ANNUAL MEETING OF STOCKHOLDERS

To Be Held April 25, 2015

PROXY STATEMENT

The Board of Directors of 22nd Century Group, Inc. is soliciting proxies from its stockholders to be used at the annual meeting of stockholders to be held at The Buffalo Club, 388 Delaware Avenue, Buffalo, New York 14202 on Saturday, April 25, 2015, beginning at 2:00 P.M. local time, and at any postponements or adjournments thereof. **Please note that The Buffalo Club has a mandatory dress code for entry into the annual meeting. Men must wear dress pants, coat and tie. Women must wear dresses, business suits, dress pants with blazers or formal pantsuits.** This proxy statement contains information related to the annual meeting. This proxy statement and the accompanying form of proxy are first being sent to stockholders on or about March 6, 2015.

ABOUT THE ANNUAL MEETING

Why did I receive these materials?

Our Board of Directors is soliciting proxies for the 2015 annual meeting of stockholders. You are receiving a proxy statement because you owned shares of our common stock on February 26, 2015 and that entitles you to vote at the meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement describes the matters on which we would like you to vote and provides information on those matters so that you can make an informed decision.

What information is contained in this proxy statement?

The information in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, our Board, the compensation of Directors and executive officers and other information that the Securities and Exchange Commission requires us to provide annually to our stockholders.

Who is entitled to vote at the meeting?

Holders of common stock as of the close of business on the record date, February 26, 2015, will receive notice of, and be eligible to vote at, the annual meeting and at any adjournment or postponement of the annual meeting. At the close of business on the record date, we had outstanding and entitled to vote 64,335,042 shares of common stock.

How many votes do I have?

Each outstanding share of our common stock you owned as of the record date will be entitled to one vote for each matter considered at the meeting. There is no cumulative voting.

Who can attend the meeting?

Only persons with evidence of stock ownership as of the record date or who are invited guests of the Company, as determined by the Chairman of the Board or the executive officers of the Company, may attend and be admitted to the annual meeting of the stockholders. Stockholders with evidence of stock ownership as of the record date may be accompanied by one guest. Photo identification may be required (a valid driver's license, state identification or passport). If a stockholder's shares are registered in the name of a broker, trust, bank or other nominee, the stockholder must bring a proxy or a letter from that broker, trust, bank or other nominee or their most recent brokerage account statement that confirms that the stockholder was a beneficial owner of shares of stock of the Company as of the record date. Since seating is limited, admission to the meeting will be on a first-come, first-served basis.

Cameras (including cell phones with photographic capabilities), recording devices and other electronic devices will not be permitted at the meeting.

Please note that The Buffalo Club has a mandatory dress code for entry into the annual meeting. Men must wear dress pants, coat and tie. Women must wear dresses, business suits, dress pants with blazers or formal pantsuits.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of one-third (33.33%) of the voting power of common stock issued and outstanding on the record date will constitute a quorum, permitting the conduct of business at the meeting. Proxies received but marked as abstentions or broker non-votes, if any, will be included in the calculation of the number of votes considered to be present at the meeting for purposes of a quorum.

How do I vote?

If you are a holder of record (that is, your shares are registered in your own name with our transfer agent), you can vote either in person at the annual meeting or by proxy without attending the annual meeting. We urge you to vote by proxy even if you plan to attend the annual meeting.

Each stockholder receiving proxy materials by mail may vote by proxy by using the accompanying proxy card. When you return a proxy card that is properly signed and completed, the shares represented by your proxy will be voted as you specify on the proxy card.

If you hold your shares in "street name," you must either direct the bank, broker or other record holder of your shares as to how to vote your shares, or obtain a proxy from the bank, broker or other record holder to vote at the meeting. Please refer to the voter instruction cards used by your bank, broker or other record holder for specific instructions on methods of voting, including by telephone or by using the Internet.

Your shares will be voted as you indicate. If you return the proxy card but you do not indicate your voting preferences, then your shares will not be voted with respect to any proposal. The Board and management do not intend to present any matters at this time at the annual meeting other than those outlined in the notice of the annual meeting. Should any other matter requiring a vote of stockholders arise, stockholders returning the proxy card confer upon the

individuals designated as proxy's discretionary authority to vote the shares represented by such proxy on any such other matter in accordance with their best judgment.

Can I change my vote?

