Dear Shareholder:

You are cordially invited to attend the Annual Meeting of Shareholders of IsoRay, Inc. (the “*Company*”) to be held at the Westin La Paloma Resort, 3800 East Sunrise Drive, Tucson, Arizona 85718 at 11:00 a.m. local time on Wednesday, March 5, 2014.

The enclosed Notice of Annual Meeting and Proxy Statement describe the formal business to be transacted at the Annual Meeting. During the Annual Meeting, we will also report on the operations of the Company and its primary operating subsidiary, IsoRay Medical, Inc. Directors and officers of the Company and representatives of the Company's auditor are expected to be present to respond to appropriate questions from shareholders.

Detailed information concerning our activities and operating performance during the fiscal year ended June 30, 2013 is contained in our Annual Report to Shareholders.

As we have done in the past, this year, in accordance with U.S. Securities and Exchange Commission rules, we are using the Internet as our primary means of furnishing proxy materials to shareholders. Consequently, most shareholders will not receive paper copies of our proxy materials. We will instead send these shareholders a notice with instructions for accessing the proxy materials and voting via the Internet. The notice also provides information on how shareholders may obtain paper copies of our proxy materials if they so choose. We believe this procedure makes the proxy distribution process more efficient, less costly and helps in conserving natural resources.

Whether or not you expect to attend in person, we urge you to vote your shares as soon as possible. As an alternative to voting in person at the meeting, you may vote via the Internet, by telephone or, if you receive a paper proxy card in the mail, by mailing the completed proxy card. Voting by any of these methods will ensure your representation at the meeting and will help ensure the presence of a quorum at the meeting.

Your vote is important. Whether or not you are able to attend in person, it is important that your shares be represented at the Annual Meeting. Accordingly, we ask that you *please vote over the Internet or by telephone at*

your earliest convenience, or, if you receive a paper proxy card and voting instructions by mail, that you complete, sign and date the proxy card and return it in the enclosed envelope (to which no postage need be affixed if mailed in the United States) as soon as possible. If you do attend the Annual Meeting, you may withdraw your proxy and vote personally on each matter brought before the meeting.

We look forward to seeing you at the Annual Meeting.

If You Plan to Attend

Please note that space limitations make it necessary to limit attendance to shareholders. Admission to the meeting will be on a first-come, first-served basis. Shareholders holding stock in brokerage accounts (“street name“ holders) will need to bring a copy of a brokerage statement reflecting stock ownership as of the record date to enter the meeting. Cameras, recording devices and other electronic equipment will not be permitted in the meeting.

Sincerely,

Dwight Babcock
CEO and Chairman of the Board

PROXY STATEMENT

Annual Meeting of Shareholders

March 5, 2014

We are providing these proxy materials in connection with the solicitation by the Board of Directors (the “*Board*”) of IsoRay, Inc. of proxies to be voted at the Company’s Fiscal 2014 Annual Meeting of Shareholders to be held on March 5, 2014 (the “*Annual Meeting*”), and at any adjournment or postponement of the Annual Meeting. These proxy materials were first sent on or about January 21, 2014 to shareholders entitled to vote at the Annual Meeting.

GENERAL INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

You are receiving a proxy statement from us because you owned shares of our common or Series B preferred stock at the close of business on the January 6, 2014 record date for the Annual Meeting. This proxy statement describes matters on which we would like you, as a shareholder, to vote. It also gives you information on these matters so that you can make an informed decision.

When you sign and return the proxy card, you appoint Dwight Babcock and Robert Kauffman, and each of them individually, as your representatives at the meeting. Dwight Babcock and Robert Kauffman will vote your shares at the meeting as you have instructed them. This way your shares will be voted regardless of whether you attend the Annual Meeting. Even if you plan to attend the meeting, it is a good idea to complete, sign and return the enclosed proxy card in advance of the meeting just in case your plans change. Returning the proxy card will not affect your right to attend or vote at the Annual Meeting.

If a matter comes up for vote at the Annual Meeting that is not described in this proxy statement or listed on the proxy card, Dwight Babcock and Robert Kauffman will vote your shares, under your proxy, in their discretion. As of the date of this proxy statement, we do not expect that any matters other than those described in this proxy statement will be voted upon at the Annual Meeting.

Will I be receiving printed copies of the 2014 Annual Meeting materials?

You will not receive printed copies unless you request them by following the instructions in the “Notice of Internet Availability of Proxy Materials” (the “*Notice*”) that you will receive in the mail. The Notice is different than the Notice of Annual Meeting of Stockholders that accompanies this Proxy Statement. We will begin mailing the Notice to stockholders on or about January 21, 2014.

Under rules adopted by the Securities and Exchange Commission (the “*SEC*”), we are providing access to our 2014 Annual Meeting materials, which include this Proxy Statement and our Annual Report, over the Internet in lieu of mailing printed copies. The Notice will contain instructions on how to access and review the 2014 Annual Meeting materials and vote online. This electronic access process is designed to expedite shareholders' receipt of materials, lower the cost of the Annual Meeting and help conserve natural resources. The Company encourages you to take advantage of the availability of the proxy materials on the Internet.

The Notice also will contain instructions on how you can request a printed copy of the 2014 Annual Meeting materials, including a proxy card if you are a record holder or a voting instruction form if you are a beneficial owner. By following the instructions in the Notice, you may request to receive, at no cost, a printed copy in paper or via e-mail of the 2014 Annual Meeting materials and materials for future proxy solicitations. Your request to receive materials in paper or via e-mail will remain in effect until you terminate it.

Can I mark my votes on the Notice and send it back to the Company or my broker?

No. The Notice is not a ballot. You cannot use it to vote your shares. If you mark your vote on the Notice and send it back to the Company or your broker, your vote will not count.

How can I get electronic access to the 2014 Annual Meeting materials?

The Notice will provide you with instructions regarding how to view the 2014 Annual Meeting materials on the Internet.

This Proxy Statement and our Annual Report are also available without charge on the Company's website at *isoray.com* and the SEC's website at *sec.gov*. By referring to our website, we do not incorporate the website or any portion of the website by reference into this Proxy Statement.

The Notice will also contain instructions on how you can elect to receive future proxy materials electronically by e-mail. Choosing to receive future proxy materials by e-mail will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by e-mail, you will receive an e-mail message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

Who may vote at the Annual Meeting?

The Board has set January 6, 2014 as the record date for the Annual Meeting. If you were the owner of Company common or Series B preferred stock at the close of business on January 6, 2014 (the "*record date*"), you may vote at the Annual Meeting. You are entitled to one vote for each share of common or Series B preferred stock you held on the

record date. If your shares are held in an account at a brokerage firm, bank or similar organization, that organization is considered the record holder for purposes of voting at the Annual Meeting and will provide you with instructions on how to direct that organization to vote your shares.

What proposals will be voted on at the Annual Meeting?

Six proposals are scheduled to be voted on at the Annual Meeting. The first is the election of four directors to hold office until the Fiscal 2015 Annual Meeting of Shareholders. The second is the ratification of the appointment by the Audit Committee of DeCoria, Maichel & Teague, P.S. as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2014. The third is an advisory vote by the shareholders to approve the compensation of the Company's named executive officers as disclosed in the compensation tables and the related disclosure contained in this proxy statement under the caption "Executive Compensation." The fourth is an advisory vote by the shareholders on whether to include an advisory vote of the shareholders on the compensation of the Company's named executive officers pursuant to Section 14A of the Securities Exchange Act either every year, every two years, or every three years. The fifth is the approval of the 2014 Employee Stock Option Plan. The sixth is the approval of an amendment to the warrants to purchase 5,648,737 shares of common stock issued in the August 2013 public offering to (i) reduce the exercise price to \$0.535, (ii) reduce the call price to \$0.85 per share, and (iii) reduce the exercise term to 18 months.

How many votes are required to approve the proposals?

The presence, in person or by proxy, of a majority of the outstanding shares of our common stock and Series B preferred stock voting together as one class is necessary to constitute a quorum at the Annual Meeting. In counting the votes to determine whether a quorum exists at the Annual Meeting, we will use the proposal receiving the greatest number of all votes “for” or “against” and abstentions (including instructions to withhold authority to vote). As of December 20, 2013, there were 38,419,502 shares of common stock and 59,065 shares of preferred stock outstanding.

In voting with regard to the proposal to elect directors (“*Proposal 1*”), you may vote in favor of all nominees, withhold your vote as to all nominees or vote in favor of or withhold your vote as to specific nominees. The vote required to approve Proposal 1 is governed by Minnesota law and is a plurality of the votes cast by the holders of shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, in accordance with Minnesota law, votes that are withheld will be counted in determining whether a quorum is present but will have no other effect on the election of directors.

In voting with regard to the proposal to ratify the Audit Committee's appointment of the independent registered public accounting firm (“*Proposal 2*”), with regard to the advisory shareholder approval of our executive compensation (“*Proposal 3*”), with regard to the proposal to adopt the 2014 Stock Option Plan (“*Proposal 5*”), and with regard to the proposal to amend the exercise price, call price and exercise term of the August 2013 warrants (“*Proposal 6*”), you may vote in favor of the proposals, vote against the proposals or abstain from voting. In voting with regard to the advisory shareholder vote on the frequency of future advisory shareholder votes on executive compensation (“*Proposal 4*”), you may vote “1 year,” “2 years,” “3 years” or “abstain.”

The vote required to approve Proposals 2, 3, 4, 5 and 6 is governed by Minnesota law and is the affirmative vote of the holders of a majority of the shares represented and entitled to vote at the Annual Meeting, provided a quorum is present. As a result, abstentions will be considered in determining whether a quorum is present and the number of votes required obtaining the necessary majority vote and therefore will have the same legal effect as voting against Proposals 2, 3 and 4. Any broker non-votes with respect to Proposals 3, 4, 5 and 6 will not count as shares entitled to vote on this proposal and therefore will be disregarded for purposes of determining the outcome of the vote on this proposal. Because your votes on Proposals 2, 3 and 4 are advisory, they will not be binding on the Board or the Company. However, the Board and the appropriate committees will consider the outcome of each of the advisory votes when making future decisions regarding the selection of our independent registered public accounting firm, when making future compensation decisions for our executive officers, and when making future decisions regarding the frequency of the advisory vote on the compensation of our executive officers.

You may either vote “FOR“, “AGAINST“ or “ABSTAIN“ on Proposals 2, 3, 5 and 6, “1 YEAR“, “2 YEARS“, “3 YEARS“ or “ABSTAIN“ on Proposal 4, and “FOR“ or “WITHHOLD“ authority to vote for each nominee for the Board. If you withhold authority to vote for the election of directors, your shares will not be voted with respect to the director or directors identified. If you sign and submit your proxy card without voting instructions, your shares will be voted “FOR“ Proposals 2, 3, 5 and 6, “3 YEARS“ on Proposal 4, and “FOR“ all director nominees.

Under the rules of the New York Stock Exchange (the “*Exchange*“) that govern most domestic stock brokerage firms, member firms that hold shares in street name for beneficial owners may, to the extent that such beneficial owners do not furnish voting instructions with respect to any or all proposals submitted for shareholder action, vote in their discretion upon proposals which are considered “discretionary“ proposals under the rules of the Exchange. These votes by brokerage firms are considered as votes cast in determining the outcome of any discretionary proposal. Member brokerage firms that have received no instructions from their clients as to “non-discretionary“ proposals do not have discretion to vote on these proposals. If the brokerage firm returns a proxy card without voting on a non-discretionary proposal because it received no instructions, this is referred to as a “broker non-vote“ on the proposal. “Broker non-votes“ are considered in determining whether a quorum exists at the Annual Meeting, but are not considered as votes cast in determining the outcome of any proposal. We believe that Proposal 2 is the only discretionary proposal.

In summary, if you do not vote your proxy, your brokerage firm or other nominee may either:

vote your shares on routine matters (Proposal 2) and cast a “broker non-vote“ on non-routine matters (Proposals 1, 3, 4, 5 and 6); or

leave your shares unvoted altogether.

We encourage you to provide instructions to your brokerage firm or other nominee by voting your proxy. This action ensures that your shares will be voted in accordance with your wishes at the Annual Meeting.

As of December 20, 2013, our directors and executive officers held or controlled approximately 679,494 shares of our common stock, constituting approximately 1.77% of the outstanding common stock. As of December 20, 2013, our directors and executive officers did not hold or control any shares of our preferred stock. We believe that these holders will vote all of their shares of common stock in accordance with the Board's recommendations on each of the proposals.

