PROXY STATEMENT

FOR THE ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD JUNE 11, 2014

To Our Stockholders:

This proxy statement (this “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors (our “Board of Directors” or “Board”) of DGSE Companies, Inc., a Nevada corporation (“we,” “us,” “our,” and “DGSE”), to be used at our Annual Meeting of Stockholders to be held at the Marriott Quorum, 14901 Dallas Parkway, Dallas, Texas 75254, on **Wednesday, June 11, 2014 at 10 a.m.** (local time), or at any adjournment or adjournments thereof. Our stockholders of record as of the close of business on **April 24, 2014** (the “Record Date”) are entitled to vote at our annual meeting.

Important Notice of Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on June 11, 2014.

Our proxy materials, including our Proxy Statement for the 2014 Annual Meeting, 2013 Annual Report on Form 10-K for the year ended December 31, 2013 and proxy card, were first sent to security holders on or about May 3, 2014 and are available on the internet at www.DGSECompanies.com.

VOTING PROCEDURES AND REVOCABILITY OF PROXIES

The accompanying proxy card is designed to permit each of our stockholders as of the Record Date to vote on each of the proposals properly brought before the annual meeting. As of the Record Date, there were 12,203,584 shares of our

common stock, par value \$.01 per share (our “Common Stock”), issued and outstanding and entitled to vote at the annual meeting. Each outstanding share of our Common Stock is entitled to one vote.

The holders of a majority of our outstanding shares of Common Stock, present in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. If a quorum is not present, the annual meeting may be adjourned from time to time until a quorum is obtained.

Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. Abstentions, but not broker non-votes, are treated as shares present and entitled to vote, and will be counted as a “no” vote on all other matters. Broker non-votes are treated as not entitled to vote, and so reduce the absolute number, but not the percentage of votes needed for approval of a matter. Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed “routine” by the NYSE MKT Exchange (the “Exchange”), such as the ratification of auditors. Nominees cannot vote on non-routine matters unless they receive voting instructions from beneficial holders, resulting in so-called “broker non-votes.”

Assuming that a quorum is present, directors will be elected by a plurality vote and the five nominees who receive the most votes will be elected. As a result, abstentions and broker non-votes, if any, will not affect the outcome of the vote on this proposal. There is no right to cumulative voting unless cumulative voting is requested at the Annual Meeting by a stockholder.

Assuming that a quorum is present, the ratification of the appointment of Whitley Penn LLP (“Whitley Penn”) as our independent registered public accountants for the fiscal year ending December 31, 2014 and approval of any other matter that may properly come before the annual meeting, will require the affirmative vote of a majority of the total votes cast on these proposals, in person or by proxy. As a result, abstentions will have the same practical effect as a negative vote on these proposals, and broker non-votes, if any, will not affect the outcome of the vote on these proposals. We believe that the proposal for the ratification of our independent registered public accounting firm is considered to be a “routine” matter, and hence we do not expect that there will be a significant number of broker non-votes on such proposal.

On November 11, 2011, as a result of the transactions more fully described in Item 5.01 of our Current Report on Form 8-K, as filed with the SEC on November 15, 2011, NTR Metals, LLC (“NTR”) gained control over a majority of our Common Stock. On January 7, 2013, NTR announced that it had agreed to transfer the majority of its shares of our Common Stock to Elemetal, LLC (“Elemetal”) in exchange for ownership units of Elemetal. NTR also announced its intention to transfer its option to purchase up to 5,000,000 shares of our Common Stock at an exercise price of \$15 per share (the “NTR Option”), to Elemetal. On January 9, 2013, we announced that our Board of Directors had approved the transfer of these options to Elemetal. Elemetal and its affiliates NTR and Landmark Metals, LLC currently hold 4,695,042 shares of our Common Stock. Additionally, NTR holds a proxy to vote 1,501,527 shares of our Common Stock held by Dr. L. S. Smith, which will expire May 25, 2014. Elemetal also holds the NTR Option, and if exercised would result in Elemetal and its affiliates controlling of 65.08 percent of the outstanding shares of our Common Stock.

The accompanying proxy card provides space for you to vote in favor of, against or to withhold voting for: (i) the nominees for the Board of Directors identified herein; and (ii) the ratification of the appointment of Whitley Penn as independent registered public accountants of DGSE for the fiscal year ending December 31, 2014. Our Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card will vote the shares in accordance with the stockholder’s instructions. We have designated Nabil Lopez and Steve Thomas as proxies for the stockholders. If you desire to name another person as your proxy, you may do so by crossing out the names of the designated proxies and inserting the names of the other persons to act as your proxies. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the annual meeting. Proxy cards so marked should not be mailed to us.