Yes. If you are a stockholder of record, you may revoke or change your vote at any time before the proxy is exercised by filing a notice of revocation with our Secretary or by mailing a proxy bearing a later date or by attending the annual meeting and voting in person. For shares you hold beneficially in "street name," you may change your vote by submitting new voting instructions to your bank, broker, other record holder of your shares or other nominee or, if you have obtained a legal proxy from your bank, broker, other record holder of your shares or other nominee giving you the right to vote your shares, by attending the meeting and voting in person. In either case, the powers of the proxy holders will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

How are we soliciting this proxy?

We are soliciting this proxy on behalf of our Board of Directors and will pay all expenses associated with this solicitation. In addition to mailing these proxy materials, certain of our officers and other employees may, without compensation other than their regular compensation, solicit proxies through further mailing or personal conversations, or by telephone, facsimile or other electronic means. We will also, upon request, reimburse brokers and other persons holding stock in their names, or in the names of nominees, for their reasonable out-of-pocket expenses for forwarding proxy materials to the beneficial owners of our stock and to obtain proxies.

Will stockholders be asked to vote on any other matters?

To the knowledge of the Company and its management, stockholders will vote only on the matters described in this proxy statement. However, if any other matters properly come before the meeting, the persons named as proxies for stockholders will vote on those matters in the manner they consider appropriate.

What vote is required to approve each item?

The two nominees receiving the highest vote totals of the eligible shares of our common stock that are present, in person or by proxy, and entitled to vote at the meeting will be elected as our directors. The approval of the advisory resolution on executive compensation and the ratification of the appointment of Freed Maxick CPAs, P.C. (“Freed”) require the affirmative vote of the majority of the votes present, in person or by proxy, and entitled to vote at the meeting.

How are votes counted?

With regard to the election of directors, votes may be cast in favor or withheld and votes that are withheld will be excluded entirely from the vote and will have no effect. You may not cumulate your votes for the election of directors.

For the other proposals, you may vote “FOR,” “AGAINST” or “ABSTAIN.” Abstentions are considered to be present and entitled to vote at the meeting and, therefore, will have the effect of a vote against each of the proposals.

If you hold your shares in “street name,” the Company has supplied copies of its proxy materials for its 2015 annual meeting of stockholders to the broker, bank or other nominee holding your shares of record and they have the responsibility to send these proxy materials to you. Your broker, bank or other nominee that has not received voting instructions from you may not vote on any proposal other than the appointment of Freed. These so-called “broker non-votes” will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval of any of the proposals and will have no effect on the outcome of any of the proposals. Your broker, bank or other nominee is permitted to vote your shares on the appointment of Freed as our independent auditor without receiving voting instructions from you.

What should I do if I receive more than one set of voting materials?

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. If you are a stockholder of record and your shares are registered in more than one name, you will receive more than one proxy card. Please vote your shares applicable to each proxy card and voting instruction card that you receive.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

General

The number of authorized Directors as of the date of this proxy statement is five (5). All of the nominees have indicated to the Company that they will be available to continue to serve as Directors. If any nominee named herein for election as a Director should for any reason become unavailable to serve prior to the annual meeting, the Board may, prior to the annual meeting, (i) reduce the size of the Board to eliminate the position for which that person was nominated, (ii) nominate a new candidate in place of such person or (iii) leave the position vacant to be filled at a later time.

We maintain a staggered Board of Directors divided into three classes. Currently, there are two Directors in each of Classes I and II and one Director in Class III. Each Director generally serves for a term ending on the date of the third annual stockholders' meeting following the annual stockholders' meeting at which such director's class was most recently elected and until his successor is duly elected and qualified.

At the annual meeting, the terms of all of our current Class I Directors will expire. At the annual meeting, our stockholders will elect two Class I Directors to serve until our 2018 annual meeting of stockholders and until their successors are duly elected and qualified.

The board's nominees for election as Directors at the 2015 annual meeting are Henry Sicignano, III and Richard M. Sanders, each of whom is currently serving as a Director of our company. Information about each of these Directors is set forth below.

The individuals named as proxy voters in the accompanying proxy, or their substitutes, will vote for the Board's nominees with respect to all proxies we receive unless instructions to the contrary are provided. If any nominee becomes unavailable for any reason, the votes will be cast for a substitute nominee designated by our Board. Our Directors have no reason to believe that any of the nominees named below will be unable to serve if elected. We strongly encourage our Directors to attend our annual meeting. All of our then-serving Directors attended our 2014 annual meeting.

