PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of United Community Banks, Inc. (“United”) for use at the 2018 Annual Meeting of Shareholders (the “2018 Annual Meeting”) to be held on Wednesday, May 9, 2018 at 2:00 p.m. at The Ridges Resort, 3499 Highway 76 West, Young Harris, Georgia, and at any adjournments or postponements of the 2018 Annual Meeting. For directions to the 2018 Annual Meeting, visit www.theridgesresort.com or call (866) 270-5900 and an Investor Relations professional can assist you.

In this Proxy Statement, we use terms such as “we,” “us,” “our,” “United” and the “Company” to refer to United Community Banks, Inc. and its subsidiary, United Community Bank (the “Bank”). We also sometimes refer to the Board of Directors of United Community Banks, Inc. as the “Board.” Additionally, we use terms such as “you” and “your” to refer to our shareholders.

In this Proxy Statement, we refer to the Notice of Annual Meeting of Shareholders, this Proxy Statement, our 2017 Annual Report to Shareholders, our Annual Report on Form 10-K for the year ended December 31, 2017 and the Proxy Card or voting instruction form as our “Proxy Materials.”

INFORMATION ABOUT THE PROXY MATERIALS

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting To Be Held On May 9, 2018

We have posted materials related to the 2018 Annual Meeting on the Internet. The following materials are available on the Internet at www.proxyvote.com:

· This Proxy Statement for the 2018 Annual Meeting;

· United's 2017 Annual Report to Shareholders; and

· United's Annual Report on Form 10-K for the year ended December 31, 2017 previously filed with the SEC.

Why did I receive a notice in the mail regarding the Internet availability of the Proxy Materials instead of a paper copy of the Proxy Materials?

In accordance with rules adopted by the Securities and Exchange Commission (the "SEC"), we may furnish our Proxy Materials to our shareholders by providing access to such documents on the Internet instead of mailing printed copies. The Notice of Internet Availability of Proxy Materials was first sent or given to shareholders on March 30, 2018.

All shareholders will have the ability to access the Proxy Materials via the Internet by going to www.proxyvote.com or by requesting to receive a printed set of such Proxy Materials. Instructions on how to access the Proxy Materials over the Internet or to request a printed copy may be found on the Notice of Internet Availability of Proxy Materials.

INFORMATION ABOUT THE ANNUAL MEETING

What will I be voting on at the 2018 Annual Meeting?

This year you will be asked to vote on the following items of business:

Proposal 1 - Election of nine directors to constitute the Board of Directors (the “Board”) to serve until the next Annual Meeting and until their successors are elected and qualified;

Proposal 2 - Approval, on an advisory basis, of the compensation of our Named Executive Officers as disclosed in this Proxy Statement; and

Proposal 3 - Ratification of the appointment of PricewaterhouseCoopers LLP as independent registered public accountant for 2018.

Will other matters be voted on at the 2018 Annual Meeting?

We are not aware of any matters to be presented at the 2018 Annual Meeting other than those described in this Proxy Statement. If any other matters not described in the Proxy Statement are properly presented at the meeting, proxies will be voted in accordance with the best judgment of the proxy holders.

Who is entitled to vote?

All shareholders of record of United’s Common Stock at the close of business on March 10, 2018, which is referred to as the record date, are entitled to receive notice of the 2018 Annual Meeting and to vote the shares of Common Stock held by them on the record date. Each outstanding share of common stock entitles its holder to cast one vote for each matter to be voted upon.

What other information should I review before voting?

You should review United's 2017 Annual Report to Shareholders and its Annual Report on Form 10-K filed with the SEC, including financial statements for the year ended December 31, 2017, before voting. Copies of these documents may be obtained without charge by:

Accessing www.proxyvote.com;

Accessing United's website at www.ucbi.com; or

Writing to the Secretary of United at Post Office Box 398, Blairsville, Georgia 30514-0398.

You may also obtain copies of United's Annual Report on Form 10-K by accessing the EDGAR database at the SEC's website at www.sec.gov or from the SEC at prescribed rates by writing to the Public Reference Room of the SEC, 100 F. Street, N.E., Room 1580, Washington, D.C. 20549. Please call the SEC at (800) SEC-0330 for further information.

How do I cast my vote?

If you hold your shares of common stock in your own name as a holder of record and you have Internet access, United prefers that you vote your shares via the Internet by going to www.proxyvote.com. Alternatively, you may vote your shares by telephone if you reside in the United States, Canada or the United States territories or in person at the 2018 Annual Meeting.

If your shares of common stock are held in "street name," meaning that your shares are held for your account by a broker, bank or other nominee, you will receive instructions from your nominee which you must follow in order to vote your shares.

Proxies that are submitted through the Internet or, if applicable, executed and returned via mail, but do not contain any specific instructions on any proposal, will be voted "FOR" the proposals specified herein.

May I change my vote?

If you are a record holder, you may revoke your proxy by:

· Filing a written revocation with the Secretary of United at Post Office Box 398, Blairsville, Georgia 30514-0398; or

· Appearing in person and electing to vote by ballot at the 2018 Annual Meeting.

Any shareholder of record as of the record date attending the 2018 Annual Meeting may vote in person by ballot whether or not a proxy has been previously given, but the presence (without further action) of a shareholder at the 2018 Annual Meeting will not constitute revocation of a previously given proxy.

Any shareholder holding shares in “street name” by a broker or other nominee must contact the broker or nominee to obtain instructions for revoking the proxy instructions.

How many votes must be present to hold the 2018 Annual Meeting?

The presence, in person or by proxy, of holders of at least a majority of the total number of outstanding shares of common stock entitled to vote is necessary to constitute a quorum for the transaction of business at the 2018 Annual Meeting. As of the record date, there were 79,121,122 voting shares of common stock outstanding and entitled to vote at the 2018 Annual Meeting.

What vote is required to approve each proposal?

The required vote for each proposal at the 2018 Annual Meeting is as follows:

· Proposal 1 - For the election of directors, those nominees receiving the greatest number of votes at the 2018 Annual Meeting shall be deemed elected, even though the nominees may not receive a majority of the votes cast. However, as described in Proposal 1: Election of Directors — Majority Vote Requirement, under certain circumstances, nominees

who are elected receiving less than a majority vote may be asked to resign;

Proposal 2 - For the approval, on an advisory basis, of the compensation of our Named Executive Officers as disclosed in this Proxy Statement, the vote of a majority of the voting shares of common stock voted on the matter; and

Proposal 3 - For the ratification of the appointment of PricewaterhouseCoopers LLP as independent registered public accountant for 2018, the vote of a majority of the voting shares of common stock voted on the matter.

For any other business at the 2018 Annual Meeting, the vote of a majority of the voting shares of common stock voted on the matter, assuming a quorum is present, shall be the act of the shareholders on that matter, unless the vote of a greater number is required by law.

How are votes counted?

Proposal 1 is the election of directors. Because directors are elected by a plurality of the votes cast, except as described in Proposal 1: Election of Directors — Majority Vote Requirement, the director nominees who get the most votes will be elected even if such votes do not constitute a majority. Directors cannot be voted “AGAINST,” and votes to “WITHHOLD AUTHORITY” to vote for a certain nominee will have no impact if the nominee receives a plurality of the votes cast. For the approval of all other proposals, you may vote “FOR” or “AGAINST” the proposal.

Abstentions and “broker non-votes” will be counted only for purposes of establishing a quorum, but will not otherwise impact the vote. “Broker non-votes” are proxies received from brokers or other nominees holding shares on behalf of their clients (in “street name”) who have not been given specific voting instructions from their clients with respect to non-routine matters. The ratification of independent auditors is considered a routine matter by brokers and other nominees allowing them to have discretionary voting power to vote shares they hold on behalf of their clients for the ratification of an independent auditor.

If you hold your shares of common stock in your own name as a holder of record and you fail to vote your shares, either in person or by proxy, the votes represented by your shares will be excluded entirely from the vote.

How can I pre-register to attend the 2018 Annual Meeting?

You may attend the Annual Meeting only if you owned shares of our common stock at the close of business on March 10, 2018. To pre-register to attend the 2018 Annual Meeting you may:

Notate your intention to attend in conjunction with the submission of your vote (by Internet www.proxyvote.com, by telephone 800-690-6903, or by mail),

- Email Investor_Relations@ucbi.com and indicate the name of the person(s) attending; or
- Call (866) 270-5900 and speak with an Investor Relations professional.

He was elected speaker in 1994 – a position he held for 11 years until he resigned for his ambassadorship post. He is the recipient of numerous awards including the state's highest honor, the Order of the Palmetto. Mr. Wilkins received his bachelor's degree from Clemson University and his J.D. degree from University of South Carolina School of Law.

Mr. Wilkins has extensive legal, regulatory and governance experience, having served in a senior position in a law firm, U.S. Ambassador and State House of Representatives. Mr. Wilkins' legal and governance experience provides a valuable perspective to United's Board making him well suited to serve on the Board.

Board Independence

The Board has considered and determined that a majority of the members of the Board are independent, as defined under applicable federal securities laws and the NASDAQ listing requirements. During 2017, the independent directors were directors Blalock, Cox, Daniels, Nelson, Richlovsky, Shaver, Wallis and Wilkins. The independent directors meet in executive sessions every quarter without management.

Board Leadership

The Board has elected Jimmy C. Tallent, United's Chief Executive Officer, as Chairman, and Thomas A. Richlovsky as Lead Director. The Board believes at this time that its current structure best serves the interests of shareholders and that the appointment of one of its independent directors as Lead Director ensures that United benefits from effective oversight by its independent directors. This combination yields deep experience in United's organization, strategy and markets, provided by Mr. Tallent, coupled with independent, shareholder-focused leadership, provided by Mr. Richlovsky.

Family Relationships

There are no family relationships between any director, executive officer (as defined by Item 401 of Regulation S-K), or nominee for director of United.

Recent Changes

At the completion of his current directorship term which concludes at the 2018 Annual Meeting, Director W.C. Nelson, Jr. will retire from the Board. Mr. Nelson has served as a member of the Board of Directors since 1988, and his years of business experience, depth of understanding of United's markets and strong commitment to United's success have made him a valuable resource to the Board. We thank Mr. Nelson for his many contributions to the

Board.