Sabby Management, LLC (“*Sabby*“), the beneficial owner of approximately 26.64% of the outstanding shares of Common Stock and voting power of the Company as of December 20, 2013, has informed the Company that it intends to vote in favor of Proposal 6. However, under NYSE MKT rules, any votes by Sabby or its affiliates will not be

counted in determining whether Proposal 6 is approved. For more information on shares beneficially owned by Sabby, see “Security Ownership of Certain Beneficial Owners and Management“ herein.

How does the Board recommend that I vote?

The Board recommends that you vote your shares “FOR“ Proposals 2, 3, 5 and 6 and all of the director nominees, and vote “3 YEARS“ for Proposal 4.

With respect to Proposals 3 and 4, the Board believes that the compensation of the Company's named executive officers is fair and reasonable and that requiring future advisory votes on executive compensation every three years is the preferred approach, as this will minimize the costs associated with soliciting shareholder approval of executive compensation arrangements, while still providing shareholders with a meaningful opportunity to provide input into the executive compensation process. It will also provide time for the Company to implement any changes it deems advisable following each advisory vote. As the Company's named executive officers are few in number, and both the named executive officers themselves, and their compensation arrangements, do not change frequently, holding the advisory vote every three years is the recommendation of the Board.

With respect to Proposal 6, the Company is under a contractual obligation to recommend a "FOR" vote.

Can my shares be voted on matters other than those described in this Proxy Statement?

Only under limited circumstances. We have not received proper notice of, and are not aware of, any business to be transacted at the Annual Meeting other than as indicated in this Proxy Statement. If any other item or proposal properly comes before the meeting, the proxies received will be voted on those matters in accordance with the discretion of the proxy holders.

How do I vote my shares without attending the Annual Meeting?

Shareholders of record can vote as follows:

• *Via the Internet:* Shareholders may vote through the Internet by following the instructions included with your Notice Regarding the Availability of Proxy Materials.

• *By Telephone:* Shareholders may vote by telephone by following the instructions included with your Notice Regarding the Availability of Proxy Materials.

• *By Mail:* Those shareholders who receive a paper proxy card in the mail may sign, date and return their proxy cards in the pre-addressed, postage-paid envelope that is provided with the mailed proxy materials. If you have misplaced your return envelope or need to return a proxy card from outside the United States, you may mail your proxy card to the address listed on the proxy card.

• *At the Meeting:* If you attend the Annual Meeting, you may vote in person by ballot, even if you have previously returned a proxy card or otherwise voted.

If your shares are held in “street name“ through a broker, bank or other nominee, that institution will send you separate instructions describing the procedure for voting your shares. Please follow the directions you are given carefully so your vote is counted. “Street name“ shareholders who wish to vote in person at the Annual Meeting will need to obtain a proxy form from the institution that holds your shares and present it to the inspector of elections with your ballot.

How do I vote my shares in person at the Annual Meeting?

If you are a shareholder of record and prefer to vote your shares at the Annual Meeting, you should bring the enclosed proxy card or proof of identification to the Annual Meeting. You may vote shares held in street name at the Annual Meeting only if you obtain a signed proxy from the record holder (broker or other nominee) giving you the right to vote the shares.

Even if you plan to attend the Annual Meeting, we encourage you to vote in advance by Internet, telephone or proxy card so your vote will be counted even if you later decide not to attend the Annual Meeting.

May shareholders ask questions at the Annual Meeting?

Yes. Representatives of the Company will answer a limited number of shareholders' questions of general interest at the end of the Annual Meeting. In order to give a greater number of shareholders an opportunity to ask questions, individuals or groups will be allowed to ask only one question and no repetitive or follow-up questions will be permitted.

What does it mean if I receive more than one proxy card?

It generally means you hold shares registered in more than one account. To ensure that all your shares are voted, sign and return each proxy card.

May I change my vote?

Yes. If you vote by mail, Internet or telephone, you may later change your vote and revoke your proxy card by:

Sending a written statement to that effect to the Secretary of the Company that is received before the commencement of the Annual Meeting on March 5, 2014;

Voting again via the Internet or telephone;

Submitting a properly signed proxy card with a later date;

Voting in person at the Annual Meeting; or

If you hold shares through a bank or brokerage firm, by contacting your financial institution and following its procedure to revoke your prior voting instructions.

Where can I find the voting results of the meeting?

We will announce preliminary voting results at the Annual Meeting. We will publish the final results in a report on Form 8-K that we will file with the SEC shortly after the Annual Meeting.

PROPOSAL 1 – ELECTION OF DIRECTORS

Nominees

Our Board currently consists of four members. The Board of Directors oversees our business affairs and monitors the performance of management. In accordance with basic principles of corporate governance, the Board does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chairman, key executive officers and our principal external advisers (legal counsel, auditors, and other professionals), by reading reports and other materials that are sent to them and by participating in Board and committee meetings.

The Board, on the recommendation of the Nominations and Corporate Governance Committee, has nominated the following three existing members of the Board for re-election and one new member for election to the Board at the Fiscal 2014 Annual Meeting: Dwight Babcock, Robert Kauffman, Thomas LaVoy and Philip J. Vitale, M.D. (new director nominee). If elected as a director at the Annual Meeting, each of the nominees would serve a one-year term expiring at the Fiscal 2015 Annual Meeting of Shareholders and until his successor has been duly elected and qualified. There are no family relationships among our directors, nominees for director or our executive officers.

Each of the nominees has consented to serve as a director if elected. If any of the nominees should be unavailable to serve for any reason, the Board, upon the recommendation of the Nominations and Corporate Governance Committee, may designate a substitute nominee or nominees (in which event the persons named on the enclosed proxy card will vote the shares represented by all valid proxy cards for the election of such substitute nominee or nominees), allow the vacancies to remain open until a suitable candidate or candidates are located, or by resolution provide for a lesser number of directors.

Mr. Vitale holds a BA in Biology from LaSalle College, obtained his M.D. from the medical school at the New Jersey College of Medicine and received his M.S. in Health Services Administration at the College of St. Francis. Mr. Vitale is expected to bring medical expertise in the industries the Company is targeting to the Company's Board.

Board Leadership Structure

Our CEO also serves as Chairman of our Board of Directors, and we have an independent Vice Chairman. The Board has determined that this structure is appropriate because it believes that at this time it is optimal to have one person speak for and lead the Company and the Board, and that the CEO should be that person. We believe that our Vice Chairman position being held by an independent director, the strength of our independent directors and our overall governance practices minimize any potential conflicts that otherwise could result from combining the positions of Chairman and CEO.

Our Vice Chairman since February 2008 has been Robert Kauffman. The Vice Chairman presides at meetings of our independent directors. The Vice Chairman may call for other meetings of the independent directors or of the full Board if he deems it necessary. The Vice Chairman also consults with the Chairman regarding meeting agendas, and serves as the principal liaison between the independent directors and the Chairman.

Risk Oversight

Management is responsible for the day-to-day management of the risks we face, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. The Board as a whole exercises its oversight responsibilities with respect to strategic, operational and competitive risks, as well as risks related to crisis management and executive succession issues. The Board has delegated oversight of certain other types of risks to its committees. The Audit Committee oversees our policies and processes relating to our financial statements and financial reporting, risks relating to our capital, credit and liquidity status, and risks related to related person transactions. The Compensation Committee oversees risks related to our compensation programs and structure, including our ability to motivate and retain talented executives. The Nominations and Corporate Governance Committee oversees risks related to our governance structure and succession planning for Board membership.

In addition, our Compensation Committee has reviewed risks related to our compensation programs and structure, and has determined that the Company's compensation policies and practices do not encourage excessive or unnecessary risk taking reasonably likely to result in a material adverse effect on the Company.

We believe that our Board leadership structure as discussed above promotes effective oversight of the Company's risk management for the same reasons that we believe the structure is most effective for the Company in general, namely, by providing unified leadership through a single person, while allowing for input from our Vice Chairman and other independent directors, all of whom are fully engaged in Board deliberations and decisions.

Board Committees and Meetings

During the fiscal year ended June 30, 2013, the Board held three regularly scheduled and special meetings and took action by written consent on five separate occasions. The Board has an Audit Committee, a Compensation Committee and a Nominations and Corporate Governance Committee.

Audit Committee. The Audit Committee is responsible to the Board for the areas of audit and compliance and oversees the Company's financial reporting process, including monitoring the integrity of the financial statements and the independence and performance of the auditors and supervises the Company's compliance with legal and regulatory requirements. The Committee operates under a charter approved by the Board. The Audit Committee Charter was attached as Appendix A to the Proxy Statement for the Annual Meeting held in February 2012. The current members of the Audit Committee are Mr. LaVoy (Chairman), Mr. Kauffman and Mr. Smith. The Board has determined that Mr. LaVoy and Mr. Kauffman are "audit committee financial experts" as defined under SEC rules. The Board has affirmatively determined that none of the members of the Audit Committee have a material relationship with the Company that would interfere with the exercise of independent judgment and each of the members of the Audit Committee are "independent" as independence is defined in Section 121(A) of the listing standards of the NYSE MKT and Rule 10A-3 under the Securities Exchange Act of 1934, as amended.

Compensation Committee. The Compensation Committee is responsible for establishing and reviewing the compensation and employee benefit policies of the Company. The members of the Compensation Committee are Mr. Smith (Chairman) and Mr. Kauffman, each of whom are “independent” directors within the meaning of SEC rules and NYSE MKT listing standards. The Committee operates under a charter approved by the Board. The Committee's charter as approved by the Board is attached as Appendix A to this Proxy Statement. The Compensation Committee reviews and recommends to the Board for approval the compensation for the Company's Chief Executive Officer and all of its other executive officers, including salaries, bonuses and grants of awards under, and administration of, the Company's equity incentive plans. The Compensation Committee, among other things, reviews the candidates that the CEO recommends to the Board to whom awards will be made under the Company's equity incentive plans, determines the number of options to be awarded, and the time, manner of exercise and other terms of the awards. Although the Committee's charter authorizes the committee to retain an independent consultant, no third party compensation consultant was engaged for fiscal year 2013. The Chief Executive Officer provides input to the Compensation Committee with respect to the individual performance and compensation recommendations for all executive officers and employees.

Nominations Committee. The Nominations and Corporate Governance Committee consists of three directors who have all been determined to be “independent” as defined by applicable SEC rules and NYSE MKT listing standards. Mr. Lavoy and Mr. Smith currently serve on the Nominations and Corporate Governance Committee and Mr. Kauffman serves as its Chairman. The Committee identifies and solicits recommendations from management of qualified individuals as prospective Board members. The Committee also recommends the director nominees to the Board for election at the annual meeting of shareholders. The Committee oversees the annual review and evaluation of the performance of the Board and its committees, and develops and recommends corporate governance guidelines to the Board. In addition, the Committee examines, evaluates, and monitors the independence of directors for general Board positions as well as for specific committee duties, and evaluates specific qualifications for members serving as audit committee financial experts. The Committee's charter as approved by the Board was attached as Appendix B to the Proxy Statement for the Annual Meeting held in February 2012.

The Board and its committees may retain outside advisors as they determine necessary to fulfill their responsibilities. All committees report their activities to the full Board. Each committee charter is posted on the IsoRay website – www.isoray.com.

Each Board member attended at least 75% of the aggregate meetings of the Board and of the Committees on which he served that were held during the period for which he was a Board or Committee member in the Company's fiscal year ended June 30, 2013 except for Mr. Kauffman who attended 71% of these meetings.

The following table summarizes the membership of the Board and each of its committees, as well as the number of times each committee met or took action by written consent during the fiscal year ended June 30, 2013.

Executive Sessions

Pursuant to the listing standards of the NYSE MKT, the independent directors are required to meet at least annually in executive sessions. Generally, those sessions are chaired by the Vice Chairman. During fiscal 2013, the Vice Chairman was Mr. Kauffman. During these executive sessions, the Vice Chairman has the power to lead the meeting, set the agenda and determine the information to be provided. During fiscal 2013, the Board held one executive session. The Vice Chairman can be contacted by writing to Vice Chairman, IsoRay, Inc., c/o Krista Cline, Secretary, 350 Hills Street, Suite 106, Richland, Washington 99354. We screen mail addressed to the Vice Chairman for security purposes and to ensure that it relates to discrete business matters that are relevant to our Company. Mail that satisfies these screening criteria will be forwarded to the Vice Chairman.

