PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
May 11, 2009

ABOUT THE ANNUAL MEETING

This proxy statement is furnished by our board of directors (the Board) in connection with the Board's solicitation of proxies to be voted at the annual meeting of stockholders to be held at 10:00 a.m. local time on May 11, 2009, at the Courtyard by Marriott, 31525 West 12 Mile Road, Farmington Hills, Michigan, and at any adjournment or postponement thereof. It is anticipated that this proxy statement and the enclosed proxy card first will be mailed to stockholders on or about March 26, 2009.

What is the purpose of the 2009 annual meeting of stockholders?

At the 2009 annual meeting, holders of our common stock will be voting on the matters set forth in the accompanying notice of such meeting, including the election of two directors to serve until the annual meeting of stockholders in 2012 and the ratification of Virchow Krause & Company, LLP (Virchow Krause) as our independent registered public accounting firm for 2009. The Board recommends a vote **FOR** the director nominees and **FOR** the ratification of Virchow Krause s appointment. We are not aware of any other matters that will be brought before the stockholders for a vote at the annual meeting.

In addition, management will report on our performance and will respond to appropriate questions from stockholders.

A representative of Virchow Krause will be present at the annual meeting and will be available to respond to appropriate questions. Such representative will also have an opportunity to make a statement.

Who is entitled to vote?

All stockholders of record at the close of business on March 12, 2009 will be entitled to vote. Each share of common stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the record date, 7,931,030 shares of our common stock, \$.0001 par value per share, were outstanding.

What constitutes a quorum?

The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of our common stock entitled to vote at the annual meeting (3,965,516 shares) will constitute a quorum for all purposes. Proxies marked with abstentions or instructions to withhold votes will be counted as present in determining whether or not there is a quorum.

However, if a quorum is not present at the annual meeting, the stockholders, present in person or represented by proxy, have the power to adjourn the annual meeting until a quorum is present or represented.

TABLE OF CONTENTS

What is the difference between holding shares as a stockholder of record and a beneficial owner?

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, N.A., you are considered the stockholder of record with respect to those shares, and these proxy materials (including a proxy card) are being sent to you by us. As the stockholder of record, you have the right to grant your voting proxy directly to us through the enclosed proxy card or to vote in person at the annual meeting.

Beneficial Owners. Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares, and these proxy materials (including a voting instruction card) are being forwarded to you by your broker, bank or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the annual meeting unless you request and obtain a proxy from your broker, bank or nominee.

Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee on how to vote your shares.

May I vote my shares in person at the annual meeting?

Even if you plan to be present at the meeting, we encourage you to vote your shares prior to the meeting.

Stockholders of Record. If you are a stockholder of record and attend the annual meeting, you may deliver your completed proxy card or vote by ballot.

Beneficial Owners. If you hold your shares through a broker, bank or other nominee and want to vote such shares in person at the annual meeting, you must obtain a proxy from your broker, bank or other nominee giving you the power to vote such shares.

Can I vote my shares without attending the annual meeting?

By Mail. You may vote by completing, signing and returning the enclosed proxy card or voting instruction card.

Other. If you are a beneficial owner, you may have the option to vote your shares via the internet or telephone.

Can I change my vote after I return my proxy card or voting instruction card?

Stockholders of Record. You may change your vote at any time before the proxy is exercised by filing with our Secretary either a notice revoking the proxy or a properly signed proxy, in each case bearing a later date. Your attendance at the annual meeting in person will not cause your previously granted proxy to be revoked unless you specifically so request and file the proper documentation.

Beneficial Owners. If you hold your shares through a bank, broker or other nominee, you should contact such person prior to the time such voting instructions are exercised.

What does it mean if I receive more than one proxy card or voting instruction card?

If you receive more than one proxy card or voting instruction card, it means that you have multiple accounts with banks, trustees, brokers, other nominees and/or our transfer agent. Please sign and deliver each proxy card and voting instruction card that you receive. We recommend that you contact your nominee and/or our transfer agent, as appropriate, to consolidate as many accounts as possible under the same name and address.

What if I do not vote for some of the items listed on my proxy card or voting instruction card?

Stockholders of Record. Proxy cards that are properly signed and returned without voting instructions on certain matters will be voted in accordance with the recommendations of the Board on such matters. With respect to any matter not set forth on the proxy card that properly comes before the annual meeting, the proxy holders named therein will vote as the Board recommends or, if the Board gives no recommendation, in their own discretion.

