**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On August 18, 2014 the Registrant's Board of Directors authorized management to commit to a plan to sell Techniques Appliquées aux Arts Graphiques, S.p.A., an entity organized under the laws of France and one of the Registrant's wholly-owned subsidiaries ("TAAG"), immediately at a reasonable price in relation to its current fair value, and in the event such sale is not consummated by September 10, 2014, to proceed with an insolvency filing for TAAG under French law. On September 15, 2014, the French Tribunal de Commerce (the "Tribunal") appointed an administrator (the "Administrator") for TAAG following the filing of a declaration of insolvency by TAAG's legal representative. As a result, effective September 15, 2014, the Registrant relinquished control of TAAG to the Tribunal and TAAG ceased to be one of the Registrant's subsidiaries.

The Administrator will promptly assume control of and close TAAG's existing bank accounts, and will open a special bank account requiring the signatures of the Administrator and certain current members of TAAG's management for the dispersal of funds. The Administrator will also assist TAAG's current management in operational matters until a determination is made regarding whether to continue, assign or liquidate TAAG's operations. A hearing on the foregoing is currently scheduled for November 3, 2014.

Effective August 18, 2014 the operations of TAAG will be classified as discontinued operations in the Registrant's financial statements. Effective September 15, 2014 and in accordance with consolidation guidance the Registrant will derecognize the assets, liabilities and other comprehensive income of TAAG with a resulting gain of approximately \$1,000,000 recorded on its consolidated statements of operations. In addition, comparative information for prior periods that is presented in prospective financial statements will be restated to segregate the assets, liabilities, revenue, expenses and cash flows related to TAAG as discontinued operations.

The Registrant guaranteed approximately \$50,000 (€40,000) in favor of the lessor of TAAG's offices in connection with TAAG's lease and will likely need to remit those funds to the landlord in the immediate future as a consequence of its divestiture of TAAG.

**Item 8.01 Other Events.**

On September 19, 2014, the Registrant withdrew its registration statement on Form S-1 in connection with a proposed underwritten public offering of its common stock, and withdrew its application for listing its common stock on the NASDAQ Capital Market. The Registrant's Board of Directors also determined not to proceed with a reverse stock split of the Registrant's common stock at this time.
