The Notice of Annual Meeting of Stockholders and the proxy statement, which are accessible on the Internet or by request, provide an outline of the business to be conducted at the Annual Meeting. At the Annual Meeting, you will be asked to: (1) elect two directors of the Company and (2) approve a proposal to authorize flexibility for the Company, with approval of the Company’s Board of Directors, to sell shares of the Company’s common stock (during the next 12 months) at a price below the then-current net asset value per share in one or more offerings, subject to certain conditions as set forth in the proxy statement. I will also report on the Company’s progress during the past year and respond to stockholders’ questions.

It is very important that your shares be represented at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, I urge you to follow the instructions on the Notice of Internet Availability of Proxy Materials to vote your proxy on the Internet. We encourage you to vote via the Internet, if possible, as it saves the Company significant time and processing costs. On the Notice of Internet Availability of Proxy Materials you also will find instructions on how to request a hard copy of the proxy statement and proxy card free of charge, and you may vote your proxy by returning a proxy card to us after you request the hard copy materials. Your vote and participation in the governance of the Company are very important to us.

Sincerely yours,

Notice is hereby given to the owners of shares of common stock (the “Stockholders”) of WhiteHorse Finance, Inc. (the “Company”) that:

The 2015 Annual Meeting of Stockholders (the “Annual Meeting”) of the Company will be held at the offices of Dechert LLP, located at 1095 Avenue of the Americas, New York, New York, on August 3, 2015 at 12:00 p.m., Eastern Time, for the following purposes:

1. To elect two Class III directors of the Company who will each serve for a term of three years or until his successor is duly elected and qualifies; and

Board of Directors, to consider and vote upon a proposal to authorize flexibility for the Company, with the approval of the Company’s common stock (during the next 12 months) at a price below the then-current net asset value per share, subject to certain limitations described in this proxy statement.

You have the right to receive notice of, and to vote at, the Annual Meeting if you were a Stockholder of record at the close of business on June 8, 2015. We are furnishing proxy materials to our Stockholders on the Internet, rather than mailing printed copies of those materials to each Stockholder. If you received a Notice of Internet Availability of Proxy Materials by mail, you will not receive a printed copy of the proxy materials unless you request them. Instead, the Notice of Internet Availability of Proxy Materials will instruct you as to how you may access and review the proxy materials, and vote your proxy, on the Internet.

Your vote is extremely important to us. If you are unable to attend the Annual Meeting, we encourage you to vote your proxy on the Internet by following the instructions provided on the Notice of Internet Availability of Proxy Materials. You may also request from us, free of charge, hard copies of the proxy statement and a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials. In the event there are not sufficient votes for a quorum or to approve the proposals at the time of the Annual Meeting, the Annual Meeting may be adjourned in order to permit further solicitation of proxies by the Company.

THE BOARD OF DIRECTORS, INCLUDING EACH OF THE INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR EACH OF THE PROPOSALS.

By Order of the Board of Directors,

Richard Siegel
Secretary

Miami, Florida
June 18, 2015

PROXY STATEMENT

For
2015 Annual Meeting of Stockholders
To Be Held on August 3, 2015

This document will give you the information you need to vote on the matters listed on the accompanying Notice of Annual Meeting of Stockholders (“Notice of Annual Meeting”). Much of the information in this proxy statement (“Proxy Statement”) is required under rules of the Securities and Exchange Commission (“SEC”), and some of it is technical in nature. If there is anything you do not understand, please contact us at (305) 381-6999.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of WhiteHorse Finance, Inc. (the “Company,” “WhiteHorse Finance,” “we,” “us” or “our”) for use at our 2015 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Monday, August 3, 2015 at 12:00 p.m., Eastern Time, at the offices of Dechert LLP, located at 1095 Avenue of the Americas, New York, New York, and at any postponements or adjournments thereof. This Proxy Statement and the Company’s annual report on Form 10-K (the “Annual Report”) for the fiscal year ended December 31, 2014 are being provided to stockholders (“Stockholders”) of the Company of record as of June 8, 2015 (the “Record Date”) via the Internet on or about June 18, 2015. In addition, a Notice of Annual Meeting and a Notice of Internet Availability of Proxy Materials are being sent to Stockholders of record as of the Record Date.