Risk Oversight

United believes its risk management structure facilitates careful oversight of risk to United. Risk oversight of United is the responsibility of the Board. In such capacity, the Board receives and discusses regular reports prepared by United's senior management, including the Chief Risk Officer, on areas of material risk to United. The Board (or the appropriate committee in the case of risks that are under the purview of a particular committee) uses these reports to enable it to understand the risk identification, risk management and risk mitigation strategies being used by United and to ensure that the strategies are implemented appropriately.

To further support the risk management function United also has a Risk Committee comprised solely of independent directors. The Risk Committee provides strong oversight by the independent directors by meeting frequently in executive sessions of the Board without management. These executive sessions allow the committee to review key decisions and discuss matters in a manner that is independent of management.

Shareholder Communication

The Board maintains a process for shareholders to communicate with the Board. Shareholders wishing to communicate with the Board should send any communication in writing to the Secretary, United Community Banks, Inc. Post Office Box 398, Blairsville, Georgia 30514-0398. Any such communication must state the number of shares beneficially owned by the shareholder making the communication. The communication will be forwarded to the full Board or to any individual director or directors to whom the communication is directed unless the communication is illegal or otherwise inappropriate, in which case the communication will be disregarded.

Director Nominations

General

The Board nominates individuals for election to the Board based on the recommendations of the Nominating/Corporate Governance Committee. A candidate for the Board must meet the eligibility requirements set forth in United's Bylaws, Corporate Governance Guidelines and in any applicable Board or committee resolutions.

Nominating/Corporate Governance Committee Procedures

The Nominating/Corporate Governance Committee considers qualifications and characteristics that it, from time to time, deems appropriate when it selects individuals to be nominated for election to the Board. These qualifications and characteristics include, without limitation, the individual's interest in United, his or her United shareholdings, independence, integrity, business experience, education, accounting and financial expertise, age, diversity, reputation, civic and community relationships and knowledge and experience in matters impacting financial institutions. In addition, prior to nominating an existing director for re-election to the Board, the Nominating/Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance.

Shareholder Nominations

The Board and Nominating/Corporate Governance Committee of the Board will consider all director nominees properly recommended by any United shareholders in accordance with the standards described above. Any shareholder wishing to recommend a candidate for consideration as a possible director nominee for election at an upcoming meeting of shareholders must provide timely, written notice to the Board in accordance with the procedures available on United's website, www.ucbi.com. The following is a summary of these procedures:

Audit Committee

The Audit Committee assists the Board in its general oversight and serves as an independent and objective party to monitor United's financial reporting process and internal control systems, to review and assess the performance of the independent registered public accountants and internal auditing department and to facilitate open communication among the independent registered public accountants, senior and financial management, the internal auditing department and the Board. Certain specific responsibilities of the Audit Committee include recommending the selection of independent registered public accountants, meeting with the independent registered public accountants to review the scope and results of the annual audit, reviewing with management and the internal auditor the systems of internal controls and internal audit reports, ensuring that United's books, records, and external financial reports are in accordance with U.S. generally accepted accounting principles and reviewing all reports of examination made by regulatory authorities and ascertaining that any and all operational deficiencies are satisfactorily corrected.

The Board has determined that all of the members of the Audit Committee have sufficient knowledge in financial and accounting matters to serve on the Audit Committee including the ability to read and understand fundamental financial statements. The Board has determined that all of the members of the Audit Committee are "financially sophisticated," as defined under the NASDAQ listing requirements, and that directors Richlovsky and Shaver qualify as "audit committee financial experts" in accordance with the applicable rules and requirements of the SEC.

The Audit Committee met 12 times during 2017.

Risk Committee

The Risk Committee assists the Board in its general oversight of the Company's risk management processes and is responsible for an integrated effort to identify, assess and manage or mitigate material risks facing the Company. The Risk Committee's primary functions include monitoring and reviewing United's enterprise risk management processes, strategies, policies and practices to identify emerging risks, evaluate the adequacy of United's risk management functions and make recommendations to the Board in order to effectively manage risks.

The Risk Committee met four times during 2017.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee reviews United's Corporate Governance Guidelines and policies and monitors compliance with those guidelines and policies. In addition, the Nominating/Corporate Governance Committee is responsible for identifying individuals qualified to become Board members and recommending to the Board nominees for election and candidates for each committee appointed by the Board.

The Nominating/Corporate Governance Committee met three times during 2017.

Compensation Committee

The primary function of the Compensation Committee is to assist the Board in fulfilling its oversight responsibilities by designing and monitoring compensation policies and programs to assure that the compensation payable to the executive officers of the Company provides overall competitive pay levels, creates proper incentives to enhance shareholder value and rewards superior performance. Consistent with this function, and subject to Board oversight, the Compensation Committee also has responsibilities with respect to designing, approving, evaluating and administering the executive and director compensation policies and programs of the Company and approving and evaluating Company compensation policy for non-executive employees of the Company.

The Compensation Committee met seven times during 2017.

Majority Vote Requirement

United's majority vote policy states that nominees for director who are elected but receive less than a majority of the votes cast for the election of directors may be asked to resign. The policy allows the Board to waive this majority vote requirement where a general campaign against the election of a class of directors of public companies resulted in a United nominee being elected with less than a majority vote without consideration of the particular facts and circumstances applicable to the individual United nominee. A waiver of the majority vote requirement will not be permitted if the votes cast resulted from a campaign directed specifically against the election of an individual United nominee, even in circumstances where a majority of the Board disagrees with those voting against that director's election.

Vote Required

Each proxy executed and returned by a shareholder will be voted as specified thereon by the shareholder. If any nominee withdraws or for any reason is not able to serve as a director, the proxy will be voted for such other person as may be designated by the Board as a substitute nominee but in no event will the proxy be voted for more than nine nominees. Management of United has no reason to believe that any nominee will not serve if elected. All of the nominees are currently directors of United.

Directors are elected by a plurality of the votes cast by the holders of the shares entitled to vote in an election at a meeting at which a quorum is present even though the nominees may not receive a majority of the votes cast. However, as described in Proposal 1: Election of Directors — Majority Vote Requirement, under certain instances nominees who are elected receiving less than a majority vote may be asked to resign. An abstention or a broker non-vote will be included in determining whether a quorum is present at the meeting but will not have any other impact on the outcome of a vote.

Recommendation

The Board recommends you vote “FOR” each nominee for director.

United's Board or the Audit Committee of the Board must approve all such transactions under the policy.

Prior to entering into such a related person transaction or an amendment thereof, the Board or Audit Committee must consider all of the available relevant facts and circumstances including, if applicable, benefits to United, the impact of a transaction on a director's independence, the availability of other sources for comparable products or services, the terms of the transaction and the terms available to or from unrelated third parties or employees generally, as the case may be. No member of the Board or Audit Committee shall participate in any review, consideration or approval of any related person transaction with respect to which such member or any of his or her immediate family members is a related person.

Executive Summary

2017 Performance Highlights. 2017 was a successful year for United, both in the achievement of strategic objectives that the Compensation Committee (the “Committee”) believes will drive the long-term success of United as well as in the in the achievement of financial objectives.

Strategically, acquisitions during 2017 resulted in greater expansion in our metro markets extending our footprint into one new market, the Raleigh MSA, and expanded our footprint in the attractive South Carolina coastal market in which we already had a presence.

United completed the acquisition of HCSB Financial Corporation (“Horry County State Bank”) on July 31, 2017. The merger of Horry County State Bank into United enhances United’s presence in South Carolina’s fastest growing market, Myrtle Beach, with #5 deposit market share rank. It also provides an important platform for an existing team of United lenders already in the Myrtle Beach area, as well as expanded banking products and services for Horry County State Bank customers. United completed the integration of Horry County State Bank’s systems and operations during November, and Horry County State Bank’s branches now operate under the United Community Bank brand.

· United completed the acquisition of Four Oaks Fincorp, Inc. (“Four Oaks”) on November 1, 2017. The merger of Four Oaks into United extends United’s footprint into the attractive Raleigh MSA, North Carolina’s fastest-growing market. Four Oaks has a locally-focused franchise ranked #2 among local community banks in Raleigh MSA deposit market share with 10 branches and two loan production offices in the Raleigh MSA and branches in Dunn and Wallace, North Carolina. Four Oaks provides stable, low-cost funds to further support United’s strong balance sheet growth.

United completed the acquisition of Four Oaks' on November 1 with conversion of core processing systems scheduled for April 2018.

In addition to being ranked number one by JD Power in the southeast for retail banking customer satisfaction for four consecutive years, the Bank was also named one of the Best Banks to Work For in 2017. The Best Banks to Work For program, which was initiated in 2013 by American Banker and Best Companies Group, identifies, recognizes and honors U.S. banks for outstanding employee satisfaction.

During 2017, we focused efforts on the continued expansion of our Commercial Banking Solutions group – both in deeper penetration into our current verticals as well as the addition of a new vertical, renewable energy. These efforts resulted in an increase of 12% in Commercial Banking Solutions loan balances during 2017.

In addition to United's achievement of these strategic objectives during 2017, United achieved solid financial operating performance (note that these figures differ from values reported in accordance with generally accepted accounting principles ("GAAP") in that they exclude certain one-time merger-related expenses and other non-operating charges). See GAAP reconciliation disclosures on page 28 as well as related disclosures beginning on page 34 in United's Annual Report on Form 10-K for the year ended December 31, 2017 for the non-GAAP to GAAP reconciliation and other relevant information:

Net operating income improved from \$106.7 million, or \$1.48 per diluted share, in 2016 to \$120.3 million, or \$1.63 per diluted share, in 2017.

Operating return on average assets ("Operating ROA") improved from 1.06% in 2016 to 1.09% in 2017, and operating return on tangible common equity improved from 11.9% in 2016 to 12.0% in 2017.

Organic loan growth for 2017 of \$113 million as well as growth in core transaction deposits of \$258 million (excluding acquisitions).

Net interest margin improved from 3.36% in 2016 to 3.52% in 2017.

Credit quality performance remained strong during 2017.

o Net charge-offs to average loans improved from 0.11% in 2016 to 0.08% for 2017.

o Non-performing assets (excluding restructured loans) to total assets improved from 0.28% in 2016 to 0.23% in 2017.

Operating efficiency ratio improved from 57.78% in 2016 to 56.67% in 2017.

United's ultimate goal is to provide a strong return for shareholders, which is delivered through quarterly dividends and share price appreciation. In the first quarter 2017, United increased its quarterly cash dividend to shareholders from \$0.08 per share to \$0.09 per share which was increased again in the third quarter to \$0.10 per share. Total shareholder return is at the 68th percentile of peers over the last three years. The source of total shareholder return data is SNL Financial which standardizes financial data to assist with comparisons across multiple companies. As such, the standardized data presented for United may differ from actual Company calculations which do not take into account such standardizations.