TABLE OF CONTENTS

Beneficial Owners. If you indicate a choice with respect to any matter to be acted upon on your voting instruction card, the shares will be voted in accordance with your instructions. If you do not indicate a choice or return the voting instruction card, the broker, bank or other nominee will determine if it has the discretionary authority to vote on each matter. Under applicable law and NYSE rules and regulations, brokers have the discretion to vote on routine matters, including the uncontested election of directors and the ratification of the appointment of our independent registered public accounting firm.

What vote is required to approve each item?

Proposal 1 Election of Directors. The two nominees receiving the highest number of for votes at the annual meeting will be elected as directors. The slate of nominees discussed in this proxy statement consists of two directors, Richard Agree and Michael Rotchford, whose three-year terms are expiring.. Abstentions and withheld votes will have no effect on the outcome of this proposal.

Proposal 2 Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote of a majority of votes cast at the annual meeting is necessary to ratify the Audit Committee s appointment of Virchow Krause as our independent registered public accounting firm for 2009. Abstentions are not treated as votes cast under Maryland law and, therefore, they have no effect on the outcome of this proposal. Although stockholder ratification of the appointment is not required by law and is not binding on us, the Audit Committee will take your vote on this proposal into consideration when appointing our independent registered public accounting firm in the future. Even if the stockholders ratify the appointment of Virchow Krause, the Audit Committee in its sole discretion may terminate the engagement of Virchow Krause and engage another independent auditor at any time during the year, although it has no current intention to do so.

Other Matters. If any other matter is properly submitted to the stockholders at the annual meeting, its adoption will require the affirmative vote of a majority of votes cast at the annual meeting. The Board does not propose to conduct any business at the annual meeting other than as stated above.

How do I find out the voting results?

Voting results will be announced at the annual meeting and will be published in our Quarterly Report on Form 10-Q for the quarter ending June 30, 2009.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Board currently consists of six directors. The directors are divided into three classes serving three-year staggered terms. At this annual meeting, two directors will be elected to serve until the annual meeting of stockholders in 2012.

The Board has re-nominated Richard Agree and Michael Rotchford, whose three-year terms expire at this annual meeting, to serve until the annual meeting of stockholders in 2012. The Board has affirmatively concluded that Michael Rotchford is independent under the applicable rules of the New York Stock Exchange (the NYSE). Richard Agree serves as the Company's President and Chief Executive Officer and therefore is not independent under the NYSE rules.

Each nominee has consented to serve their terms until their respective successors have been duly elected and qualified, if elected by stockholders. If any nominee becomes unable or unwilling to serve between the date of this proxy statement and the annual meeting, the Board may designate a new nominee and the persons named as proxies by the Board will vote for that substitute nominee. Alternatively, the Board may reduce the size of the Board.

BOARD MATTERS

The Board of Directors

The Board has general oversight responsibility for our affairs and the directors, in exercising its fiduciary duties, represent and act on behalf of the stockholders. Although the Board does not have responsibility for our day-to-day management, it stays regularly informed about our business and provides guidance to management through periodic meetings and other informal communications. The Board is significantly involved in, among other things, the strategic

and financial planning process, leadership development and succession planning, as well as other functions carried out through the Board committees as described below.

Meetings. The Board met five times during 2008. During 2008, each director attended 75% or more of the aggregate of (i) the number of meetings of the Board and (ii) the number of meetings held by all committees of the Board on which such director served. It has been and is the policy of our Board that directors attend annual meetings of stockholders except where the failure to attend is due to unavoidable circumstances or conflicts discussed in advance by the director with the Chairman of the Board. All members of the Board attended our 2008 annual meeting of stockholders.

Our non-management directors meet at least once a year without management. Non-management directors are all directors who are not our employees or officers and include directors who are determined to be not independent by our Board by virtue of the existence of a material relationship with us. The Board has not designated a lead director or a single director to preside at executive sessions. Instead, the presiding director of executive sessions of non-management directors is selected at each meeting by such directors.

Director Independence. The NYSE listing standards set forth objective requirements for a director to satisfy, at a minimum, in order to be determined to be independent by the Board. In addition, in order to conclude a director is independent in accordance with the NYSE listing standards, the Board must also consider all relevant facts and circumstances, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships.