If you sign your proxy card and return it to us and you have made no specifications with respect to voting matters, your shares will be voted FOR: (i) the election of the nominees for director identified herein; and (ii) the ratification of the appointment of Whitley Penn as our independent registered public accountants for the fiscal year ending December 31, 2014.

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying our Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the annual meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the annual meeting we have received notice of such revocation.

At least ten (10) days before the annual meeting, we will make a complete list of the stockholders entitled to vote at the annual meeting open to the examination of any stockholder for any purpose germane to the meeting. The list will be open for inspection during ordinary business hours at our executive offices located at 15850 Dallas Parkway, Suite 140, Dallas, Texas 75248, and will also be made available to stockholders present at the meeting.

PROPOSAL I: ELECTION OF DIRECTORS

Five directors are proposed to be elected at the annual meeting. If elected, each director will hold office until the next annual meeting of stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

The five nominees for election as directors to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified are C. Brett Burford, James D. Clem, Dennis A. McGill, David S. Rector and Bruce A. Quinnell. Mr. Burford, Mr. Clem and Mr. Rector are members of our current Board of Directors. Mr. Burford was elected by the Board on April 17, 2014 to replace James J. Vierling following Mr. Vierling's resignation from the Board, while Mr. Clem and Mr. Rector were both re-elected to the Board of Directors at the 2013 annual meeting of stockholders. All nominees have consented to serve if elected and we have no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve, (i) the shares represented by the designated proxies will be voted for the election of a substitute as our Board of Directors may recommend, (ii) our Board of Directors may reduce the number of directors to eliminate the vacancy or (iii) our Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

The Nominating and Corporate Governance Committee of the Board nominated the individuals named below for election to our Board of Directors, and information regarding the background and qualifications of each of the nominees is set forth below. See "Security Ownership of Certain Beneficial Owners and Management" for additional information about the nominees, including their ownership of securities issued by DGSE.

BOARD OF DIRECTORS AND COMMITTEES

Board Composition

Our Board is currently composed of five directors. Our Board has determined that current board members William P. Cordeiro, Craig Alan-Lee and David S. Rector, and nominees Dennis A. McGill and Bruce A. Quinnell are “independent” under the standards of the SEC and the Exchange. Under applicable SEC and Exchange rules, the existence of certain “related person” transactions above certain thresholds between a director and us are required to be disclosed and preclude a finding by our Board that the director is independent. In addition to transactions required to be disclosed under SEC rules, our Board considered certain other relationships in making its independence determinations, and determined in each case that such other relationships did not impair the director’s ability to exercise independent judgment on our behalf.

Our directors are elected at an annual meeting of our shareholders by the holders of shares entitled to vote in the election of directors, except in the case of vacancy, which can be filled by an affirmative vote of a majority of the remaining directors. Each director is elected to serve until the annual meeting of shareholders following his election or until he chooses to resign from his position.

Board Meetings

Our Board meets as often as necessary to perform its duties and responsibilities. During the fiscal year ended December 31, 2013 (“Fiscal 2013”), the Board met four times in person or telephonically. All members of our Board were present at and participated in all four meetings and all members, other than Dr. Cordeiro, attended the 2013 annual meeting. In addition, our Board acted by written consent fourteen times. Management also regularly conferred with directors between meetings regarding our affairs.

Audit Committee

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, consisting of three independent directors of our Board, is chaired by William P. Cordeiro, who is also an “audit committee financial expert,” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K, promulgated under the Securities Act. Dr. Cordeiro is “independent,” as defined by the listing standards of the Exchange. The other members of the Audit Committee are David S. Rector and Craig Alan-Lee. The Board expects director nominees Dennis A. McGill and Bruce A. Quinnell, if elected, to serve on the Audit Committee along with Mr. Rector. Both Mr. McGill and Mr.

Quinnell qualify as “audit committee financial experts” and it is expected that one of them will be elected by the Audit Committee to chair the committee. The Audit Committee is primarily tasked with overseeing our financial reporting process, evaluation of independent auditors and, where appropriate, exercising its duty to replace our independent auditors. Management is responsible for preparing our financial statements, and the independent auditors are responsible for auditing those financial statements.