The following sets forth certain information, as of February 26, 2015, about each of the Board's nominees for election at the annual meeting and each Director of our Company whose term will continue after our annual meeting.

Since August 2009, Mr. Sanders has served as a General Partner of Phase One Ventures, LLC, a venture capital firm which focuses on nanotechnology and biotechnology start-up opportunities in New Mexico and surrounding states. Prior to directing SFNTC's robust growth, Mr. Sanders worked for R.J. Reynolds Tobacco Company where he began his career as a marketing assistant in 1977. From 1987 to 2002 he served in a wide spectrum of executive positions including, among others, Senior Vice President of Marketing and Vice President of Sales. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This compensation discussion and analysis describes the material elements of compensation awarded to, earned by, or paid to each of our named executive officers, whom we refer to as our “NEOs,” during 2014 and describes our policies and decisions made with respect to the information contained in the following tables, related footnotes and narrative for 2014. The NEOs are identified below in the table titled “Summary Compensation Table.” In this compensation discussion and analysis, we also describe various actions regarding NEO compensation take before or after 2014 when we believe it enhances the understanding of our executive compensation program.

Overview of Our Executive Compensation Philosophy and Design

We believe that a skilled, experienced and dedicated management team is essential to the future performance of our Company and to building stockholder value. We have sought to establish competitive compensation programs that enable us to attract and retain executive officers with these qualities. The other objectives of our compensation programs for our executive officers are the following:

- to motivate our executive officers to achieve and create stockholder value;
- to attract and retain executive officers who we believe have the experience, temperament, talents, and convictions to contribute significantly to our future success; and
- to align the economic interests of our executive officers with the interests of our stockholders.

In light of these objectives, we have sought to reward our NEOs for creating value for our stockholders and for loyalty and dedication to our Company.

Setting Executive Compensation

Our compensation committee has primary responsibility for, among other things, determining our compensation philosophy, evaluating the performance of our executive officers, setting the compensation and other benefits of our executive officers, overseeing the Company's response to the outcome of the advisory votes of stockholders on executive compensation, assessing the relative enterprise risk of our compensation program and administering our incentive compensation plans.

Our Board of Directors, our compensation committee and our Chief Executive Officer will each play a role in setting the compensation of our NEOs. Our Board of Directors appoints the members of our compensation committee and delegates to the compensation committee the direct responsibility for overseeing the design and administration of our executive compensation program.

Our compensation committee engaged the firm of Towers Watson in 2014 to provide broad executive compensation benchmarks based upon surveys of public and private companies which were similarly sized to us. Based upon these survey results, the committee adopted a comprehensive executive compensation structure that it felt would best align the interests of our management with those of our stockholders. The key elements of this structure are:

Rationalize the base pay (annual salary) of each NEO based on the job description and scope of responsibilities of that position. Each position is assigned a target annual salary and range, with minimum and maximum salaries established for each position.

Establish annual incentive awards (bonuses) for each NEO. Annual incentive awards are based on a percentage of each position's base pay and are tied to the achievement of 4-6 weighted, measurable objectives defined for that position in the upcoming calendar year.

Establish a Long-Term Incentive Pay Program which provides for continuity of key management personnel through grants of stock incentives. These incentives are designed to vest over multiple years and will be determined in dollar amounts as a multiple of each executive's base salary.

To assure independence, the compensation committee pre-approves all other work unrelated to executive compensation proposed to be provided by Towers Watson, if any. The compensation committee also considered all factors relevant to the consultant's independence from management, including but not limited to the following factors:

- The provision of other services that the consultant provides to us;
- The amount of fees received from us as a percentage of the consultant's total revenue;
- The consultant's policies and procedures designed to prevent conflicts of interest;
- Business or personal relationships of the consultant with our compensation committee members;
- The amount of our stock owned by the consultant; and
- Business or personal relationships of the consultant with our executive officers

Elements of Executive Compensation

Our current executive compensation program for our NEOs consists of the following elements:

- Base salary;
- Short-term (annual) incentive compensation;
- Long-term incentive compensation; and
- Retirement and other benefits.

