot at Tel Aviv University Ltd.

Certain Relationships and Related Transactions.

On July 8, 2004, we entered into the Original Ramot Agreement with Ramot, the technology licensing company of Tel Aviv University, which agreement was amended on March 30, 2006 by the Amended Research and License Agreement (described below). Under the terms of the Original Ramot Agreement, Ramot granted to us an exclusive license to (i) the know-how and patent applications on the stem cell technology developed by the team led by Prof. Melamed and Dr. Offen, and (ii) the results of further research to be performed by the same team on the development of the stem cell technology. Simultaneously with the execution of the Original Ramot Agreement, we entered into individual consulting agreements with Prof. Melamed and Dr. Offen pursuant to which all intellectual property developed by Prof. Melamed or Dr. Offen in the performance of services thereunder will be owned by Ramot and licensed to us under the Original Ramot Agreement.

16

As of November 4, 2004, we entered into consulting agreements with Prof. Melamed and Dr. Offen, under which we pay each of them an annual consulting fee of \$72,000 and we issued each of them warrants to purchase 1,097,215 shares of our Common Stock (3% of our issued and outstanding shares at such time). Each of the warrants is exercisable for a five-year period beginning on November 4, 2005.

Under the Original Ramot Agreement, we agreed to fund further research relating to the licensed technology in an amount of \$570,000 per year for an initial period of two years and for an additional two-year period if certain research milestones are met.

Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form PRE 14A

In consideration for the license, we originally agreed to pay Ramot:

- o An up-front license fee of \$100,000;
- o 5% of all net sales of products, as those terms are defined in the Original Ramot Agreement; and
- o 30% of all sublicense receipts, as such term is defined in the Original Ramot Agreement.

In addition, under the Original Ramot Agreement, we issued to Ramot and its designees warrants to purchase an aggregate of 10,606,415 shares of our Common Stock, which represented 29% of our issued and outstanding shares of Common Stock as of November 4, 2004. Each of the warrants is exercisable for a five-year period beginning on November 4, 2005.

On March 30, 2006, we entered into the Amended Research and License Agreement with Ramot. Under the amended agreement, the funding of further research relating to the licensed technology in an amount of \$570,000 per year has been reduced to \$380,000 per year. In addition, under the amended agreement, the initial period of time that the Company has agreed to fund the research has been extended from an initial period of two (2) years to an initial period of three (3) years. The amended agreement also extends the additional two-year period in the Original Ramot Agreement to an additional three-year period, if certain research milestones are met. The amended agreement reduces certain royalty payments that the Company may have to pay from five percent (5%) to three percent (3%) of all net sales (as defined in the agreement). The amended agreement also reduces potential payments concerning sublicenses from 30% to 20-25% of sublicense receipts (as defined in the agreement).

Independent Registered Public Accounting Firm

On November 1, 2004, we appointed Kost Forer Gabbay & Kasierer, a member of Ernst & Young Global, ("Kost") as the Company's independent auditor and dismissed Manning Elliott. The decision to change auditors was considered and approved by our Board of Directors.

During the Company's two most recent fiscal years preceding Manning Elliott's dismissal, the reports of Manning Elliott on the financial statements of the Company did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles, except that the reports contained an explanatory paragraph that expressed that substantial doubt existed regarding the Company's ability to continue as a going concern. During the Company's two most recent fiscal years preceding the dismissal, there was no disagreement with Manning Elliott on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Manning Elliott's satisfaction, would have caused it to make a reference to the subject matter of the disagreements in connection with its report. Manning Elliott has never presented a written report or otherwise communicated in writing to the Company or its Board of Directors the existence of any "disagreement" or "reportable event" within the meaning of Item 304 of Regulation S-B.

On November 2, 2004, we filed a Current Report on Form 8-K with the SEC reporting the events described above. Attached as an exhibit to the Current Report on Form 8-K is a letter from Manning Elliott indicating that the Company provided Manning Elliott with a copy of the foregoing disclosure and stating that it agreed with the statements contained in the disclosure, except with respect to certain statements with respect to which it had no basis on which to agree or disagree.

These services, which include designing or implementing a system that aggregates source data underlying the financial statements and generates information that is significant to our financial statements, are provided internally or by other service providers. We do not engage Kost to provide compliance outsourcing services.

Pre-approval Policies

The Board of Directors pre-approves all services provided by our independent auditors. All of the above services and fees were reviewed and approved by the Board before the services were rendered.

The Board of Directors has considered the nature and amount of fees billed by Kost and believes that the provision of services for activities unrelated to the audit is compatible with maintaining Kost's independence.

Report of Board of Directors

The Board of Directors has reviewed and discussed the Company's audited financial statements for the fiscal year ending March 31, 2006 with the Company's management. The Board of Directors has discussed with Kost, the Company's independent registered public accounting firm, the matters required to be discussed by Statement on Auditing Standards No. 61. The Board of Directors has received the written disclosures and the letter from Kost required by Independence Standards Board Standard No. 1 and has discussed with Kost its independence. The Board of Directors has also considered whether Kost's provision of non-audit services to the Company is compatible with maintaining Kost's independence.