We encourage you to vote your shares, either by voting in person at the Annual Meeting or by voting by proxy, which means that you authorize someone else to vote your shares. Shares represented by duly executed proxies will be voted in accordance with your instructions. If you execute a proxy without specifying your voting instructions, your shares will be voted in accordance with the Board’s recommendation. If any other business is brought before the Annual Meeting, your shares will be voted at the Board’s discretion unless you specifically state otherwise on your proxy.

You may revoke a proxy at any time before it is exercised by notifying the Company’s Secretary in writing, by submitting a properly executed, later-dated proxy or by voting in person at the Annual Meeting. Any Stockholder entitled to vote at the Annual Meeting may attend the Annual Meeting and vote in person, whether or not he or she has previously voted his or her shares via proxy or wishes to change a previous vote.

You will be eligible to vote your shares electronically via the Internet, by telephone or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials.

Purpose of Annual Meeting

At the Annual Meeting, you will be asked to vote on the following proposals (the “Proposals”):

1. To elect two Class III directors of the Company who will each serve for a term of three years or until his successor is duly elected and qualifies (“Proposal 1”); and

2. To authorize flexibility for the Company, with the approval of the Company’s Board, to sell shares of the Company’s common stock (during the next 12 months) at a price below the then-current net asset value per share, subject to certain limitations described in this Proxy Statement (“Proposal 2”).

Voting Securities

You may vote your shares at the Annual Meeting only if you were a Stockholder of record at the close of business on the Record Date. There were 14,982,857 shares of the Company’s common stock (the “Common Stock”) outstanding on the Record Date. Each share of Common Stock is entitled to one vote.

Quorum Required

A quorum must be present at the Annual Meeting for any business to be conducted. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock outstanding which are entitled to vote on the Record Date will constitute a quorum. Abstentions will be treated as Shares that are present for purposes of determining the presence of a quorum for transacting business at the Annual Meeting. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on non-routine proposals are considered “broker non-votes” with respect to such proposals. Because each Proposal at the Annual Meeting is a non-routine matter, broker non-votes are not entitled to vote with respect to either Proposal. Therefore, broker non-votes will be treated as Shares that are not present for quorum purposes at the Annual Meeting. If there are not enough votes for a quorum, the chairman of the Annual Meeting will adjourn the Annual Meeting to permit the further solicitation of proxies.

Votes Required

Election of Directors

The election of a director requires the vote of a majority of the shares of Common Stock cast at the Annual Meeting in person or by proxy. Stockholders may not cumulate their votes. Abstentions will not be included in determining the number of votes cast and, as a result, will have no effect on this Proposal. If you vote to “Withhold Authority” with respect to the nominees, your shares will have the effect of a vote against the person indicated.

Authorization to Offer and Sell Shares of Common Stock Below Net Asset Value

Approval of this Proposal requires the affirmative vote of the Stockholders holding (1) a majority of the outstanding shares of the Company’s Common Stock entitled to vote at the Annual Meeting and (2) a majority of the outstanding shares of the Company’s Common Stock entitled to vote at the Annual Meeting that are not held by affiliated persons of the Company. For purposes of this Proposal, the Investment Company Act of 1940, as amended (the “1940 Act”), defines “a majority of outstanding voting securities” of a Company as: (1) 67% or more of the voting securities present at the Annual Meeting if the holders of more than 50% of the outstanding voting securities of the Company are present or represented by proxy; or (2) more than 50% of the outstanding voting securities of the Company, whichever is less. Abstentions will have the effect of a vote against this Proposal.