Base Salary

We pay our NEOs a base salary to compensate them for services rendered and to provide them with a steady source of income for living expenses throughout the year. The fiscal 2015 base salaries for our NEOs, as well as the percentage increase from the fiscal 2014 base salaries, are as follows:

Name	Fiscal 2015 Base Salary	Percentage Increase Over Fiscal 2014 Base Salary	
Henry Sicignano, III	\$ 225,000	12.5	%
John T. Brodfuehrer	\$ 160,000	18.5	%
Michael R. Moynihan, Ph.D.	\$ 160,000	14.3	%
Thomas L. James	\$ 200,000	-	

Incentive Compensation

For 2014, our incentive compensation program consisted of (i) a discretionary cash bonus opportunity and (ii) long-term equity incentive compensation consisting of equity awards. The cash bonus opportunity and the long-term equity incentive compensation for 2014 are discussed in detail below.

Discretionary Cash Bonus Opportunity

The compensation committee has the authority to award discretionary annual cash bonuses to our NEOs. The cash bonuses are intended to compensate NEOs for individual performance achievements and for achieving important goals and objectives, including those set out in performance reviews from the prior year. In addition to individual performance, determination of a NEO's achievements generally takes into account such factors as our overall financial performance and improving our operations. Bonus levels vary depending on the individual executive and are not formulaic, but instead are based upon an objective and subjective evaluation of performance and other circumstances. Target bonus levels were established by the compensation committee as follows: \$100,000 for Mr. Sicignano (50% of 2014 base salary), \$90,000 for Mr. James (45% of 2014 base salary), \$60,700 for Mr. Brodfuehrer (45% of 2014 base salary) and \$63,000 for Mr. Moynihan (45% of 2014 base salary).

The compensation committee recommended and the Board of Directors unanimously approved the award of cash bonuses for 2014 to the following NEOs for the following reasons: (i) Thomas James was awarded a one-time signing bonus in May 2014 of \$140,000 as part of his acceptance of his employment with our Company, and in February 2015, Mr. James was awarded a cash bonus of \$75,000 (83% of target bonus) in recognition of his work performance in 2014; (ii) John T. Brodfuehrer was awarded a cash bonus of \$45,000 (74% of target bonus) in February 2015 in recognition of his work performance in 2014; and (iii) Dr. Michael Moynihan was awarded a cash bonus of \$45,000 (71% of target bonus) in February 2015 in recognition of his work performance in 2014. The compensation committee did not award a cash bonus to Henry Sicignano, III in 2014.

Long-Term Equity Incentive Compensation

Our compensation committee believes that equity awards enhance the alignment of the economic interests of our NEOs and the economic interest of our stockholders and provided our NEOs with incentives to remain in our employment. In 2014, we granted awards of restricted stock because granting restricted stock rewards our NEOs to motivate and retain our NEOs while aligning their economic interest with our stockholders through long-term equity ownership.

For 2014, we awarded our NEOs with restricted stock awards valued at \$169,500 for Mr. Sicignano, \$316,400 for Mr. Brodfuehrer and \$361,600 for Mr. Moynihan (with the dollar values converted into a specific number of shares based on the closing price of our common stock on the NYSE MKT). The restricted stock awards resulted in a grant of the following number of shares to our NEOs on January 27, 2014:

Name	Restricted Stock (#)
Henry Sicignano, III	75,000
John T. Brodfuehrer	140,000
Michael R. Moynihan, Ph.D.	160,000

Retirement and Other Benefits

We are strongly committed to encouraging all employees to save for retirement. To provide employees with the opportunity to save for retirement on a tax-deferred basis, we sponsor a 401(k) plan pursuant to which we make a safe harbor non-elective contribution of 3% of the employee's annual compensation. We also provide health and dental insurance to the employees.

Appointment of New Executive Officer

On May 12, 2014, the Board of Directors appointed Thomas L. James, Esq. as Vice President, General Counsel and Secretary of the Company. In connection with his appointment, Mr. James was awarded on May 27, 2014, when he commenced full-time employment with the Company, one hundred thousand (100,000) shares of restricted common stock, all of which are subject to forfeiture until May 1, 2017, except in connection with a change in control or certain termination events. In addition, Mr. James was awarded stock options to purchase three hundred thousand (300,000) shares of common stock, with fifty thousand (50,000) of the options vesting immediately and the remaining options vesting as follows: one hundred thousand (100,000) on each of May 1, 2015 and May 1, 2016, and fifty thousand (50,000) on May 1, 2017.

Employment Agreements with Executive Officers

We have entered into employment agreements with each of our NEOs as follows:

Henry Sicignano, III. Mr. Sicignano entered into an employment agreement with us on January 25, 2011 for an initial term of five years that automatically renews on an annual basis thereafter unless terminated. If Mr. Sicignano's employment is terminated by the Company without Cause or by Mr. Sicignano for Good Reason (as such terms are defined in his employment agreement), Mr. Sicignano will be entitled to a severance benefit in the form of a continuation of his then-base salary until the later of (i) three years from the termination date or (ii) the expiration of the initial five year term.

The employment agreement of Mr. Sicignano provides that in the event of a change in control (as defined in his employment agreement) of our Company, then during the three (3)-year period following such change in control if certain triggering events occur, such as if he is terminated other than for Cause (as defined in his employment agreement), death or disability, or if his responsibilities are diminished after the change in control as compared to his responsibilities prior to the change in control, or if his base salary or benefits are reduced, or he is required to relocate more than twenty-five (25) miles from his current place of employment, then in any such events he will have the option, exercisable within ninety (90) days of the occurrence of such an event, to resign his employment with us, in which case he will be entitled to receive: (A) the greater of either his base salary for the then remaining portion of the initial 5-year term of the agreement or his base salary for three (3) years thereafter; (B) reimbursement for eighteen (18) months of his reasonable costs for medical, dental, life, disability and other benefits and insurance coverage that he received during his employment; (C) outplacement services for two (2) years; and (D) the immediate vesting of all options and/or restricted stock grants previously granted or to be granted to him.

Michael R. Moynihan, Ph. D. Dr. Moynihan entered into an employment agreement with us on March 15, 2011 for an initial term of three years that automatically renews on an annual basis thereafter unless terminated. The employment agreement of Mr. Brodfuehrer contains the same non-competition and non-interference covenants as Mr. Sicignano but they are in effect for a period of four (4) years after he ceases to be employed by us.

Thomas L. James. Mr. James entered into an employment agreement with us on May 12, 2014 for an initial term of three years that automatically renews on an annual basis thereafter unless terminated. Mr. James commenced his employment with us on May 27, 2014. If Mr. James' employment is terminated by the Company without Cause or by Mr. James for Good Reason (as such terms are defined in the employment agreement), Mr. James will be entitled to a severance benefit in the form of a continuation of his then-base salary until the later of (i) three years from the termination date or (ii) the expiration of the initial three year term.

The employment agreement of Mr. James provides that in the event of a change in control (as defined in his employment agreement) of our Company, then during the three (3)-year period following such change in control if certain triggering events occur, such as if he is terminated other than for Cause (as defined in his employment agreement), death or disability, or if his responsibilities are diminished after the change in control as compared to his responsibilities prior to the change in control, or if his base salary or benefits are reduced, then in any such events he will have the option, exercisable within ninety (90) days of the occurrence of such an event, to resign his employment with us, in which case he will be entitled to receive: (A) the greater of either his base salary for the then remaining portion of the initial 3-year term of the agreement or his base salary for three (3) years thereafter; (B) reimbursement for eighteen (18) months of his reasonable costs for medical, dental, life, disability and other benefits and insurance coverage that he received during his employment; (C) outplacement services for two (2) years; and (D) the immediate vesting of all options and/or restricted stock grants previously granted or to be granted to him.

The employment agreement of Mr. James contains the same non-compete covenants as Mr. Sicignano, which will be in effect for a period of two (2) years after he ceases to be employed by us.

Equity Plans

Equity Incentive Plan. On October 21, 2010, we established the 2010 Equity Incentive Plan (the “EIP”) for officers, employees, Directors, consultants and advisors to the Company and its affiliates, consisting of 4,250,000 shares of common stock reserved for issuance under the EIP. The EIP has a term of ten years and is administered by our Board or a committee to be established by our Board, to determine the various types of incentive awards that may be granted to recipients under this plan, such as stock grants, stock options, stock appreciation rights, performance share awards, restricted stock and restricted stock units, and the number of shares of common stock to underlie each such award under the EIP. There are no additional shares of common stock available for issuance under the EIP.