Report of the Audit Committee of the Board of Directors

The Audit Committee consists of three outside directors, each of whom has been determined to be financially literate and meets the independence standards for members of public company audit committees set forth in SEC rules adopted under the Sarbanes-Oxley Act of 2002 and applicable NYSE MKT listing standards. The Committee operates under a written charter adopted by the Board. Committee members include independent directors Thomas LaVoy (Chair), Robert Kauffman and Al Smith. Both Mr. LaVoy and Mr. Kauffman have each been determined to be qualified as an “audit committee financial expert” as defined in Item 407 of Regulation S-K.

Management is responsible for the Company's internal controls and the financial reporting process. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Committee's responsibility is to monitor and oversee these processes.

The Committee provides assistance to the Board in fulfilling its oversight responsibilities relating to corporate accounting and reporting practices of the Company toward assurance of the quality and integrity of its consolidated financial statements. The purpose of the Committee is to serve as an independent and objective party to monitor the Company's financial reporting process and internal control system; oversee, review and appraise the audit activities of the Company's independent auditors and internal auditing function; and maintain complete, objective and open communication between the Board, the independent accountants, financial management, and the internal audit function. The Audit Committee met four times during the 2013 fiscal year.

The Company's independent auditor reports directly to the Committee. The Audit Committee is solely responsible to appoint or replace the Company's independent auditor, and to assure the auditor's independence and to provide oversight and supervision thereof. The Committee determines compensation of the independent auditor and has established a policy for approval of non-audit related engagements awarded to the independent auditor. Such engagements must not impair the independence of the auditor with respect to the Company, as prescribed by the Sarbanes-Oxley Act of 2002; thus payment amounts are limited and non-audit related engagements must be approved in advance by the Committee. The Committee determines the extent of funding that the Company must provide to the Committee to carry out its duties, and has determined that such amounts were sufficient in fiscal 2013.

With respect to the fiscal year ended June 30, 2013, in addition to its other work, the Committee:

Reviewed and discussed with management the audited consolidated financial statements of the Company as of June 30, 2013 and the year then ended;
Discussed with DeCoria, Maichel & Teague, P.S. the matters required to be discussed by Auditing Standard No. 16, "Communications with Audit Committees," as adopted by the Public Company Accounting Oversight Board ("PCAOB"), with respect to its review of the findings of the independent auditor during its examination of the Company's financial statements; and
Received from DeCoria, Maichel & Teague, P.S. the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding its communications with the Audit Committee concerning independence. In addition, discussed with the auditors the firm's independence and determined that independence had been maintained.

The Committee recommended, based on the review and discussion summarized above, that the Board include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended June 30, 2013 for filing with the SEC.

AUDIT COMMITTEE

Thomas LaVoy, Chair

Robert Kauffman

Al Smith

The foregoing report of the Audit Committee does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Company filing under the Securities Act of 1933, as amended (the "Securities Act") or the Exchange Act, except to the extent the Company specifically incorporates this report by reference therein.

Nomination Process

The Nominations and Corporate Governance Committee is the nominating committee of the Board. The Committee is governed by the Company's Articles of Incorporation and Bylaws with respect to the nominations process. The Committee is responsible for recommending nominees for nomination by the Board for election to the Board. The Committee will consider nominations from shareholders, provided that such nominations are received by the Company's Secretary in accordance with the Articles of Incorporation, the Bylaws, and the date set in the prior year's proxy statement.

The Committee will perform the following duties with respect to director nominations: (a) consider the criteria for identifying and recommending individuals who may be nominated for election to the Board; (b) provide a recommendation to the Board of the slate of nominees for election to the Board; (c) as the need arises, make recommendations to fill vacancies and actively seek individuals qualified to become Board members; and (d) consider shareholder nominations for the Board when properly submitted in accordance with the Company's Articles of Incorporation and Bylaws.

The Committee will consider candidates for the Board who are recommended by its members, other Board members, shareholders and management, as well as those identified by a third party search firm the Company may retain to assist in identifying and evaluating possible candidates. The Committee evaluates candidates recommended by shareholders in the same manner that it evaluates other candidates. The Committee's evaluations will be based upon several criteria, including the candidate's broad-based business and professional skills and experiences; commitment to representing the long-term interests of shareholders; an inquisitive and objective perspective; the willingness to take appropriate risks; leadership ability; personal and professional ethics; personal integrity and judgment; and practical wisdom and sound judgment. Candidates should have reputations, both personal and professional, consistent with the Company's image and reputation.

At a minimum, the majority of directors on the Board should be "independent," not only as that term may be legally defined, but also without the appearance of any conflict in serving as a director. In addition, directors must have time available to devote to Board activities and to enhance their knowledge of the medical isotope industry. Accordingly, the Committee seeks to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company. The Company does not have a formal policy related to consideration of diversity in identifying director nominees.

The Committee will utilize the following process for identifying and evaluating nominees to the Board. In the case of incumbent directors whose terms of office are set to expire, the Committee will review such directors' overall service to the Company during their term, including the number of meetings attended, level of participation and quality of performance. In the case of new director candidates, the members of the Committee will be polled for suggestions as to potential candidates that may meet the criteria above, discuss candidates suggested by Company shareholders and

may also engage, if the Committee deems appropriate, a professional search firm. To date, the Board and the Committee have not engaged professional search firms to identify or evaluate potential nominees but may do so in the future, if necessary. The Committee will then meet to discuss and consider these candidates' qualifications and then choose a candidate to recommend by majority vote.

Amounts represent the ASC 718, *Compensation – Stock Compensation* valuation for the fiscal years ended June 30, 2013 and 2012, respectively. All such options were awarded under one of the Company's stock option plans. All options awarded (with the exception of Mr. Babcock's stock option grants that were immediately vested on the grant date) vest in three equal annual installments beginning with the first anniversary from the date of grant and expire ten years after the date of grant. All options were granted at the fair market value of the Company's stock on the date of grant and the Company used a Black- Scholes methodology as discussed in the footnotes to the financial statements to value the options.

Additionally, the 401(k) plan provides for the Company to make contributions to the 401(k) plan in amounts at the discretion of management. TRANSACTIONS WITH MANAGEMENT AND OTHERS

Patent and Know-How Royalty License Agreement

Effective August 1, 1998, Pacific Management Associates Corporation (PMAC) transferred its entire right, title and interest in an exclusive license agreement with Donald Lawrence to IsoRay, LLC (a predecessor company) in exchange for a membership interest. The terms of the license agreement require the payment of a royalty based on the Net Factory Sales Price, as defined in the agreement, of licensed product sales. Because the licensor's patent application was ultimately abandoned, only a 1% "know-how" royalty based on Net Factory Sales Price, as defined, remains applicable. To date, management believes that there have been no product sales incorporating the "know-how" and that therefore no royalty is due pursuant to the terms of the agreement. Management believes that ultimately no royalties should be paid under this agreement as there is no intent to use this "know-how" in the future.

The licensor of the Lawrence “know-how“ has disputed management's contention that it is not using this “know-how“. On September 25, 2007 and again on October 31, 2007, the Company participated in nonbinding mediation regarding this matter; however, no settlement was reached with the Lawrence Family Trust. After additional settlement discussions which ended in April 2008, the parties still failed to reach a settlement. The parties may demand binding arbitration at any time.

Director Independence

Using the standards of the NYSE MKT, the Company's Board has determined that Mr. Kauffman, Mr. LaVoy, and Mr. Smith each qualify under such standards as an independent director. Mr. Kauffman, Mr. LaVoy and Mr. Smith each meet the NYSE MKT listing standards for independence both as a director and as a member of the Audit Committee, and Mr. Kauffman and Mr. Smith each meet the NYSE MKT listing standards for independence both as a director and as a member of the Compensation Committee. No other directors are independent under these standards. Using the standards of the NYSE MKT, the Company's Board has determined that Dr. Vitale would qualify under such standards as both an independent director and as an independent member of the Audit or Compensation Committees should he be appointed to either Committee if elected. The Company did not consider any relationship or transaction between itself and these independent directors and nominee for director not already disclosed in this proxy statement in making this determination.

Review and Approval of Related Party Transactions

The Board reviews all transactions between the Company and any of its officers and directors. The Company's Code of Ethics emphasizes the importance of avoiding situations or transactions in which personal interests may interfere with the best interests of the Company or its shareholders. In addition, the Company's general corporate governance practice includes Board-level discussion and assessment of procedures for discussing and assessing relationships, including business, financial, familial and nonprofit, among the Company and its officers and directors, to the extent that they may arise. The Board and the Nominations and Corporate Governance Committee review any transaction with an officer or director to determine, on a case-by-case basis, whether a conflict of interest exists. The Board ensures that all directors voting on such a matter have no interest in the matter and discusses the transaction with counsel as the Board deems necessary. The Board will generally delegate the task of discussing, reviewing and approving transactions between the Company and any related persons to the Nominations and Corporate Governance Committee.

Since the beginning of fiscal year 2013, we did not enter into any transactions with related persons that were subject to our related transaction policy and required to be disclosed under Item 404(a) of Regulation S-K.

Director and Officer Indemnification

Our Articles of Incorporation provide to directors and officers indemnification to the full extent provided by law, and provide that, to the extent permitted by Minnesota law, a director will not be personally liable for monetary damages to us or our shareholders for breach of his or her fiduciary duty as a director, except for liability for certain actions that may not be limited under Minnesota law. In addition, the Company has entered into indemnification agreements with each of its directors and executive officers, pursuant to which the Company has agreed to indemnify such individuals for any claims made against such individuals based on any act, omission or breach of duty committed while acting as director or officer, except under certain circumstances such as cases involving dishonesty or improper personal benefit. The Company also maintains an insurance policy under which its directors and officers are insured against certain liabilities which might arise out of their relationship with the Company as directors and officers.

Vote Required for Election

The four persons receiving the highest number of affirmative votes will be elected as directors of the Company. Votes against a nominee or withheld from voting (whether by abstention, broker non-votes or otherwise) will have no legal effect on the vote.

PROPOSAL 2 – RATIFICATION OF RE-APPOINTMENT OF THE INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has re-appointed the firm of DeCoria, Maichel & Teague, P.S. to serve as our independent registered public accounting firm for the fiscal year ending June 30, 2014, and has directed that such re-appointment be submitted to our shareholders for ratification at the Annual Meeting. Our organizational documents do not require that our shareholders ratify the selection of our independent registered public accounting firm. If our shareholders do not ratify the selection, the Audit Committee will reconsider whether to retain DeCoria, Maichel & Teague, P.S., but still may retain it nonetheless. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in our best interests.

A representative of DeCoria, Maichel & Teague, P.S. is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she desires to do so. The representative also is expected to be available to respond to appropriate questions from shareholders.

Audit and Non-Audit Fees

The Company paid or accrued the following fees in each of the prior two fiscal years to its principal accountant, DeCoria, Maichel & Teague, P.S.:

	Year ended June 30, 2013	Year ended June 30, 2012
1. Audit fees	\$60,372	\$61,750
2. Audit-related fees	2,733	-
3. Tax fees	8,250	11,500
4. All other fees	3,750	2,275
Totals	\$75,105	\$75,525

Audit fees include fees for the audit of our annual financial statements, reviews of our quarterly financial statements, and related consents for documents filed with the SEC. Audit-related fees include cost of attendance at the annual shareholder meeting. Tax fees include fees for the preparation of our federal and state income tax returns. All other fees are related to consulting costs related to the review of documents related to equity offerings that occurred in the years ended June 30, 2013 and 2012, respectively.

As part of its responsibility for oversight of the independent registered public accountants, the Audit Committee has established a pre-approval policy for engaging audit and permitted non-audit services provided by our independent registered public accountants, DeCoria, Maichel & Teague, P.S. In accordance with this policy, each type of audit, audit-related, tax and other permitted service to be provided by the independent auditors is specifically described and each such service, together with a fee level or budgeted amount for such service, is pre-approved by the Audit Committee. The Audit Committee has delegated authority to its Chairman to pre-approve additional non-audit services (provided such services are not prohibited by applicable law) up to a pre-established aggregate dollar limit. All services pre-approved by the Chairman of the Audit Committee must be presented at the next Audit Committee meeting for review and ratification. All of the services provided by DeCoria, Maichel & Teague, P.S. described above were approved by our Audit Committee.

