## Item 2.06 Material Impairments

Sandy Spring Bancorp, Inc. concluded on October 6, 2008, that it will record a \$2.3 million pretax, non-cash charge in its third quarter earnings related to impairment of goodwill associated with the Company's leasing subsidiary, The Equipment Leasing Company. In accordance with Statement of Financial Accounting Standards No. 142, Goodwill and Other Intangible Assets, management re-evaluated its recorded goodwill for possible impairment. Due to the extreme volatility in the current markets and the lack of pricing data to value the leasing portfolio, the impairment charge represents the Company's best estimate at this time. The impairment valuation will be reviewed again and adjusted, as necessary, in the fourth quarter. The press release announcing the impairment charge is included as Exhibit 99.1 to this report.