The Company's Management Incentive Plan focuses on four key operational performance measures that it believes leverage United's strengths and drive long-term success: earnings per share, non-performing assets as a percentage of total assets, the efficiency ratio and customer satisfaction ratings. The following graphs summarize the United's 2017 performance with regard to the three of the four key financial/operational measures compared with its peers. The customer satisfaction rating operational measure is based on Customer Service Profiles for which peer comparison is unavailable. See Specific Considerations Regarding 2017 Compensation for a complete list of peers. The source data for the following graphs is SNL Financial which standardizes financial data to assist with comparisons across multiple companies. As such, the standardized data presented for United may differ from actual Company calculations which do not take into account such standardizations.

Exhibits do not include Capital Bank Financial Corp. Although Capital Bank Financial Corp was a compensation peer used in making some (1) 2017 compensation decisions, they were acquired in November 2017 and, thus, performance is not available for comparison.

For UCBI, EPS Growth is reported on an operating basis to exclude the impact of certain one-time items in (2) connection with M&A activity and the Tax Cuts and Jobs Act. See page 28 for a reconciliation with GAAP-reported information.

(3) NPAs excluding restructured loans as a percent of total assets.

- The Committee provided a modest salary increase to Mr. Tallent's base salary in 2017.
 - Mr. Harton's base salary was increased to \$700,000 in 2017, which is above the median annual base salary paid to similar executive officers in the Peer Group but justified in the view of the Committee because of his transition to the role of Chief Executive Officer of the Bank in August 2017.
 - Mr. Harralson was hired in April 2017 at an initial base salary of \$400,000.
 - The base salaries for Messrs. Gilbert and Edwards remained unchanged in 2017. The Committee believes that both Mr. Gilbert and Mr. Edwards are compensated fairly for their roles.

Introduction

Overview. This CD&A describes United's 2017 compensation program for the NEOs. The following pages are intended to explain the objectives of United's compensation program, the structure of its compensation plans and the process by which the Committee and the Board as a whole makes compensation decisions for the executive officers. In particular, the CD&A focuses on decisions made in the determination of 2017 compensation for the NEOs. This CD&A is intended to be read in conjunction with the tables and related disclosures beginning on page 29, which provide detailed historical compensation information for the NEOs.

Philosophy. United's compensation programs are designed to attract and retain key employees and to motivate them to achieve desired short- and long-term objectives with the goal of increasing shareholder value over the long-term. Because United believes the performance of every employee is important to the Company's success, it is mindful of the impact of executive compensation and incentive programs on all of its employees and tries to establish programs that are fair in light of the compensation programs for all other employees.

The Committee believes that the compensation of the Company's NEOs should reflect their success as an executive management team and as individuals in attaining key operating objectives. Key operating objectives include:

- Growth of revenue, loans and deposits;

- Growth of operating earnings and earnings per share;

- Operating returns on equity and assets;

- Growth or maintenance of market share, long-term competitive advantage, customer satisfaction, and operating efficiencies; and

- Ultimately, long-term growth in the market price of United's stock.

The Committee also believes that compensation should not be excessive or based on the short-term performance of United’s stock, whether favorable or unfavorable, and should not encourage unnecessary or excessive risks. Further, the Committee believes that performance objectives should be established as reasonable and achievable goals consistent with the safe and sound operation of United.

Stock Ownership Guidelines. To further tie the financial interests of United’s senior management to those of United’s shareholders, United has established stock ownership and retention guidelines for the NEOs and other executive officers. NEOs and other executive officers are expected to accumulate within five years of their obtaining such a position a number of shares of United’s common stock having a value equal to a multiple of their base salary, as described in the table below:

| Title | Ownership Guidelines |
|---------------------------------------|-----------------------------|
| Chief Executive Officer and President | 4x base salary |
| Other Executive Officers | 3x base salary |

All of the NEOs and other executive officers have met or are on track to meet these targets within the five-year-period. United also has a policy that generally prohibits its employees, officers and directors from engaging in short sales or trading in puts, calls and other options or derivatives with respect to the securities of the Company.

Response to 2017 “Say-on-Pay” Vote. United held an advisory “say-on-pay” vote in 2017 on the compensation of its NEOs. United’s shareholders approved such compensation with 97.2% of votes “FOR” the “say-on-pay” resolution. The Committee believes that the strong result of this vote is evidence that the Company’s compensation policies and decisions are in the best interests of its shareholders and expects to apply similar principles going forward. In the future, the Committee will continue to take the results of the “say-on-pay” vote into consideration. While this vote is not binding on United, the Board and Committee value the opinions of shareholders and, to the extent there is any significant vote against the compensation of the NEOs, we will consider shareholders’ concerns, and the Committee will evaluate whether any actions are necessary to address those concerns.

2017 Compensation Decision Process

The Role of the Compensation Committee and Management. 2017 compensation for the NEOs was determined under programs adopted by the Committee and reviewed and/or approved by the Board. The Committee establishes the executive compensation philosophy, policy, elements and strategy and reviewed compensation proposals for approval by the Board.

Members of management assist the Committee by providing recommendations that management believes will establish appropriate and market-competitive compensation plans for the NEOs. The Compensation Committee reviews the performance of and makes recommendations regarding compensation for the Chairman and Chief Executive Officer. The Company's Chairman and Chief Executive Officer makes recommendations to the Committee, and the Committee approves, compensation for the President and Chief Operating Officer. The Company's President and Chief Operating Officer makes recommendations to the Committee, and the Committee approves the compensation for all other NEOs. The Company's Chairman and Chief Executive Officer and President and Chief Operating Officer attend the Committee meetings, participate in compensation discussions and provide input and recommendations that the Committee considers, but neither are in attendance nor do either participate in deliberations or voting with respect to his own compensation.

In making these recommendations, the Company's President and Chief Operating Officer (the Bank's President and Chief Executive Officer) considers, and the Committee reviews, the following factors to determine the amount of salary and other benefits to pay each NEO:

- Performance against corporate and individual objectives for the previous year;

- Difficulty of achieving desired results in the coming year;

- Scope of responsibilities;

- Internal comparability considerations;

- Value of their unique skills and capabilities to support United's long-term performance;

- Peer group compensation information;

- Performance of their general management responsibilities; and

- Contribution as a member of the executive management team.

Other factors that may be considered in recommending and/or approving compensation of the NEOs include objective measurements of business performance, the accomplishment of strategic and financial objectives, the development of management talent within the Company, other matters relevant to the short-term and the long-term success of the Company and the enhancement of shareholder value in the broadest sense.

The Committee made changes to the base salaries of certain NEOs in 2017 based on its review and in order to ensure that base salaries are within an appropriate range of the median annual base salary paid to executives in similar positions at peer banks. Mr. Harton's salary was increased to \$700,000 in 2017 in anticipation of his transition into the role of Chief Executive Officer of the Bank in August 2017.

No Committee member has been an officer or employee of United, and the Board has considered and determined that all of the members are independent as defined under the NASDAQ listing requirements. All members are shareholders of United and several members of the Committee have a significant percentage of their net worth invested in shares of

United, such that members' interests are aligned with the interests of other shareholders.

The Role of the Compensation Consultant. In performing its responsibilities for executive compensation, the Committee has sole authority to, and does to the extent it deems necessary or desirable, retain and consult with outside professional advisors. During 2017, the Committee engaged McLagan, a performance/reward consulting and benchmarking firm for the financial services industry, to review executive compensation versus market data at peer firms, to review director compensation on a similar basis and advise United on other compensation-related matters.

The Committee has reviewed its relationship with McLagan. Considering all relevant factors, including those set forth in Rule 10C-1(b)(4)(i) through (vi) under the Securities Exchange Act of 1934, the Committee determined that it is not aware of any conflict of interest that has been raised by the work performed by McLagan. In addition, the Committee has assessed the independence of McLagan as required under NASDAQ listing rules.

Specific Considerations Regarding 2017 Compensation

Competitive Benchmarking. The Committee utilized a peer group (the "Peer Group") comprised of the financial institutions listed in the table below during its discussions regarding 2017 compensation for the NEOs.

| Company Name | Ticker | Company Name | Ticker |
|---------------------------------------|--------|-----------------------------------|--------|

| LegacyTexas Finl Group Inc. | LTXB | WesBanco Inc. | WSBC |

⁽¹⁾ Capital Bank Financial Corp. was acquired in late 2017. However, compensation information from the 2016 performance year remained available and appropriate for comparison.

The Committee believes that this group was representative of the markets in which United competed for executive talent. McLagan reviewed and updated the compensation peer group in April 2017. The updated peer group was used to guide compensation decisions for 2018.

Compensation Mix. Compensation for each NEO is allocated among annual base salary, annual non-equity incentive awards and long-term equity incentive awards. The amount of each element of compensation is determined by or under the direction of the Committee in consideration of many factors as summarized in 2017 Compensation Decision Process. The Committee has established targeted overall compensation for each NEO and the allocation of such compensation among annual base salary, annual non-equity incentive awards and long-term equity incentive awards. The following table outlines United's long-term targeted compensation mix as a percentage of total compensation:

| Title | Annual Base Salary | Performance-Based Compensation Elements | |
|---|--------------------|---|----------------------------|
| | | Annual Non-Equity Incentive | Long-Term Equity Incentive |
| Chief Executive Officer and President / Chief Operating Officer | 40% | 30% | 30% |
| Other Named Executive Officers | 45% | 25% | 30% |

Annual Base Salary

United strives to provide its NEOs with a level of annual cash base salary that is competitive with companies in the financial services industry. In order to ensure that salary levels remain appropriate and competitive, the Committee reviews base salaries annually and makes adjustments in consideration of many factors as summarized in 2017 Compensation Decision Process.

The Committee made changes to the base salaries of certain NEOs in 2017 based on its review and in order to ensure that base salaries are within an appropriate range of the median annual base salary paid to executives in similar positions at peer banks. Mr. Harton's salary was increased to \$700,000 in 2017 in conjunction with his promotion into the role of Chief Executive Officer of the Bank in August 2017.

| Name | Title | 2016 Salary | 2017 Salary | Salary Increase |

Non-Equity Incentive Awards

Management Incentive Plan. The Committee believes that incentive compensation of NEOs should be linked directly to the achievement of specified financial and non-financial objectives. As a result, the Committee adopted, and shareholders approved, the Management Incentive Plan in 2007. This “pay-for-performance” plan governs the level of non-equity incentive compensation that may be awarded by the Committee to the NEOs.