The Company's principal accountant, DeCoria, Maichel & Teague P.S., did not engage any other persons or firms other than the principal accountant's full-time, permanent employees.

Vote Required

The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on this Proposal 2 is required to approve Proposal 2.

Any abstentions with respect to this Proposal 2 will count as votes AGAINST this Proposal 2. Any broker non-votes with respect to this Proposal 2 will not count as shares entitled to vote on this proposal and therefore will be disregarded for purposes of determining the outcome of the vote on this Proposal 2.

The Board unanimously recommends that the shareholders vote “FOR“ Proposal 2 to ratify the re-appointment of DeCoria, Maichel & Teague, P.S. as the independent registered public accounting firm of the Company.

PROPOSAL 3 – Advisory (non-binding) vote TO APPROVE executive

compensation

Section 14 of the Securities Exchange Act, pursuant to the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, requires us to hold an advisory vote, commonly known as a “say-on-pay“ proposal, to approve the compensation of our executive officers, as disclosed in this proxy statement in accordance with the rules of the SEC, not less frequently than once every three years. As described in further detail in this proxy statement, we design our executive officer compensation programs to attract, motivate and retain the key executives who drive our success and help us maintain a strong position in our industry. We are committed to industry standards for the region in which we operate for base pay, commissions for our sales staff based on their performance, and equity payable to our executive officers based on our performance. In addition, we design our executive compensation to encourage long-term commitment by our executive officers to IsoRay.

Please read the “Executive Compensation” section of this proxy statement, beginning on page 19. That section of the proxy statement, which includes our executive officer compensation tables and related narrative discussion, provides historical details on our compensation programs and policies for our executive officers. The executive officers named in the summary compensation table and deemed to be a “named executive officers” are Dwight Babcock, Fredric Swindler, William Cavanagh and Robert Bilella.

The compensation paid to the Company’s executive officers is intended to align their interests with their long term interests of the Company’s shareholders and is based on a pay-for-performance philosophy. It is straightforward, consisting principally of salary, which must be competitive to retain the skills and experience of excellent employees, commissions where appropriate for sales improvements, and equity compensation to encourage long term commitment and team performance. Not all elements of our compensation package may be provided every year, depending on the performance of the Company and the executive.

Highlights of our executive officer compensation programs and policies are as follows:

We generally do not enter into employment agreements with our executive officers, which results in a lack of severance pay obligations, lack of change in control payments, and the ability of the Board and the CEO to dismiss executive officers at will, all of which the Board believes ultimately can save the Company ongoing severance obligations and encourage performance by the executive officers. Our single employment agreement, with Mr. Swindler, does not provide for severance or change in control payments.

The discretionary option grants available to our CEO are linked to the success of the Company in raising capital and cutting costs.

The compensation of our executive officers is not linked to the performance of the Company, except for discretionary bonuses and option grants, but is instead based on industry standards.

The compensation of our CFO is less than the industry norm for a CFO, as our CFO was recently promoted to this position and does not have past CFO experience.

Due to the continued severe impact on our business of competing in a declining market and limited success in non-prostate applications, we did not provide any meaningful increases in base salary to any executive officer in fiscal 2013.

We provide executive officers with long-term incentives in the form of stock options. These equity-based awards, which generally vest over a period of three years (except for grants to our CEO which vest immediately), link compensation with the long-term price performance of our stock, and also provide a substantial retention incentive.

We do not provide perquisites to our executive officers.

We are requesting shareholder approval of the compensation of our executive officers as disclosed in this proxy statement. This proposal, commonly known as a “say-on-pay“ proposal, gives our shareholders the opportunity to express their views on our executive officers' compensation. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our executive officers and the philosophy, policies and practices described in this proxy statement.

The Company is providing you the opportunity, as a shareholder, to endorse or not endorse our executive pay program and policies through the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this Proxy Statement, is hereby approved.”

As provided in the Exchange Act, the vote is not binding on the Board and may not be construed as overruling a decision by the Board, nor creating or implying any additional fiduciary duty by the Board, nor be construed to restrict or limit the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation.

The Board believes that the Company's compensation policies and procedures are strongly aligned with the long-term interests of our shareholders. Because your vote is advisory, it will not be binding upon the Board. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements.

Vote Required

The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on this Proposal 3 is required to approve Proposal 3.

Any abstentions with respect to this Proposal 3 will count as votes AGAINST this Proposal 3. Any broker non-votes with respect to this Proposal 3 will not count as shares entitled to vote on this proposal and therefore will be disregarded for purposes of determining the outcome of the vote on this Proposal 3.

The Board unanimously recommends a vote “FOR“ approval of the compensation paid to the Company’s named executive officers as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this proxy statement.

**PROPOSAL 4 – ADVISORY (NON-BINDING) VOTE ON FREQUENCY OF EXECUTIVE
COMPENSATION VOTE**

Section 14 of the Securities Exchange Act, pursuant to the Dodd-Frank Act, also requires us to hold an advisory vote, not less frequently than once every six years, on the frequency of the advisory vote to approve the compensation of our executive officers as described in Proposal 3 in this proxy statement. Future votes, regardless of frequency, would be substantially similar in nature to the vote requested under Proposal 3. By voting on this Proposal 4, shareholders may indicate whether they would prefer that we hold a say-on-pay vote every one, two or three years. We believe that our executive compensation is straightforward, uncontroversial and highly unlikely to provide incentives for excessive risk-taking. The Board of Directors believes that a less frequent vote would: (i) permit shareholders to focus on overall design issues rather than on the details of individual decisions, and (ii) align with the goals of our compensation arrangements which are designed to reward performance that promotes long-term shareholder value. Accordingly, we ask that you support a frequency of every three years for future shareholder advisory votes to approve the compensation of our executive officers. We believe that a three-year cycle provides the Board and the Compensation Committee with sufficient time to thoughtfully evaluate and respond to shareholder input and effectively implement changes, as needed, to our executive compensation program.

By voting on this Proposal 4, shareholders may indicate whether they would prefer an advisory vote to approve our named executive officer compensation every one, two or three years. The Board will consider the outcome of the vote requested by this Proposal 4 when making future decisions regarding the frequency of the “say-on-pay“ vote described in Proposal 3 of this proxy statement. However, because this is an advisory vote and not binding on the Board or the Company, the Board may decide that it is in the best interest of our shareholders and the Company to hold an advisory vote on the compensation of our executive officers more or less frequently than the frequency approved by our shareholders.

The Company is presenting the following proposal, which gives you as a shareholder the opportunity to inform the Company as to how often you wish the Company to include a proposal, similar to Proposal 3, in our proxy statement. This resolution is required pursuant to Section 14A of the Securities Exchange Act. While our Board of Directors intends to carefully consider the shareholder vote resulting from the proposal, the final vote will not be binding on us and is advisory in nature.

“RESOLVED, that the shareholders wish the Company to include an advisory vote on the compensation of the Company's named executive officers pursuant to Section 14A of the Securities Exchange Act every:

.1 year;

.2 years; or

.3 years.“

Vote Required

A frequency of one year, two years or three years must receive a majority of the votes represented and entitled to vote on this proposal at the meeting to be deemed by us as the frequency for the advisory vote on executive officer compensation that has been selected by shareholders.

Any broker non-votes with respect to this Proposal 4 will not count as shares entitled to vote on this proposal and therefore will be disregarded for purposes of determining the outcome of the vote on this Proposal 4.

The Board unanimously recommends a vote of “3 YEARS“ on the proposal to include an advisory vote of the shareholders on the compensation of the Company's named executive officers pursuant to Section 14A of the Securities Exchange Act either every 1 year, every 2 years, or every 3 years.

PROPOSAL 5 - APPROVE THE COMPANY'S

2014 EMPLOYEE STOCK OPTION PLAN

On January __, 2014, the Board unanimously adopted, subject to shareholder approval, the Company's 2014 Employee Stock Option Plan. The purpose of the 2014 Employee Stock Option Plan is to encourage selected employees, consultants and advisors to improve operations and increase profits of the Company and to accept or continue employment or association with the Company or its affiliates, to increase the interest of such persons in the Company's welfare through participation in the growth in value of the Company's common stock, and to enable the Company to attract and retain top-quality employees, officers and consultants and provide them with an incentive to enhance shareholder return. Up to [_____] shares of common stock (subject to adjustment in the event of stock splits and other similar events) may be issued pursuant to awards granted under the 2014 Employee Stock Plan. The full text of the 2014 Employee Stock Option Plan appears as Appendix B to this Proxy Statement and the description of the 2014 Employee Stock Option Plan herein is qualified in its entirety by reference to the text of the Plan.

The closing sales price of the Company's common stock as reported on the NYSE MKT on December 20, 2013 was \$0.46.

The Board believes that the future success of the Company depends, in large part, upon the ability of the Company to maintain a competitive position in attracting, retaining and motivating key personnel. The Company's existing Amended and Restated 2005 Employee Stock Option Plan and Amended and Restated 2005 Employee Stock Option Plan will both expire in 2015, leaving the Company with no equity incentive plans available for grants to its employees. **Accordingly, the Board believes adoption of the 2014 Employee Stock Plan is in the best interests of the Company and its shareholders and unanimously recommends a vote "FOR" the approval of the 2014 Employee Stock Plan.**

Description of the 2014 Employee Stock Option Plan

The 2014 Employee Stock Option Plan provides for the grant of options to selected employees, consultants and advisers of the Company to purchase up to an aggregate of [_____] shares of common stock. At present, there are approximately 37 persons eligible to participate in the 2014 Employee Stock Option Plan. The 2014 Employee Stock Option Plan will be administered by the Board or a committee of the Board. The administrator will have complete discretion to select the optionees and to establish the terms and conditions of each option, subject to the provisions of the 2014 Employee Stock Option Plan. Options granted under the 2014 Employee Stock Option Plan may be "incentive stock options" as defined in Section 422 of the Internal Revenue Code of 1986, as amended (the "Code"), or nonqualified options, and will be designated as such.

The exercise price of options granted under the 2014 Employee Stock Option Plan may be not less than the fair market value of the Company's common stock on the date of grant. Fair market value will be determined as provided in the 2014 Employee Stock Option Plan, which valuation methodology is intended to come within the parameters of Section 409A of the Code and the regulations thereunder. The exercise price of options intended to be incentive stock options must be 110% of fair market value if such option is granted to an employee who holds more than 10% of the total combined voting power of the Company voting securities.

In accordance with the rules under the Code for incentive stock options, the 2014 Employee Stock Option Plan provides that incentive stock options granted to any particular employee under the 2014 Employee Stock Option Plan or any other incentive option plan adopted by the Company may not “vest” for more than \$100,000 in fair market value of the stock (measured on the grant date) in any calendar year. If incentive stock options granted to one optionee would vest for more than \$100,000, then the exercisability of such incentive stock option will be deferred to the extent necessary to satisfy the \$100,000 limit. This restriction does not apply to non-qualified options, which may be granted without regard to any limitation on the amount of common stock for which the option may “vest” in any calendar year.

In general, upon termination of employment of an optionee (except for cause), all options granted to such person which were not exercisable on the date of such termination will immediately terminate, and any options that are exercisable on such termination date will be exercisable for a period of six months (one year in the case of termination by reason of death or disability) following termination of employment.

Options may not be exercised more than ten years after the date of grant (five years after the date of grant if the grant is an incentive stock option to an employee who owns more than 10% of the total combined voting power of all classes of capital stock of the Company). Options granted under the 2014 Employee Stock Option Plan are not transferable and may be exercised only by the respective grantees during their lifetime or by their heirs, executors or administrators in the event of death. The exercise price under any option may be paid in cash or shares of common stock already owned, as may be determined by the administrator, or through a cashless exercise. Tax withholding is required at the time of exercise. Under the 2014 Employee Stock Option Plan, shares subject to canceled or terminated options are available for subsequently granted options. The number of options outstanding and the exercise price thereof are subject to adjustment in the event of changes in the outstanding common stock by reason of stock dividends, stock splits, reverse stock splits, split-ups, consolidations, recapitalizations, reorganizations or like events. The 2014 Employee Stock Option Plan is effective for ten years, unless sooner terminated or suspended.

