STOCK PURCHASE AGREEMENT

THIS STOCK PURCHASE AGREEMENT (the "Agreement") is entered into as of this 23rd day of October, 2001 between and among AquaCell Technologies, Inc., a Delaware corporation ("AquaCell" or "Purchaser"), Water Science Technologies, Inc., an Arizona corporation (the "Company"), and Douglas M. Craver, the Estate of Richard L. Ott, Jim Wing and Maple Resources Corporation (each a "Shareholder" and collectively the "Shareholders").

R E C I T A L S

WHEREAS, the Shareholders collectively own all of the issued and outstanding capital stock of the Company (the "Shares"); and

WHEREAS, the Shareholders desire to sell to the Purchaser and the Purchaser desires to purchase from the Shareholders the Shares in accordance with and subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the preceding recitals and the mutual representations, warranties, covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

I. SALE AND PURCHASE OF STOCK

1.1 Agreement to Sell and Purchase Stock. For the consideration hereinafter provided and subject to the terms and conditions of this Agreement, at the Closing (as defined in Section 1.3 below) each Shareholder shall sell, assign, transfer, convey and deliver to Purchaser, free and clear of all liens, charges,

Edgar Filing: AQUACELL TECHNOLOGIES INC - Form 8-K

claims or encumbrances, and the Purchaser shall purchase and acquire, from each Shareholder, the Shares of such Shareholder. At the Closing, each Shareholder shall cause to be delivered to Purchaser certificates representing the Shares, together with accompanying signed stock powers or instruments of assignment, duly endorsed in blank for the transfer of the Shares to the Purchaser with all necessary transfer taxes paid or other revenue stamps affixed thereto.

1.2 Purchase Price. At the Closing, subject to the terms and conditions of this Agreement, the Purchaser agrees to pay to Shareholders, as the aggregate purchase price for the Shares, consideration worth an aggregate of \$1,000,000 (the "Purchase Price") the components of which are as follows:

(a) that number of Shares of AquaCell common stock equal to \$1,000,000 calculated by taking the average closing price of AquaCell common stock on the five business days immediately preceding the Closing as the denominator and \$1,000,000 as the numerator allocated as follows:

(1) a sufficient number of Shares required to pay all trade creditors of the Company in full. It is a condition precedent to Closing that all creditors agree to accept AquaCell common stock as payment in full, unless otherwise agreed to by the parties hereto. The Company agrees to use its best efforts to obtain the consent of its creditors to accept AquaCell common stock in lieu of cash to liquidate the Company's payable. In the event the Company is unable to obtain the consent of each creditor, the Purchaser may waive this condition precedent on a case by case basis and such waiver will not be unreasonably withheld; provided however, that at least 70% in the aggregate indebt must agree to accept in lieu of cash.

(2) the balance of Shares to the Shareholders in proportion to their respective stock interest in the Company as set forth on Schedule 1.1.

1.3 Closing. The closing of the sale and purchase of the Shares under and in accordance with this Agreement (the "Closing") shall take place at the offices of the Purchaser on or before October 31, 2001, or such later date as may be mutually agreed to in writing by the parties hereto (the "Closing Date"). Each party shall be responsible for its own attorneys' fees, accountants' and other advisory fees associated with the Closing.

II. REPRESENTATIONS AND WARRANTIES OF THE COMPANY AND THE SHAREHOLDERS

As an inducement to the Purchaser to enter into this Agreement and to purchase the Shares, Douglas M. Craver (the "Executive Shareholder") and the Company (and each other Shareholder solely with respect to the matters set forth in Sections 2.1, 2.4, 2.5 and 2.14 through 2.18) severally represent and warrant to the Purchaser as set forth in this Article II. The representations and warranties provided in Sections 2.1, 2.4 and 2.14 through 2.18 which are made without limitation, shall be limited to the knowledge of the Shareholders after reasonable inquiry.