Under the Management Incentive Plan, the Committee strives to link salary and non-equity incentives to objective standards of performance and may consider the non-financial factors discussed previously and various financial performance measures. The Committee also typically establishes annual corporate performance thresholds, targets and maximum levels under the Management Incentive Plan based on United’s strategic objectives. At the end of each year, the actual performance for each of the financial metrics is measured separately against its target level. Corporate performance that meets the target level provides for a 100% payout. Awards are prorated for performance between levels (e.g., between target, threshold and maximum). The Committee has discretion to modify awards so long as such modified awards are within plan parameters. In the event that the Committee makes such an adjustment in the case of unforeseen or extraordinary circumstances and events, a written explanation of the business rationale will be provided to the participant.

The Management Incentive Plan was designed to qualify for compliance with the limitations on executive compensation deductions under Section 162(m) of the Internal Revenue Code. See Federal Income Tax Deductibility Limitations for discussion as it relates to performance-based compensation.

2017 Incentive Award Opportunities. The Committee annually establishes cash incentive award opportunities within the Management Incentive Plan for its executive officers expressed as a percentage of base salary. Target award opportunities are designed to provide for total cash compensation that rewards executives for driving the success of United and are competitive with general market practices. The threshold award opportunity for each officer is 50% of the target opportunity. The maximum award opportunity is 150% of the target opportunity, in accordance with general market practice.

(2)Mr. Schuette was not eligible to receive a payout for 2017 due to his retirement.

2017 Incentive Award Corporate Performance Goals. For the Management Incentive Plan in 2017, the Committee reviewed performance in light of four key financial/operational measures based on United's strategic objectives that the Committee believes leverages United's strengths as a Company and drives the long-term success of United. The table below describes the measures used for NEOs. Goal weightings, performance levels (threshold, target and maximum) and actual performance in 2017 are also shown:

| Corporate Measure | Overall Weight | 2017 Corporate Performance Levels | | | 2017 Actual |
|----------------------------------|----------------|-----------------------------------|--------|---------|-----------------------|
| | | Threshold | Target | Maximum | |
| Operating Earnings Per Share | 40% | \$1.55 | \$1.61 | \$1.66 | \$1.63 ⁽²⁾ |
| NPAs/Total Assets ⁽¹⁾ | 25% | 0.70% | 0.50% | 0.30% | 0.23% |
| Operating Efficiency Ratio | 20% | 60% | 58% | 56% | 56.7% ⁽²⁾ |
| Customer Satisfaction Rating | 15% | 91% | 93% | 96% | 97.8% |

⁽¹⁾ Non-Performing Assets / Total Assets metric excludes restructured loans and was paid out at the target level due to considering this measure as a pass or fail goal.

⁽²⁾ See GAAP reconciliation disclosures on page 28.

2017 Incentive Award Individual Performance Goals. In order to qualify for an award, individual performance must also meet established expectations. The process for individual performance assessments is summarized in 2017 Compensation Decision Process. Additional considerations of individual performance expectations for the Chief Executive Officer include leadership of the executive management team, community involvement and presence, market expansion and enhancement, strategic planning and implementation, corporate governance, risk management and ability to focus United on the long-term interests of its shareholders. Additional considerations of individual performance expectations for all other NEOs include leadership, strategic planning and achievement of business unit operational and production goals. All of the NEOs, with the exception of Mr. Schuette as a result of his retirement, were eligible to receive payouts in 2017 because each officer also met the individual performance expectations for that year.

2017 Incentive Award Payouts. Based on corporate and individual results, the following non-equity incentive compensation awards were made under the Management Incentive Plan for 2017:

| Name | Title | 2017 Award | 2017 Award as % of Target | 2017 Award as % of Salary |
|------------------|--------------------------------------|------------|---------------------------|---------------------------|
| Jimmy C. Tallent | Chairman and Chief Executive Officer | \$782,653 | 134.7% | 101.0% |

(1)Mr. Harralson's payout was adjusted to reflect his partial year of employment.

(2)Mr. Schuette was not eligible to receive a payout for 2017 due to his retirement.

Equity Incentive Awards

Equity Plan. An important element of compensation in the banking industry is the provision of long-term incentives in the form of equity awards such as stock options, restricted stock or time and performance-based restricted stock units. The Board and Committee also regard equity incentive awards as a key retention tool. These considerations are paramount in the Committee's determination of the type of an award to grant and the number of underlying awards to be granted. Because of the direct relationship between the value of an option, restricted stock or restricted stock unit and the market price of United's common stock, the Committee believes that granting these equity incentive awards are the best method of motivating senior management to manage the Company in a manner that is consistent with the long-term interests of United's shareholders.

All of United's equity incentive awards have been granted under the Amended and Restated 2000 Key Employee Stock Option Plan, which is a broad-based, shareholder approved plan covering NEOs and other key employees. The Equity Plan permits United to grant stock options, restricted stock and restricted stock units and provides additional flexibility, if circumstances of United's business and opportunities warrant, to grant other forms of equity-based compensation.

2017 Annual Equity Grants. The Committee granted equity awards to its NEOs in September 2017. The size of the grants was determined by the Committee based on its assessment of each officer's performance and information provided by McLagan on the size of awards to executive officers with similar responsibilities at peer banks. Once determined, 2017 long-term incentive plan equity awards were made in restricted stock units ("RSUs"), as shown in the table below:

| Name | Title | 2017 Annual Equity Incentive Award (# RSUs) | Grant Date Fair Value of 2017 Annual Equity Incentive Award |
|--------------------------------|--|--|---|
| Jimmy C. Tallent | Chairman and Chief Executive Officer | 33,992 | \$ 916,764 |
| H. Lynn Harton | President and Chief Operating Officer | 21,930 | \$ 569,741 |
| Jefferson L. Harralson | Executive Vice President and Chief Financial Officer | 9,825 | \$ 255,254 |
| Rex S. Schuette ⁽¹⁾ | Former Executive Vice President and Chief Financial Officer (Retired 2017) | — | \$ — |
| Bill M. Gilbert | President of Community Banking | 4,643 | \$ 120,625 |
| Robert A. Edwards | Executive Vice President and Chief Credit Officer | 5,132 | \$ 133,329 |

(1)Mr. Schuette was not eligible to receive a payout for 2017 due to his retirement.

Consistent with the practice of previous awards, 70% of the awards will vest based on United's performance over the four-year vesting schedule. The performance-vested awards will vest in equal installments, with 25% eligible to vest on February 15 of each of the following years: 2019, 2020, 2021 and 2022. The actual amount of the award to vest on each of the vesting dates is determined based on United's performance in the year prior to vesting (e.g., the number of awards that vest on February 15, 2019 will be determined by performance for the 2018 calendar year). Of the granted RSUs that are performance-based and eligible to vest in a given year, none will vest if threshold performance is not achieved, while threshold performance will result in 50% of the RSUs vesting. If target performance is achieved, 100% of the granted RSUs will vest and, if maximum performance is achieved, 150% of the granted RSUs will vest. Vesting is interpolated between payout levels for performance between performance levels. Performance is determined 50% based on United's Operating ROA and 50% based on Operating ROTCE. Performance under both measures is assessed relative to internal goals.

The remaining 30% of the awards are time-based and will vest in equal installments with 25% vesting on November 15, 2018 and then on August 15 of each of the following years: 2019, 2020 and 2021, assuming the executives remain employed at United.

2017 Hiring Award for Mr. Harralson. In addition to the annual equity award grants summarized above, upon joining the Company in April 2017, Mr. Harralson was granted a hiring equity award of 14,000 RSUs. These RSUs will vest in installments of 1/3 of the value of the award on August 15, 2018, May 15, 2019 and May 15, 2020. The vesting of these awards is conditional only upon time and continued employment.

Retirement Benefits

The Committee believes that retirement benefits provide financial security to key employees and their families for their service to the Company.

As noted in the footnotes of the Summary Compensation Table, the Company's employees, including its NEOs, are eligible to participate in Company-wide contributions to the 401(k) Plan. United provides matching contributions under the 401(k) Plan, and, prior to April 1, 2016, United matched 50% of these employee contributions up to 5% of eligible compensation, subject to Plan and regulatory limits. Effective April 1, 2016, the matching contribution was increased to 70% of employee contributions up to 5% of eligible compensation. Effective March 1, 2018, the Company further increased its matching contribution to 100% of employee contributions up to 5% of eligible compensation.

In addition to the 401(k) Plan offered on the same terms as other employees, United has adopted the following two plans under which the NEOs are eligible:

Modified Retirement Plan. The Modified Retirement Plan provides specified benefits to certain key employees, including the NEOs, who contribute materially to the continued growth, development and future business success of United and its subsidiaries. See Executive Compensation — Pension Benefits for a description of the material terms of the Modified Retirement Plan and 2017 benefits provided to the NEOs under the Modified Retirement Plan.

Annual benefits under the Modified Retirement Plan are calculated based on a participant's seniority and position and generally range from 20% to 30% of their base salaries.

Deferred Compensation Plan. United maintains a nonqualified Deferred Compensation Plan for certain key employees, including the NEOs, members of the Board and members of United's local community bank boards. See Executive Compensation — Nonqualified Deferred Compensation for a description of the material terms of the Deferred Compensation Plan and 2017 benefits provided to the NEOs under the Deferred Compensation Plan.

Severance Benefits

United's senior management has substantially contributed to the success of United, and the Board believes that it is important to protect them in the event of a termination without "cause" (as defined by applicable agreements) or in certain circumstances following a "change in control" (as defined by applicable agreements). Further, it is the Board's belief that the interests of shareholders will be best served if the interests of senior management are aligned with the interests of United's shareholder base and providing "change in control" benefits should reduce any reluctance of senior management to pursue potential "change in control" transactions that may be in the best interests of shareholders.

Restricted stock unit awards granted to the NEOs, senior management and key employees all have "double triggers" and vesting accelerates in the event of a grantee's termination without "cause" (as defined in the award agreements) within a limited time period either before or after a "change in control," (as defined in the award agreements) or, following a "change in control" (as defined in the award agreements), if the grantee terminates for "good reason" (as defined in the award agreements) . The Committee believes such terms are standard for a financial institution in the markets in which United operates. Generally, all or a portion of the stock options, restricted stock and restricted stock unit awards vest for United's NEOs in the event of the officer's death, disability, retirement or termination without "cause" or a termination by the officer for "good reason." Otherwise, all options and restricted stock awards cease vesting upon termination of employment.