In addition to their regular activities, the Audit Committee is available to meet with the independent auditors, the Chief Executive Officer or the Chief Financial Officer whenever a special situation arises and meets as often as necessary to perform their duties and responsibilities. During Fiscal 2013 the Audit Committee met five times in person or telephonically, and acted by written consent twice. The charter for the Audit Committee is available under the “Investor Relations” menu on our corporate website at www.DGSECompanies.com, and is attached hereto. We certify that we have adopted a formal written audit committee charter and that the Audit Committee reviews and reassesses the adequacy of the charter annually.

Audit Committee Report

The Audit Committee has reviewed and discussed the audited financial statements with management and Whitley Penn, our independent registered accounting firm, and all matters required to be discussed by the American Institute of Certified Public Accountants, Professional Standards, Vol. 1, AU Section 380, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.

The Audit Committee has received written disclosures and the letter from Whitley Penn required by applicable rules of the PCAOB regarding Whitley Penn’s communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn its independence.

Based on the review and discussions noted in the preceding two paragraphs, the Audit Committee recommended to the Board that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended December 31, 2013.

The Audit Committee acts pursuant to our Audit Committee Charter. Each of the members of the Audit Committee qualifies as an independent director under the current listing standards of the Exchange.

Compensation Committee

On August 31, 2012, the Board approved the creation of a Compensation Committee comprised of our independent directors. The Compensation Committee is chaired by David S. Rector and is primarily concerned with reviewing, approving and determining the compensation of our executive officers to ensure that we employ ethical compensation standards and that our executive officers are fairly compensated based upon their performance and contribution to us. The Compensation Committee meets as often as necessary to perform their duties and responsibilities. During Fiscal 2013 the Compensation Committee met three times in person or telephonically. We have adopted a formal written Compensation Committee Charter, and the Audit Committee reviews and reassesses the adequacy of the charter annually. The charter for the Compensation Committee is available under the “Investor Relations” menu on our corporate website at www.DGSECompanies.com.

Nominating and Corporate Governance Committee

On January 17, 2013, the Board approved the creation of a Nominating and Corporate Governance Committee comprised of our independent directors. The Nominating and Corporate Governance Committee is chaired by Craig Alan-Lee and is primarily concerned with matters relating to our director nominations process and procedures, developing and maintaining the our corporate governance policies and any related matters required by the federal securities laws. The Nominating and Corporate Governance Committee meets as often as necessary to perform their duties and responsibilities. The Nominating and Corporate Governance Committee did not meet during Fiscal 2013. Subsequent to Fiscal 2013, the Nominating and Corporate Governance Committee met on April 17, 2014 to nominate the directors to be voted on at the 2014 Annual Meeting of Stockholders. We have adopted a formal written Nominating and Corporate Governance Committee Charter, and the Nominating and Corporate Governance Committee reviews and assesses the adequacy of the charter annually. The charter for the Nominating and Corporate Governance Committee is available under the “Investor Relations” menu on our corporate website at www.DGSECompanies.com.

All nominees standing for election as a member of our Board were selected by the Nominating and Corporate Governance Committee, based on a review of each individual’s background, credentials and business experience. The Nominating and Corporate Governance Committee does not consider nominees recommended by security holders.

Leadership

Pursuant to our bylaws, the Chairman of our Board shall be and is our Chief Executive Officer. We do not currently have a Lead Independent Director; however, the Board intends to elect a Lead Independent Director following the 2014 Annual Meeting of Stockholders. It is expected that the Lead Independent Director will consult with the

Chairman in setting the schedule and agenda for Board meetings, coordinate and moderate executive sessions of the independent directors, act as a liaison between the independent directors and the Chairman, and assist the Board and officers in providing oversight for the our governance guidelines and policies.

Pursuant to our bylaws, the Chairman of our Board and Chief Executive Officer presides, when present, at all meetings of the shareholders and at all meetings of our Board. The Chairman of our Board and Chief Executive Officer generally supervises over our affairs, shall have general and active control of all of our business and shall see that all orders and resolutions of our Board and our shareholders are carried into effect. We have determined this leadership structure appropriate given the need for a centralized model of oversight.

Risk Oversight

Like other companies, we face a variety of risks, including investment risk, liquidity risk, and operational risk. Our Board believes an effective risk management system should: (i) timely identify the material risks that we face; (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or the relevant committee of our Board of Directors; (iii) implement appropriate and responsive risk management strategies consistent with our risk profile; and (iv) integrate risk management into decision-making. Our Board is tasked with overseeing risk oversight, and periodically meets with management and advisors regarding the adequacy and effectiveness of our risk management processes and to analyze the most likely areas of future risk for us. In addition to the formal compliance program, our Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations.

