**Item 1.01 Entry into a Material Definitive Agreement.**

On August 4, 2015, Net Element, Inc. (the “Company”) entered into two letter agreements with the certain qualified institutional investors and certain institutional accredited investors listed in the Securities Purchase Agreement (Series A Convertible Preferred Stock of the Company) (the “Preferred SPA”) and the Securities Purchase Agreement (Senior Convertible Notes and Warrants) (the “Debt SPA”). The letter agreements waived certain terms of the Series A Convertible Preferred Stock of the Company, and waived and amended certain terms of the Preferred SPA and the Debt SPA and of the Senior Convertible Notes and Warrants issued pursuant to the Debt SPA, as follows:

1. Notes and Warrants.

No interest will accrue on the Senior Convertible Notes issued on April 30, 2015 by the Company to the Investors a. (the “Notes”) from the date of issuance of the Notes until the Moratorium Date (as defined below), unless otherwise mutually agreed to by the Company and the investors.

b. All obligations of the parties with respect to the Notes, the Warrants (as defined in the Debt SPA and all other Transaction Documents (as defined in the Debt SPA), including but not limited to the investors' obligations to release the purchase price of the Notes to the Company and the Company's obligations to the holders of the Notes set forth in the Notes or the Investors' rights to purchase and the Company obligations to issue any Additional Notes or any Additional Warrants (each, as defined in the Debt SPA), were frozen and placed on hold until September 4, 2015 (such date, or such later date agreed to in writing by all Parties, the “Moratorium Date”).

c. On or before the Moratorium Date, the Company and the investors will mutually decide in writing whether to reinstate the Notes and/or the Warrants and act in accordance with the terms thereof or otherwise mutually agreed modified terms thereof. The Company and the investors agreed that prior to the Moratorium Date they will work in good faith on amending the Warrants in a mutually acceptable manner

d. Unless the Company and the investors have reached agreement in writing as contemplated in paragraph(c) above by the Moratorium Date, (i) all Notes will be automatically (i.e., without any further action by Company or the investors) null and void as of the Moratorium Date with no obligations or liabilities whatsoever of the Company relating thereto; (ii) the investors' right to purchase, and the Company's obligation to issue, Additional Notes and Additional Warrants (each, as defined in the Debt SPA) will be automatically (i.e., without any further action by the Company or the investors) null and void as of the Moratorium Date with no obligations or liabilities whatsoever of the Company relating thereto; and (iii) within five (5) business days from the Moratorium Date, the investors will return to the Company the originals of all Notes for cancellation by the Company.

2.

Preferred Securities

The terms of the Preferred SPA and related documents (including but not limited to the Certificate of Designations, Preferences and Rights (the "Certificate of Designations") of the Company's Series A Preferred Stock (the "Preferred Shares")) entered into on April 30, 2015 by and between the Parties with respect to the issuance of the Preferred Shares will be deemed waived to the extent necessary so that the following terms apply to the remaining outstanding Preferred Shares:
