Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On December 17, 2014, the Board of Directors of Symmetry Surgical Inc., (NASDAQ: SSRG) (the "Corporation") modified Sections 11 and 12 of Article II of the Corporation's Bylaws to address a potential ambiguity related to the process for stockholder nominations for Director positions and for items of business for an annual meeting that occurs in a year during which there was not an annual meeting of shareholders in the immediately preceding year. The modifications to these sections provide that, to be timely, such nomination or proposal must be delivered to or mailed and received at the principal executive offices of the Corporation not later than the later of the close of business ninety (90) days prior to such annual meeting or the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made. The foregoing summary of the modification to the Corporation's Bylaws is qualified in its entirety by the amended Bylaws as approved by the Board of Directors which are attached as Exhibit 3.4 hereto.

Item 8.01 Other Events.

The Board of Directors of the Corporation has established October 22, 2015 as the date of its 2015 annual meeting of stockholders. In so doing, the Corporation extended the period during which stockholders may submit proposals for consideration for inclusion in the Corporation's proxy materials for presentation at its 2015 annual meeting of stockholders, as well as nominations for positions on the Board of Directors, through and including July 24, 2015.

The Board of Directors established this date as a result of its belief that holding an annual meeting in the first or second quarter of fiscal 2015, so shortly following the December 5, 2014 stockholder meeting, would be premature, since little time will have elapsed since the Corporation's stockholders overwhelmingly approved the spin-off transaction pursuant to which the Corporation became a new public entity. The Board of Directors believes that holding an annual meeting of stockholders in the fourth quarter will allow management to focus on the operation of the Corporation's business during the crucial early stage of its separation from Symmetry Medical, Inc. and will enable the stockholders to more fully consider the Corporation's performance during two, and perhaps three full fiscal quarters of operation following its spin-off. Extending the current January 1, 2015 and January 30, 2015 deadlines, previously announced in the Form S-4 effective on November 4, 2014, will also provide stockholders with a more meaningful period during which they may consider and bring proposals for the annual meeting.