Code of Business Conduct & Ethics and Related Party Transaction Policy

We have adopted a Code of Business Conduct & Ethics, as well as a Related Person Transaction Policy, each of which applies to our directors, executive officers (or persons performing similar functions), employees and certain of our other affiliates, associates and/or related persons. The latest copies of our Code of Business Conduct & Ethics and Related Person Transaction Policy are available under the “Investor Relations” menu on our corporate website at www.DGSECompanies.com. Any transactions between us and our officers, directors, principal shareholders, or other affiliates have been and will be on terms no less favorable to us than the Board believes could be obtained from unaffiliated third parties on an arms-length basis. We intend to disclose future amendments to these policies, or waivers of such provisions, at the same location on our website and also in public filings.

Shareholder Communication

Shareholders may send communications to our Board, individual directors or officers through our Investor Relations Department, Attn: Mr. C. Brett Burford, Chief Financial Officer and Secretary, c/o DGSE Companies, Inc., 15850 Dallas Parkway, Suite 140, Dallas, TX 75248, by phone at 972-587-4021, or via email at investorrelations@dgse.com. Mr. Burford will forward all shareholder communications that, in his judgment, are appropriate for consideration by members of our Board. Comments or questions regarding our accounting, internal controls or auditing matters will be referred to members of the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to our Nominating and Corporate Governance Committee.

EXECUTIVE COMPENSATION

Our Board is responsible for establishing and administering our executive compensation and employee benefit programs in the context of our overall goals and objectives. This Board duty has been delegated to the Compensation Committee of our Board of Directors (the “Compensation Committee”) in accordance with the Compensation Committee's Charter. The Compensation Committee reviews the executive compensation program at least annually and approves appropriate modifications to executive officer compensation, including specific amounts and types of compensation. The Compensation Committee is responsible for establishing the compensation of the CEO and executive officers. The Compensation Committee establishes the annual compensation of the non-employee directors and oversees our equity compensation plans, including the administration of our stock-based compensation plans.

The objectives of our compensation program are to: (i) provide a competitive, comprehensive compensation package to attract, retain and motivate highly talented personnel at all levels of our organization; and (ii) provide incentives and rewards for implementing and accomplishing our short-term and long-term strategic and operational goals and objectives. Therefore, we strive to structure compensation packages that are competitive within the industry, while maintaining and promoting our interests, as well as the interests of our shareholders.

We believe that specific levels of executive compensation should reflect the responsibilities of each position within our company, the relative value of the position and the competition for quality, key personnel in our industry. Our executive compensation program includes three primary components:

Base salary. Base salary is the guaranteed element of an executive’s annual cash compensation. The level of base salary reflects the Compensation Committee’s assessment of the employee’s long-term performance, his or her skill set and the market value of that skill set.

Annual cash bonus opportunities. Performance-based incentive cash bonuses are intended to reward executives for achieving specific financial and operational goals both at a corporate and an individual level.

Long-term incentive awards. Long-term incentives are provided through grants of stock options and performance share awards intended to encourage our executives to take steps that they believe are necessary to ensure our long-term success, and to align their interests with our other shareholders.

Advice of Compensation Consultant

In January of 2012, prior to the formation of our Compensation Committee, our Board, performing the function of a compensation committee, retained an independent compensation consultant, Paradox Compensation Advisors (“Paradox”), to analyze our executive compensation program as compared to our peers. Paradox also advised the Compensation Committee regarding appropriate elements of a competitive executive compensation structure, including fixed and at-risk elements, short-term and long-term incentives, and cash and equity components. In March of 2012, Paradox reported the results of its analysis of our total executive compensation packages for positions held by members of our executive leadership team, as well as specific components of those packages, as compared to executives holding similar positions at similarly-sized companies and/or labor market peers in related industries.

The Paradox report indicated that base salaries and total cash compensation (including bonuses) for the executive leadership team members were generally below the 25th percentile, compared to our peers. The survey results also indicated that our long-term equity incentive awards were significantly below market, in all cases being below the 25th percentile range, compared to our peers. Paradox also advised that, with respect to equity incentives for executive management, there has been a recent shift from granting employee stock options only, to awarding restricted stock units or performance-based stock awards.

Due to the significant changes in our executive leadership in the past 18 months, both current named executives received revised compensation agreements during the years ended December 31, 2012 (“Fiscal 2012”) and Fiscal 2013. The Compensation Committee’s decisions regarding executive compensation reflected its continued desire to bring our executive compensation program more in line with our peers.