Pursuant to our Corporate Governance Guidelines and the NYSE listing standards, which require that a majority of our directors be independent within the meaning of the NYSE listing standards, the Board undertook a review of the independence of all non-management directors. The Board has affirmatively determined, assisted by the standards set forth above, that each of Messrs. Kalil, Rotchford, Rubenfaer and Silverman are independent directors in accordance with the NYSE listing standards and therefore our Corporate Governance

7

TABLE OF CONTENTS

Guidelines. Mr. Schurgin is a partner at Bodman, LLP, a law firm that provides significant legal services to us. Although such services did not violate the independence standards set forth in the NYSE listing standards, the Board determined that he is not independent based on all facts and circumstances.

Committees of the Board

The Board has delegated various responsibilities and authority to four standing committees of the Board. Each committee regularly reports on its activities to the full Board. Each committee, other than the Executive Committee, operates under a written charter approved by the Board, which is reviewed annually by the respective committees and the Board and is available in the Corporate Governance section of our website, www.agreerealty.com. The Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee are composed entirely of independent directors. The table below sets forth the current membership of the four standing committees of the Board and the number of meetings and written consents in 2008 of such committees:

Name	Audit	Compensation	Nominating and Corporate	Executive
------	-------	--------------	--------------------------------	-----------

				Governance	
Richard Agree					Chair
Farris G. Kalil	Chair	X		X	
Michael Rotchford				Chair	X
William S. Rubenfaer	X	X			
Leon M. Schurgin					
Gene Silverman	X		Chair	X	X
Meetings	4	(1)	1	1	1
Actions by Unanimous Written Consent					1

(1) In addition, the Audit Committee twice authorized the Chair to act on its behalf in reviewing the quarterly financial statements with management and our independent auditor.

Audit Committee. The Audit Committee is responsible for providing independent, objective oversight of our auditing, accounting and financial reporting processes, including reviewing the audit results and monitoring the effectiveness of our internal audit function. In addition, the Audit Committee engages the independent registered public accounting firm. See Report of the Audit Committee, Audit Committee Matters and the Audit Committee's charter for additional information on the responsibilities and activities of the Audit Committee.

The Board has determined that each Audit Committee member has sufficient knowledge in reading and understanding financial statements to serve thereon and is otherwise financially literate. The Board has further determined that Farris Kalil possesses financial management expertise within the meaning of the listing standards of the NYSE. No member of the Audit Committee is an audit committee financial expert within the meaning of applicable SEC rules and the Board has determined that such expert is not required at this time.

Executive Committee. The Executive Committee has the authority to acquire and dispose of real property and the power to authorize, on behalf of the full Board, the execution of certain contracts and agreements, including those related to our borrowing of money, and generally to exercise all other powers of the Board except for those which require action by a majority of the independent directors or the entire Board.

Compensation Committee. The Compensation Committee is responsible for overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based plans, and reviewing and approving annually all compensation decisions relating to our executive officers. See Compensation Discussion and Analysis, Compensation Committee Report and the Compensation Committee's charter for additional information on its additional responsibilities and activities.

8

TABLE OF CONTENTS

Role of Management. The Committee takes direction from the recommendations of Richard Agree, President, Chief Executive Officer and Chairman of the Company, with respect to the design and implementation of the compensation program for the named executive officers. See Compensation Discussion and Analysis Determining Compensation for Named Executive Officers.

Role of Compensation Consultant. The Committee does not utilize a compensation consultant to establish or administer its executive compensation program.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for establishing the requisite qualifications for directors, identifying and recommending the nominations of individuals qualified to serve as directors and recommending directors for each Board committee. The Committee

also establishes corporate governance practices in compliance with applicable regulatory requirements and consistent with the highest standards and recommends to the Board the corporate governance guidelines applicable to us. See the Nominating and Corporate Governance Committee's charter for additional information on its responsibilities and activities.

Director Qualifications. Our Nominating and Corporate Governance Committee has established policies for the desired attributes of the Board as a whole, including as set forth in our Corporate Governance Guidelines. The Board seeks to ensure that a majority of its members are independent within the NYSE listing standards. Further, each director generally may not serve as a member of more than six other public company boards. Each director must possess the individual qualities of integrity and accountability, informed judgment, high performance standards and must be committed to representing the long-term interests of the Company and the stockholders. In addition, directors must be committed to devoting the time and effort necessary to be responsible and productive members of the Board.

