Item 1.01. Entry into a Definitive Material Agreement.

On May 8, 2015, Hudson Global, Inc. (the “Company”) entered into an Asset Purchase Agreement (the “Agreement”), among the Company, Hudson Global Resources Management, Inc. and Mastech, Inc. (“Mastech”). Pursuant to the Agreement, the Company agreed to sell its Hudson Information Technology (US) business (the “US IT Business”) to Mastech for \$17 million in cash at closing less the amount of deferred revenues relating to the US IT Business. The description of the Agreement set forth above is qualified by reference to the Agreement filed as Exhibit 2.1 to this Current Report on Form 8-K and incorporated by reference herein. There are representations and warranties contained in the Agreement, which were made by the parties to each other as of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating their terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to stockholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. Based upon the foregoing reasons, investors should not rely on the representations and warranties as statements of factual information.