Stockholders of the Company may not cumulate their votes.

Broker Non-Votes

Broker non-votes are described as votes cast by a broker or other nominee on behalf of a beneficial holder who does not provide explicit voting instructions to such broker or nominee and who does not attend the Annual Meeting. Each Proposal is a non-routine matter. As a result, if you hold shares in “street name” through a broker, bank or other nominee, your broker, bank or nominee will not be permitted to exercise voting discretion with respect to either Proposal. Therefore, if you do not give your broker or nominee specific instructions on how to vote for you or you do not vote for yourself via the Internet by returning a proxy card or by other arrangement with your broker or nominee, then your shares will have no effect on either Proposal.

Adjournment and Additional Solicitation

If there appear not to be enough votes to establish a quorum or to approve the Proposals at the Annual Meeting, then either the presiding officer of the Annual Meeting or the Stockholders who are represented in person or by proxy may vote to adjourn the Annual Meeting to permit further solicitation of proxies. Jay Carvell and Gerhard Lombard are the persons named as proxies for the Company and will vote proxies held by them for an adjournment, to permit the further solicitation of proxies for purposes of establishing a quorum.

A Stockholder vote may be taken on any of the Proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such Proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Annual Meeting, including the cost of preparing and posting this Proxy Statement and the Annual Report to the Internet and the cost of mailing the Notice of Annual Meeting, the Notice of Internet Availability of Proxy Materials and any requested proxy materials to Stockholders. The Company intends to use the services of Broadridge Financial Solutions, Inc., a leading provider of investor communications solutions, to aid in the distribution and collection of proxy votes. The Company expects to pay market rates for such services. The Company reimburses brokers, trustees, fiduciaries and other institutions for their reasonable expenses in forwarding proxy materials to the beneficial owners and soliciting them to execute proxies.

In addition to the solicitation of proxies by use of the Internet, proxies may be solicited in person and/or by telephone, mail or facsimile transmission by directors or officers of the Company, officers or employees of H.I.G. WhiteHorse Advisers, LLC, the Company's investment adviser ("WhiteHorse Advisers"), H.I.G. WhiteHorse Administration, LLC, the Company's administrator ("WhiteHorse Administration"), and/or by a retained solicitor. No additional compensation will be paid to such directors, officers or regular employees for such services. If the Company retains a solicitor, the Company has estimated that it would pay approximately \$20,000 for such services. If the Company engages a solicitor, you could be contacted by telephone on behalf of the Company and urged to vote. The solicitor will not attempt to influence how you vote your shares, but only ask that you take the time to cast a vote. You may also be asked if you would like to vote over the telephone and to have your vote transmitted to our proxy tabulation firm. The address of each of WhiteHorse Advisers and WhiteHorse Administration is 1450 Brickell Avenue, 31st Floor, Miami, Florida 33131.

Stockholders may provide their voting instructions through the Internet, by telephone or by mail by following the instructions on the Notice of Internet Availability of Proxy Materials. These options require Stockholders to input the control number, which is provided with the Notice of Internet Availability of Proxy Materials. If you vote using the Internet, after visiting www.proxyvote.com and inputting your control number, you will be prompted to provide your voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their Internet link. Stockholders that vote via the Internet, in addition to confirming their voting instructions prior to submission, will, upon request, receive an e-mail confirming their instructions.

If a Stockholder wishes to participate in the Annual Meeting but does not wish to give a proxy by the Internet, the Stockholder may attend the Annual Meeting in person or request and submit a proxy card by following the instructions on the Notice of Internet Availability of Proxy Materials.

Any proxy authorized pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. A revocation may be effected by resubmitting voting instructions via the Internet voting

site, by telephone, by obtaining and properly completing another proxy card that is dated later than the original proxy card and returning it, by mail, in time to be received before the Annual Meeting, by attending the Annual Meeting and voting in person, or by a notice, provided in writing and signed by the Stockholder, delivered to the Company's Secretary on any business day before the date of the Annual Meeting.