The Board values diversity, in its broadest sense, reflecting, but not limited to, profession, geography, gender, ethnicity, skills and experience.

Identifying and Evaluating Nominees. Generally, the Nominating and Corporate Governance Committee will re-nominate incumbent directors who continue to satisfy its criteria for membership on the Board, who it believes will continue to make important contributions to the Board and who consent to continue their service on the Board.

Our Nominating and Corporate Governance Committee periodically assesses the appropriate number of directors comprising the Board and whether any vacancies on the Board are expected due to retirement or otherwise. The Nominating and Corporate Governance Committee may consider those factors it deems appropriate in evaluating director candidates including judgment, skill, and diversity, strength of character, experience with businesses and organizations comparable to our size or scope, experience and skill relative to other Board members and specialized knowledge or experience. Depending on the current needs of the Board, certain factors may be weighted more or less heavily by the Nominating and Corporate Governance Committee.

The Nominating and Corporate Governance Committee considers candidates for the Board from any responsible source, including current Board members, stockholders, professional search firms or other persons. The Nominating and Corporate Governance Committee does not evaluate candidates differently based on who has made the recommendation. The Nominating and Corporate Governance Committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates.

Stockholder Nominees. Our Bylaws permit stockholders to nominate directors for consideration at an annual meeting of stockholders. We did not receive any nominations of directors by stockholders for the 2009 annual meeting. Director Compensation

The Compensation Committee establishes and oversees our director compensation program. Director compensation is established with a view to attract highly qualified non-management directors and fairly compensate non-management directors for their time and effort on behalf of stockholders. COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

The Compensation Committee (referred to as the Committee in this section), composed entirely of independent directors, administers the executive compensation program of the Company. The Committee's responsibilities include recommending and overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based plans, and reviewing and approving annually all compensation decisions relating to the Company's executive officers, including the Chief Executive Officer and President, Vice President, Finance and the other executive officers named in the Summary Compensation Table (the named executive officers). This section of the proxy statement explains how the Company's compensation programs are designed and operate in practice with respect to the named executive officers.

In accordance with SEC rules, Vicky Whalen-Umphries is a named executive officer of the Company for purposes of this discussion and the subsequent executive compensation tables, although she voluntarily resigned her employment and terminated her employment agreement effective in June 2008 pursuant to an unconditional release and separation agreement. See Potential Payments Upon Termination or Change-in-Control for additional information regarding the terms of the unconditional release and separation agreement.

Compensation Objectives and Philosophy

The Company's compensation program for named executive officers generally consists of base salary, annual incentive awards, long-term share-based incentive awards and certain other benefits. The Company also provides certain severance arrangements for its named executive officers. The executive compensation program is designed to:

- provide total compensation that is both fair and competitive;
- attract, retain and motivate key executives who are critical to the Company's operations;
- reward superior individual and Company performance on both a short-term and long-term basis; and
- align executives' long-term interests with those of stockholders.

The Committee seeks to ensure the foregoing objectives by considering individual performance reviews, Company performance, hiring and retention needs, internal pay equity, market data and other external market pressures in finalizing its compensation determinations.

Determining Compensation for Named Executive Officers

The Committee meets without management present to determine the compensation of the named executive officers. The Committee takes direction from the recommendations of Richard Agree, President, Chief Executive Officer and Chairman of the Company, with respect to the design and implementation of the compensation program for the named executive officers because of his experience with the Company and its predecessors and because he has the most involvement in and knowledge of the Company's business goals, strategies, and performance, the overall effectiveness of the management team and each person's individual contribution to the Company's performance. The Committee retains the discretion to modify the recommendations of Mr. Richard Agree and reviews such recommendations for their reasonableness based on Company performance, market information, and the Committee's compensation philosophy and related considerations.

The Committee does not utilize a compensation consultant to establish or administer its executive compensation program. In 2008, the Committee used the 2008 NAREIT Compensation and Benefits Survey (the NAREIT Survey) to provide it with relevant market data.