Components of 2013 Executive Officer Compensation

Our executive compensation program is comprised of both fixed and variable elements, with both cash and equity components, including a base salary and annual cash incentives and bonus opportunities. Currently only Mr. Burford has a cash bonus specifically designated as part of his compensation agreement, although Mr. Clem is able to receive a cash bonus at the discretion of the Compensation Committee. Both Mr. Clem's and Mr. Burford's contracts contemplate an equity bonus as part of their compensation plan, but neither are prescriptive as to the level or type of equity compensation.

Based on the Paradox survey, in 2013 the Compensation Committee approved a long-term equity-based compensation plan for officers and key employees, whereby 112,000 Restricted Stock Units ("RSUs") were granted to eligible recipients. These RSUs are discussed further in the Outstanding Equity Awards section below.

Compensation of Directors

Our directors are responsible for guiding and supervising our business and affairs. Recent developments in corporate governance and financial reporting have resulted in an increased involvement of public company directors. Our Board committees—Audit, Compensation, and Nominating and Corporate Governance—are composed exclusively of independent directors. The many responsibilities and risks and the substantial time commitment of being a director of a public company require that we provide adequate compensation to ensure our directors’ continued performance.

On May 9, 2013 the Compensation Committee recommended an increase in compensation of \$8,000 annually for each of the independent directors. The full Board subsequently approved these recommendations. Dr. Cordeiro previously received quarterly payments of \$5,000 as Chairman of our audit committee, which increased to \$7,000 per quarter as of the third quarter of 2013. Mr. Rector and Mr. Alan-Lee previously received quarterly payments of \$4,500 as independent directors, which increased to \$6,500 as of the third quarter of 2013. Our directors do not receive meeting fees for Board or committee meeting attendance. In addition to the quarterly payments, we reimburse our directors for their reasonable expenses incurred while attending meetings of our Board and its Committees or conducting other company business. We do not provide any health insurance, retirement or other benefit programs to our independent directors.

We did not provide equity compensation for our independent directors in Fiscal 2013 or Fiscal 2012. Our employee directors receive no separate compensation for their services as directors.

The following table sets forth the total compensation paid to our directors for their service on our Board and committees of the Board during Fiscal 2013 and Fiscal 2012.

Equity Compensation Plan Information

On June 27, 2006, our shareholders approved the adoption of the 2006 Equity Incentive Plan (the “2006 Plan”), which reserved 750,000 shares of our Common Stock for issuance as part of equity compensation. As of December 31, 2013, we had granted options to purchase 150,000 shares of our Common Stock pursuant to the 2006 Plan, of which 100,000 have been exercised, 20,000 have expired, and 30,000 remain outstanding. As a result, at December 31, 2013, there were 620,000 shares of our Common Stock available for future grants under the 2006 Plan, which excludes shares of our Common Stock underlying options that have either been exercised or remain outstanding.

Subsequent to the end of 2013, on January 23, 2014, the Compensation Committee granted 112,000 RSUs to our officers and certain key employees. Each RSU is convertible into one share of Common Stock without additional payment pursuant to the terms of the RSU Award Agreement. One-fourth (or 28,000) of the RSUs vested and were exercisable as of the date of the grant, and an additional one-fourth of the RSUs (calculated using the total number of RSUs at the time of grant) vest and will be exercisable on each subsequent anniversary of the date of grant until 100 percent of the RSUs have vested, subject to the each recipients continued status as an employee on each such date and other terms and conditions of set forth in the RSU Award Agreement. Upon termination of service of the recipient to us, other than by reason of death or disability, any RSUs that have not vested will be forfeited and the award of such units shall terminate. All common shares have been issued pursuant to RSUs that vested upon issuance in January. Of the 112,000 RSUs granted in January, shares have been issued pursuant to 28,000 RSUs that vested immediately upon issuance, 30,750 have expired upon resignation of recipients, and 53,250 remain outstanding subject to future vesting. As a result, at April 24, 2014, there were 538,750 shares of our Common Stock available for future grants under the 2006 Plan, which excludes shares of our Common Stock underlying options or RSUs that have either been exercised or remain outstanding.