Security Ownership of Certain Beneficial Owners and Management

As of the Record Date, to our knowledge, there are no persons who would be deemed to "control" us, as such term is defined in the 1940 Act.

Our directors consist of two interested directors and two independent directors. An interested director is an "interested person" of the Company, as defined in the 1940 Act, and independent directors are all other directors (the "Independent Directors"). Messrs. Thomas C. Davis and Rick D. Puckett qualify as Independent Directors, currently seeking to identify and nominate one additional Independent Director to fill a vacancy on the Board following the June 1, 2015 resignation of Mr. Alexander W. Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), the Company's directors and other executive officers and any persons holding more than 10% of its Common Stock are required to report their beneficial ownership and any changes therein to the SEC and the Company. Specific due dates for those reports have been established, and the Company is required to report in this Proxy Statement any failure to file such reports by those due dates. Based on the Company's review of Forms 3, 4 and 5 filed by such persons and information provided by the Company's directors and other executive officers, the Company believes that, during the fiscal year ended December 31, 2014, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

Dollar Range of Securities Beneficially Owned by Directors

The following table sets forth the dollar range of our equity securities beneficially owned by each of our directors as of June 16, 2015. We are not part of a “family of investment companies,” as that term is defined in Schedule 14A.

Rick D. Puckett	\$100,001 – \$500,000
Interested Directors	
John Bolduc	Over \$1,000,000
Jay Carvell	\$100,001 – \$500,000

(1) Dollar ranges are as follows: None; \$1 – \$10,000; \$10,001 – \$50,000; \$50,001 – \$100,000; \$100,001 – \$500,000; \$500,001 – \$1,000,000; and Over \$1,000,000.

PROPOSAL 1: ELECTION OF DIRECTORS

In accordance with the Company’s bylaws, the Board currently has four members. Directors are divided into three classes and are elected for staggered terms of three years each, with a term of office of one of the three classes of directors expiring each year. After this election, the terms of Class I, II and III will expire in 2016, 2017 and 2018, respectively. Each director will hold office for the term to which he is elected or until his successor is duly elected and qualifies.

On June 1, 2015, Alexander W. Pease resigned from the Board effective as of June 1, 2015. Mr. Pease served as an independent director of the Company since 2012, and his term as a Class I director was scheduled to expire in 2016. Prior to his resignation, Mr. Pease also served as the Chairman of the Compensation Committee and as a member of the Audit Committee and the Nominating and Corporate Governance Committee of the Company. Mr. Pease’s decision to resign from the Board was a result of his acceptance of a new position with an employer that prohibits its employees from serving on public boards and was not due to any dispute or disagreement with the Company on any matter relating to the Company’s operations, policies or practices. Pursuant to the Company’s Articles of Incorporation and Bylaws, a vacancy on the Board may be filled by a majority vote of the remaining directors, and any director elected to fill a vacancy will serve for the remainder of the term. The Company’s Nominating and Corporate Governance Committee is in the process of identifying a director nominee to replace Mr. Pease.

A Stockholder can vote for or against, or abstain from voting with respect to, any nominee. In the absence of instructions to the contrary, it is the intention of the persons named as proxies to vote such proxy FOR the election of each nominee named below. If a nominee should decline or be unable to serve as a director, it is intended that the proxy will be voted for the election of such person as is nominated by the Board as a replacement. The Board has no reason to believe that Messrs. Bolduc and Puckett will be unable or unwilling to serve.

THE BOARD, INCLUDING EACH OF ITS INDEPENDENT DIRECTORS, UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES NAMED IN THIS PROXY STATEMENT.

Corporate Governance

We believe that maintaining the highest standards of corporate governance is a crucial part of our business, and we are committed to having in place the necessary controls and procedures designed to ensure compliance with applicable laws, rules and regulations.