Elements of Compensation in 2008 for Named Executive Officers

The Company's compensation program for named executive officers generally consists of base salary, annual incentive awards, long-term share-based incentive awards and certain other benefits. The Company also provides certain severance arrangements for its named executive officers.

TABLE OF CONTENTS

Base Salary. The Committee believes that base salary is a primary factor in retaining and attracting key employees in

a competitive marketplace, as well as preserving an employee's commitment during downturns in the REIT industry and/or equity markets. When determining the base salary for each of the named executive officers, the Committee considers the individual's experience, current performance, potential for advancement, internal pay equity and market data.

As a group, the 2008 base salaries of the named executive officers increased approximately 10% over the 2007 base salaries; increases are generally effective in January of the applicable year. Richard Agree received an 8% salary increase to \$270,000 in 2008, while Kenneth Howe and David Prueter received modest increases. Ms.

Whalen-Umphryes salary remained the same, consistent with prior years, given that her total compensation is significantly influenced by performance incentives set forth in her employment agreement. Joey Agree received a 28% increase in base salary to \$225,000 primarily due to his increased responsibilities in 2008 and prior performance. The base salaries paid to the named executive officers in 2008 are set forth below in the Executive Compensation Tables Summary Compensation Table.

Annual Incentive Awards. The Committee believes the Company's annual cash bonus provides a meaningful incentive for the achievement of short-term Company and individual goals, while assisting the Company in retaining, attracting and motivating employees in the near term. These annual bonuses are primarily based upon Company performance objectives generally set forth in the Company's budget approved by the Board. However, the Committee has significant flexibility in assessing the achievement of performance objectives as well as the corresponding cash bonuses earned. The Committee determined that specific bonuses should be paid to certain named executive officers in 2008 primarily due to a significant number of development projects that were completed in 2008 and scheduled for completion in 2009. In 2008, Mr. Richard Agree was given the election to receive his annual bonus in cash or restricted stock. He elected to receive 4,000 shares of restricted stock in lieu of a cash bonus. The cash bonuses earned by the named executive officers in 2008 are set forth below in the Executive Compensation Tables Summary Compensation Table.

Ms. Whalen-Umphryes does not participate in the annual cash bonus program. Instead, prior to the termination of her employment, Mr. Whalen-Umphryes' employment agreement provided for bonus compensation at a specified rate per square foot for all development and land lease projects, payable in shares of common stock or cash, at her election, upon lease commencement. She did not earn any bonus for development and land lease projects in 2008.

Long-Term Incentive Compensation. The Committee believes the Company's share-based incentive awards, with multiple-year vesting, provide the strongest incentive for employees to focus on the long-term fundamentals of the Company and thereby create long-term stockholder value. These awards also assist the Company in maintaining a stable, continuous management team in a competitive market. The Committee historically has issued restricted stock for purposes of long-term incentive compensation, which provides significant upside incentive and alignment with stockholders, while also maintaining some down market protection. When determining the amount of long-term equity incentive awards to be granted to the named executive officers for prior year performance, the Committee considers, among other things, the following factors: the Company's performance, the responsibilities and performance of the executive, the Company's stock price performance, and other market factors, including the data provided by the NAREIT Survey. See the Grants of Plan-Based Awards in 2008 table for information regarding the award terms for the grants made in 2008. The 2009 grants, which are subject to the same terms as the 2008 grants, will be reflected in the various executive compensation tables in the 2010 proxy statement.

2008 Grants for 2007 Performance. The Committee awarded an aggregate of 38,500 shares of restricted stock under the 2005 Equity Incentive Plan in January 2008 based upon 2007 performance. The grants were as follows: Richard Agree, 15,500 shares; Joey Agree, 9,000 shares; David Prueter, 4,000 shares; Kenneth Howe, 6,000 shares; and Vicky Whalen-Umphryes, 4,000 shares.

2009 Grants for 2008 Performance. The Committee awarded an aggregate of 51,000 shares of restricted stock under the 2005 Equity Incentive Plan in January 2009 based upon 2008 performance. The grant date fair value of such

awards was an aggregate of \$772,140, a decrease of 32.5% over 2007. The grants were as follows: Richard Agree, 20,000 shares; Joey Agree, 20,000 shares; David Prueter 4,000 shares; and Kenneth Howe, 7,000 shares.