The Board may at any time amend, alter, suspend or discontinue the 2014 Employee Stock Option Plan. Without the consent of an optionee, no amendment, alteration, suspension or discontinuance may adversely affect outstanding options except to conform to the 2014 Employee Stock Option Plan and options granted hereunder to the requirements of federal or other tax laws relating to such stock options. No amendment, alteration, suspension or discontinuance will require shareholder approval unless (a) it increases the maximum aggregate number of shares of stock that may be issued under the 2014 Employee Stock Option Plan (not including any adjustments for changes in the Company’s capital structure), (b) shareholder approval is required under any applicable law, regulation or rule, including but not limited to applicable exchange rules, or (c) the Board otherwise concludes that shareholder approval is advisable.

2014 Employee Stock Option Plan Benefits

Awards under the 2014 Employee Stock Option Plan are granted at the discretion of the Board of Directors, which acts upon recommendations of the Compensation Committee. The Board determines the key employees who will

receive options under the 2014 Employee Stock Option Plan and the terms of those options. Accordingly, the nature and amounts of any future awards to be made to participants in the 2014 Employee Stock Option Plan are not presently determinable.

Since the grants of option awards under the 2014 Employee Stock Option Plan will be determined at the discretion of the Board of Directors, the Company is not presently able to determine the number of options that may be granted to each named executive officer, all current executive officers as a group, and all other employees. Non-employee directors are not eligible to participate in the 2014 Employee Stock Option Plan.

Certain Federal Income Tax Consequences

The following is a brief summary of the principal federal income tax consequences to the Company and an eligible person (who is a citizen or resident of the United States for U.S. federal income tax purposes) of non-qualified stock options and incentive stock options granted under the 2014 Employee Stock Option Plan. The summary is not intended to be exhaustive and, among other things, does not describe state, local or foreign tax consequences. The federal income tax consequences of an eligible person's award under the 2014 Employee Stock Option Plan are complex, are subject to change and differ from person to person. Each person should consult with his or her own tax adviser as to his or her own particular situation.

This discussion is based on the Code, Treasury Regulations promulgated under the Code, Internal Revenue Service rulings, judicial decisions and administrative rulings as of the date of this Proxy Statement, all of which are subject to change or differing interpretations, including changes and interpretations with retroactive effect. No assurance can be given that the tax treatment described herein will remain unchanged at the time that grants of incentive stock options and/or non-qualified stock options are made under the 2014 Employee Stock Option Plan.

Non-Qualified Options - An optionee generally recognizes no taxable income as the result of the grant of a non-qualified stock option. Upon exercise of such an option, the optionee generally recognizes ordinary income in the amount of the excess of the fair market value of the shares on the date of exercise over the option price for such shares. Upon the sale of stock acquired by the exercise of a non-qualified stock option, any gain or loss, based on the difference between the sale price and the adjusted basis of the stock (i.e., the exercise price plus the amount recognized as ordinary income upon exercise of the option), will be taxed as short-term or long-term capital gain or loss, depending upon the length of time the optionee has held the stock from the date of exercise. Special rules apply under Section 16(b) of the Exchange Act if a participant exercises an option within six months of the date of grant.

No tax deduction is available to the Company upon either the grant of a non-qualified stock option or the sale of stock acquired pursuant to the exercise of such option. Subject to the limits on deductibility of employee remuneration under Section 162(m) of the Code, the Company will generally be entitled to a tax deduction at the time the non-qualified stock option is exercised in an amount equal to the amount of ordinary income recognized by the optionee upon the exercise of the option. Non-qualified stock options granted to executive officers under the 2014 Employee Stock Option Plan are intended to qualify as performance-based compensation for purposes of Section 162(m) of the Code, and the Company should be entitled to a tax deduction in the amount of ordinary income

recognized by such officers upon the exercise of the options. However, no tax authority or court has ruled on the applicability of Section 162(m) to the 2014 Employee Stock Option Plan. The Company retains the right to grant options under the 2014 Employee Stock Option Plan in accordance with the terms of the 2014 Employee Stock Option Plan regardless of whether the Internal Revenue Service or a court having final jurisdiction with respect to the matter ultimately determines that the non-qualified stock options granted to executive officers are not deductible under Section 162(m) of the Code.

Incentive Stock Options - Upon the grant or exercise of an incentive stock option, the grantee thereof will not recognize any income for regular federal income tax purposes. If a grantee exercises an incentive stock option and retains the shares received for at least two years after the date of grant of such option and at least one year from the date of the option exercise, any gain realized upon the subsequent sale of the shares will be characterized as long term capital gain. If a grantee disposes of shares acquired upon exercise of an incentive stock option within two years after the date of grant of such option or within one year after the date of exercise of such option, the disposition will be treated as a disqualifying disposition and an amount equal to the lesser of (1) the fair market value of the shares on the date of exercise minus the purchase price, or (2) the amount realized on the disposition minus the purchase price, will be taxed as ordinary income to the grantee in the taxable year in which the disposition occurs. The excess, if any, of the amount realized upon disposition over the fair market value at the time of the exercise of the option will be treated as long or short-term capital gain, depending on the length of time the optionee has held the stock from the date of exercise.

The exercise of an incentive stock option may subject a grantee to alternative minimum tax liability because the excess of the fair market value of the shares at the time an incentive stock option is exercised over the exercise price of the shares is included in income for purposes of the alternative minimum tax, even though it is not included in taxable income for purposes of determining the regular tax liability of a grantee. Consequently, a grantee may be obligated to pay alternative minimum tax in the year he or she exercises an incentive stock option. As the application of the alternative minimum tax is complex and depends on each person's individual tax situation, a grantee should consult his or her own tax advisor in order to determine whether the exercise of an incentive stock option will subject the grantee to the alternative minimum tax.

In general, there will be no federal income tax deduction allowed to the Company upon the grant, exercise, or termination of an incentive stock option, or upon the sale of shares acquired pursuant to the exercise of an incentive stock option. However, in the event of a disqualifying disposition, the Company will be entitled to a deduction for federal income tax purposes in an amount equal to the ordinary income, if any, recognized by a grantee upon disposition of the shares, provided that the deduction is not otherwise disallowed under the Internal Revenue Code.

Both non-qualified stock options and incentive stock options granted pursuant to the 2014 Employee Stock Option Plan are intended to be exempt from Section 409A of the Code. The final Treasury Regulations under Section 409A, issued in April 2007, exclude from the provisions of that section (i) any stock options that are incentive stock options under Section 422 of the Code, and (ii) any non-qualified stock options granted with an exercise price of not less than the fair market value of the stock on the grant date, provided that the number of shares subject to the option is fixed on the grant date. The 2014 Employee Stock Option Plan contains definitions of "fair market value" and "grant date" that are consistent with those set forth in the Treasury Regulations. As a result, both non-qualified stock options and incentive stock options granted pursuant to the 2014 Employee Stock Option Plan should not be subject to the accelerated income tax and excise tax provisions of Section 409A of the Code.

Equity Compensation Plans

On May 27, 2005, the Company adopted the 2005 Stock Option Plan (the “*Option Plan*”) and the 2005 Employee Stock Option Plan (the “*Employee Plan*”), pursuant to which it may grant equity awards to eligible persons. On August 15, 2006, the Company adopted the 2006 Director Stock Option Plan (the “*Director Plan*”) pursuant to which it may grant equity awards to eligible persons. Each of the Plans has subsequently been amended. The Option Plan allows the Board of Directors to grant options to purchase up to 1,800,000 shares of common stock to directors, officers, key employees and service providers of the Company, and the Employee Plan allows the Board of Directors to grant options to purchase up to 2,000,000 shares of common stock to officers and key employees of the Company. The Director Plan allows the Board of Directors to grant options to purchase up to 1,000,000 shares of common stock to directors of the Company. Options granted under all of the Plans have a ten year maximum term, an exercise price equal to at least the fair market value of the Company's common stock (based on the trading price on the NYSE MKT) on the date of the grant, and with varying vesting periods as determined by the Board.

As of June 30, 2013, the following options had been granted under the option plans.

Plan Category	Number of securities to be issued on exercise of outstanding options, warrants, and rights #	Weighted-average price of outstanding options, warrants, and rights \$	Number of securities remaining available for future issuance under equity compensation plans
Equity compensation plans approved by shareholders	N/A	N/A	N/A

Vote Required

The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on this Proposal 5 is required to approve Proposal 5.

Any abstentions with respect to this Proposal 5 will count as votes AGAINST this Proposal 5. Any broker non-votes with respect to this Proposal 5 will not count as shares entitled to vote on this proposal and therefore will be disregarded for purposes of determining the outcome of the vote on this Proposal 5.

PROPOSAL 6 – WARRANT AMENDMENT

Description of the Warrants

On August 28, 2013, the Company entered into an Amended and Restated Underwriting Agreement (the “*Underwriting Agreement*”) with Maxim Group LLC, as the sole book-running manager, relating to the issuance and sale of 3,800,985 common units (each a “*Common Unit*”), each bundling one share of Common Stock together with .816 of a warrant to

purchase Common Stock (the “*Warrant*”), and 1,670 preferred units (each a “*Preferred Unit*” and, together with the securities bundled as Common Units, the “*Securities*”), each bundling one share of non-voting Series D Preferred Stock together with 1,525.23 Warrants to purchase Common Stock. The Common Units were offered at an initial per unit purchase price of \$0.535 and the Preferred Units were offered at an initial per unit purchase price of \$1,000. The Warrants are all exercisable at \$0.72 per share and have a twenty-four month term, with the exercise price and term subject to reduction to \$0.535 per share and an eighteen month term if shareholder approval of this Proposal 6 is obtained. The Warrants are not exercisable for the first six months after the date of issuance and are callable by the Company if the closing price of the Common Stock equals or exceeds \$1.25 (\$0.85 if shareholder approval of this Proposal 6 is obtained) for 10 consecutive days subject to minimum volume requirements. The shares of Common Stock and the shares of Series D Convertible Preferred Stock were issued separately from the Warrants but could only be purchased together in the offering.

Each share of our Series D Convertible Preferred Stock is convertible into 1,869.15 shares of our common stock (a conversion price of \$0.535 per share of Common Stock on the stated value of \$1,000) at any time at the option of the holder, subject to adjustment, provided that the holder is prohibited from converting Series D Convertible Preferred Stock into shares of our Common Stock if, as a result of such conversion, the holder, together with affiliates, would own more than 9.99% of the total shares of our common stock then issued and outstanding.

All of the Securities, including the Warrants, were purchased in the offering by affiliates of Sabby Management, LLC, who hold the Warrants as of the date of this proxy statement.

The issuance and sale of the Securities was pursuant to the Company's shelf registration statement on Form S-3 (File No. 333-188579), which was declared effective by the SEC on June 14, 2013, and the prospectus supplement filed with the SEC on August 29, 2013.

The foregoing description of the Warrants is qualified in its entirety by reference to the description contained in the Current Report on Forms 8-K filed by the Company with the SEC on August 29, 2013 and the documents filed as exhibits to such Current Report.

Description of Amendment to the Warrants

If the shareholders approve this Proposal 6, we will memorialize the changes to the Warrants through an amendment to the Warrants, which will be filed as an exhibit to a Form 8-K. This amendment will reduce the term of the Warrants from 24 to 18 months, reduce the exercise price from \$0.72 to \$0.535 per share, and reduce the call price from \$1.25 to \$0.85 per share.

Stockholder Approval

The NYSE MKT Company Guide requires stockholder approval for the sale, issuance, or potential issuance by an issuer, other than in a public offering, of common stock (or securities convertible into common stock) equal to 20% or more of the presently outstanding stock for a price that is less than the greater of book or market value of the stock, as well as for any such issuance to a company's officers, directors, employees, or consultants, or an affiliated entity of such a person, in a private placement at a price less than the market value of the stock. The Company is subject to NYSE MKT rules because its Common Stock is listed on NYSE MKT. Shareholder approval of the amendment is required as the reduced exercise price results in the August 2013 offering being over the 20% threshold. The Company is contractually obligated to present this Proposal 6 to the shareholders and to recommend its approval.

If the approval of stockholders is not obtained for this Proposal 6, there will be no amendment to the Warrants, and the Warrants will remain in effect in their current form.

Effect of Approval of this Proposal on Current Stockholders

If the proposed amendment is approved, shareholders will face additional dilution of 18.5 cents per share if the Warrants are exercised but the term of exercise will decrease by 6 months. In addition, the terms of the call provision under the Warrants would remain in effect at a reduced price of \$0.85 instead of \$1.25 and the likelihood of the call provision being triggered would be increased due to the reduced price required to trigger the call.