On June 21, 2004, our shareholders approved the adoption of the 2004 Stock Option Plan (the “2004 Plan”), which reserved 1,700,000 shares of our Common Stock for issuance upon exercise of options to purchase our Common Stock. We granted options to purchase an aggregate of 1,459,634 shares of our Common Stock under the 2004 Plan to certain of our officers, directors, key employees and certain other individuals who provided us with goods and services. Each option vested on either January 1, 2004 or immediately upon issuance thereafter. The exercise price of each option issued pursuant to the 2004 Plan is equal to the market value of our Common Stock on the date of grant, as determined by the closing bid price for our Common Stock on the Exchange on the date of grant or, if no trading occurred on the date of grant, on the last day prior to the date of grant on which our securities were listed and traded on the Exchange. Of the options issued under the 2004 Plan, as of December 31, 2013, 845,634 have been exercised, 296,500 have expired, and 317,500 remain outstanding. Our Board has determined not to make any further issuances pursuant to the 2004 Plan, and as a result there are zero options to purchase our Common Stock available for future grants under the 2004 Plan.

The following table summarizes options outstanding as of December 31, 2013:

Plan Category	Column (a):	Column (b):	Column (c):
	Number of securities to be issued upon exercise of options	Weighted average exercise price of outstanding options	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a))

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

From time to time, we engage in business transactions with our controlling shareholder, NTR and other related parties. Set forth below in the section entitled “Related Party Transactions” is a summary of such transactions.

Controlling Shareholder

On November 11, 2011, as a result of the transactions more fully described in Item 5.01 of our Current Report on Form 8-K, as filed with the SEC on November 15, 2011, NTR gained control over a majority of our Common Stock. On January 7, 2013, NTR announced that it had agreed to transfer the majority of its shares of our Common Stock to Elemetal in exchange for ownership units of Elemetal. NTR also announced its intention to transfer the NTR Option to Elemetal. On January 9, 2013, we announced that our Board of Directors had approved the transfer of these options to Elemetal. Elemetal and its affiliates NTR and Landmark Metals, LLC currently hold 4,695,042 shares of our Common Stock. Additionally, NTR holds a proxy to vote 1,501,527 shares of our Common Stock held by Dr. L. S. Smith, which will expire May 25, 2014. Elemetal also holds an option to purchase up to 5,000,000 shares of our Common Stock at an exercise price of \$15 per share. The option is vested and exercisable, and if exercised would result in control of 65.08 percent of the outstanding shares of our Common Stock.

Related Party Transactions

DGSE has a corporate policy governing the identification, review, consideration and approval or ratification of transactions with related persons, as that term is defined in the Instructions to Item 404(a) of Regulation S-K, promulgated under the Securities Act (“Related Party”). Under this policy, all Related Party transactions are identified and approved prior to consummation of the transaction to ensure they are consistent with our best interests and the best interests of its stockholders. Among other factors, our Board considers the size and duration of the transaction, the nature and interest of the of the Related Party in the transaction, whether the transaction may involve a conflict of interest and if the transaction is on terms that are at least as favorable to DGSE as would be available in a comparable transaction with an unaffiliated third party. Our Board reviews all Related Party transactions at least annually to determine if it is in our best interests and the best interests of our stockholders to continue, modify, or terminate the Related Party transactions. Our Related Party Transaction Policy is available for review in its entirety under the “Investor Relations” menu at our corporate website at www.DGSECompanies.com.

NTR is a subsidiary of our largest shareholder, Elemetal. In 2013, NTR was also our primary refiner and bullion trading partner. In 2013, 31% of sales and 37% of purchases were transactions with NTR, and in 2012 these transactions represented 43% of our sales and 22% of our purchases. As of December 31, 2013, we were obligated to pay \$3,332,858 to NTR as a trade payable, and has a \$137,081 receivable from NTR.

On July 19, 2012, we entered into the Loan Agreement with NTR, pursuant to which NTR agreed to provide us with a guidance line of revolving credit in an amount up to \$7,500,000. The Loan Agreement provides that the Loan Agreement will terminate—and our obligations thereunder will be due and payable—upon the earlier of (i) August 1, 2014, (ii) the date that is twelve months after we receive notice from NTR demanding the repayment of the Obligations, (iii) the date the Obligations are accelerated in accordance with the terms of the Loan Agreement or (iv) the date on which the commitment terminates under the Loan Agreement. In connection with the Loan Agreement, we granted a security interest in the respective personal property of each of its subsidiaries. The loan carries an interest rate of two percent (2%) per annum for all funds borrowed pursuant to the Loan Agreement. Proceeds received by us pursuant to the terms of the Loan Agreement were used for repayment of all outstanding financial obligations incurred in connection with that certain Loan Agreement, dated as of December 22, 2005, between us and Texas Capital Bank, N.A., and additional proceeds are expected to be used as working capital in the ordinary course of business. As of December 31, 2013, the outstanding balance of the loan was \$2,383,359. On February 25, 2014, we entered into a one-year extension of the Loan Agreement with NTR, extending the termination date to August 1, 2015. All other terms of the agreement remain the same.