Each of United's NEOs has also entered into Amended and Restated Change in Control Severance Agreements with the Company, the terms of which are described in Severance and Employment Agreements. The Committee has established the payment and benefit levels to be paid to the NEOs in the event of their termination following a "change in control" (i.e., a "double trigger") under these agreements consistent with what the Committee believes is standard for financial institution executives in the markets in which United operates. The Committee believes that these potential benefits would be minor relative to the substantial transaction value for United's shareholders.

None of the severance agreements described above provide for the payment of any taxes or a gross-up of payments to pay any taxes in the event any of the compensation or benefits were considered to be an "excess severance payment" under Section 280G of the Internal Revenue Code of 1986, as amended (the "Code").

Perquisites and Other Benefits

The perquisites provided to United's NEOs in 2017 are summarized in the footnotes of the Summary Compensation Table provided herein. These personal benefits are generally provided to similarly-situated financial institution executives in the Company's market areas, and the Committee believes it is appropriate to award United's NEOs with similar benefits.

In addition to the perquisites and other benefits include in the Summary Compensation Table, United's NEOs also participate in Company-wide benefits on the same terms as other employees, which include medical, dental and life insurance.

Recovery of Incentive Compensation

The Board has adopted a policy relating to the "clawback" of incentive compensation paid to the NEOs and other members of senior management in the event of certain restatements of United's financial statements. Under that policy, the Board will, to the full extent permitted by applicable law, in all appropriate cases, require reimbursement of any bonus paid or incentive compensation awarded to the executive and/or effect the cancellation of unvested equity awards previously granted to the executive if: (1) the amount of the bonus or incentive compensation was calculated based on the achievement of financial results that were subsequently the subject of a material restatement; (2) the executive engaged in intentional misconduct that caused or partially caused the need for the restatement; and (3) the amount of the bonus or incentive compensation that would have been awarded to the executive had the financial results been properly reported would have been lower than the amount actually awarded.

Federal Income Tax Deductibility Limitations

Section 162(m) of the Code limits United's ability to deduct certain compensation in excess of \$1 million paid to United's Chief Executive Officer and to certain of United's other associates. For 2017 and prior years, this limitation did not apply to compensation that qualified under applicable regulations as "performance-based." Accordingly, United aimed to design and approve the performance-based compensation paid to its NEOs so that it would satisfy the requirements for deductibility under Section 162(m). For 2017 and prior years, the Committee considered Section 162(m) when making compensation decisions, but other considerations, such as providing United's NEOs with competitive and adequate incentives to remain with United and increase United's business operations, financial performance and prospects, as well as rewarding extraordinary contributions, also significantly factored into the Committee's decisions. In December 2017, Section 162(m) of the Code was modified by Public Law No. 115-97, an "Act to provide for reconciliation pursuant to Titles II and V of the concurrent resolution on the budget for fiscal year 2018" (originally introduced in Congress as the "Tax Cuts and Jobs Act") (the "Tax Act"). Under the Tax Act, the qualified performance-based compensation exception to Section 162(m) that generally provided for the continued deductibility of performance-based compensation was repealed, effective for tax years commencing on or after January 1, 2018. Accordingly, commencing with our fiscal year ending December 31, 2018, compensation to our NEOs in excess of \$1,000,000 (excluding "grandfathered" performance-based compensation that meets the requirements of Section 162(m) that was awarded pursuant to a binding agreement in effect as of November 2, 2017) will generally not be deductible. Performance-based compensation meeting the requirements of Section 162(m) awarded to our NEOs pursuant to a binding agreement in effect as of November 2, 2017 that have not yet been settled into shares of common stock are expected to continue to qualify for the performance-based compensation exemption under Section 162(m), but the United States Treasury has not yet issued any guidance on any limitations on the continued deductibility of these awards. Accordingly, the future deductibility of these grandfathered awards cannot be guaranteed.

Compensation Risk Analysis

The SEC requires that the Committee annually review United's employee compensation arrangements with the members of management responsible for risk management to determine if any such arrangements create risks that are reasonably likely to have a material adverse impact on United. The Committee also considers whether United's employee compensation arrangements encourage excessive or unnecessary risk-taking by the NEOs, senior management and key employees. As part of its review, the Committee considers the various risks to which United is subject including market, liquidity, interest rate, operational, financial, credit, reputational, compliance and strategic risks and how United's incentive compensation programs may contribute to risk. The Committee also considers United's controls and actions taken to mitigate and monitor those risks.

Following the completion of a detailed analysis, the Committee concluded that all incentive plans appropriately balance risk and reward and align employee interests with shareholder interests based on the following observations:

Pay for United's executive officers is structured to consist of both fixed (annual base salary) and variable (annual non-equity and long-term equity incentive awards) compensation. The Committee believes that the variable elements provide an appropriate percentage of overall compensation to motivate executive officers to focus on United's performance while the fixed element serves to provide an appropriate and fair compensation level that does not encourage executive officers to take unnecessary or excessive risks in achievement of goals.

United's compensation program balances short-term and long-term performance and does not place inappropriate focus on achieving short-term results in a way that inhibits long-term, sustained performance.

All incentive programs covering the NEOs, including the Management Incentive Plan and Equity Plan, are reviewed and approved by the Committee annually and typically include a threshold and target payment. The maximum payment is set at the target level of performance for the long-term equity incentive awards to ensure that payments do not exceed a certain level thereby maintaining the compensation mix for the NEOs within acceptable ranges and limiting excessive payments under any one element.

United has internal controls over the measurement and calculation of performance metrics, which are designed to prevent manipulation of results by any employee, including the executive officers. Additionally, the Board monitors the performance metrics each quarter.

The Committee has the discretion to modify any Management Incentive Plan payment, subject to plan parameters, allowing it to consider the circumstances surrounding corporate and/or individual performance and adjust payments accordingly.

The incentive programs covering the NEOs, including the Management Incentive Plan and Equity Plan, may be adjusted by the Committee if it determines that such programs incentivize unnecessary risk in a manner that is likely to have a material adverse impact on United or that is beyond what United can identify and manage.

There are appropriate internal controls and oversight of the approval and processing of payments.

United's existing governance and organizational structure incorporates a substantial risk management component with oversight by the Board's Risk Committee as well as various committees of management.

Equity compensation generally consists of performance-based restricted stock units and time-based restricted stock units and stock options. These grants encourage executive officers to take a long-term perspective on overall corporate performance, which ultimately influences share price appreciation. Equity compensation helps to motivate long-term performance, balancing the cash incentives in place to motivate short-term performance.

In addition, other incentive compensation programs for lenders are generally based on loan production volumes, which have limited risks because all loans must be approved by credit underwriting personnel and, depending on the size of the loan or credit relationship, by executive management prior to being made. Management has the ability to downwardly adjust bonus payments, including clawback adjustments, based on the performance of the loan.

GAAP Reconciliation

This Proxy Statement contains financial information determined by methods other than in accordance with GAAP. Management utilizes non-GAAP financial information as well as non-GAAP operating performance measures, which exclude merger-related and other items that are not part of United's ongoing business operations. Management uses these non-GAAP measures because it believes they may provide useful supplemental information for evaluating United's operations and performance over periods of time, as well as in managing and evaluating United's business and in discussions about United's operations and performance. Management believes these non-GAAP measures may also provide users of United's financial information with a meaningful measure for assessing United's financial results and credit trends, as well as a comparison to financial results for prior periods. These non-GAAP measures should be viewed in addition to, and not as an alternative to or substitute for, measures determined in accordance with GAAP and are not necessarily comparable to other similarly titled measures used by other companies. The table below summarizes the reconciliations of these non-GAAP measures to the most directly comparable measures as reported in accordance with GAAP. Please also see related disclosures beginning on page 34 in United's Annual Report on Form 10-K for the year ended December 31, 2017 for the non-GAAP to GAAP reconciliation and other relevant information.

Amount shown for salary was either paid in cash or deferred as elected by the Named Executive Officer under the (1)Deferred Compensation Plan. See Nonqualified Deferred Compensation for information regarding the Named Executive Officer's contributions and earnings.

With the exception of the amount reported for Mr. Schuette, amounts shown reflect the aggregate grant-date fair value of restricted stock units. The assumptions made when calculating the grant-date fair value of stock options are (2)found in Note 23 to the Consolidated Financial Statements of United contained in its Annual Report on Form 10-K for the year ended December 31, 2017. No options to acquire shares of common stock were awarded in the past three years to the NEOs.

(3) Includes amounts earned under the Management Incentive Plan as a result of achieving the goals specified for the designated year and other cash retention payments.

Includes the annual change in the present value of the Named Executive Officer's accumulated benefits under the Modified Retirement Plan. The Deferred Compensation Plan does not credit above-market or preferential earnings, so no amounts are included in this column with respect to the Deferred Compensation Plan. See Pension Benefits (4)and Nonqualified Deferred Compensation for additional information. The 2017 change in present value reflects revisions to the benefits and key actuarial assumptions, principally, discount rate assumptions and updated mortality assumptions. In addition to these revisions to the benefits and key actuarial assumptions for 2017, the following revisions were made which impact previously reported change amounts:

The change in present value amounts have been updated for each year presented to reflect that United will pay a 100% joint & survivor annuity to Mr. Tallent and Mr. Schuette and each of their beneficiaries at an amount that will not be reduced to an actuarial amount equivalent to the life annuity benefit. Previous proxy statements showed the a. change in the present value of such benefits based on an incorrect assumption that Mr. Tallent and Mr. Schuette and each of their beneficiaries would receive a reduced 100% joint & survivor annuity benefit equivalent to the life annuity benefit. The unreduced 100% joint & survivor annuity benefit calculations were correctly assumed in United's financial statements but such assumptions were not properly reflected in past proxy disclosures.

The change in present value amounts have been updated for each year presented to reflect that Mr. Harton's early b. retirement benefit available at age 60 is unreduced from his normal retirement benefit at age 65. Previous proxy statements did not reflect the amount Mr. Harton would be paid at the earliest unreduced retirement age.