Vote Required

The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on this Proposal 6 is required to approve the proposed amendment.

Sabby Management, LLC, the beneficial owner of approximately 26.64% of the outstanding shares of Common Stock and voting power of the Company as of December 20, 2013, has informed the Company that it intends to vote in favor of Proposal 6. However, under NYSE MKT rules, any votes by Sabby or its affiliates will not be counted in determining whether Proposal 6 is approved. For more information on shares beneficially owned by Sabby, see “Security Ownership of Certain Beneficial Owners and Management“ herein.

Any abstentions with respect to this Proposal 6 will count as votes AGAINST this Proposal 6. Any broker non-votes with respect to this Proposal 6 will not count as shares entitled to vote on this proposal and therefore will be disregarded for purposes of determining the outcome of the vote on this Proposal 6.

As required by contract, the Board of Directors unanimously recommends a vote FOR this Proposal 6.

The mailing envelope for your communication should contain a clear notation that the enclosed letter is a “shareholder-board communication“ or “shareholder-director communication.“ You must include your name and address in the written communication and indicate whether you are a shareholder of the Company. We screen mail addressed to the Board, its Committees or any specified individual director for security purposes and to ensure that the mail relates to discrete business matters that are relevant to our Company. Mail that satisfies these screening criteria is required to be forwarded to the appropriate director or directors. The Corporate Secretary will acknowledge the receipt of the communication; inform the shareholder concerning the distribution of that communication; and when any action (if requested) would be reviewed by the Board and/or the relevant functional committee. The Corporate Secretary will notify the shareholder of any action taken by the Board in reference to the shareholder's request.

Board Attendance at Annual Meeting

While the Company does not have a formal policy regarding attendance by members of the Board at the Company's annual meetings of shareholders, it has encouraged its directors to attend this Annual Meeting and expects to continue this informal policy. Shareholders are encouraged to interact with the directors at that time. All the directors attended the last annual meeting of the Company's shareholders.

Expenses of Solicitation

The Company will bear the entire cost of this solicitation of proxies, including the preparation, assembly, printing and mailing of the Notice Regarding the Availability of Proxy Materials, this Proxy Statement, the proxy and any additional solicitation material that the Company may provide to shareholders. Proxies will be solicited by mail and may also be solicited by directors, officers and other employees of the Company, without additional remuneration, in person or by telephone or facsimile transmission. The Company will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward solicitation materials to the beneficial owners of shares of common and Series B preferred stock as of the Record Date and will reimburse such persons for the cost of forwarding the solicitation materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy by telephone, the Internet or by completing and returning the proxy card if you receive one by mail will help to avoid additional expense. Proxies and ballots will be received and tabulated by Broadridge and the Company's Corporate Secretary, Krista Cline, will serve as the inspector of elections for the Annual Meeting.

Adjournment of the Annual Meeting

In the event there is an insufficient number of shares of our common and Series B preferred stock present in person or by proxy at the Annual Meeting to constitute a quorum, the Board will request approval to adjourn the Annual Meeting to a later date. The place and date to which the Annual Meeting would be adjourned would be announced at

the Annual Meeting.

Shareholder Proposals and Director Nominations

In order to be eligible for inclusion in the Company's proxy materials for the Fiscal 2015 Annual Meeting of Shareholders, any shareholder proposal to take action at such annual meeting must generally be received at the Company's executive offices at 350 Hills St., Suite 106, Richland, Washington 99354 no later than September 23, 2014 in order to be considered timely under SEC rules and the advance notice provisions of the Company's Bylaws. Any such proposal shall be subject to the requirements of the proxy rules adopted under the Exchange Act.

The notice with respect to business proposals to be brought before the annual meeting must state the shareholder's name, address and the number of shares of common stock held, and briefly discuss the business to be brought before the annual meeting, the reasons for conducting such business at the annual meeting and any interest of the shareholder in the proposal.

Shareholders wishing to submit recommendations for director candidates must provide the following information in writing to the attention of the Secretary of the Company by certified or registered mail:

The name, address, and biography of the candidate, including such person's written consent to being named in the proxy statement as a nominee and to serving as a director, if elected, and certain information regarding the shareholder giving such notice;

The name, address, and phone number of the shareholder or group of shareholders making the recommendation; and

With respect to common stock beneficially owned by the shareholder or group of shareholders making the recommendation, and to the extent any shareholder is not a registered holder, proof of the number of shares held.

To be considered by the Board for the Fiscal 2015 Annual Meeting of Shareholders and to be eligible for inclusion in the Company's proxy materials for that meeting, a director candidate nomination must be received by the Secretary by September 23, 2014 in order to be considered timely under SEC rules and the advance notice provisions of the Company's Bylaws.

However, if the date of the Fiscal 2015 Annual Meeting is a date that is not within 30 days before or after the anniversary date of the Fiscal 2014 Annual Meeting, notice by the shareholder of a proposal must be received no later than ninety days before the date of the Fiscal 2015 Annual Meeting, or, if later, by the close of business on the 10th calendar day after the first public announcement of the date of such annual meeting. A public announcement includes disclosure in (1) a document filed by the Company with the SEC, (2) a mailed notice of the Fiscal 2015 Annual Meeting, and (3) a press release reported by a national news service. Unless otherwise provided in the Company's bylaws, a shareholder who wishes to put forth a proposal at the Fiscal 2015 Annual Meeting of Shareholders without including the proposal in the Company's proxy statement must notify the Company of such proposal by December 5, 2014. If a shareholder fails to give notice by this date, the proxy solicited by the Company for use in connection with the Fiscal 2015 Annual Meeting will confer discretionary authority on the persons named as proxies to vote in their discretion on such proposal without any discussion in the proxy statement of either the proposal or how the proxies intend to exercise their voting discretion.

HOUSEHOLDING

Unless contrary instructions are received, we may send a single copy of the Annual Report, Proxy Statement and Notice of Annual Meeting to any household at which two or more shareholders reside if we believe the shareholders are members of the same family. Each shareholder in the household will continue to receive a separate proxy card. This process is known as “householding” and helps reduce the volume of duplicate information received at a single household, which reduces costs and expenses borne by us.

If you would like to receive a separate set of our annual disclosure documents this year or in future years, follow the instructions described below and we will deliver promptly a separate set. Similarly, if you share an address with another shareholder and the two of you would like to receive only a single set of our annual disclosure documents, follow the instructions below:

1. If your shares are registered in your own name, please contact our transfer agent by writing to them at Computershare Trust Company, 350 Indiana Street, 8th Floor, Golden, Colorado 80401 (Attn: IsoRay, Inc. Representative) or calling (303) 262-0710.

2. If a bank, broker or other nominee holds your shares, please contact your bank, broker or other nominee directly.

Appendix B

ISORAY, INC.

2014 EMPLOYEE STOCK OPTION PLAN

1. Establishment, Purpose and Term of Plan.

1.1 **Establishment.** This IsoRay, Inc. 2014 Employee Stock Option Plan (the “*Plan*”) is hereby established effective as of January ____, 2014 (the “*Effective Date*”).

1.2 **Purpose.** The purpose of the Plan is to advance the interests of the Participating Company Group and its stockholders by providing an incentive to attract, retain and reward persons performing services for the Participating Company Group and by motivating such persons to contribute to the growth and profitability of the Participating Company Group.

1.3 **Term of Plan.** The Plan shall continue in effect until the earlier of its termination by the Board or the date on which all of the shares of Stock available for issuance under the Plan have been issued and all restrictions on such shares under the terms of the Plan and the agreements evidencing Awards granted under the Plan have lapsed. However, all Awards shall be granted, if at all, within ten (10) years from the earlier of the date the Plan is adopted by the Board or the date the Plan is duly approved by the stockholders of the Company. The Company intends that the Plan comply with Section 409A of the Code, including any amendments or replacements of such section, and the Plan shall be so construed.

2. Definitions and Construction.

2.1 **Definitions.** Whenever used herein, the following terms shall have the respective meanings set forth below:

(a) “*Affiliate*” means (i) an entity, other than a Parent Corporation, that directly, or indirectly, through one or more intermediary entities, controls the Company or (ii) an entity, other than a Subsidiary Corporation, that is controlled by the Company directly, or indirectly through one or more intermediary entities. For this purpose, the term “control” (including the term “controlled by”) means the possession, direct or indirect, of the power to direct or cause the direction

of the management and policies of the relevant entity, whether through the ownership of voting securities, by contract or otherwise; or shall have such other meaning assigned such term for the purposes of registration on Form S-8 under the Securities Act.

(b) “*Assumed*” means that pursuant to a Corporate Transaction either (i) an Award is expressly affirmed by the Company or (ii) the contractual obligations represented by the Award are expressly assumed (and not simply by operation of law) by the successor entity or its parent in connection with the Corporate Transaction, with appropriate adjustments to the number and type of securities of the successor entity or its parent subject to the Award and the exercise or purchase price thereof, which at least preserves the compensation element of the Award existing at the time of the Corporate Transaction, as determined in accordance with the instruments evidencing the agreement to assume the Award.

- (c) “**Award**” means an Option granted under the Plan.
- (d) “**Award Agreement**” means an Option Agreement, as the case may be.
- (e) “**Board**” means the Board of Directors of the Company. If the Committee has been appointed by the Board to administer the Plan, “**Board**” also means such Committee.

otherwise provided by the Board, in its discretion, the Participant's Service shall be deemed to have terminated either upon an actual termination of Service or upon the entity for which the Participant performs Service ceasing to be a Participating Company. 3. **Administration.**

3.1 **Administration of the Plan.** The Plan shall be administered by the Board until the Committee has been appointed by the Board, and upon such appointment and in accordance with Sections 2.1(e) and (h) hereof, the Committee shall administer the Plan in lieu of the Board and have all of the powers of the Board granted herein (unless specifically limited by the Board), including, without limitation, the powers set forth in Section 3.2 of this Plan; provided, however, and notwithstanding the foregoing or anything herein which may be construed as being to the contrary, the Board exclusively shall have the power to and may increase the size of the Committee and appoint additional members thereof, remove members (with or without cause) and appoint new members in substitution therefor, fill vacancies however caused, or remove all members of the Committee and thereafter and once again directly administer the Plan.

3.2 **Powers of the Board.** In addition to any other powers set forth in the Plan and subject to the provisions of the Plan, the Board shall have the full and final power and authority, in its discretion:

(a) to determine when, to whom and in what types and amounts Awards should be granted, and the terms and conditions applicable to each Award, including the exercise price and term of Options;

- (b) to construe and interpret the Plan and to make all determinations (including determining Fair Market Value) necessary or advisable for the administration of the Plan;

- (c) to make, amend, and rescind rules relating to the Plan, including rules with respect to the exercisability of Awards upon the termination of Services of a Participant;

- (d) to determine the terms and conditions of any and all Award Agreements (which need not be identical with respect to any Option Agreement against another), approve forms of Award Agreements for use under the Plan, and, with the consent of the Participant, to amend any such Award Agreement at any time; *provided* that the consent of the Participant shall not be required for any amendment which (i) does not materially adversely affect the rights of the Participant, or (ii) is necessary or advisable (as determined by the Board) to carry out the purpose of the Award as a result of any new or change in existing applicable law or accounting rules;

- (e) to accelerate the exercisability of any Award or any group of Awards for any reason and at any time, including in connection with a Participant's termination;

- (f) subject to the terms and provisions of the Plan, to extend the time during which any Award or group of Awards may be exercised;

- (g) to make such adjustments or modifications to Awards to Participants who are working outside the United States or to create and administer sub-plans as the Board deems advisable to fulfill the purposes of the Plan or to comply with applicable local law;

- (h) to cancel, with the consent of the Participant, outstanding Awards and grant new Awards in substitution therefor;

- (i) to delegate to officers, employees or independent contractors of the Company matters involving the routine administration of the Plan, and which are not specifically required by any provision of this Plan to be performed by the Board;

- (j) to impose such additional terms and conditions upon the grant, exercise or retention of Awards as the Board may, before or concurrently with the grant thereof, deem appropriate, including limiting the percentage of Awards which may from time to time be exercised by a Participant;

- (k) to correct any defect, omission or inconsistency in the Plan, grant, or Award Agreement in any manner and to the extent it shall deem necessary or expedient; and

- (l) to take any other action with respect to any matters relating to the Plan for which it is responsible.