2.1 Ownership of Company Shares. Each Shareholder is the owner of all right, title and interest (legal, record and beneficial) in and to the Shares described in Schedule 2.1 of the disclosure schedules attached to this Agreement (the "Disclosure Schedules"), free and clear of any and all liens, charges, claims, encumbrances or restrictions of any nature whatsoever (except for any restrictions on transfer imposed by any federal securities laws or state blue sky laws). The delivery to Purchaser of the Shares pursuant to and in accordance with the provisions of this Agreement will transfer to Purchaser good and marketable title in and to all such Shares free and clear of any and all liens,

charges, claims encumbrances or restrictions of any kind or nature whatsoever. The stock record books of the Company, which have been or will be made available to the Purchaser for review, contain true, complete and accurate records of the stock ownership of record of the company and the transfer record for all of its capital stock.

10.4 Indemnification Procedures. All claims for indemnification pursuant to this Article X shall be asserted and resolved as follows:

(a) any party claiming indemnification pursuant to this Article X (an "Indemnified Party") shall promptly (and, in any event at least ten days prior to the due date for any responsive pleadings, filings or other documents) (i) notify the party from whom indemnification is sought (the "Indemnifying Party") of any third-party claim or claims asserted against the Indemnified Party (a "Third Party Claim") that could give rise to a right of indemnification pursuant to this Article X and (ii) transmit to the Indemnifying Party a written notice ("Claim Notice") describing in reasonable detail the nature of the Third Party Claim, a copy of all papers served with respect to such claim (if any), an estimate of the amount of Damages attributable to the Third Party Claim and the basis of the Indemnified Party's request for indemnification under this Agreement. The failure to promptly deliver a Claim Notice shall not relieve any Indemnifying Party of its obligations to any Indemnified Party with respect to the related Third Party Claim except to the extent that the resulting delay is materially prejudicial to the defense of such claim. Within 30 days after receipt of any Claim Notice the "Election Period"), the Indemnifying Party shall notify the Indemnified Party (x) whether the Indemnifying party disputes its potential liability to the Indemnified Party under this Article X with respect to such Third Party Claim and (y) whether the Indemnifying Party desires, at the sole cost and expense of such Indemnifying Party to defend the Indemnifying Party against such Third Party Claim.

(b) If the Indemnifying Party notifies the Indemnified Party within the Election Period that the Indemnifying Party elects to assume the defense of the Third Party Claim, then the Indemnifying Party, subject to the obligation to cooperate with other Indemnifying Parties hereunder as is in the best interest of the Indemnified Party, shall have the right to co-defend along with any other Indemnifying Parties which may similarly elect to defend, at its sole cost and expense, with counsel reasonably acceptable to such Indemnified Party. In the event of any such election, all proceedings shall be prosecuted diligently by the Indemnifying Party to a final conclusion or settled at the discretion of the Indemnifying Party in accordance with this Section 10.4(b). Except as set forth in Section 10.4(f) hereof and subject to the requirement to cooperate with other Indemnifying Parties, the Indemnifying Party shall have control of such defense and proceedings over the control of the Indemnified Party, including any compromise or settlement thereof. The Indemnified Party is hereby authorized, at the sole cost and expense of the Indemnifying Party (but only if the Indemnified Party is entitled to indemnification hereunder), to file, during the Election Period, any motion, answer or other pleadings that the Indemnified Party shall deem necessary or appropriate to protect its interests or those of the Indemnifying Party and not prejudicial to the Indemnifying Party. If requested by the Indemnifying Party, the Indemnified Party agrees, at the sole cost and expense of the Indemnifying Party, to reasonably cooperate with the Indemnifying Party and their counsel in contesting any third Party Claim that the Indemnifying Party elects to contest, including, without limitation, the making of any related counterclaim against the person asserting the Third Party Claim or any cross-complaint against any person. The Indemnified Party may participate in, but not control, any defense or settlement of any Third Party Claim controlled by the Indemnifying Party pursuant to this Section 10.4(b) and shall bear its own costs and expenses with respect to such participation; provided, however, that if the named parties to any such action (including any impleaded

parties) include both the Indemnifying party and the Indemnified Party, and the Indemnified Party has been advised by counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the Indemnifying Party, then the Indemnified Party may employ separate counsel at the expense of the Indemnifying Party, and upon written notification thereof, the Indemnifying Party shall not have the right to assume the defense of such action on behalf of the Indemnified Party, provided further that the Indemnifying Party shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys at any time for the Indemnified Party, which firm shall be designated in writing by the Indemnified Party. Notwithstanding the foregoing, the Indemnifying Party shall be prohibited from confessing or settling any criminal allegations brought against the Indemnified Party without the express written consent of the Indemnified Party.