(5)2017 amounts shown include (although all components are not applicable to all NEOs):

a. Matching and profit sharing contributions to the 401(k) Plan on behalf of the NEOs;

b. Matching contributions on behalf of the NEOs to the Deferred Compensation Plan (see Nonqualified Deferred Compensation for additional information);

c. The value of personal travel, a car allowance or the value of the use of a company-owned car;

Club membership dues that are not used exclusively for business purposes. The amount included as in All Other

d. Compensation for club membership dues includes federal, state and applicable FICA taxes grossed-up on behalf of the NEO;

e. Life insurance premiums paid on behalf of the NEOs;

f. In conjunction with his retirement, a company-owned automobile was transferred to Mr. Schuette with a fair market value of \$43,775;

g. In conjunction with his retirement, cash paid to Mr. Schuette in the amount of \$410,750 representing one year's salary; and

h. Cash paid to Mr. Schuette in the amount of \$80,000 under his post-retirement Consulting Agreement (May 2017 through December 2017 @ \$10,000/month).

(6)The salary for Mr. Harralson represents the amount of salary paid during 2017 subsequent to his hire in April 2017.

(7)The salary for Mr. Schuette represents the amount of salary paid during 2017 through May 2017.

(8) Upon hire, Mr. Harralson was paid a cash bonus equivalent to forfeited vesting compensation due to his terminating employment with his previous employer.

(9) See Compensation Discussion and Analysis – Equity Incentive Awards for information regarding equity award grants to NEOs.

(10) In addition to the annual grants awarded to Mr. Harralson during September 2017, in connection with his hiring in 2017, Mr. Harralson was granted 14,000 time-based restricted stock units to replace certain equity awards surrendered at his previous company, which vest ratably over three years. This new hire grant accounted for \$365,960 of the stock awards granted to Mr. Harralson during 2017.

(11) In conjunction with Mr. Schuette’s retirement in April 2017, the Company modified his outstanding stock awards to reflect the end of the service period on the date of retirement because no further service was required to retain the award. These awards would have otherwise been forfeited upon retirement. As such, the fair value of the modified awards equals the entire fair value of the modified award at the time of modification because the fair value of the original award prior to modification was zero as the service period would not have been satisfied.

(12) During 2016, the following RSUs were granted to NEOs:

In August 2016, awards of 5,500 shares and 7,500 shares were made to Mr. Gilbert and Mr. Edwards, respectively, in recognition of their strong job performance and contributions to United’s overall success. This included strategic initiatives relating to the conversion and execution of the acquisition of Tidelands as well as expansion of United’s a. retail lending products and pricing, centralized consumer credit underwriting and lowering the risks associated with non-performing and other problem assets. The awards will vest in equal installment with 25% vesting on November 15, 2017 and then on August 15 of each of the following years: 2018, 2019, and 2020, assuming the executives remain employed at United. The grant date fair value for these grants was \$19.15 per share.

In December 2016, Mr. Tallent was granted 36,219 RSUs, Mr. Harton was granted 22,637 RSUs and Mr. Schuette was granted 10,395 RSUs. 70% of the awards will vest based on United’s performance over the four-year vesting schedule. The performance-vested awards will vest in equal installments, with 25% eligible to vest on February 15 of each of the following years: 2018, 2019, 2020, and 2021. Of the granted RSUs that are performance-based and eligible to vest in a given year, none will vest if threshold performance is not achieved, while threshold performance b. will result in 50% of the RSUs vesting. If target performance is achieved, 100% of the granted RSUs will vest and, if maximum performance is achieved, 150% of the granted RSUs will vest. Performance is determined 50% based on United’s Operating ROA and 50% based on Operating ROTCE. The remaining 30% of the awards are time-based and will vest in equal installment with 25% vesting on February 15, 2018 and then on November 15 of each of the following years: 2018, 2019, and 2020, assuming the executives remain employed at United. The grant date fair value for these grants was \$27.61 per share.

(13) Granted 5,500 time-based restricted stock units for additional responsibilities assumed in 2015 with the acquisitions of MoneyTree Corporation and its wholly-owned bank subsidiary, First National Bank, and Palmetto, which vest ratably over four years.

(14) In connection with his hiring in 2015, Mr. Edwards was granted 40,000 time-based restricted stock units to replace certain equity awards surrendered with his previous employer, which vest ratably over three years. In addition, as a new NEO, Mr. Edwards was granted 7,500 time-based restricted stock units which vest ratably over four years and 5,000 performance-based restricted stock units which vest over four years based on meeting the same performance criteria as previously disclosed for the NEOs.

Grants of Plan-Based Awards

When granting equity awards, the Committee sets the option exercise price or equity award price at the market closing price on the date of grant. Both stock options and restricted stock awards vest over a number of years in order to encourage employee retention and focus management's attention on sustaining financial performance and building shareholder value over an extended term. The following table summarizes the terms of non-equity and equity plan-based awards granted during 2017.

- In December 2016, the Company issued a press release announcing that Mr. Schuette would retire in 2017 following the selection of Mr. Schuette's successor and an appropriate transition period. As a result of his upcoming retirement, Mr. Schuette was not granted awards under the non-equity incentive plan for 2017.
- (1) In conjunction with Mr. Schuette's retirement in April 2017, the Company modified his outstanding stock awards to reflect the end of the service period on the date of retirement because no further service was required to retain the award. These awards would have otherwise been forfeited upon retirement. As such, the incremental fair value of the modified awards equals the entire fair value of the modified award because the fair value of the original award prior to modification was zero as the service period would not have been satisfied. With regard to Mr. Schuette's awards with performance conditions, the modified awards allow for vesting, not to exceed 100%, if the performance target is achieved post-retirement.

Mr. Schuette retired in April 2017. The number of years credited service reflected above for Mr. Schuette is as of ⁽¹⁾his retirement date. The present value of accumulated benefit reflected above for Mr. Schuette is as of December 31, 2017 and takes into account retirement payments made to Mr. Schuette in 2017.

The Modified Retirement Plan provides specified benefits to certain key employees, including the NEOs, who contribute materially to the continued growth, development and future business success of United and its subsidiaries. Generally, when a participant retires, United will pay Section 162(m) of the Code as modified by Public Law No. 115-97, an “Act to provide for reconciliation pursuant to Titles II and V of the concurrent resolution on the budget for fiscal year 2018” (originally introduced in Congress as the “Tax Cuts and Jobs Act”) (the “Tax Act”). The annual benefits are calculated based on a participant’s seniority and position and generally range from 20% to 30% of their base salary. Normal retirement age as defined by the Modified Retirement Plan requires the participant reaching age 65 and completing at least five years of service.

The Modified Retirement Plan contains provisions that provide for accelerated vesting upon a “change in control” (as defined in the Modified Retirement Plan) of United for participants in active employment at the time of such change in control. The Modified Retirement Plan also provides that these benefits will be forfeited if a participant is terminated for “cause” (as defined in the Modified Retirement Plan) or, if during a certain period after his or her termination of employment, the participant competes with United, solicits customers or employees, discloses confidential information or knowingly or intentionally damages United’s goodwill or esteem.

Nonqualified Deferred Compensation

The following table presents select nonqualified deferred compensation information for 2017 for each Named Executive Officer that was a participant in the Deferred Compensation Plan.

NONQUALIFIED DEFERRED COMPENSATION

| Name | Executive Contributions During 2017 ⁽¹⁾ | Company Contributions During 2017 ⁽²⁾ | Account Earnings During 2017 | Aggregate Withdrawals / Distributions | Aggregate Balance at December 31, 2017 |
|--------------------------------|--|--|------------------------------|---------------------------------------|--|
| Jimmy C. Tallent | \$ 1,452,554 | \$ 39,939 | \$ 86,391 | \$ - | \$ 6,556,954 |
| H. Lynn Harton | 585,519 | 10,138 | (58,083) | - | 2,264,211 |
| Jefferson L. Harralson | - | - | - | - | - |
| Rex S. Schuette ⁽³⁾ | 460,031 | 13,065 | (21,456) | - | 2,525,813 |
| Bill M. Gilbert | 288,756 | 7,017 | 2,176 | - | 1,270,123 |
| Robert A. Edwards | 3,991 | 2,794 | - | - | 6,785 |

All executive contributions, as applicable, are included in the Summary Compensation Table under the column ⁽¹⁾heading Salary and Non-Equity Incentive Plan Compensation (in the year paid) and Stock Awards (in the year of grant).

⁽²⁾All Company contributions are included in the Summary Compensation Table under the column heading All Other Compensation.

In accordance with the United Community Bank Deferred Compensation Plan, distributions begin in the January of ⁽³⁾the calendar year following the calendar year in which the participant's retirement occurs. As such, Mr. Schuette's distributions began in January 2018 in accordance with his previously elected form of distribution.

The Deferred Compensation Plan provides for the deferral of up to 75% of annual base salary and up to 100% of annual cash bonus payments or non-equity incentive compensation awards and other specified benefits to certain key employees, including the NEOs, members of the Board and members of United's local community bank boards who contribute materially to the continued growth, development and future business success of United and its subsidiaries. Further, the Deferred Compensation Plan allows for employer matching contributions for employee contributions that would have been paid under United's tax-qualified 401(k) plan if such matching contributions would otherwise exceed the maximum allowable amounts under the 401(k) Plan. Effective April 1, 2016, the matching contribution was increased to 70% of employee contributions up to 5% of eligible compensation. Effective March 1, 2018, the Company further increased its matching contribution to 100% of employee contributions up to 5% of eligible compensation. Although the Deferred Compensation Plan allows the Board to make discretionary contributions to the account of employee participants, the Board did not make any such discretionary contribution during 2017. See Compensation Discussion and Analysis for additional information. The Deferred Compensation Plan also provides for the deferral of up to 100% of director fees for service by a non-employee director on the Board of United and for

service by select non-employee directors on community bank boards.

Contributions to the Deferred Compensation Plan may be invested, through a grantor trust, in United's common stock and a portfolio of various mutual funds. Participants are 100% vested in their contributions, including earnings or losses thereon. Company contributions, including earnings and losses thereon, vest over a three-year period. Because the amounts deferred under the Deferred Compensation Plan are invested in the underlying mutual fund or, in the case of common stock, recorded as common stock issuable (an equity instrument) at the time of the investment, the potential future costs of the Deferred Compensation Plan are not known at this time.

Generally, when a participant retires or becomes disabled, United will pay the participant their accrued benefits in a lump sum or in equal installments for five or ten years. Alternatively, a participant may elect to have a portion (or all) of their accrued benefits paid out at a specified time before retirement in a lump sum or in annual installments for two, three, four, or five years. The lump sum and installment payments are taxable to the participant.