14

TABLE OF CONTENTS

Other Grants. Mr. Prueter also receives a grant of 1,250 shares of restricted stock for each project completed due to his efforts, payable upon the lease commencement. In 2008, he earned 3,750 shares of restricted stock for three developments.

Perquisites and Other Personal Benefits. The Company has historically maintained a conservative approach to providing perquisites to executive officers. The Company provides the named executive officers with perquisites and other personal benefits that the Committee believes is reasonable and consistent with the overall executive compensation program and to better enable the Company to attract and retain superior employees for key positions. These perquisites have been carefully selected to ensure that the value provided to employees is not at the expense of stockholder concern. The Committee periodically reviews the levels of perquisites and other personal benefits provided to the named executive officers.

Severance Payments. The Company currently has an employment agreement with Richard Agree that provides severance payments under specified conditions. The Committee believes this agreement helps to retain an executive who is essential to the Company's long-term success. The Company had an employment agreement with Vicky Whalen-Umphryes effective in 2008 until it was terminated in June 2008 pursuant to an unconditional release and separation agreement. See *Potential Payments Upon Termination or Change-in-Control* for a description of potential payments and benefits to the named executive officers under the Company's compensation plans and arrangements upon termination of employment or a change in control of the Company, as well as the specific severance payments and benefits provided to Ms. Whalen-Umphryes upon the termination of her employment with the Company.

Timing and Pricing of Share-Based Grants

The Company does not coordinate the timing of share-based grants with the release of material non-public information. The Committee approves its annual grants of restricted stock to the named executive officers at its regularly scheduled meeting in mid-December, with an effective grant date as of such meeting or delayed until a date within the first few weeks of the following year. The grant date may be delayed due to tax implications to grantees as well as administrative issues during the holiday season. The Committee generally establishes the date for its regularly scheduled meeting at least a year in advance. In addition, certain named executive officers receive shares of restricted stock upon lease commencement of certain developments. The Committee has not granted stock options in recent years.

Tax and Accounting Implications

Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code of 1986, as amended (Section 162(m)), provides that subject to certain exceptions (the most significant of which is performance-based compensation), a publicly-held corporation may not deduct compensation for federal income tax purposes exceeding \$1 million in any one year paid to its chief executive officer and its three other most highly compensated executive officers. The Company must distribute a specified minimum percentage of its taxable income to maintain its qualification as a REIT under the Internal Revenue Code, and the Company is not subject to federal income tax on its REIT taxable income only if and to the extent it distributes the income to its stockholders. Accordingly, if the Company pays compensation to its chief executive officer or any of its three other most highly compensated executive

officers in excess of \$1 million in any year that does not qualify for the performance-based exception, the Company may have to increase the amount of its distributions to stockholders to avoid tax liability and loss of its REIT status. This in turn may result in a larger portion of distributions being taxable to stockholders as dividend income, instead of being treated as a nontaxable return of capital to stockholders. However, because the Company did not pay any compensation during 2008 that would be subject to the Section 162(m) limitations, Section 162(m) did not impact the Committee's compensation policies and practices.

Nonqualified Deferred Compensation. Section 409A of the Code provides that amounts deferred under nonqualified deferred compensation arrangements will be included in an employee's income when vested unless certain conditions are met. If the certain conditions are not satisfied, amounts subject to such arrangements will be immediately taxable and employees will be subject to additional income tax, penalties and a further additional income tax calculated as interest on income taxes deferred under the arrangement.

- (1) The amounts reported reflect the amounts recognized for financial statement reporting purposes in the applicable year in accordance with FAS 123(R) (although estimates for forfeitures related to service-based conditions are disregarded), and therefore may include amounts from awards granted in and prior to the applicable year. All awards in this column for 2008 relate to restricted stock granted under the 2005 Equity Incentive Plan. Valuation assumptions used in determining these amounts for 2008 are included in note 9 of our audited financial statements included in our annual report on Form 10-K for the year ended December 31, 2008.

In connection with Ms. Whalen-Umphryes unconditional release and separation agreement, she forfeited 4,800 shares of restricted stock.