22nd Century Group, Inc. 2014 Omnibus Incentive Plan. Our Board of Directors adopted, and our stockholders approved at our 2014 annual meeting of stockholders, the 22nd Century Group, Inc. 2014 Omnibus Incentive Plan (the “Plan”). The Plan allows for the granting of equity and cash incentive awards to eligible individuals, including the issuance of up to 5,000,000 shares of our common stock pursuant to awards under the Plan. Awards under the Plan are intended to support the creation of long-term value and business returns for our stockholders. We believe the Plan strikes an appropriate balance between rewarding performance and limiting stockholder dilution, while providing our Company with the flexibility to meet changing compensation needs. The compensation committee of our Board of Directors administers the Plan. The Plan permits the grant of stock options (including incentive stock options), stock appreciation rights, restricted stock, restricted stock units, performance shares, performance units, annual cash incentives, long-term cash incentives, dividend equivalent units and other types of stock-based awards.

Compensation Policies and Practices and Risk Management

The compensation committee considers, in establishing and reviewing our compensation philosophy and programs, whether such programs encourage unnecessary or excessive risk taking. Base salaries are fixed in amount and consequently the compensation committee does not see them as encouraging risk taking. We also provide NEOs with equity awards to help further align their interests with our interests and those of our stockholders. The compensation committee believes that these awards do not encourage unnecessary or excessive risk taking since the awards are generally provided at the beginning of an employee's tenure or at various intervals to award achievements or provide additional incentive to build long-term value and are subject to vesting schedules to help ensure that executives have significant value tied to our long-term corporate success and performance.

The compensation committee believes that our compensation philosophy and programs encourage employees to strive to achieve both short- and long-term goals that are important to our success and building stockholder's value, without promoting unnecessary or excessive risk taking. The compensation committee has concluded that our compensation philosophy and practices are not reasonably likely to have a material adverse effect on us.

Compensation Committee Interlocks and Insider Participation

During the last fiscal year, no member of the compensation committee had a relationship with us that required disclosure under Item 404 of Regulation S-K. During the past fiscal year, none of our executive officers served as a member of the board of directors or compensation committee, or other committee serving an equivalent function, of any entity that has one or more executive officers who served as members of our board of directors or our compensation committee. None of the members of our compensation committee is an officer or employee of our Company, nor have they ever been an officer or employee of our Company.

Compensation Committee Report

Our compensation committee has reviewed and discussed the "Compensation Discussion and Analysis" contained in this proxy statement with management. Based on our compensation committee's review and discussions with management, our compensation committee recommended to our Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Our policy is to enter into transactions with related persons on terms that, on the whole, are no less favorable to us than those available from unaffiliated third parties. Our Board of Directors has adopted written policies and procedures regarding related person transaction. For purposes of these policies and procedures:

A “related person” means any of our Directors, executive officers, nominees for director, holder of 5% or more of our common stock or any of their immediate family members; and

A “related person transaction” generally is a transaction (including any indebtedness or a guarantee of indebtedness) in which we were or are to be a participant and the amount involved exceeds \$120,000 and in which a related person had or will have a direct or indirect material interest.

Each of our executive officers, Directors or nominees for director is required to disclose to our audit committee certain information relating to related person transactions for review, approval or ratification by our audit committee. In making a determination about approval or ratification of a related person transaction, our audit committee will consider the information provided regarding the related person transaction and whether consummation of the transaction is believed by the committee to be in our best interests. Our audit committee may take into account the effect of a Director’s related person transaction on the Director’s status as an independent member of our Board of Directors and eligibility to serve on committees of our Board under SEC rules and the listing standards of NYSE MKT. Any related person transaction must be disclosed to our full Board of Directors. Related party transactions in 2014 and 2013 are as follows:

On January 22, 2013, we paid Mr. Sicignano the total amount of \$250,696 in principal plus accrued but unpaid interest as payment in full on convertible notes owned by Mr. Sicignano. On that same date of January 22, 2013, Mr. Sicignano loaned us \$150,000 and we issued a promissory note to Mr. Sicignano due and payable on July 1, 2013 in the principal amount of \$150,000, with 15% interest per annum accruing thereon. Subsequently, Mr. Sicignano agreed to extend the maturity date to October 1, 2013. On October 2, 2013, the Company made a payment to Mr. Sicignano in the amount of \$165,473 in full satisfaction of the note and all accrued interest.

PROPOSAL NO. 2

ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION

We are asking stockholders to approve an advisory resolution on the Company's 2014 executive compensation as reported in this proxy statement.

We urge stockholders to read the "Executive Compensation" section beginning on page 15 of this proxy statement, as well as the Compensation Discussion and Analysis, the Summary Compensation Table and other related compensation tables and narrative in this proxy statement, which provide detailed information on the compensation of our NEOs.