Severance and Employment Agreements

Each of the NEOs has entered into Amended and Restated Change in Control Severance Agreements (individually the "Severance Agreement" and collectively the "Severance Agreements") with United. The Severance Agreements remain in effect until the later of (i) the termination of such NEO's employment without entitlement to the benefits under the Severance Agreements and (ii) six months after such NEO's termination of employment if there has been no "change in control" (as defined by the Severance Agreements), unless earlier terminated by mutual written agreement of the NEO and United.

The Severance Agreements provide for payment of compensation and benefits to the NEO in the event of a “change in control” (as defined by the Severance Agreements) of United if his employment is involuntarily terminated by United without “cause” (as defined by the Severance Agreements) or if he terminates his employment for “good reason” (as defined by the Severance Agreements). Meaning, the agreements have a “double trigger,” and United would make payments only upon a “change in control” and only if we terminate the NEO without “cause” or the NEO terminates for “good reason.” The NEO is not entitled to compensation or payments pursuant to his Severance Agreement if he is terminated by United for “cause,” dies, incurs a disability or voluntarily terminates employment (other than for “good reason”).

If a “change in control” occurs during the term of the applicable Severance Agreement and the NEO’s employment is terminated within six months prior to, or 18 months following, the date of the “change in control,” and if such termination is an involuntary termination by United without “cause” (and does not arise as a result of death or disability) or a termination by the NEO for “good reason,” the NEO will be entitled to a lump sum payment equal to his base salary, non-equity incentive compensation award and certain other benefits, as determined by the applicable Severance Agreement, for a period of 24 or 36 months from the date of his termination.

The Severance Agreements provide that the NEOs will receive the full compensation and benefits provided for under the Severance Agreements and have the responsibility for any excise tax, or such payments are reduced or modified so that they will not be considered “excess severance payments” under Section 280G of the Code, whichever will put the executives in the best after-tax position with the most compensation and income. The Severance Agreements are also intended to ensure that the payment of any compensation or benefits under the Severance Agreements would comply with Section 409A of the Code.

None of the Severance Agreements provide for the payment of any taxes or a gross-up of payments to pay any taxes in the event any of the compensation or benefits were considered to be an excess severance payment under Section 280G of the Code. The Severance Agreements contain restrictive covenants and provide that a portion of the severance payment shall be allocated to the restrictive covenants.

The following table outlines the compensation payable to the NEOs, assuming separation from service on December 31, 2017, under various termination scenarios:

| Name | Termination by United for Cause or by Executive Good Reason | Termination by United Without Cause or by Executive for Good Reason More than Six Months Prior to Change in Control ⁽¹⁾ | Termination by United Without Cause or by Executive for Good Reason Within Six Months Prior to Change in Control ⁽²⁾ | Termination Due to Death ⁽³⁾ | Termination Due to Disability ⁽³⁾ |
|------------------------|---|--|---|---|--|
| Jimmy C. Tallent | \$ - | \$ 2,482,455 | \$ 7,252,210 | \$ 1,259,856 | \$ 1,259,856 |
| H. Lynn Harton | - | 1,478,954 | 5,815,590 | 1,048,975 | 1,048,975 |
| Jefferson L. Harralson | - | - | 2,305,995 | - | 45,228 (4) |
| Rex S. Schuette | - | 722,776 | 2,401,391 (5) | 525,346 (5) | 525,346 (5) |
| Bill M. Gilbert | - | 372,768 | 1,563,573 | 217,998 | 217,998 |
| Robert A. Edwards | - | 709,353 | 1,878,769 | 515,891 | 604,410 (4) |

(1) In the event of a termination without cause or for good reason:

a. Mr. Tallent, Mr. Harton, Mr. Schuette and Mr. Gilbert would continue to vest in all respective unvested restricted stock units granted in 2013 on the same schedule as if each was employed (subject to performance conditions to the extent applicable),

b. Mr. Gilbert would forfeit all unvested restricted stock units granted in 2015,

c. Mr. Edwards would continue to vest in his unvested restricted stock units granted in 2015 (subject to performance conditions to the extend applicable),

d. Mr. Tallent, Mr. Harton, Mr. Schuette, Mr. Gilbert and Mr. Edwards would continue to vest in all respective unvested restricted stock units granted in 2016 on the same schedule as if each was employed (subject to performance conditions to the extent applicable) and

e. Each NEO (other than Mr. Schuette who did not receive a grant in 2017) would forfeit his restricted stock units granted in 2017 because the termination would have occurred prior to the initial restriction period of one year and thirty days from the date of grant.

Payment amounts may be reduced for awards that are subject to performance conditions.

(2) Represents all compensation that would become due as the result of a “change in control” on December 31, 2017, including severance payments, bonuses, restricted stock unit awards, COBRA premiums and expenses and other

miscellaneous items, such as life insurance premiums, auto allowances and club dues provided for under applicable award and severance agreements. Also included are amounts that would become due under the Modified Retirement Plan in the event of a “change in control.” United’s Severance Agreements provide that the compensation and benefits provided for under the Severance Agreements shall be reduced or modified so that such payments will not be considered excess severance payments under Section 280G of the Code if such reduction will allow the executive to receive a greater net after tax amount than such executive would receive absent such reduction. Otherwise, the payments are not reduced. Reductions (as applicable) were applied dollar-to-dollar, first to cash compensation, so as to not reduce any portion of equity compensation. The Severance Agreements contain restrictive covenants which provide that a portion of the severance payment shall be allocated to the restrictive covenant. Because the NEOs’ termination would have occurred prior to the initial restriction period of one year and thirty days from the date of grant, the NEOs would forfeit all of their restricted stock units granted in 2017 upon termination. Therefore, 2017 grants of restricted stock units are not included in the calculations.

(3) In the event of death or disability:

a. Mr. Tallent, Mr. Harton, Mr. Schuette and Mr. Gilbert would continue to vest in the unvested portion of restricted stock units granted in 2013 for the current year and the unvested portion of the grant for the subsequent year (subject to performance criteria to the extent applicable) with the remaining unvested portions forfeited,

b. Mr. Gilbert would immediately vest in all unvested restricted stock units granted in 2015,

c. Mr. Edwards would continue to vest in the unvested portion of restricted stock units granted in 2015 for the current year and the unvested portion of the grant for the subsequent year (subject to performance criteria to the extent applicable) with the remaining unvested portions forfeited and

d. Mr. Tallent, Mr. Harton, Mr. Schuette, Mr. Gilbert and Mr. Edwards would continue to vest in the unvested portion of restricted stock units granted in 2016 for the current year and the unvested portion of the grant for the subsequent year with the remaining unvested portions forfeited.

e. For all NEOs, the first vesting date with respect to restricted stock units granted in 2017 occurs in 2018; therefore, none of the 2017 grants would vest in the event of death or disability.

Payment amounts may be reduced for awards that are subject to performance conditions.

Mr. Harralson would not vest in any benefits in the event of death.

Though Mr. Harralson and Mr. Edwards are not yet vested in their accrued benefits under the Modified Retirement (4) Plan, their respective disability retirement benefits (in the amount of their accrued benefits) under the plan are included in the calculations.

(5) Because Mr. Schuette retired as of April 17, 2017, he is no longer entitled to any of these awards in connection with a termination of his employment. In connection with his retirement, Mr. Schuette will continue to vest in his unvested restricted stock units granted in 2013 and 2016 on the same schedule as if he was employed (subject to performance conditions to the extent applicable).

United has no other employment or severance agreements with any of its NEOs. Therefore, except as described above, no severance benefit is payable and there is no continuation of benefit coverage in the event of an NEO’s voluntary or involuntary termination, retirement, disability or death.

CEO Pay Ratio Disclosure

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information for the year ended December 31, 2017:

The median of the annual total compensation of all employees of our company (other than Mr. Tallent, our Chairman and Chief Executive Officer) was \$39,920; and

The annual total compensation of Mr. Tallent was \$2,785,855.

Based on this information, for 2017, the ratio of the annual total compensation of our Chairman and Chief Executive Officer to the median of the annual total compensation of all employees is 70 to 1.

We completed the following steps to identify the median of the annual total compensation of all of our employees and to determine the annual total compensation of our median employee and Chief Executive Officer:

As of December 31, 2017, our employee population consisted of approximately 1,979 employees (including Mr. Tallent) including any full-time, part-time, temporary or seasonal employees employed on that date. As allowed by the regulations, 78 employees who joined our team in July 2017 as a result of the acquisition of Horry County State Bank and approximately 148 employees who joined our team in November 2017 as a result of the acquisition of Four Oaks are excluded from this analysis.

To find the median of the annual total compensation of our employees (other than Mr. Tallent), we used wages from our payroll records as reported to the Internal Revenue Service on Form W-2 for fiscal 2017. In making this determination, we annualized compensation for full-time and part-time permanent employees who were employed on December 31, 2017, but did not work for us the entire year, excluding the Horry County State Bank and Four Oaks employees as previously disclosed. No full-time equivalent adjustments were made for part-time employees.

We identified our median employee using this compensation measure and methodology, which was consistently applied to all our employees included in the calculation.

After identifying the median employee, we added together all of the elements of such employee's compensation for 2017 in accordance with the requirements of Item 402(c)(2)(x) of Regulation S-K, resulting in annual total compensation of \$39,920.

With respect to the annual total compensation of Mr. Tallent, we used the amount reported in the “Total” column of our 2017 Summary Compensation Table appearing on page 29 of this Proxy Statement, which is also in accordance with the requirements of Item 402(c)(2)(x).

Director Compensation

United's objective with regard to director compensation is to provide a competitive compensation package to attract top talent to United's Board. Members of the Board receive an annual cash retainer fee for their service on the Board as well as incremental annual cash retainer fees relative to additional time required to fulfill committee duties and responsibilities. Cash retainer fees are paid quarterly. To assist in the determination of compensation to the directors, in 2017 the Committee engaged McLagan, a performance/reward consulting and benchmarking firm for the financial services industry, to perform a review of the director compensation. Utilizing the same Peer Group as for executive compensation, McLagan performed a market analysis and reported market compensation levels for directors. The following table, approved by the Committee, summarizes the annual director cash compensation as a result of discussions with the consulting firm for the periods noted.

| | Effective January 1, 2017 | Effective April 1, 2017 |
|---|------------------------------|----------------------------|
| Director | \$ 32,500 | \$ 40,000 |
| Lead Director | 25,000 | 25,000 |
| Audit Committee member | 6,000 | 10,000 |
| Audit Committee Chair | 10,000 | 12,500 |
| Risk Committee member | 6,000 | 10,000 |
| Risk Committee Chair | 10,000 | 12,500 |
| Compensation Committee member | 5,000 | 6,000 |
| Compensation Committee Chair | 6,000 | 10,000 |
| Nominating / Corporate Governance Committee Chair | 4,500 | 6,000 |

Directors of the Company also serve on the Board of United Community Bank and receive no additional compensation related to their service on the Bank's Board.