All questions of interpretation of the Plan or of any Award shall be determined by the Board, and such determinations shall be final and binding upon all persons having an interest in the Plan or such Award.

3.3 **Committee Action.** Upon its appointment, the Committee may select one of its members as its chairman, and shall hold meetings at such times and places as it may determine. A majority of the Committee shall constitute a quorum, and acts of a majority of the members of the Committee at a meeting at which a quorum is present, or acts reduced to or approved in writing by all the members of the Committee (if consistent with applicable state law), shall be the valid acts of the Committee.

3.4 **Administration with Respect to Insiders.** With respect to participation by Insiders in the Plan, at any time that any class of equity security of the Company is registered pursuant to Section 12 of the Exchange Act, the Plan shall be administered in compliance with the requirements, if any, of Rule 16b-3.

3.5 **Indemnification.** In addition to such other rights of indemnification as they may have as members of the Board or officers or employees of the Participating Company Group, members of the Board and any officers or employees of the Participating Company Group to whom authority to act for the Board or the Company is delegated shall be indemnified by the Company against all reasonable expenses, including attorneys' fees, actually and necessarily incurred in connection with the defense of any action, suit or proceeding, or in connection with any appeal thereof, to which they or any of them may be a party by reason of any action taken or failure to act under or in connection with the Plan, or any right granted hereunder, and against all amounts paid by them in settlement thereof (provided such settlement is approved by independent legal counsel selected by the Company) or paid by them in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such person is liable for gross negligence, bad faith or intentional misconduct in performance of his or her duties; provided, however, that within sixty (60) days after the institution of any such action, suit or proceeding, such person shall offer to the Company, in writing, the opportunity at its own expense to handle and defend the same.

3.6 **At-Will Employment.** Nothing in the Plan or in any Award Agreement hereunder shall confer upon any Participant any right to continue in the employ of, or as a Director or Consultant for, a Participating Company, or shall interfere with or restrict in any way the rights of a Participating Company, which rights are hereby expressly reserved, to discharge any Participant at any time for any reason whatsoever, with or without Cause, except to the extent expressly provided otherwise in a written agreement between the Participant and a Participating Company.

3.7 **Repricing.** The Board shall have the authority, without the approval of the shareholders of the Company, to amend any outstanding Option to increase or reduce the price per share or to cancel and replace an Option with the grant of an Option having an exercise price per share that is less than, greater than or equal to the price per share of the original Option.

4. **Shares Subject to Plan.**

4.1 **Maximum Number of Shares Issuable.** Subject to adjustment as provided in Section 4.2, the maximum aggregate number of shares of Stock that may be issued under the Plan shall be [_____], and shall consist of authorized but unissued or reacquired shares of Stock or any combination thereof. If an outstanding Award for any reason expires or is terminated or canceled, or if shares of Stock are acquired upon the exercise of an Award subject to a Company repurchase option and are repurchased by the Company at the Participant's exercise or purchase price, the shares of Stock allocable to the unexercised portion of such Award or such repurchased shares of Stock shall again be available for issuance under the Plan. However, except as adjusted pursuant to Section 4.2, in no event shall more than

[_____] shares of Stock be available for issuance pursuant to the exercise of Incentive Stock Options (the “*ISO Share Limit*”).

4.2 **Adjustments for Changes in Capital Structure.** Subject to any required action by the stockholders of the Company, in the event of any change in the Stock effected without receipt of consideration by the Company, whether through merger, consolidation, reorganization, reincorporation, recapitalization, reclassification, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares, or similar change in the capital structure of the Company, or in the event of payment of a dividend or distribution to the stockholders of the Company in a form other than Stock (excepting normal cash dividends) that has a material effect on the Fair Market Value of shares of Stock, appropriate and proportionate adjustments shall be made in the number and class of shares subject to the Plan and to any outstanding Options, in the ISO Share Limit set forth in Section 4.1, and in the exercise price per share of any outstanding Options in order to prevent dilution or enlargement of Optionees' rights under the Plan. For purposes of the foregoing, conversion of any convertible securities of the Company shall not be treated as "effected without receipt of consideration by the Company." Any fractional share resulting from an adjustment pursuant to this Section 4.2 shall be rounded down to the nearest whole number, and in no event may the exercise price of any Option be decreased to an amount less than the par value, if any, of the stock subject to the Option. Such adjustments shall be determined by the Board, and its determination shall be final, binding and conclusive.

5. **Eligibility and Option Limitations.**

5.1 **Persons Eligible for Awards.** Awards may be granted only to Employees and Consultants. For purposes of the foregoing sentence, "Employees" and "Consultants" shall include prospective Employees and prospective Consultants to whom Options are granted in connection with written offers of an employment or other service relationship with the Participating Company Group. Eligible persons may be granted more than one (1) Award. However, eligibility in accordance with this Section shall not entitle any person to be granted an Award, or, having been granted an Award, to be granted an additional Award.

5.2 **Option Grant Restrictions.** An Incentive Stock Option may be granted only to a person who is an Employee on the effective date of grant of the Option to such person. Any person who is not an Employee on the effective date of the grant of an Option to such person may only be granted a Nonstatutory Stock Option. An Incentive Stock Option granted to a prospective Employee upon the condition that such person become an Employee shall be deemed granted effective on the date such person commences Service with a Participating Company, with an exercise price determined as of such date in accordance with Section 6.1.

5.3 **Fair Market Value Limitation.** To the extent that Options designated as Incentive Stock Options (granted under all stock plans of the Participating Company Group, including the Plan) become exercisable by a Participant for the first time during any calendar year for stock having a Fair Market Value greater than One Hundred Thousand Dollars (\$100,000), the portions of such Options which exceed such amount shall be treated as Nonstatutory Stock Options. For purposes of this Section 5.3, Options designated as Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of stock shall be determined as of the time the Option with respect to such stock is granted. If the Code is amended to provide for a different limitation from that set forth in this Section 5.3, such different limitation shall be deemed incorporated herein effective as of the date and with respect to such Options as required or permitted by such amendment to the Code. If an Option is treated as an Incentive Stock Option in part and as a Nonstatutory Stock Option in part by reason of the limitation set forth in this Section 5.3, the Participant may designate which portion of such Option the Participant is exercising. In the absence of such designation, the Participant shall be deemed to have exercised the Incentive Stock Option portion of the Option first. Separate certificates representing each such portion shall be issued upon the exercise of the Option.

6. **Terms and Conditions of Options.**

Options shall be evidenced by Option Agreements specifying the number of shares of Stock covered thereby, in such form as the Board shall from time to time establish. No Option or purported Option shall be a valid and binding obligation of the Company unless evidenced by a fully executed Option Agreement. Option Agreements may incorporate all or any of the terms of the Plan by reference and shall be subject to the following terms and conditions:

6.1 **Exercise Price.** The exercise price for each Option shall be established in the discretion of the Board, subject to compliance with Section 409A of the Code; provided, however, that (a) the exercise price per share for an Incentive Stock Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, (b) the exercise price per share for a Nonstatutory Stock Option shall be not less than the Fair Market Value of a share of Stock on the effective date of grant of the Option, and (c) no Option granted to a Ten Percent Stockholder shall have an exercise price per share less than one hundred ten percent (110%) of the Fair Market Value of a share of Stock on the effective date of grant of the Option. Notwithstanding the foregoing, an Option (whether an Incentive Stock Option or a Nonstatutory Stock Option) may be granted with an exercise price lower than the minimum exercise price set forth above if such Option is granted pursuant to an assumption or substitution for another option in a manner qualifying under the provisions of Section 424(a) of the Code.

6.2 **Exercisability and Term of Options.** Options shall be exercisable at such time or times, or upon such event or events, and subject to such terms, conditions, performance criteria and restrictions as shall be determined by the Board and set forth in the Option Agreement evidencing such Option; provided, however, that, (a) no Option shall be exercisable after the expiration of ten (10) years after the effective date of grant of such Option, (b) no Incentive Stock Option granted to a Ten Percent Stockholder shall be exercisable after the expiration of five (5) years after the effective date of grant of such Option, and (c) no Option granted to a prospective Employee or prospective Consultant may become exercisable prior to the date on which such person commences Service with a Participating Company. Subject to the foregoing, unless otherwise specified by the Board in the grant of an Option, any Option granted

hereunder shall terminate ten (10) years after the effective date of grant of the Option, unless earlier terminated in accordance with its provisions.

6.3 Payment of Exercise Price.

(a) **Forms of Consideration Authorized.** Except as otherwise provided below, payment of the exercise price for the number of shares of Stock being purchased pursuant to any Option shall be made (i) in cash, by check or cash equivalent, (ii) by tender to the Company, or attestation to the ownership, of shares of Stock owned by the Participant having a Fair Market Value not less than the exercise price, (iii) by delivery of a properly executed notice together with irrevocable instructions to a broker providing for the assignment to the Company of the proceeds of a sale or loan with respect to some or all of the shares being acquired upon the exercise of the Option (including, without limitation, through an exercise complying with the provisions of Regulation T as promulgated from time to time by the Board of Governors of the Federal Reserve System) (a “**Cashless Exercise**”), (iv) by such other consideration as may be approved by the Board from time to time to the extent permitted by applicable law, or (v) by any combination thereof. The Board may at any time or from time to time, by approval of or by amendment to the standard forms of Option Agreement described in Section 8, or by other means, grant Options which do not permit all of the foregoing forms of consideration to be used in payment of the exercise price or which otherwise restrict one or more forms of consideration. Notwithstanding any other provision of the Plan to the contrary, no Optionee who is a Director or an “executive officer” of the Company within the meaning of Section 13(k) of the Exchange Act shall be permitted to make payment with respect to any Options granted under the Plan, or continue any extension of credit with respect to such payment with a loan from the Company or a loan arranged by the Company in violation of Section 13(k) of the Exchange Act.

(b) Limitations on Forms of Consideration.

(i) **Tender of Stock.** Notwithstanding the foregoing, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock to the extent such tender or attestation would constitute a violation of the provisions of any law, regulation or agreement restricting the redemption of the Company’s stock. Unless otherwise provided by the Board, an Option may not be exercised by tender to the Company, or attestation to the ownership, of shares of Stock unless such shares either have been owned by the Participant for more than six (6) months (and were not used for another Option exercise by attestation during such period) or were not acquired, directly or indirectly, from the Company.

(ii) **Cashless Exercise.** The Board reserves, at any and all times, the right, in the Board’s sole and absolute discretion, to establish, decline to approve or terminate any program or procedures for the exercise of Options by means of a Cashless Exercise.

6.4 Effect of Termination of Service.

(a) ***Option Exercisability.*** Subject to earlier termination of the Option as otherwise provided herein, and unless otherwise provided by the Board in the grant of an Option and set forth in the Option Agreement, an Option shall be exercisable after a Participant's termination of Service only during the applicable time period determined in accordance with this Section 6.4 and thereafter shall terminate:

(i) **Disability.** If the Participant's Service terminates because of the Disability of the Participant, the Option, to the extent unexercised and exercisable on the date on which the Participant's Service terminated, may be exercised by the Participant (or the Participant's guardian or legal representative) at any time prior to the expiration of twelve (12) months (or such longer period of time as determined by the Board, in its discretion) after the date on which the Participant's Service terminated, but in any event no later than the date of expiration of the Option's term as set forth in the Option Agreement evidencing such Option (the "**Option Expiration Date**").

(ii) **Death.** If the Participant's Service terminates because of the death of the Participant, the Option, to the extent unexercised and exercisable on the date on which the Participant's Service terminated, may be exercised by the Participant's legal representative or other person who acquired the right to exercise the Option by reason of the Participant's death at any time prior to the expiration of twelve (12) months (or such longer period of time as determined by the Board, in its discretion) after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date. The Participant's Service shall be deemed to have terminated on account of death if the Participant dies within three (3) months (or such longer period of time as determined by the Board, in its discretion) after the Participant's termination of Service.

(iii) **Termination for Cause.** Notwithstanding any other provision of the Plan to the contrary, if the Participant's Service with the Participating Company Group is terminated for Cause, as defined by the Participant's Option Agreement or contract of employment or service (or, if not defined in any of the foregoing, as defined below), the Option shall terminate and cease to be exercisable immediately upon such termination of Service.