In 2008, Mr. Richard Agree was given the election to receive his annual bonus in cash or restricted stock. He elected to receive 4,000 shares of restricted stock in lieu of a cash bonus. The restricted stock, granted under the (2)2005 Equity Incentive Plan, vests in equal installments over a five-year period from the grant date. Cash dividends are paid on the restricted stock during the vesting period. This equity award was granted on January 14, 2009 and therefore will be reflected in the Grants of Plan-Based Awards in 2009 in the 2010 proxy statement.

Narrative Discussion of Summary Compensation Table.

Employment Agreement Mr. Richard Agree. See Potential Payments Upon Termination or Change-in-Control for a description of the material terms of Mr. Agree's employment agreement.

Employment Agreement and Separation Agreement Ms. Whalen-Umphryes. Pursuant to Ms. Whalen-Umphryes employment agreement, she received an initial base salary of \$240,000, subject to an annual review by the Compensation Committee. In addition, she was entitled to a minimum of 2,000 shares of restricted stock per year. Ms. Whalen-Umphryes did not participate in the annual bonus program. Instead, her employment agreement provided for compensation at a specified rate per square foot for all development and land lease projects, payable upon lease commencement in cash or equity at her option. See Potential Payments Upon Termination or Change-in-Control for a description of the material terms of Ms. Whalen-Umphryes unconditional release and separation agreement, including the underlying severance amounts included in All Other Compensation.

Grants of Plan-Based Awards in 2008

The following table sets forth information concerning equity and non-equity awards granted to the named executive officers in 2008.

(1) The grant date fair value is calculated in accordance with FAS 123(R). The grant date fair value of each share of restricted stock, which includes the right to receive cash dividends, is equal to the stock price on the grant date. The grant date fair value for a share of restricted stock granted on the following dates is: January 14 (\$29.71), April 21 (\$27.43), July 18 (\$24.77) and August 26 (\$26.85).

(2) See Narrative Discussion of Grants of Plan-Based Awards in 2008 Table discussion below.

Narrative Discussion of Grants of Plan-Based Awards in 2008 Table.

Non-Equity Incentive Plan Awards. Ms. Whalen-Umphryes receives compensation at a specified rate per square foot for all development and land lease projects, payable upon lease commencement in cash or equity at her option.

Equity Incentive Plan Awards. Mr. Prueter receives 1,250 shares of restricted stock for each project completed due to his efforts, payable upon the lease commencement. The restricted stock, granted under the 2005 Equity Incentive Plan, vests in equal installments over a five-year period from the grant date. Cash dividends are paid on the restricted stock during the vesting period.

All Other Stock Awards. The equity awards set forth in this column reflect the long-term incentive equity awards granted to the named executive officers in 2008 for 2007 performance. The Board approved such grants on December 19, 2007, but delayed the grant date until January 14, 2008. As noted previously, the Board often delays its annual equity grants due to tax implications to grantees as well as administrative issues during the holiday season. The restricted stock, granted under the 2005 Equity Incentive Plan, vests in equal installments over a five-year period from the grant date. Cash dividends are paid on the restricted stock during the vesting period.

As part of Ms. Whalen-Umphryes' severance package upon her voluntary resignation from the Company, she retained 2,000 restricted shares of the 4,000 restricted shares that were granted in January 2008, which will vest in equal installments over a five-year period from the grant date.

During the 120 days following the termination of the participant's employment for any reason, the Company has the right to require the return of any unvested shares of restricted stock, as well as any dividends paid on such shares. The unvested shares of restricted stock immediately vest in the event our stockholders approve an agreement to merge, consolidate, liquidate or sell all or substantially all of our assets. Our Board has the discretion to determine whether any leave of absence should constitute a termination of employment.

AUDIT COMMITTEE MATTERS

Pre-Approval Policies and Procedures for Audit and Non-Audit Services

In accordance with Audit Committee policies and procedures and applicable law, the Audit Committee must pre-approve all services to be provided by its independent registered public accounting firm. In determining whether to pre-approve such services, the Audit Committee must consider whether the provision of such services is consistent with the independence of such accountants. The Audit Committee generally provides pre-approvals at its regularly scheduled meetings. The Audit Committee has delegated to its chairman, Farris G. Kalil, the authority to grant pre-approvals of non-audit services between regularly scheduled meetings of the Audit Committee, provided that any such pre-approval by Mr. Kalil shall be reported to the Audit Committee at its next scheduled meeting. However, pre-approval of non-audit services is not required if (1) the aggregate amount of non-audit services is less than 5% of the total amount paid by us to the auditor during the fiscal year in which the non-audit services are provided; (2) such services were not recognized by us as non-audit services at the time of the engagement; and (3) such services are promptly brought to the attention of the Audit Committee and, prior to completion of the audit, are approved by the Audit Committee or by one or more Audit Committee members who have been delegated authority to grant approvals.