Estate Gold and Silver, LLC, a Texas limited liability company (“Estate Gold”) was 25% owned by an entity owned by James Vierling, our former Chief Executive Officer and Chairman, and operated five stores in Oklahoma, primarily focused on buying gold, but also engaging in retail sales of jewelry and bullion. In July of 2013, Estate Gold ceased all operations. We previously had an agreement with Estate Gold to provide operations management services, consisting of: (i) the receipt, inventorying, and re-sale of Estate Gold purchases; (ii) the management of Estate Gold’s payroll, insurance, accounts payable and receivable; (iii) the maintenance of and updates to Estate Gold’s business software; maintenance of the Estate Gold website; and (iv) financial reporting of Estate Gold to its owners. We also periodically engaged in the purchase or sale of jewelry, bullion and diamonds with Estate Gold, from time to time in the normal course of business. During Fiscal 2013, we received \$47,060 in fees for services, sold \$63,817 in products, and purchased \$69,286 in products in transactions with Estate Gold. During Fiscal 2012, we received \$183,650 in fees for services from Estate Gold, sold \$274,624 in products to them, and purchased \$96,116 in Estate Gold products.

Legal Proceedings

On April 16, 2012, we filed a Current Report on Form 8-K disclosing that our Board had determined the existence of the Accounting Irregularities beginning approximately during the second calendar quarter of 2007 and continuing in periods subsequent thereto, which could affect financial information reported since that time. On April 16, 2012, we also announced that we had engaged forensic accountants to analyze the Accounting Irregularities, and that financial statements and information reported since the inception of the Accounting Irregularities, believed to begin in the second calendar quarter of 2007, should not be relied upon. We brought the Accounting Irregularities to the attention of the Securities and Exchange Commission (“SEC”) in a letter dated April 16, 2012. On June 18, 2012, we received written notice that the SEC had initiated a private investigation into the Accounting Irregularities, to determine whether any persons or entities had engaged in any possible violations of the federal securities laws. We have cooperated fully, and continue to cooperate fully, with the SEC staff in the investigation. This investigation is still pending as of the date of the filing of this Proxy Statement, and there can be no certainty as to the outcome of this investigation, or to the findings of the SEC.

We settled two lawsuits in Fiscal 2013 that were filed in connection with the Accounting Irregularities and the subsequent halt in trading of our Common Stock on the Exchange. The first, Civil Action No. 3:12-cv-3664, was filed in the United States District Court for the Northern District of Texas, on September 7, 2012, entitled Grant Barfuss, on behalf of himself and all others similarly situated vs. DGSE Companies, Inc.; L.S. Smith, John Benson and William Oyster (the “November 2012 Case”). This complaint alleged violations of the securities laws and sought unspecified damages. Plaintiffs alleged that certain public filings in 2010 and 2011 were false and misleading. The second suit, Case No. 3:12-cv-03850 in the United States District Court for the Northern District of Texas, was filed on September 21, 2012, by Jason Farmer and entitled Jason Farmer, Derivatively on Behalf of Nominal Defendant DGSE Companies, Inc., Plaintiff, v. William H. Oyster, James D. Clem, William Cordeiro, Craig Alan-Lee, David Rector, L.S. Smith, and John Benson, Defendants, and DGSE Companies, Inc., Nominal Defendant (the “September 2012 Case”). This suit was filed against us, as a nominal defendant, and against certain current and former officers and directors. The plaintiff asserted that certain statements made in our proxy materials were false and misleading, that the defendants breached fiduciary duties owed to us, that defendants engaged in abuse of control, and sought unspecified compensatory and exemplary damages, along with certain corporate governance changes, for the benefit of DGSE.

An approved settlement resolved all issues that were pending before the United States District Court for the Northern District of Texas in each of the September 2012 Case and the November 2012 Case. The defendants agreed to pay \$2 million to resolve all claims in both suits (including obligations to pay plaintiffs’ attorneys’ fees). We also incurred our own attorneys’ fees and expenses associated with finalizing the settlement. While the majority of the total settlement amount and related expenses were paid from insurance proceeds, we incurred approximately \$314,000 in Fiscal 2013 in relation to these suits.

Subsequent to the end of Fiscal 2013, we have also settled a civil suit filed in the County Court for Dallas County, Texas, Cause No. CC-13-02999-C entitled Joseph C. Osterman, T.G. Herron, and, Jean K. Herron, Plaintiffs, vs.