In accordance with Section 14A of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and as a matter of good corporate governance, we are asking stockholders to approve the following advisory resolution:

RESOLVED, that the stockholders of 22nd Century Group, Inc. (the "Company") approve, on an advisory basis, the 2014 compensation of the Company's named executive officers disclosed in the Executive Compensation section and the related compensation tables, notes and narrative in the Proxy Statement for the Company's 2015 Annual Meeting of Stockholders.

This advisory resolution, commonly referred to as a "say-on-pay" resolution, is non-binding on the Board of Directors. Although non-binding, the Board and compensation committee will review and consider the voting results when making future decisions regarding our executive compensation program.

Our Board of Directors recommends that a vote FOR the approval of the advisory resolution on executive compensation.

PROPOSAL NO. 3

THE RATIFICATION OF THE APPOINTMENT OF FREED MAXICK CPAs, PC AS

THE COMPANY'S INDEPENDENT REGISTERED CERTIFIED PUBLIC ACCOUNTING FIRM FOR
FISCAL YEAR 2015

The audit committee has appointed Freed Maxick CPAs, P.C. ("Freed") as our independent registered certified public accounting firm for the fiscal year 2015 and has further directed that the selection of Freed be submitted to a vote of stockholders at the annual meeting for ratification.

In selecting Freed to be our independent registered public accounting firm for 2015, our audit committee considered the results from its review of Freed's independence, including (i) all relationships between Freed and our Company and any disclosed relationships or services that may impact Freed's objectivity and independence; (ii) Freed's performance and qualification as an independent registered public accounting firm; and (iii) the fact that the Freed engagement audit partner is rotated on a regular basis as required by applicable laws and regulations.

Our audit committee charter does not require that our stockholders ratify the selection of Freed as our independent registered public accounting firm. We are doing so because we believe it is a matter of good corporate governance practice. If our stockholders do not ratify the selection, our audit committee may reconsider whether to retain Freed, but still may retain the firm. Even if the selection is ratified, our audit committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of us and our stockholders.

Representatives of Freed are expected to attend the annual meeting, where they will be available to respond to appropriate questions and, if they desire, to make a statement.

Our Board of Directors recommends a vote FOR the ratification of the appointment of Freed as our independent registered certified public accounting firm for the year 2015. If the appointment is not ratified, our Audit Committee will consider whether it should select another independent registered certified public accounting firm.

All other fees	-	-

Tax fees consist of tax focused due diligence related to a potential acquisition target and tax consulting services related to future sales opportunities in Europe.

Policy on Audit Committee Pre-Approval of Audit and Non-Audit Services

The audit committee, in accordance with its charter, must pre-approve all non-audit services provided by our independent registered public accountants. The audit committee generally pre-approves specified series in the defined categories of audit services, audit related services and tax services up to specified amounts. Pre-approval may also be given as part of our audit committee's approval of the scope of the engagement of the independent registered public accountants or on an individual, explicit case-by-case basis before the independent auditor is engaged to provide each service.

The audit committee has considered whether the provision of the services not related to the audit of the financial statements acknowledged in the table above was compatible with maintaining the independence of Freed's and is of the opinion that the provision of these services was compatible with maintaining Freed's independence.

AUDIT COMMITTEE REPORT

The audit committee has reviewed and discussed the audited financial statements with management, which has represented that the financial statements were prepared in accordance with accounting principles generally accepted in the United States. The audit committee discussed with management the quality and acceptability of the accounting principles employed, including all critical accounting policies used in the preparation of the financial statements and related notes, the reasonableness of judgments made, and the clarity of the disclosures included in the statements.

The audit committee also reviewed our consolidated financial statements for fiscal 2014 with Freed, our independent auditors for fiscal 2014, who are responsible for expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States. The Board of Directors has discussed with Freed the matters required to be discussed by Statement on Auditing Standards No. 61, as amended.

The audit committee has received the written disclosures and the letter from Freed mandated by applicable requirements of the Public Company Accounting Oversight Board regarding the independent auditors' communications with the Board of Directors concerning independence and has discussed with Freed its independence and has considered whether the provision of non-audit services provided by Freed is compatible with maintaining Freed's independence.

Based on the reviews and discussions referred to above, the Board of Directors recommended that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2014 for filing with the Securities and Exchange Commission. The Board of Directors has selected Freed as our independent auditor for 2015.