Fees Paid to Independent Registered Public Accounting Firms

The following table sets forth the fees we were billed for audit and other services provided by Virchow Krause in 2008 and 2007. All such fees paid to Virchow Krause were approved in conformity with the pre-approval policies and procedures noted above.

PROPOSAL 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2009

The Audit Committee currently believes that we should continue our relationship with Virchow Krause and have appointed Virchow Krause to continue as our independent accountants for 2009. See Report of the Audit Committee and Audit Committee Matters for additional information on matters related to Virchow Krause's provision of services to us.

Although stockholder ratification of the appointment is not required by law and is not binding on us, the Audit Committee will take your vote into consideration when appointing our independent registered public accounting firm in the future. Even if the stockholders ratify the appointment of Virchow Krause, the Audit Committee in its sole

discretion may terminate the engagement of Virchow Krause and engage another independent auditor at any time during the year, although it has no current intention to do so.

A representative of Virchow Krause will be present at the annual meeting and will be provided with the opportunity to make a statement if desired. Such representative will also be available to respond to appropriate questions.

The Board recommends that you vote *FOR* the ratification of the appointment of Virchow Krause as our independent registered public accounting firm for 2009.

RELATED PERSON TRANSACTIONS

Policies and Procedures

Under SEC rules, a related person transaction is any transaction or any series of transactions in which the Company was or is to be a participant, the amount involved exceeds \$120,000, and in which any related person had or will have a direct or indirect material interest. A related person is a director, officer, nominee for director or a more than 5% stockholder since the beginning of the our last completed fiscal year, and their immediate family members.

The non-interested directors of the Board review and oversee any proposed or ongoing related person transactions to ensure there are no conflicts of interest. The Company's Code of Business Conduct and Ethics requires officers and directors to provide full disclosure of any such transaction to appropriate persons and remove themselves from the related decision making process. Persons are encouraged to speak with specified persons if there is any doubt as to whether a transaction could comprise a related person transaction or otherwise constitute a conflict of interest.

If a related person transaction is proposed, the non-interested directors of the Board reviews such transaction to ensure that our involvement in such transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and is in the best interests of us and our stockholders. If necessary or appropriate, we will engage third party consultants and special counsel, and the Board may create a special committee, to review such transactions. The non-interested directors of the Board affirmatively determined that none of the related person transactions below constituted a conflict of interest.

Related Person Transactions in 2008 and 2009

Bodman, LLP, a law firm of which Leon M. Schurgin, one of our directors is a Partner, acted as our counsel in various matters during 2008. We paid Bodman, LLP aggregate fees of approximately \$406,380 during the year.

We lease our executive offices, located at 31850 Northwestern Highway, Farmington Hills, Michigan from a limited liability company controlled by certain of Mr. Richard Agree's children. Under the terms of the lease, which expires December 31, 2009, we are required to pay an annual rental of \$90,000 and are responsible for the payment of real estate taxes, insurance and maintenance expenses relating to the building. Management believes that the lease terms are consistent with leases for similar properties in the area.

ADDITIONAL INFORMATION

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, certain of our executive officers and persons who beneficially own more than 10% of a registered class of our equity securities (insiders) to file reports with the SEC regarding their pecuniary interest in any of our equity securities and any changes thereto, and to furnish copies of these reports to us. Based on our review of the insiders forms furnished to us or filed with the SEC and representations made by the directors and applicable executive officers of the Company, no insider failed to file on a timely basis a Section 16(a) report in 2008, except that Mr. Rubenfaer had one late Form 4 that included one purchase transaction reported late.

Cost of Proxy Solicitation

All of the expenses of preparing, assembling, printing and mailing the materials used in the solicitation of proxies will be paid by us. Arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to forward soliciting materials, at our expense, to the beneficial owners of shares held of record by such persons. Our directors and officers may solicit proxies by mail, telephone or telecopy or in person. They will not receive any additional compensation for such work.