DGSE Companies, Inc. d/b/a Dallas Gold & Silver Exchange, Defendants. The complaint alleged amounts owed and due to the plaintiffs by the defendant in relation to a number of promissory notes allegedly issued between 2001 and 2006 by the defendant, and plaintiffs sought compensatory damages. Pursuant to the confidential settlement agreement, which admits no liability on the part of the defendant, we have resolved all claims with plaintiff Osterman to the parties' mutual satisfaction. Discussions with plaintiffs Heron are ongoing, and the final outcome of these discussions is uncertain, although any conclusion to this suit is not expected to be material to the our results in Fiscal 2014.

The Texas Comptroller of Public Accounts (the "Texas Comptroller") conducted a sales and use tax audit of our operations in Texas with respect to the period March 1, 2006 through November 30, 2009 and subsequently sent a Notification of Audit Results, by letter dated December 17, 2010, asserting that we owe an amount of tax due, plus penalties and interest. We submitted a request for redetermination to the Texas Comptroller by letter dated January 13, 2011. By letter dated August 25, 2011, the Texas Comptroller stated that our request for a redetermination hearing has been granted. No hearing has taken place, but we have been actively engaged in discussions with the Texas Comptroller's office. We have reached an informal agreement on certain issues with the attorney representing the Texas Comptroller in the administrative hearing with respect to this liability, while other issues remain under discussion. Although no final determination has been reached, based on the most recent communication from the Texas Comptroller in February of 2014, we believe that it is likely that we owe additional taxes, interest and penalty to the State of Texas, and accordingly reserved an additional \$775,000 in Fiscal 2013 towards the payment of these amounts. The total reserve in this matter is approximately \$1.1 million, and is based on our current best estimate, which may vary materially from any final assessment.

We are currently discussing, both internally among the members of our Board and with our outside counsel, whether it is in our best interest of and that of our shareholders to pursue legal action against those officers and providers of professional services who were involved in the Accounting Irregularities. We have not made any determinations on this matter as of the date of this Proxy Statement.

**PROPOSAL 2: RATIFICATION OF THE APPOINTMENT OF
WHITLEY PENN AS INDEPENDENT AUDITORS OF DGSE
FOR THE FISCAL YEAR ENDING DECEMBER 31, 2014**

The Audit Committee has appointed Whitley Penn as our independent registered accountants to audit our financial statements for the fiscal year ending December 31, 2014, and has further directed that management submit the selection of independent registered accountants for ratification by our stockholders at the annual meeting. Stockholder ratification of the selection of Whitley Penn is not required by our bylaws or otherwise. However, we are submitting the selection of Whitley Penn to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Whitley Penn. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of DGSE and our stockholders.

Representatives of the firm of Whitley Penn are expected to be present at our annual meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

(1) Whitley Penn was engaged as our independent auditors on May 29, 2012.

(2) Cornwell Jackson and Company, P.C. was dismissed as our independent auditors on May 29, 2012.

The amounts for audit fees include generally the fees charged for: (i) the audit of our annual Consolidated Financial Statements; and, (ii) the reviews of our quarterly financial statements. The tax fees were primarily for tax return preparation and tax-related services, including the preparation of all applicable state tax returns.

Applicable law and regulations provide an exemption that permits certain services to be provided by our outside auditors even if they are not pre-approved. We have not relied on this exemption at any time since the Sarbanes-Oxley Act was enacted.

We engaged the accounting firm of Cornwell Jackson and Company, P.C. (“Cornwell Jackson”) on October 11, 2004, to review and audit our financial statements. After May 18, 2012, Cornwell Jackson provided no further services to us, and Cornwell Jackson was dismissed as our independent accountants by our Board on May 29, 2012, upon the recommendation of our Audit Committee. In order to comply with the requirements of the SEC Practice Section, on June 1, 2012, Cornwell Jackson submitted the notification letter indicating that the client-auditor relationship had ceased effective May 29, 2012. No report of Cornwell Jackson on our financial statements contained any adverse opinion or disclaimer of opinion or was qualified or modified as to uncertainty, audit scope or accounting principles.

On May 29, 2012, we engaged the firm of Whitley Penn as our principal independent accountant to audit our financial statements. The members of our Board of Directors unanimously approved the engagement of Whitley Penn.

Prior to the engagement of Whitley Penn, neither we nor any person on our behalf consulted Whitley Penn regarding either (i) the application of accounting principles to a specified completed or proposed transaction or the type of audit opinion that might be rendered on our financial statements, or (ii) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K, promulgated under the Securities Act and the related instructions to such Item) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K, promulgated under the Securities Act).