The annual cash retainer fees may be deferred pursuant to United's Deferred Compensation Plan. No director elected to defer his or her 2017 annual director cash compensation.

Non-management directors also receive annual equity grants in the form of restricted stock units with a one-year vesting period. This retainer is compensation for services provided as directors including, but not limited to, committee membership and related responsibilities. The aggregate grant-date fair value for awards of common stock is based on the closing price as reported on the NASDAQ Capital Market as of each grant date.

In conjunction with the review by McLagan during 2017, the aggregate grant-date fair value for annual equity grants was increased from \$32,500 to \$40,000 effective April 1, 2017. Grants with an aggregate grant-date fair value of \$40,028 were granted on June 19, 2017 to directors serving as of that date. Mr. Blalock, Ms. Cox and Mr. Shaver elected to defer his or her 2017 annual director equity compensation upon vesting.

The following table provides information regarding 2017 compensation for non-management directors that served in that capacity during 2017. The Company also reimburses directors for expenses incurred in conjunction with their Board service, including the cost of attending Board and committee meetings, although such reimbursements are not included in the table below. No management directors received compensation for their Board service during 2017.

| Name | Fees Earned or Paid in Cash | Stock Awards ⁽¹⁾ | Change in Pension Value and Non-Qualified Deferred Compensation Earnings ⁽²⁾ | All Other Compensation ⁽³⁾ | Total |

Each non-management director was granted \$40,028 of restricted stock awards equal to 1,444 restricted stock units ⁽¹⁾on June 19, 2017 which were valued at \$27.72 per share, the price of United's common stock on the date of grant.

These awards will vest in August 2018.

Directors are not eligible for the Company's Modified Retirement Plan. In addition, the Deferred Compensation Plan ⁽²⁾does not credit above-market or preferential earnings, so no amounts are included in this column with respect to the Deferred Compensation Plan.

⁽³⁾ Represents fees paid to director's service on one or more of United's community bank boards.

Compensation Committee Interlocks and Insider Participation

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires any person who is the beneficial owner, directly or indirectly, of more than 10% of United's common stock and any director or officer of United to file with the SEC certain reports of beneficial ownership of the common stock. Based solely on copies of such reports furnished to United and representations that no other reports were required, United believes that all applicable Section 16(a) reports were filed by these shareholders during the fiscal year ended December 31, 2017, except that (i) the vesting of performance-based restricted stock units for Mr. Bradshaw, Mr. Edwards, Mr. Gilbert, Mr. Harton and Mr. Tallent, as well as a purchase of shares by Mr. Daniels, were not reported on a timely-filed Form 4, but such transactions were subsequently reported on Form 5, and (ii) on two occasions, shares of common stock withheld to satisfy tax obligations associated with distributions to Mr. Kumler, Chief Accounting Officer, under the Company's Deferred Compensation Plan were reported on Forms 4 that were not timely filed.

AUDIT COMMITTEE REPORT

The Audit Committee operates pursuant to an Audit Committee Charter that was adopted by the Board in 2013 and which is annually reviewed and approved by the Board. United's management is responsible for its internal accounting controls and the financial reporting process. United's independent registered public accountants for 2017, PricewaterhouseCoopers LLP ("PwC"), were responsible for performing an audit of United's consolidated financial statements in accordance with auditing standards of the Public Company Accounting Oversight Board and for expressing an opinion as to their conformity with U.S. generally accepted accounting principles. The Audit Committee's responsibility is to monitor and oversee these processes. The Board, in its business judgment, has determined that all members of the Audit Committee are independent, as defined by the federal securities laws and the NASDAQ listing requirements.

In keeping with that responsibility, the Audit Committee has reviewed and discussed United's audited consolidated financial statements with management and PwC. In addition, the Audit Committee has discussed with PwC the matters required to be discussed by Statement on Auditing Standards No. 61, "Communications with Audit Committee," as currently in effect, has received the written disclosures and letter from PwC required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and has discussed with PwC their independence. The Audit Committee is also responsible for considering whether the provision of any non-audit services provided by PwC would impair their independence. Certain subscription services provided by PwC during 2017 were considered to be non-audit services.

The Audit Committee also discussed with management, United's internal auditors and PwC the quality and adequacy of United's internal controls over financial reporting and the internal audit function's organization, responsibilities, budget and staffing. It reviewed management's assessment of such internal controls and PwC's attestation thereof. The Audit Committee reviewed both with PwC and internal auditors their audit plans, audit scope and identification of audit risks.

Members of the Audit Committee rely, without independent verification, on the information provided to them and on the representations made by management and PwC. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of United's financial statements has been carried out in accordance with the standards of the Public Company Accounting Oversight Board, that the financial statements are presented in accordance with U.S. generally accepted accounting principles or that United's auditors are in fact independent.

Based on the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited consolidated financial statements of United be included in the Annual Report on Form 10-K for the year ended December 31, 2017 for filing with the SEC.

This report is respectfully submitted by the Audit Committee of the Board.

PROPOSAL 2

APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION
OF OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 14A of the Securities Exchange Act of 1934, United is asking its shareholders to approve, on an advisory basis, the compensation of its Named Executive Officers as described in this Proxy Statement. This proposal, commonly known as a “say-on-pay” proposal, gives United’s shareholders the opportunity to express their views on the compensation of United’s Named Executive Officers.

The purpose of the Company’s compensation policies and procedures is to attract and retain experienced and highly-qualified executives critical to our long-term success and enhancement of shareholder value, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. The Board believes our compensation policies and procedures achieve this objective. We encourage you to closely review Compensation of Executive Officers and Directors - Compensation Discussion and Analysis and Compensation of Executive Officers and Directors - Executive Compensation included in this Proxy Statement for more information on our Named Executive Officers’ compensation.

Our Board recommends that our shareholders vote in favor of the following resolution:

“Resolved, that the compensation of our Company’s Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the compensation tables and any related material disclosed in this Proxy Statement, is hereby approved.”

Even though this “say-on-pay” vote is advisory and, therefore, will not be binding on United, the Compensation Committee and the Board value the opinions of United’s shareholders. Accordingly, to the extent there is a significant vote against the compensation of the Named Executive Officers, the Board will consider the shareholders’ concerns, and the Compensation Committee will evaluate what actions may be necessary or appropriate to address those concerns.

Vote Required

The affirmative vote of a majority of the votes cast by the holders of the shares entitled to vote at an Annual Meeting at which a quorum is present is required to approve, on an advisory basis, the “say-on-pay” resolution supporting the compensation of our Named Executive Officers. Accordingly, any abstention or broker non-vote will count as a vote against the proposal.

Recommendation

The Board recommends you vote “FOR” the approval, on an advisory basis, of this resolution related to the compensation of our Named Executive Officers.

PROPOSAL 3

RATIFICATION OF THE APPOINTMENT OF UNITED'S INDEPENDENT
REGISTERED PUBLIC ACCOUNTANT

General

The Audit Committee of the Board has appointed PwC to serve as United's independent registered public accountant during the year ended December 31, 2018. The Board will present at the 2018 Annual Meeting a proposal that such appointment be ratified.

Vote Required

Each proxy executed and returned by a shareholder will be voted as specified thereon by the shareholder. If no specification is made, the proxy will be voted "FOR" the proposal to ratify the appointment of PwC to act as the United's independent registered public accountant for 2018. The proposal to ratify the appointment of PwC is approved if a majority of the votes cast by the holders of the shares entitled to vote at a meeting at which a quorum is present are voted for the proposal.

Neither United's Articles nor Bylaws require that the shareholders ratify the appointment of PwC as its independent auditors. United is doing so because it believes it is a matter of good corporate practice. Should the shareholders not ratify the selection, the Audit Committee of the Board will reconsider its determination to retain PwC but may elect to continue the engagement. Even if the selection is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that the change would be in the best interests of United and its shareholders.

Recommendation

The Board unanimously recommends a vote "FOR" the ratification of the appointment of United's independent registered public accountant.

OTHER MATTERS

Independent Registered Public Accountants

PwC was the principal independent registered public accountant for United during the years ended December 31, 2017 and 2016. Representatives of PwC are expected to be present at the 2018 Annual Meeting and will have the opportunity to make a statement if they desire to do so and to respond to appropriate questions. During 2017 and 2016, United was billed the following amounts for services rendered by PwC:

| | 2017 | 2016 |
|--------------------|--------------|--------------|
| Audit fees | \$1,155,500 | \$1,071,000 |
| Audit-related fees | 484,000 | 230,000 |
| Tax fees | - | - |
| All other fees | 2,700 | - |
| Total fees | \$ 1,642,200 | \$ 1,301,000 |

Audit Fees. This category includes fees for professional services for the integrated audits of United's consolidated financial statements including the audits of the effectiveness of our internal control over financial reporting, reviews of the financial statements included in United's Quarterly Reports on Form 10-Q, statutory audits or financial statement audits of subsidiaries and comfort letters and consents related to registration statements filed with the SEC.

Audit-Related Fees. This category primarily includes fees billed for acquisition-related services that are reasonably related to the performance of the audit of United's consolidated financial statements and effectiveness of internal control and are not reported within the audit fees category above. In 2017, these services related to United's acquisition of Horry County State Bank and Four Oaks. In 2016, these services related to United's acquisition of Tideland.

Tax Fees. There were no tax services provided by PwC in 2017 or 2016.

All Other Fees. Certain subscription services provided by PwC during 2017 were considered to be non-audit services.

The Audit Committee pre-approves all audit and non-audit services performed by PwC. The Audit Committee specifically approves the annual audit services engagement and has generally approved the provision of certain

audit-related services and tax services by PwC. Certain non-audit services that are permitted under the federal securities laws may be approved from time to time by the Audit Committee.

Expenses of Solicitation
