Subject: Material Event

Dear Sirs,

We would like to inform you that:

The Board of Directors of Credicorp Ltd., in its session held on December 23 2008, decided unanimously to approve:

(i) A capital increase of up to US\$ 20'000,000.00 for its subsidiary Atlantic Security Holding Corporation (ASHC), so it can attend the capital requirement of its subsidiary Atlantic Security Bank (ASB), and

(ii) A subordinated loan of up to US\$ 15'000,000.00 in favor of ASB.

Both measures will allow an increase of US\$ 35'000.000 of the regulatory capital of ASB. This capital increase will result in capitalization level significantly higher than the minimum legal limit requested by the Monetary Authority of Grand Cayman.

In both agreements the Board of Directors has delegated all faculties to its managers to carry out this agreement.

Yours faithfully,

Fernando Palao
Represente Bursátil

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