(iv) **Other Termination of Service.** If the Participant's Service terminates for any reason, except Disability, death or Cause, the Option, to the extent unexercised and exercisable by the Participant on the date on which the Participant's Service terminated, may be exercised by the Participant at any time prior to the expiration of six (6) months (or such longer period of time as determined by the Board, in its discretion) after the date on which the Participant's Service terminated, but in any event no later than the Option Expiration Date.

(b) **Extension if Exercise Prevented by Law.** Notwithstanding the foregoing other than termination for Cause, if the exercise of an Option within the applicable time periods set forth in Section 6.4(a) is prevented by the provisions of Section 11 below, the Option shall remain exercisable until three (3) months (or such longer period of time as determined by the Board, in its discretion) after the date the Participant is notified by the Company that the Option is exercisable, but in any event no later than the Option Expiration Date.

(c) **Extension if Participant Subject to Section 16(b).** Notwithstanding the foregoing other than termination for Cause, if a sale within the applicable time periods set forth in Section 6.4(a) of shares acquired upon the exercise of the Option would subject the Participant to suit under Section 16(b) of the Exchange Act, the Option shall remain exercisable until the earliest to occur of (i) the tenth (10th) day following the date on which a sale of such shares by the Participant would no longer be subject to such suit, (ii) the one hundred and ninetieth (190th) day after the

Participant's termination of Service, or (iii) the Option Expiration Date.

6.5 **Transferability of Options.** During the lifetime of the Participant, an Option shall be exercisable only by the Participant or the Participant's guardian or legal representative. No Option shall be assignable or transferable by the Participant, except by will or by the laws of descent and distribution. No Option or interest or right therein shall be liable for the debts, contracts or engagements of the Participant or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, hypothecation, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect. Notwithstanding the foregoing, to the extent permitted by the Board, in its discretion, and set forth in the Option Agreement evidencing such Option, a Nonstatutory Stock Option shall be assignable or transferable subject to the applicable limitations, if any, under Rule 701 under the Securities Act and the General Instructions to Form S-8 Registration Statement under the Securities Act.

7. **Standard Forms of Agreements.**

7.1 **Option Agreement.** Unless otherwise provided by the Board at the time the Option is granted, an Option shall comply with and be subject to the terms and conditions set forth in the form of Option Agreement approved by the Board concurrently with its adoption of the Plan and as amended from time to time.

7.2 **Authority to Vary Terms.** The Board shall have the authority from time to time to vary the terms of any standard form of agreement described in this Section 8 either in connection with the grant or amendment of an individual Award or in connection with the authorization of a new standard form or forms; provided, however, that any such new, revised or amended standard form or forms of agreement shall be subject to the terms of the Plan as set forth herein.

8. **Change in Control.**

8.1 **Termination of Award to Extent Not Assumed in Corporate Transaction.** Effective upon the consummation of a Corporate Transaction, all outstanding Awards under the Plan shall terminate. However, all such Awards shall not terminate to the extent they are Assumed in connection with the Corporate Transaction.

8.2 **Acceleration of Award Upon Corporate Transaction.** Except as provided otherwise in an individual Award Agreement, in the event of a Corporate Transaction and:

(a) for the portion of each Award that is Assumed or Replaced, then such Award (if Assumed), the replacement Award (if Replaced), or the cash incentive program (if Replaced) automatically shall become fully vested, exercisable and payable and be released from any repurchase or forfeiture rights (other than repurchase rights exercisable at Fair Market Value) for all of the shares of Stock at the time represented by such Assumed or Replaced portion of the Award immediately upon termination of the Participant's Service, if such Service is terminated by the successor company or the Company without Cause or voluntarily by the Participant with Good Reason within twelve (12) months after the Corporate Transaction; and

(b) for the portion of each Award that is neither Assumed nor Replaced, such portion of the Award shall automatically become fully vested and exercisable and be released from any repurchase or forfeiture rights (other than repurchase rights exercisable at Fair Market Value) for all of the shares of Stock at the time represented by such portion of the Award, immediately prior to the specified effective date of such Corporate Transaction, provided however that such accelerated portion of the Award shall terminate under Section 9.1 to the extent not exercised prior to the consummation of such Corporate Transaction.

8.3 **Federal Excise Tax Under Section 4999 of the Code.**

(a) **Excess Parachute Payment.** In the event that any acceleration of vesting pursuant to an Award and any other payment or benefit received or to be received by a Participant would subject the Participant to any excise tax pursuant to Section 4999 of the Code due to the characterization of such acceleration of vesting, payment or benefit as an “excess parachute payment“ under Section 280G of the Code, the Participant may to the extent permitted by applicable law elect, in his or her sole discretion, to reduce the amount of any acceleration of vesting called for under the Award in order to avoid such characterization.

(b) **Determination by Independent Accountants.** To aid the Participant in making any election called for under Section 8.3(a), no later than the date of the occurrence of any event that might reasonably be anticipated to result in an “excess parachute payment“ to the Participant as described in Section 8.3(a), the Company shall request a determination in writing by independent public accountants selected by the Company (the “**Accountants**“). As soon as practicable thereafter, the Accountants shall determine and report to the Company and the Participant the amount of such acceleration of vesting, payments and benefits that would produce the greatest after-tax benefit to the Participant. For the purposes of such determination, the Accountants may rely on reasonable, good faith interpretations concerning the application of Sections 280G and 4999 of the Code. The Company and the Participant shall furnish to the Accountants such information and documents as the Accountants may reasonably request in order to make their required determination. The Company shall bear all fees and expenses the Accountants may reasonably charge in connection with their services contemplated by this Section 8.3(b).

9. **Tax Withholding.**

9.1 **Tax Withholding in General.** The Company shall have the right to deduct from any and all payments made under the Plan, or to require the Participant, through payroll withholding, cash payment or otherwise, including by means of a Cashless Exercise of an Option, to make adequate provision for, the federal, state, local and foreign taxes, if any, required by law to be withheld by the Participating Company Group with respect to an Award or the shares acquired pursuant thereto. The Company shall have no obligation to deliver shares of Stock or to release shares of Stock from an escrow established pursuant to an Option Agreement or Stock Purchase Agreement until the Participating Company Group’s tax withholding obligations have been satisfied by the Participant.

9.2 **Withholding in Shares.** The Company shall have the right, but not the obligation, to deduct from the shares of Stock issuable to a Participant upon the exercise of an Award, or to accept from the Participant the tender of, a number of whole shares of Stock having a Fair Market Value, as determined by the Company, equal to all or any part of the tax withholding obligations of the Participating Company Group. The Fair Market Value of any shares of Stock withheld or tendered to satisfy any such tax withholding obligations shall not exceed the amount determined by the applicable minimum statutory withholding rates.

10. **Compliance with Securities Law.**

The grant of Awards and the issuance of shares of Stock upon exercise of Awards shall be subject to compliance with all applicable requirements of federal, state and foreign securities laws. Awards may not be exercised if the issuance of shares of Stock upon exercise would constitute a violation of any applicable federal, state or foreign securities laws or other laws or regulations or the requirements of any stock exchange or market system upon which the Stock may then be listed. In addition, no Award may be exercised unless (a) a registration statement under the Securities Act shall at the time of exercise be in effect with respect to the shares of Stock issuable upon such exercise or (b) in the opinion of legal counsel to the Company, the shares issuable upon exercise may be issued in accordance with the terms of an applicable exemption from the registration requirements of the Securities Act. The inability of the Company to obtain from any regulatory body having jurisdiction the authority, if any, deemed by the Company's legal counsel to be necessary to lawfully issue and sell any shares of Stock hereunder shall relieve the Company of any liability in respect of the failure to issue or sell such shares. As a condition to the exercise of any Award, the Company may require the Participant to satisfy any qualifications that may be necessary or appropriate, to evidence compliance with any applicable law or regulation and to make any representation or warranty with respect thereto as may be requested by the Company.

11. **Termination or Amendment of Plan.**

The Board may terminate or amend the Plan at any time. However, subject to changes in applicable law, regulations or rules that would permit otherwise, without the approval of the Company's stockholders, there shall be (a) no increase in the maximum aggregate number of shares of Stock that may be issued under the Plan (except by operation of the provisions of Section 4.2), (b) no change in the class of persons eligible to receive Incentive Stock Options, and (c) no other amendment of the Plan that would require approval of the Company's stockholders under any applicable law, regulation or rule. No termination or amendment of the Plan shall affect any then outstanding Award unless expressly provided by the Board. In any event, no termination or amendment of the Plan may adversely affect any then outstanding Award without the consent of the Participant, unless such termination or amendment is required to enable an Option designated as an Incentive Stock Option to qualify as an Incentive Stock Option or is necessary to comply with any applicable law, regulation or rule.

12. **Miscellaneous Provisions.**

12.1 **Repurchase Rights.** Shares issued under the Plan may be subject to a right of first refusal, one or more repurchase options, or other conditions and restrictions as determined by the Board in its discretion at the time the Award is granted. The Company shall have the right to assign at any time any repurchase right it may have, whether or not such right is then exercisable, to one or more persons as may be selected by the Company. Upon request by the Company, each Participant shall execute any agreement evidencing such transfer restrictions prior to the receipt of shares of Stock hereunder and shall promptly present to the Company any and all certificates representing shares of Stock acquired hereunder for the placement on such certificates of appropriate legends evidencing any such transfer restrictions.

12.2 **Approval of Plan by Shareholders.** The Plan may be submitted for the approval of the Company's shareholders within twelve (12) months of the date of the Board's initial adoption of the Plan. Awards requiring shareholder approval may be granted or awarded prior to such shareholder approval, provided that such Awards shall not be exercisable, shall not vest and the restrictions thereon shall not lapse and no shares of Stock shall be issued pursuant thereto prior to the time when the Plan is approved by the shareholders, and provided further that if such approval has not been obtained at the end of said twelve (12) month period, all Awards that require shareholder approval and were previously granted or awarded under the Plan shall thereupon be canceled and become null and void.

12.3 **No Shareholder Rights.** Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to shares of Stock covered by any Award until the Participant becomes the record owner of such shares of Stock.

12.4 **Effect of Plans on Other Compensation Plans.** The adoption of the Plan shall not affect any other compensation or incentive plans in effect for any Participating Company. Nothing in the Plan shall be construed to limit the right of any Participating Company: (a) to establish any other forms of incentives or compensation for Employees, Directors or Consultants of any Participating Company, or (b) to grant or assume options or other rights or awards otherwise than under the Plan in connection with any proper corporate purpose including without limitation, the grant or assumption of options in connection with the acquisition by purchase, lease, merger, consolidation or otherwise, of the business, stock or assets of any corporation, partnership, limited liability company, firm or association.

12.5 **Governing Law.** The Plan and any agreements hereunder shall be administered, interpreted and enforced under the internal laws of the State of Minnesota without regard to conflicts of laws thereof.

12.6 **Section 409A.** To the extent that the Board determines that any Award granted under the Plan is subject to Section 409A of the Code, the Award Agreement evidencing such Option shall incorporate the terms and conditions required by Section 409A of the Code. To the extent applicable, the Plan and Award Agreements shall be interpreted in accordance with Section 409A of the Code and Department of Treasury regulations and other interpretive guidance issued thereunder, including without limitation any such regulations or other guidance that may be issued after the Effective Date. Notwithstanding any provision of the Plan to the contrary, in the event that following the Effective Date the Board determines that any Award may be subject to Section 409A of the Code and related Department of Treasury guidance (including such Department of Treasury guidance as may be issued after the Effective Date), the Board may adopt such amendments to the Plan and the applicable Award Agreement or adopt other policies and procedures (including amendments, policies and procedures with retroactive effect), or take any other actions, that the Board determines are necessary or appropriate to (a) exempt the Award from Section 409A of the Code and/or preserve the intended tax treatment of the benefits provided with respect to the Award, or (b) comply with the requirements of Section 409A of the Code and related Department of Treasury guidance and thereby avoid the application of any penalty taxes under such Section.

12.7 **No Rights to Options.** No Employee, Consultant or other person shall have any claim to be granted any Option pursuant to the Plan, and neither the Company nor the Board is obligated to treat Employees, Consultants, Participants or any other persons uniformly.

12.8 **Relationship to Other Benefits.** No payment pursuant to the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of any Participating Company except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

12.9 **Expenses.** The expenses of administering the Plan shall be borne by the Participating Companies.

IN WITNESS WHEREOF, the undersigned Secretary of the Company certifies that the foregoing sets forth the IsoRay, Inc. 2014 Employee Stock Option Plan as duly adopted by the Board on January __, 2014.