Director Independence

The NASDAQ Global Select Market (“NASDAQ”) corporate governance requirements require listed companies to have a board of directors with at least a majority of Independent Directors. Under NASDAQ corporate governance requirements, in order for a director to be deemed independent, our Board must determine that the individual does not have a relationship that would interfere with the director’s exercise of independent judgment in carrying out his responsibilities. On an annual basis, each of our directors is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ corporate governance requirements, the 1940 Act and our corporate governance guidelines. Our Board has determined that each of our directors, other than Messrs. Carvell and Bolduc, is independent under the NASDAQ listing standards and the 1940 Act. Our corporate governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board, the Chairman of the Nominating and Corporate Governance Committee and the Secretary of any change in circumstance that may cause his status as an Independent Director to change. The Board limits membership on the Audit Committee and the Nominating and Corporate Governance Committee to Independent Directors.

The Board’s Oversight Role in Management

The Board’s role in management of the Company is one of oversight. Oversight of the Company’s investment activities extends to oversight of the risk management processes employed by WhiteHorse Advisers as part of its day-to-day management of our investment activities. The Board reviews risk management processes at both regular and special Board meetings throughout the year, consulting with appropriate representatives of WhiteHorse Advisers as necessary and periodically requesting the production of risk management reports or presentations. The goal of the Board’s risk oversight function is to ensure that the risks associated with our investment activities are accurately identified, thoroughly investigated and responsibly addressed. Stockholders should note, however, that the Board’s oversight function cannot eliminate all risks or ensure that particular events do not adversely affect the value of the Company’s investments.

The Board’s Composition and Leadership Structure

The 1940 Act requires that at least a majority of the Company's directors not be "interested persons" (as defined in the 1940 Act) of the Company. Currently, two of the Company's four directors are Independent Directors (and are not "interested persons"). Jay Carvell, a Managing Director of an investment adviser affiliated with H.I.G. Capital, and therefore an interested person of the Company, serves as Chief Executive Officer and as a director of the Company. John Bolduc, an Executive Managing Director of H.I.G. Capital, and therefore an interested person of the Company, serves as Chairman of the Board. Our Board believes that it is in the best interests of our investors for Mr. Bolduc to lead the Board because of his familiarity with our portfolio companies, his broad experience with the day-to-day management and operation of other investment funds and his significant background in credit investing and in the financial services industry, as described below. The Board does not have a lead Independent Director. However, Rick D. Puckett, the Chairman of the Audit Committee, is an Independent Director and acts as a liaison between the Independent Directors and management between meetings of the Board. Mr. Puckett is involved in the preparation of agendas for Board and committee meetings. The Board believes that its leadership structure is appropriate because the structure allocates areas of responsibility among the individual directors and the committees in a manner that enhances effective oversight. The Board also believes that its small size creates an efficient corporate governance structure that provides opportunity for direct communication and interaction between WhiteHorse Advisers and the Board.

Information About Each Director's Experience, Qualifications, Attributes or Skills

Below is additional information about each director (supplementing the information provided in the table above) that describes some of the specific experiences, qualifications, attributes and/or skills that each director possesses and which the Board believes has prepared each director to be an effective member of the Board. The Board believes that the significance of each director's experience, qualifications, attributes and/or skills is an individual matter (meaning that experience or a factor that is important for one director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single director, or particular factor, being indicative of Board effectiveness. However, the Board believes that directors need to have the ability to review, evaluate, question and discuss critical information provided to them and to interact effectively with Company management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. The Board believes that its members satisfy this standard. Experience relevant to having this ability may be achieved through a director's professional experience, education and/or other personal experiences. The Company's counsel has significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

The Board believes that, collectively, the directors have balanced and diverse experience, qualifications, attributes and skills, which allow the Board to operate effectively in governing the Company and protecting the interests of its Stockholders. Below is a description of the various experiences, qualifications, attributes and/or skills with respect to each director considered by the Board.