(c) If the Indemnifying Party fails to notify the Indemnified Party within the Election Period that the Indemnifying Party elects to defend the Indemnified Party pursuant to Section 10.4(b), or if the Indemnifying Party elects to defend the Indemnified Party pursuant to Section 10.4(b) but fails diligently and promptly to prosecute or settle the Third Party Claim, then the Indemnified Party shall have the right to defend, at the sole cost and expense of the Indemnifying Party (if the Indemnified Party is entitled to indemnification hereunder), the Third Party Claim by all appropriate proceedings, which proceedings shall be promptly and vigorously prosecuted by the Indemnified Party to a final conclusion or settled. The Indemnified Party shall have full control of such defense and proceedings, provided, however, that the Indemnified Party may not enter into, without the Indemnifying Party's consent, which shall not be unreasonably withheld, any compromise or settlement of such Third Party Claim. Notwithstanding the foregoing, if the Indemnifying Party has delivered a written notice to the Indemnified Party to the effect that the Indemnifying Party has delivered a written notice to the Indemnified Party to the effect that the Indemnifying Party disputes their potential liability to the Indemnified Party under this Article X and if such dispute is resolved in favor of the Indemnifying Party, the Indemnifying Party shall not be required to bear the costs and expenses of the Indemnified Party's defense pursuant to this Section or of the Indemnifying Party's participation therein at the Indemnified Party's request, and the Indemnified Party shall reimburse the Indemnifying Party in full for all costs and expenses of such litigation. The Indemnifying Party may participate in, but not control, any defense or settlement controlled by the Indemnified Party pursuant to this Section 10.4(c), and the Indemnifying Party shall bear its own costs and expenses with respect to such participation; provided, however, that if the named parties to any such action (including any impleaded parties) include both the Indemnifying Party and the Indemnified Party, and the Indemnifying Party has been advised by counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the Indemnified Part, then the Indemnifying Party may employ separate counsel and upon written notification hereof, the Indemnified Party shall not have the right to assume the defense of such action on behalf of the Indemnifying Party.

(d) In the event any Indemnified Party should have a claim against any Indemnifying Party hereunder that does not involve a Third Party Claim, the Indemnified Party shall transmit to the Indemnifying Party a written notice (the "Indemnity Notice") describing in reasonable detail the nature of the claim, an estimate of the amount of damages attributable to such claim and the basis of the Indemnified Party's request for indemnification under this Agreement. If the Indemnifying Party does not notify the Indemnified Party within sixty (60) days from its receipt of the Indemnity Notice that the Indemnifying Party admits and

Edgar Filing: AQUACELL TECHNOLOGIES INC - Form 8-K

agrees to pay such claim, the claim specified by the Indemnified Party in the Indemnity Notice shall be deemed disputed. Any such disputed claim shall be resolved by litigation in an appropriate court of competent jurisdiction if the parties do not reach a settlement of such dispute within ninety (90) days after receipt of the Indemnity Notice.

(e) Payments of all amounts owed by any Indemnifying Party pursuant to this Article X relating to a Third Party Claim shall be made within thirty (30) days after the latest of (i) the settlement of such Third Party Claim, (ii) the expiration of the period for appeal of a final adjudication of such Third Party Claim, or (iii) the expiration of the period for appeal of a final adjudication of the Indemnifying Party's liability to the Indemnified Party under this Agreement. Payments of all amounts owing by the Indemnifying Party pursuant to Section 10.4(d) shall be made within thirty (30) days after the later of (i) acceptance of the claim if the claim is accepted or (ii) the expiration of the period for appeal of a final adjudication of the Indemnifying Party's liability to the Indemnified Party under this Agreement.

(f) The Indemnifying Party shall provide the Indemnified Party with written notice of any firm offer that is made to settle or compromise a Third Party Claim against an Indemnified Party. If a firm offer is made to settle such a claim solely by the payment of money damages and the Indemnifying Party notifies the Indemnified Party in writing that the Indemnifying Party agrees to such settlement, but the Indemnified Party elects not to accept and agree to it, the Indemnified Party may continue to contest or defend such Third Party Claim and, in such event, the total maximum liability of the Indemnifying party to indemnify or otherwise reimburse the Indemnified Party hereunder with respect to such a claim shall be limited to and shall not exceed the amount of such settlement offer, plus reasonable out-of-pocket costs and reasonable expenses (including reasonable attorneys' fees and disbursements) to the date of notice that the Indemnifying Party desired to accept such settlement.

