Note Purchase Agreement and Exchange Agreement

The information set forth under Item 3 above is incorporated by reference in response to this Item 4.

The Exchange Agreement contains representations and warranties of the parties customarily found in agreements relating to transactions of this type. Pursuant to the Exchange Agreement, so long as Sigma Fund beneficially owns a minimum of 100,000 shares of Common Stock (including shares underlying the Series C Preferred), the Board of Directors of the Company (the "Board") shall be comprised of eight (8) directors, one (1) of which shall be nominated by Sigma Fund and a majority of which shall be independent and mutually agreed between the Company and Sigma Fund, provided, however, such agreement will not be unreasonably withheld. As of the Closing Date, Maydan Rothblum, managing director of Sigma, was elected to serve as a director of the Company.

Pursuant to the Exchange Agreement, if at any time, pursuant to that certain Arrangement Agreement, dated October 20, 2010, as amended, among the Company, Old DecisionPoint and a wholly-owned subsidiary of the Company (the “Arrangement Agreement”), the Company is required to issue additional shares of Common Stock (the “Additional Shares Issuance”) to its shareholders, the Company shall issue to Sigma Fund and its affiliate such number of shares of Common Stock as is necessary for Sigma Fund and its affiliate to maintain the same beneficial ownership percentage, on a fully diluted basis, after the Additional Shares Issuance as they had before the Additional Shares Issuance.

Pursuant to the Exchange Agreement, if, as of August 15, 2011, the Company shall recognize an impairment loss, as reflected in the Purchase Price Statement prepared and delivered in accordance with Section 3.14 of the Arrangement Agreement, of (A) up to \$1.5 million, then, if on or before August 31, 2012, the Company has not collected an aggregate of \$1.5 million (the “Threshold Amount”) from Empressario, Inc. and/or N. Harris Computer Corporation (collectively, the “Company Debtors”), the Company shall issue 500,000 shares of Common Stock (subject to adjustment for any reorganizations, stock splits, stock dividends, stock issuances of securities in excess of the fully diluted number of securities outstanding as of the Closing Date or other similar transactions occurring after the Closing Date) to Sigma Fund within three (3) business days thereafter, or (B) between \$1.5 million and \$2.5 million, then for every \$15,000 of the Threshold Amount not collected by the Company on or before August 31, 2012 from the Company Debtors, the Company shall issue 10,000 shares of Common Stock (up to a maximum of 500,000 shares) (subject to adjustment for any reorganizations, stock splits, stock dividends, stock issuances of securities in excess of the fully diluted number of securities outstanding as of the Closing Date or other similar transactions occurring after the Closing Date) to Sigma Fund within three (3) business days thereafter, or (C) between \$2.5 million and \$3 million, then for every \$15,000 of the Threshold Amount not collected by the Company on or before August 31, 2012 from the Company Debtors, the Company shall issue 5,000 shares of Common Stock (up to a maximum of 500,000 shares) (subject to adjustment for any reorganizations, stock splits, stock dividends, stock issuances of securities in excess of the fully diluted number of securities outstanding as of the Closing Date or other similar transactions occurring after the Closing Date) to Sigma Fund within three (3) business days thereafter.

Also in connection with the Exchange Agreement, the Company entered into an Investor Rights Agreement pursuant to which Sigma Fund may at any time after a date that is eighteen (18) months following the Closing Date, and until the Registrable Securities (as defined in the Investor Rights Agreement) may be sold pursuant to Rule 144 without volume limitation, require the Company to file a registration statement, which registration statement must be declared effective by the Effectiveness Deadline (as defined in the Investor Rights Agreement) or the Company must pay liquidated damages. The Investor Rights Agreement also provides for piggy back registration rights.

In connection with the execution of the Exchange Agreement, the Company filed with the State of Delaware a Certificate of Designation of the Powers, Preferences and Relative, Participating, Optional and other Special Rights of Preferred Stock and Qualifications, Limitations and Restrictions Thereof (“Certificate of Designation”) of Series C Preferred. The initial conversion rate of the Series C Preferred is \$3.20.

The Series C Preferred also contains anti-dilution provisions, including but not limited to, if the Company issues shares of its Common Stock at less than the existing conversion price, the conversion price of the Series C Preferred will automatically be reduced to such lower price.

The foregoing summary is qualified in its entirety by reference to the terms of the Exchange Agreement, the Certificate of Designation and the Investor Rights Agreement which are included as Exhibits 4.1, 10.1 and 10.2 to this Schedule 13D.
