### **Item 1.01 Entry Into a Material Definitive Agreement**

Effective February 14, 2007, Streicher Mobile Fueling, Inc., a Florida corporation (“Streicher”) completed its reincorporation in the State of Delaware (the “Reincorporation”) by merging with and into its wholly-owned subsidiary, SMF Energy Corporation, a Delaware corporation (“SMF”). The Reincorporation was effected pursuant to an Agreement of Merger and Plan of Merger and Reorganization, dated February 13, 2007 (the “Merger Agreement”), between Streicher and SMF, a copy of which is filed as Exhibit 2.1 to this Current Report on Form 8-K and is incorporated by reference herein. The Boards of Directors and shareholders of both Streicher and SMF approved the Reincorporation and the Merger Agreement at their annual meetings of directors and shareholders held on December 8, 2006.

Pursuant to the terms of the Merger Agreement, (i) Streicher merged with and into SMF, with SMF being the surviving corporation and Streicher thereby changing its name to SMF Energy Corporation; (ii) SMF succeeded to the ownership of all of Streicher’s assets, has the rights, powers and privileges and assumed all of the obligations of Streicher; (iii) Streicher’s existing Board of Directors and officers became the Board of Directors and officers of SMF; and (iv) the Certificate of Incorporation and Bylaws of SMF govern the surviving corporation.

### **Item 3.03 Material Modification to Rights of Security Holders**

As a result of the Reincorporation, (i) each outstanding share of Streicher common stock, par value \$0.01, was automatically converted into one share of SMF common stock, par value \$0.01; (ii) all options and other rights to acquire Streicher’s common stock outstanding immediately before the Reincorporation were also automatically converted into options and rights to acquire the same number of shares of SMF common stock, with the same terms and conditions. Upon the Reincorporation, each outstanding certificate representing shares of Streicher common stock is deemed, without any action by the shareholder, to represent the same number of shares of SMF common stock. Shareholders do not need to exchange their stock certificates as a result of the Reincorporation.

In accordance with Rule 12g-3(a) under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), the shares of SMF common stock are deemed registered under Section 12(b) of the Exchange Act. SMF common stock will continue to be listed on the NASDAQ Stock Market under the symbol “FUEL.”

Prior to February 14, 2007, Streicher’s corporate affairs were governed by the corporate law of Florida. The rights of its shareholders were subject to its Articles of Incorporation and its Bylaws. As a result of the Reincorporation, holders of Streicher common stock are now holders of SMF common stock, and their rights as holders are governed by the General Corporation Law of Delaware and the Certificate of Incorporation and Bylaws of SMF. For a description of the differences between the rights of holders of Streicher common stock and SMF common stock, see “Comparison of Shareholder Rights Before and After the Reincorporation” in Streicher’s Definitive Proxy Statement on Schedule 14A, filed with the Securities and Exchange Commission on October 30, 2006, which description is incorporated by reference herein.

**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year**

As noted under Item 1.01 above, effective February 14, 2007, Streicher completed its Reincorporation and was merged with and into SMF, with SMF being the surviving corporation. As a result of the Reincorporation, the incorporating documents and the Bylaws of SMF will govern the surviving corporation, copies of which are filed as Exhibit 3(i) and Exhibit 3(ii), respectively, to this Current Report on Form 8-K.