(g) Notwithstanding any provision herein to the contrary, the Purchaser shall have the right to offset against a Shareholder or the Company amounts due and payable by the Purchaser to such person or entity as payment for any indemnification obligation of the Shareholder or the Company respectively, pursuant to this Article X.

10.5 Costs, Expenses and Legal Fees. Each party hereto shall bear its own costs and expenses (including attorneys' fees) in connection with the transactions contemplated in this Agreement, except that each party hereto agrees to pay the costs and expenses (including reasonable attorneys' fees and expenses) incurred by the other parties in successfully (i) enforcing any of the terms of this Agreement or (ii) proving that another party breached any of the terms of this Agreement.

10.6 Tax Benefits: Insurance Proceeds. The total amount of any indemnity payments owed by one party to another party to this Agreement shall be reduced by any correlative tax benefits received by the party to be indemnified or the net proceeds received by the party to be indemnified with respect to recovery from third parties or insurance proceeds, and such correlative insurance benefit shall be net of the insurance premium, if any, that becomes due as a result of such claim.

RECITALS

WHEREAS, the above named parties entered into a certain Stock Purchase Agreement (the "Agreement") dated October 23, 2001; and

WHEREAS, the parties desire to make certain modifications to said Agreement in accordance with Section 12.1;

Now, THEREFORE, in consideration of the preceding recitals and in consideration of the mutual agreements set forth herein, the receipt and adequacy of which are hereby acknowledged, the parties hereto agree as follows:

I. AMENDMENTS TO SALE AND PURCHASE OF STOCK (Section I)

- 1.1 In relation to Section 1.2 (a) (1) and 1.2 (a) (2) of the Agreement, the parties agree that the Shares of AquaCell common stock issued to the Shareholders shall equal \$1,000,000, or 203,252 Shares at a price of \$4.92, as calculated by taking the average closing price of AquaCell common stock on the five business days immediately preceding the signing of the Agreement on October 23, 2001. The Purchaser hereby agrees to waive the required consents of all creditors to accept AquaCell common stock as payment in full, and agrees to accept consent representing a minimum of 50% of the aggregate debt in stock. Creditors who agree to accept AquaCell common stock as payment shall be issued Shares of AquaCell common stock calculated by taking the average closing price of AquaCell common stock on the five business days immediately preceding the Closing as the denominator and the amount owed to them as the numerator.
- 1.2 In relation to Section 1.3 of the Agreement, the parties agree that the Closing of the Agreement shall take place at the offices of the Purchaser on March 19, 2002.

2. AMENDMENT TO CLOSING DELIVERIES BY THE PARTIES (Section VIII)

- 2.1 In relation to section 8.1(m) of the Agreement, the parties agree that an Employment Agreement shall only be issued to Douglas M. Craver.

3. CERTAIN OTHER MATTERS

Edgar Filing: AQUACELL TECHNOLOGIES INC - Form 8-K

- 3.1 As a condition of Closing, the Shares previously issued in relation to consulting services to Douglas M. Craver and Richard L. Ott in the amounts of 33,000 shares and 17,000 shares respectively, shall be extended for lock up from sale for an additional period of six months from this date of Closing.
- 3.2 Following the Closing, AquaCell may at its own discretion change the focus and direction of the Company from time to time, including but not limited to the transitioning of the financial and certain other functions to its headquarter location in Rancho Cucamonga, California. (This includes, but is not limited to cash receipts, disbursements, accounts payable, accounts receivable, order processing and purchasing.)
- 3.3 In the event that Douglas Craver voluntarily terminates his employment agreement issued in connection with the Agreement prior to one year from the date of Closing, Shares issued to the Shareholders shall be cancelled and returned to AquaCell, except if the Executive voluntarily terminates employment due to the relocation of the principal business location of the Company outside of the state of Arizona.

This Amendment shall represent the only modifications to the Agreement and all other provisions of the Agreement shall be deemed to be valid and applicable to this Amendment.

This Amendment may be executed in multiple counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument.
